INTRODUCTORY REMARKS

In 1921 the annual meeting decided that the Annual Report should appear in an abridged form. In the preface to the Annual Report the General Secretary said: "Since the church this year deviated from the adopted rule for the Annual Report, the secretary takes the liberty to arrange the material under eight departments." This rule has been followed since 1921.

In 1923 the following resolution was passed: "That a committee of three, together with the secretary, be appointed by the president for the purpose of formulating definite rules in regard to the official journal, and that this committee be also requested to see what can be done to expedite the business of the convention." (Journal for Friday afternoon, June 15, 1923, original protocol, page 193.)

Page 199 of the same protocol has the following record: "A question arose in regard to the duties of the committee to be appointed for the purpose of formulating rules in regard to the journal. It was definitely stated that this committee has nothing to do with the Journal of the 1923 convention, which has already been approved by the meeting."

As District Meetings were held in 1924, this committee did not report until 1925. The report of the committee is given in the 1925 printed records, pages 84 and 85. The committee's report was adopted by the convention. (See published records, page 191 and 192.)

By these resolutions, the church has adopted the department arrangement and assumed all the responsibility in regard to the form of our records.

The annual report for 1926 is the 10th in the series. The four volumes for 1917-1920 follow the plan which the General Secretary submitted in 1917 and which was approved by the official committee. It is as follows:

I. Sermons and Lectures.
II. Reports from Officers and Boards.
III. Convention Membership.
IV. Convention Journal.
V. Officers and Boards.
VI. Committee Reports and their consideration.
VII. District meetings.
VIII. Auxiliaries.
IX. Sundries.
X. Statistics.

The report in 1921 appeared with the following arrangement:

Department I. Church Affairs.
1. Officers, Boards and Committees.
2. Reports from Officers and Boards.
3. Committee reports and their consideration.

Department II. Schools.
Same subdivisions as No. 1.

Department III. Home Missions.

Department IV. Foreign Missions.

Department V. Charities.
Same subdivisions as No. 1.

Department VI. Finances.

Department VII. Publications.

Department VIII. Pension.

According to this plan there were published four volumes.

The report for 1925—the plan which has been adopted by the Church—is divided as follows:

GREETINGS AND RESOLUTIONS

Dr. F. H. Knubel, president The United Lutheran Church. Received June 2, 1926.

"Many hearts not present at the convention of the Norwegian Lutheran Church will be truly concerned for a blessing upon that convention. Mine is one of them. May the reports concerning past work give reasons for thanksgiving. May plans for the future be realized beyond expectation. Above all, may the truth of the Gospel as our church knows it be glorified among you."

Dr. K. K. Olafson, president The Icelandic Synod. Received June 5th.

Heartiest greetings to the Norwegian Lutheran Church of America from the Icelandic Lutheran Synod of America. May God bless your work and continue the cordial relations existing between your great church body and our synod.

K. K. OLAFSON

REPLY GREETING

Rev. K. K. Olafson,
President Icelandic Synod,
Glenboro, Man., Canada.

The Norwegian Lutheran Church in convention assembled has heard your message of greeting and benediction. For you, brethren in the flesh, in faith and sonship, we pray for God's richest blessing.

J. A. AASGAARD.

From greeting sent by the Minneapolis Council of Churches, June 2nd.

"The Minneapolis Council of Churches congratulates the Norwegian Lutheran Church of America upon its outstanding achievements in the past, its spirit of devotion and consecration in the present, and wishes to assure your annual meeting at this time that our prayers shall ascend to our Heavenly Father that you may be wisely led during the days of your meetings, so that you may plan effectively for the future."

FROM MADAGASCAR

Decoded: Greetings to annual meeting. We are praying for reinforcements.

TRYGSTAD.

Greetings Sent to Mission Fields in Code

General Convention sends greetings to the Conference. We continually remember you in our prayers and sympathize with you deeply. See words of comfort in II Cor. 12:9—"My grace is sufficient for thee, for my strength is made perfect in weakness. Most gladly, therefore, will I rather glory in my infirmities that the power of Christ may rest upon me."

TO NATAL, SO. AFRICA

After mission was taken over by the Norwegian Lutheran Church:

TO AUGUSTANA SYNOD

Convention in Philadelphia, sent June 9, 1926.

The Norwegian Lutheran Church of America convened at Minneapolis, a center of mutual synodical endeavor, remembers with interest your convention held at the very cradle of the Lutheran Church of America. May you find such inspiration amidst these historic surroundings as will enrich us all! May God direct the synodical councils, yours and ours, that together we may build the walls of our Lutheran Zion, each indeed over against his own house, but with such heed to the plumb line and measuring cords of God's word that the higher courses in the wall and the years just ahead may find us working closely in fellowship of faith and brotherhood! We invoke God's richest blessing upon your convention and the work of the Augustana synod.

Philadelphia, June 10, 1926.

The Augustana Synod acknowledges with profound gratitude receipt of brotherly greetings from the Norwegian Lutheran Church. We realize that we are assembled on soil hallowed by sacred historical associations. We keenly feel the appeal thereof and pray that we may be inspired to greater exertions in behalf of the Kingdom. The Augustana Synod extends most cordial greetings to your church and best wishes for God's blessing upon your great work.

G. R. BRANDELL, Pres.
N. J. W. Nelson, Secy.

From J. A. Morehead, information about Russia:

Present population of Soviet Russia estimated one hundred thirty millions. More than twenty millions below normal by reason of war, revolution, pestilence, famine. Religious statistics embrace one hundred four million Orthodox; one million three hundred thousand Protestants, mainly Lutheran; one million six hundred thousand Jews; three million two hundred fifty thousand Atheists; fifteen million six hundred thousand Mohammedans; six hundred fifty thousand Roman Catholics; one million three hundred thousand Armenian Gregorians; one million three hundred thonsand Buddhists.

PASTORS' SALARIES

President's Aasgaard's appeal to congregations, Friday morning, June 9th.

"In this connection I wish to appeal to the congregations to consider very carefully the question if their pastors are receiving salaries sufficient to remove from them worry about temporal necessities. My heart is filled with sadness when I think of the many who are giving their life in a strenuous service and in addition carrying a heavy burden of pecuniary want. I would ask the delegates here present to investigate whether their pastors are receiving adequate salaries, and if not, to bring this to the attention of the trustees and the congregations."

THE 18TH AMENDMENT

The Norwegian Lutheran Church of America gives thanks to God for the Eighteenth Amendment to the constitution of the United States, introducing

National Prohibition, and for every effort of the federal and state governments in maintaining prohibition. We believe that the Eighteenth Amendment should be allowed to stand unmodified as a part of the fundamental law of the land, and that it should be vigorously defended and enforced by all the departments of the government. We, therefore, urge upon all our members as dutiful and loyal citizens to obey the law and to give their whole-hearted support to its enforcement.

ADMISSION OF PASTORS AND EMPLOYMENT OF TEACHERS

Our day is shiftless and indifferent regarding the fundamentals of revealed religion. Reason is enthroned and faith spurned. Rationalism is very much in evidence verywhere. We need to heed th Apostolic words regarding "scoffers in the last times." Not only should this warning stir the church to watch over those entrusted to the care of souls in school and pulpit within the church, but also carefully consider the application of those requesting to become pastors in our church, who have received their training in other synods, and particularly those who come to us from Reformed denominations. "A small leaven leaveneth the whole lump" is true in our day as it was in the day of the Apostolic church. "What I say, I say to you all, Watch!" is the Lord's emphatic warning to the church at all times. We heartily endorse the words of our president: "At the present time we insist that special care be taken to see to it that all men who are called to preach and to administer the sacraments, and teach our church schools, are men who know whereof they speak, men who are not only Lutheran in name, but Lutheran in heart and understanding."

FROM COMMITTEE ON RESOLUTIONS

The Norwegian Lutheran Church of America assembled in convention at Minneapolis, Minn., June 2 to 9, 1926,

1. Expresses its thanks and appreciation to the Civic and Commerce Association for securing for us at their expense, the use of the First Baptist Church.
2. Voices its thanks to the vestry and pastor of the First Baptist Church for permitting the use of their church buildings by our convention.
3. Special mention is made of the kindness of Mr. Carlton, superintendent of the building for giving the use of many more rooms than were included in the original agreement.
4. This Church body wishes to express its gratitude to the newspapers of the Twin Cities for liberal space given the reports of the convention.
5. The railroad and transportation bureau, representing many railroads, has shown lay and clerical delegates many courtesies for which we hereby express our appreciation.
6. This convention would thank the Rev. Carl Ylvisaker for acting as organist; the Rev. O. Gornitzka of the Lutheran Bible Institute for leading the Bible hour each morning; Mr. G. B. Wollan, the official press representative, for efficient service; the various convention committees; and all others who have helped to make working conditions pleasant, and the convention successful.

OLAF LYSNES,
H. A. STUB,
TENNER THOMPSON.

Adopted Wednesday afternoon, June 9th.

Convention Membership

Please Note: Convention membership is grouped under three heads, namely A) Delegates, B) Voting Pastors, Advisory members are listed under each district.

There were fourteen sessions in the convention. These are numbered as follows: 1) Wednesday a. m.; 2) Wednesday p. m.; 3) Thursday a. m.; 4) Thursday p. m.; 5) Friday a. m.; 6) Friday p. m.; 7) Saturday a. m.; 8) Saturday p. m.; 9) Monday a. m.; 10) Monday p. m.; 11) Tuesday a. m.; 12) Tuesday p. m.; 13) Wednesday a. m.; 14) Wednesday p. m.

The number after pastor's or delegate's name indicates the session when he registered. If the number fourteen occurs as a second number it shows that the person concerned was present at the last session. Thus: Peter Peterson 2-14 shows that registration was reported by the committee at the second session, and that he stayed thru the meeting to the last session. If the numbers come as follows: 5-? it indicates that the person was reported as delegate the fifth session, and that the date of his leaving is unknown.

Be it resolved that the church voice her appreciation of said offer on the part of the Y. P. L. L. and gratefully accept the same, the work of said pastor to be under the supervision of the Board of Home Missions.

It was moved to amend the paragraph by inserting the name "Board of Education" where appears in the original report the name "Board of Home Missions." A motion to table this resolution failed to carry. The amendment was voted on and adopted. The paragraph was adopted as amended.

Sec. 8. Evangelists in the district under district supervision.

The church realizes the need of deeper consecration and a more vigorous Christian life among its members. It also is conscious of having men in its midst who are especially gifted as evangelists and wishes to encourage a greater use of their talents. To co-ordinate and guide this work within the district:

Be it resolved, that the evangelistic work be under the supervision of the district mission committee.

Be it further resolved, that this work be so planned that it be financially self-sustaining. It being the sense of this resolution that the home mission budget allowance shall not be used for this work.

After considerable discussion, a motion to delete the paragraph was made and seconded.

The motion to delete failed.

Upon motion presented by Pastor C. K. Solberg, it was decided to re-consider the resolutions previously adopted under Department 3, Sec. 131, which provides for the salaries of evangelists to be paid from the budget.

The section re-considered was deleted from the minutes.

Continued discussion.

The president stated that the paragraph under consideration, if adopted, in no wise modifies the status of the evangelists who still remain commissioned and salaried by the Norwegian Lutheran Church.

Sec. 8 was adopted with that understanding.

Pastor Nummedahl was granted the permission of presenting the cause of pensions. After his introductory remarks, the report from Committee No. 8 was taken up for consideration.

Pastor P. R. Syrdal then moved that the convention ratify the action of the Board of Pensions.

The vote on this motion stood as follows: Affirmative, 213. Negative, 194.

The president declared the motion of ratifying the Board of Pension's actions adopted.

The following protest against this action was submitted.

"The undersigned hereby protest against the motion passed by the Norwegian Lutheran Church of America June 8, 1926, approving the action of the Board of Pensions in granting the right of membership in the Pension Fund of the church conditioned upon approval of the convention to Enoch Scotvold. The grounds for the protest are: That the action of the Pension Board and subsequent approval of the convention in this matter are: (a) that it is illegal; (b) that it is in violation of the letter and spirit of the rules of the Pension Fund; (3) that it is unfair to many others who might be worthy of a pension.

(Signed) O. J. H. Preus, Halvard Lie, D. G. Ristad.

Sec. 3. (a) Adopted.

President's Message

"YE ALSO SHALL BEAR WITNESS." JOHN 15:27

The great function of the Christian Church is to witness. This is both the power and strength of the Church. It is the outstanding responsibility and duty of the Church to witness concerning Christ and His salvation; to witness so that its aim becomes in this act to seek and to save the lost. All activities and all work carried on must be borne by a passion for souls. When the Church witnesses it has but one testimony and that is to tell the world of a Savior from sin. In our busy age with its manifold demands we must take an active part. The crying social needs and the great opportunities for leadership in the moral as well as the religious field call us. We are by the grace of God seeking to carry our share of this work in a spirit of serving love. We care for the aged, the children, the sick and the poor, seeking to rebuild lives that have broken down. We are interested in this work of inner missions for the opportunities that it will give us to witness about Christ. Only insofar that education, works of mercy and works of charity give us this opportunity, can we justify taking up this work as a church. First and last and all the time the testimony must present the Savior Who gave His life for sinful man. Christ came to save from sin. His Church has one commission, by the very act of witnessing to bring men to Christ. The test of discipleship is the willingness to witness. Generous gifts, continuous self-denying service and willing sacrifice must all center about the great and only aim of the Church, that men may know Him Who is able to save to the uttermost.

So there is joy not only in heaven but in every Christian heart and Christian congregation when a sinner repenteth. We rejoice when we know a quickening of spiritual forces and spiritual interests. The old cry: "What shall we do to be saved?" is the question that the Church, following in the footsteps of her Master, longs to hear from an unconverted world.

This privilege and duty of witnessing for Christ is not only the office of the pastor and the evangelist. As members of the spiritual priesthood of believers, it is the duty and office of every Christian. We are sending out evangelists to arouse and awaken by the Word of God, and our pastors are urging men to be saved while it is yet day. But there is more to be done. We must be concerned individually about those with whom we come in contact. "Ye shall witness because ye have been with me." Unsaved men and women are waiting for us to speak to them personally. Every Christian in his sphere has a personal world where the command "Go and teach and witness" is implied. We must ask God for courage and strength and the aid of the Holy Spirit so that we become true witnesses. The man in the pew must become a witness to his family, his business associates and his personal friends. Little will it avail to send missionaries to foreign lands if the unsaved in our own land does not become a burden upon our souls. Other churches are seeing this need. They are speaking in no uncertain tones that the great duty today is to bring Jesus to the individual.

Opportunities are open to us. "Behold I have set before you an open door!" The catechetical class, the Sunday School and the young people's

society all offer opportunities where training and instruction should be of such a nature as to quicken and build a heart relationship with the Savior. The children grafted on Him in baptism must be the object of prayer and care that they truly abide in Him when they grow up. Abiding in Him means a life relation, a relation that leads to a deeper living knowledge in the Word and a growing desire to find new strength in the means of grace. This life relation, yes this life is Christ Himself. "Christ liveth in me." For every true member of the Church there is the opportunity of the family altar with prayer and the Word. We are deeply concerned about the neglect of the use of God's Word in the home. It has been said that our homes are breaking down. They will break down if there is not a daily witness in the family circle by the use of God's Word and prayer concerning Christ Who should be the unseen member of every household. It is only when men see that sin is the great evil and that to live in Christ is life's greatest blessedness and joy, that parents and children will gather daily around the Word of God. Where this act of witnessing is absent in the homes of our Church it should call for serious self-examination as to our own relations to the Christ Who loved us even unto death. There is no greater heritage to leave ones children than a life lived in witnessing for Christ among them.

Our Church, with a clear understanding of the Law and Gospel, has the God-appointed means in her hands. Shall we ask that God will make use of us to become better and truer witnesses of Him? Shall we ask that we may receive more of the mind of Christ Who was moved to compassion when He beheld a world that was lost in sin? As the mind of Christ grows, as the Holy Spirit becomes the controlling power in our lives, then our Church will prosper, our congregations increase and God's great Name will be glorified among us. In all our deliberations and resolutions let the determining motive be to witness of Jesus Christ so that men may know Him, Whom to know aright is Life eternal.

OUR COUNTRY

This year marks the 150th anniversary of American Independence. As loyal citizens of this country we would not be unmindful of the great blessings that have come to us not only as citizens, but as members of a church, in being permitted by God to build His Church in a land where there is freedom of conscience, and where state and church are definitely separate. Among the blessings that have come to us in America there is none greater than the freedom to worship God according to the dictates of our conscience. We can render no better service to our country than to faithfully and zealously defend this great principle. But as we need constantly to remind ourselves of God's blessings both in a civil and a religious way, I would suggest that the Fourth of July, which this year falls upon Sunday, be set aside in a special way both to commemorate the beginnings of American independence and to strengthen us in the duties, the loyalties and the services that we owe to our common country.

CHRISTIAN EDUCATION

A wonderful stimulus has been given this year to interest in Christian education. The campaigns just closing for added endowments for our colleges, have brot home to every parish the importance of training the heart as well as the mind. The response has been wonderful and we thank God for it. There remains, however, much to be done. Our secondary schools need to be strengthened. Local interest in them must be increased and the momentum that has gathered must not be permitted to die down. To our pastors and people who so willingly and generously have aided in these compaigns we are thankful, and we ask that God may bless these funds so that they will bring added strength to the extension of His Kingdom. Teachers and students in

all our schools have faithfully and earnestly performed their tasks. There is no more loyal band of men and women than the teachers in our institutions who often on small incomes give wholehearted service to the cause of the Church.

The presidents of the different schools will submit their reports in connection with the annual report of the Board of Education.

Last fall the Rev. Jacob Tanner, S. T. D., was installed as professor of theology at our Seminary. He has been assigned by the faculty to teach in Dogmatics, New Testament and Christian Education. During the present year Prof. E. Hove has had a year's leave of absence, and we welcome him back to his work.

Pres. H. P. Olson, after a number of years of valuable service has resigned as president of Spokane College. His faithful loyalty to our Church and his painstaking work in the school is appreciated and we hereby desire to express to him our thanks for service rendered.

THE ENDOWMENT CAMPAIGN

This meeting will receive a report of the response of our people to the appeal for help for our colleges. We know already that it has met with success, that there has been a generous and wholehearted response in nearly every locality. So loyal and so generous has been the cooperation that we are ashamed of our little faith in what God can do thru us. At the proper time these reports will be given to you and they will indeed be a roll of honor. Our pastors and lay-people have given generously of their time, freely have they spent every effort to secure the necessary ingathering of funds. With them today we rejoice and we thank God for this wonderful response. It will put new heart and new strength into us for all the work of our Church. When we ask God and tell it to our people, the answer will surely come in every just and worthy cause. May God multiply to our dear pastors and members true joy in the part that you have taken in this work!

It will be impossible in my message to give a list of the many and generous gifts to our endowment funds. Many of the smaller gifts mean some times a greater sacrifice and effort than a larger amount. One gift, however, deserves mention, and came at the beginning of the campaign and gave a special stimulus to the Luther-St. Olaf drive. It was the pledge of $50,000 by Mr. and Mrs. K. B. Norswing. Mr. Norswing, who is a member of the Church Council, made the stipulation that he would give $50,000 provided $550,000 was raised for these two colleges. This pledge from a husband and wife who have always been devoted to the cause of our Church moves us to deep gratitude to them. There is, however, a note of sorrow in this connection. Shortly after the making of this pledge Mrs. Norswing was suddenly called to her eternal rest. Our hearts go out to our dear brother in this loss and we thank God for her life and loyal devotion to our Church.

As we hear returns from these campaigns for our colleges there comes to us this feeling that it could be said to us: Oh ye of little faith! We hardly dared to trust our God enough, but as in times past He has given us far more than we dared to expect, and with reverent voices today we would say: It is from the Lord, and it is marvelous in our eyes. God's Holy Spirit alone is able to create the willingness and the generosity that has been shown. Truly today we would confess: "Without Thee O Lord, we can do nothing." From our congregations, members and pastors there can today be the one cry, "To Thee, Oh Lord, and to Thy Name alone becometh the glory!"

BOARD OF ELEMENTARY CHRISTIAN EDUCATION

Thru the efforts of the Board of Elementary Christian Education, different Lutheran synods are cooperating toward the publishing of a jubilee edition of Luther's Small Catechism in 1929. This Board has been able to increase and strengthen the interest in elementary Christian education to a great degree.

The holding of teachers' institutes, the preparation of texts and suggestion of plans for more systematic and intense instruction of the young, has been conscientiously carried on by the members of this Board. The importance of the instruction of the youth in Christian knowledge will be the subject for our consideration at this meeting.

HOME MISSIONS AND CHURCH EXTENSION

There is probably no department in our Church work that needs more attention at present than the work of Home Missions. If our Church is to grow and increase, we must be kindled with zeal to bring Christ to the people in our own homeland. Startling figures make us realize that the Church is not holding its own with the increase in population. Unless the Church reaches them, numbers of nominal Lutherans will soon become non-Lutherans. Children that should be instructed in the Catechism will soon reach the age that they are beyond our contact. The present status of our budget has made it practically impossible to extend the work to any great degree. We have marked time on the Home Mission field and our opportunity will soon be lost. If our support of Home Missions decreases it will eventually break down the other activities of our Church. The work of planting the Church in the homeland is fundamental. There can be no holding our own except in a constant widening of our borders. Standing still in mission work means loss because the country is growing. We have a message to bring to our people. We know ourselves it is the best that we can give. Shall we not bring to town and country the means of grace thru the work of church and pastor? Careful attention and care must be given to the promoting of Home Mission work in our cities and larger villages. From the cities and villages the influences go out into the country that will make for better or worse. We need funds to bring this work up to where it ought to be. While the Home Mission budget seems large, it contains such items as the Alaska Mission and the Indian Mission, items that are not strictly Home Mission work. More effort must be made to awaken our people to this crying need so that the amount of money available for the actual support of Home Mission stations is increased.

With Home Missions goes hand in hand the work of Church Extension. The ability to help mission congregations to secure a place to meet is an essential part in the program of a forward movement in home missions. These last years very small amounts have come in for Church Extension. We have a resolution asking that an offering be lifted in each congregation about the 9th Sunday after Trinity for this work. In my opinion the time is not the best. It comes in the middle of the summer when a good many of our people are not at home. There are two Sundays in the Church year that are specially appropriate for this appeal and I would suggest that the Septuagesima and Sexagesima Sundays be used to present the cause of Church Extension to our people and ask for an offering. Even if the offerings are not large, if every parish would make an effort to secure an offering at that time, we would have a wonderful increase in our Church Extension work.

FOREIGN MISSIONS

During the past year the Board of Foreign Missions has sought to carry out the mandate of the Church to bring the Gospel to the heathen in Madagascar, China and Zululand. Missionaries have carried on the work under difficulty and stress. In Madagascar there have been several cases of sickness requiring missionaries and their families to leave. The crisis is so acute in Madagascar as far as workers are concerned, that the Board decided to send, if possible, three new missionaries to Madagascar this fall.

In China, in addition to several cases of sickness, causing a number to return home, there has been the great suffering caused by the civil war in the country. Parts of our field have been in the center of the conflict. Missionaries and their families have lived in constant danger of death. Women and children

have suffered hardship during the past year. In addition to the sufferings of our missionaries, our native Christians have felt the burden of war. Miss Agnes Kittilsby, teacher in the American School, died this winter and her body was laid to rest in China. She gave herself willingly to the service of the Lord and we remember her life with gratefulness to Him.

Daniel Nielsen, pioneer missionary in China, was killed by a bullet at Sinyang while the native armies were fighting. His life from the time he left his Iowa farm until the call of death came, was devoted with singleness of purpose to the one object, that China might know Christ. He saw the vision and heard the call: "Come over and help us!" He followed after the Master and today there are many in China who thank God that Daniel Nilsen was not disobedient to that call. We are mindful of the fact that his going out to China brot on and quickened interest in China among our people. May God by His Spirit make us truly concerned that men may know Christ both in our own land and in the foreign field! To the families who have suffered sickness and hardship during the past year, and especially to the families of Miss Kittilsby and Rev. Daniel Nilsen, do we extend our deepfelt sympathy. May God give us an increase of His Spirit so that the service of intercession for our missionaries, our native Christians and the heathen will become more earnest and more universal among us.

In China great problems are pressing for solution. The rising spirit of nationalism in China demands recognition of China to a far greater degree than her present arrangements with other countries permit. Internally this same spirit demands control of every activity. In our work the point of contact is education. The proposed regulations for schools conducted by foreigners demand among other things the abolishing of compulsory religious training in the curriculum and eventual control by Chinese of the administration of such institutions. The question of where the weight of the work shall be laid, and to what degree on education or evangelization together with many other problems are before your Board of Foreign Missions for careful and serious consideration. Only by God's guidance and Spirit will we be able to choose the right way.

On recommendation of the Foreign Mission Board, this year the convention will decide the question whether it shall take over the control and administration of the Schreuder Mission in Zululand. This mission is close to the hearts of a number of our people. It was one of the earliest missions supported by our people in this country. Today it is laid at our door and to us comes the responsibility to decide. It is my conviction that the recommendation of the Board of Foreign Missions should be accepted and that in God's Name we should take over this work.

CHARITIES

The work carried on by the Church thru the department of charities is placed before you thru the report of the Executive Secretary of that Board.

There are opportunities for service among the aged, the children and the needy. Let us not forget that our Lord said: "inasmuch as ye have done it unto the least of these, ye have done it for me."

At Martin Luther Children's Home a new building is nearing completion in place of the one that was burned.

At a recent meeting of the Board of Directors of our Deaconess Home and Hospital in Chicago it was announced that one man was willing to give $25,000.00 towards a Deaconess Home. During all these years it has been the aim and purpose to separate the Home from the hospital so that the training of deaconesses could be carried on in a separate institution, as the Deaconess service implies more than nursing service. Such work cannot be begun before a building is provided as a home for the sisterhood, where instruction and training not only for the caring of sick, but for the doing of parish work and work in our institutions of mercy, can be provided. It is hoped that the meeting will give serious attention to what can be done to meet this offer and to make possible the establishing of a real Deaconess Home.

On May 22nd it was twenty years since Mother Ingeborg came to our institution in Chicago. She completes this year forty-five years of service in the diaconate. It is her intention this year to visit the mission fields in China and Madagascar. It is our prayer that God will keep His hand over Mother Ingeborg and bless her visit to our mission fields and give her a safe return for added years of service.

THE CHURCH COUNCIL

(The National Lutheran Council)

During the past year the cooperating synods thru the agency of the Council, have carried on the work of relief for our suffering brethren in Europe. The Foreign Mission stations that have belonged to the German societies have been aided. They have by this very aid been saved for our church as in different cases reformed churches were willing to take over the support of some of these missions. In Russia where our brethren in the faith are laboring under great tribulation and stress, they have been encouraged to begin a Seminary for the training of pastors. The present needs for the orphaned foreign missions, the work in Russia and the encouragement of the struggling Lutheran minorities in Greek and Roman Catholic countries in Europe, call for a total budget of about $100,000. Of this our synod ought to raise about $25,000 as a minimum. This ought to be possible. We raise a great deal of money for inter-denominational relief among us, such as the Near East Relief. This is our special Near East Relief, and a small share from each one of us will make this possible without in any way impairing the efficiency of our own work.

This year a meeting was held in Chicago of the representatives of the different synods for which the National Lutheran Council is an agency. The program and plan of organization was gone over so as to meet the changing conditions as far as work in Europe is concerned. This program was carefully drawn so that it implies no cooperation or fellowship except in so far as the synods themselves have already entered into such relations with each other individually. According to the resolutions of our Church these plans have been submitted to our Church Council and approved by them.

The National Lutheran Council wishes to call attention to the activity of the Roman Catholic Church in Protestant lands. The latest evidence is the encyclical of the Pope, asking that the last Sunday in October be made a feast day for Christ as King. In this encyclical we find the converging of Church and State. The spiritual Kingdom of Christ is confused with the temporal kingdoms of this world. As the Reformed Church to a great degree has held a similar view as to the merging of the spiritual and the temporal, this proclamation undoubtedly will meet approval from unexpected sources. To us as evangelical Christians we must clearly define the line of demarcation between Church and state. The kingdoms of this world are not directed and governed by our Lord but only insofar as the Kingdom of God is within us as citizens in such a state. The last Sunday in October stands for the greatest event of modern times. It is Reformation Sunday, and our pastors and churches as never before should be awake to making use of this festal day to emphasize the blessings that have come to the Church thru the Reformation. Special sermons should be preached on this subject. Programs in young people's societies and in Sunday Schools, as well as ladies' aids, should be carried out along this line. Let there be a hearty and universal celebration of Reformation Sunday and Reformation Day this year as never before. We must not forget the blessings that have come to us thru this event.

The Christian Church has already a festival that carries with it the recognition of Christ as King. That festal day is Ascension Day and I would ask that our pastors give greater thought in their respective localities to bringing back to their people the true understanding of this great day in the Church. It should take its place as one of the great festal days in our Church and in

every parish at least the evening of Ascension Day should be devoted to services in keeping with the great fact remembered by it.

Altar and Pulpit Fellowship

Last fall I received an invitation from Dr. C. C. Hein, President of the Joint Synod of Ohio to appoint a committee to meet with representatives of the Ohio, Iowa and Buffalo Synods, and take up the question of altar and pulpit fellowship. Our Church has regarded these synods as brethren in the faith, but the correct Lutheran principle is an official and definite agreement as to altar and pulpit fellowship. Therefore, in accordance with this invitation, and also in accordance with resolutions adopted by the Church Council in times past, I selected Dr. H. G. Stub, Dr. J. Tanner, Dr. G. M. Bruce and myself as a committee from our Church. We met on November 18, 1925, at Minneapolis. At this meeting, thru the direction of God's Holy Spirit we came to complete agreement and understanding in all essential things. This Agreement is submitted to you for consideration at this meeting. It has been approved by the Church Council and is based on the Chicago theses presented by Dr. Stub and Dr. J. N. Kildahl at Chicago in March, 1919, which were presented to our Church in district meetings during the summer of 1919.

The adoption of this Agreement by the representative synods will mean a great deal for our work, especially in education and in home missions. In the field of education our point of contact is especially the schools in home mission territory. It means the coming closer together not for organic union, but for full and brotherly understanding and sympathy of a group of between 800,000 and 900,000 Lutherans. For this we thank God. It would be proper in this connection to select a representative to bring our greetings to the meetings of the Iowa and Ohio Synods this year. It is the purpose of these two synods, together with the Buffalo Synod, to hold the final separate meetings this year, and next year, if God wills, to unite in one body. Our best wishes and hearty congratulations on this event go out to our brethren in these synods. They have at all times been found among those who have stood for sound and conservative Lutheranism, developed in pious, active Christian life. We should also send greetings or elect representatives to such other Lutheran synods as has been our custom.

Admission of Pastors

Among the responsibilities entrusted to the Church Council is the demand of the Church that the Church Council exercises the greatest care with regard to admission of pastors and candidates from other synods and churches to the office of the ministry among us. This is true under all conditions, but especially at the present time it behooves us with special care to see to that all men who are called to preach and to administer the sacraments among us, are men who know whereof they speak, men who are not only Lutheran in name, but Lutheran with heart and understanding. With this end in view the Church Council adopted a rule of procedure for such applicants who may apply for admission or ordination. It is not a reflection on any other synod or church, but we cannot and dare not lay aside the responsibility or thrust upon someone else that which has been given to us in this weighty and important matter.

For your information these rules are submitted as an appendix.

THE WOMEN'S MISSIONARY FEDERATION

This year, true to the spirit of its past, the Women's Missionary Federation has given wholehearted support and assistance to the program of the Church. They have interested themselves in all the activities of the Church. As the interest and understanding of the work of our Church increases among the women of the Church, so there will come from the homes of the Church young men and women who will follow in the footsteps of their parents. To all the women's societies of our Church, both those connected with the Federation as

well as those not directly affiliated with it, we extend our appreciation and thanks for the support and inspiration that they have given to our work.

THE YOUNG PEOPLE'S LUTHER LEAGUE

has this year come with the generous offer to support a pastor to exercise supervision over the student work at our various state institutions. The work of the League is well planned, systematically carried out, and is creating among its members a growing knowledge and interest in our activities. The representatives of the League meet each year with the Church Council in order that there may be the closest harmony and understanding of the interests involved between the Church and this organization.

In this connection permit me to say that I have received a communication from the Lutheran Students Pastors' Association of our Church, in which they urge that the Church give careful and serious attention to the work among 10,000 Lutheran students in the state institutions. They must be kept for Christ and for our Church. The men working among them need our assistance and our sympathy and interest. It is our work that they are doing; we have placed them there. They ask us to give them the needed help and encouragement. The letter of the secretary is appended.

THE NORWEGIAN YOUNG PEOPLE'S SOCIETY

has specially interested itself in the work among the men on the fishing boats in Alaska. They are assisting in the support of the Home conducted at Ketchikan. In several of our congregations there is a well defined need for Norwegian Young People's Societies and where such need exists we find well attended and successful meetings. It is our hope and prayer that all the work among our young people, whether in one language or the other, may be conducted with the aim that our youth shall grow not only in external activities but in that which is more important, in a deepening of personal knowledge and loyalty to Jesus Christ their Lord and Master.

THE PENSION FUND

The Secretary of the Pension Fund has presented this year to our pastors a definite and conservative plan which will bring about an adequate pension in the future. This plan has been adopted by a great many of the other denominations who formerly sought to build up a pension fund along the lines which we have been doing in the past. In my estimation a conservative and reasonable Pension Fund is one of the outstanding needs in our Church today. Under the present rules on an endowment plan, the amount involved will run into such great sums of money that it is impossible to expect to reach an income necessary to give and adequate pension to our retired and disabled pastors. The new plan is recommended to you for careful and sympathetic consideration. Permit me also to express my appreciation of the generous response to my letter last fall on behalf of our present Pension Fund. May I ask the pastors and congregations to set aside Thanksgiving week, including the Sundays before and after, as offering days for our Pension Fund? The total amount of pension paid to retired pastors or their families at present is only $320 a year. If you had not so generously responded to my appeal, it would have been impossible to have paid anywhere near this sum the last year. Will you make Thanksgiving week a time for a special offering or a collection for this worthy cause?

THE ENGLISH DISTRICT

According to resolution of the Church adopted in 1923, the organization of an English District was authorized when 30 congregations had signified their intention of joining together in such an organization. A preliminary meeting will be called during the first part of this convention to ascertain whether such a number of congregations have agreed upon the formation of this district.

FINANCES AND ORGANIZATION

The Committee of Nine elected at our last meeting has presented its report in our Church papers. The committee has spent a good deal of time on its report and time should be taken to consider carefully those parts which propose changes in our system. It is not within my province to enter into a discussion of this committee's report. Permit me only to ask at least that part of the report which deals with a new arrangement of our district boundaries should be considered and settled before the district meetings are held, as it will be necessary where districts are changed and membership added, in all fairness to the new organization to conduct election of district officers, if the change is made.

The year 1925, when both the budget and the amount raised for the deficit is considered, brought in a larger amount of money for our work than any previous year. There is a gradual increase in the support of the various activities. In view of the intensive campaign just completed for our colleges, I would suggest that no general drives or campaigns be put on during the next three years while the payments or pledges made are being taken care of, but that during these years the collection of the budget and the reducing of the deficit, be continued with all vigor. It might be well for representatives from our Boards or subcommittees which they might appoint outside of themselves, to carefully investigate the most pressing needs of all our activities and institutions such as the children's homes and homes for the aged, the academies, a new building for our Seminary, buildings needed on the foreign field, increase in the Church Extension Fund, and similar undertakings, so that it might be possible to unite in one campaign for all of these needs at the end of the three-year period. Of course such action should not preclude the academies and similar institutions from collecting funds needed for their immediate support from time to time within their own territory. This campaign has taught us how to work shoulder to shoulder and we should not let the experience that we have received thru it, be wasted. Would it not be possible, even if not entirely, at least in part to make use of these organizations to secure the needed pledges and contributions for our budgets this fall. By gradually increasing the number of workers in our congregations we would strengthen both their loyalty and interest in the work of our Church.

BISHOP JOHAN P. LUNDE

At the close of the Centennial our Church thru many of its congregations, was happy to entertain Bishop Johan Lunde as their guest. There has probably been no visit from Norway that has brought such inspiration and encouragement these latter years as the visit of the good Bishop of Oslo. The clear evangelical note that he sounded, the firm confessional stand that he takes, and the loving and sympathetic life that he exemplifies, made his visit with us an event long to be remembered. Again we send him our hearty greetings and ask that God will bless His Church in Norway by permitting Bishop Lunde many days in the land of our fathers.

DR. H. G. STUB

Dr. H. G. Stub, our esteemed President, laid down his office which he has so capably held these many years, the latter part of July. During the month of July he suffered with a serious illness. For some time his condition was very critical but the Lord returned to him his strength and health. As chairman of our committee in meeting with the synods mentioned above, he gave valuable aid and guidance. While spending the winter in Californuia for the benefit of his health, he has given generously of his time to help our pastors and congregations on the Pacific Coast; by taking part in circuit meetings, young people's conventions, and preaching he has given encouragement and inspiration to our brethren who are separated from us by a great distance. In addition to this he has secured for the College Endowment cause over $60,000 in larger sub-

scriptions. His heart beats warmly for the Norwegian Lutheran Church and he is ever ready to serve her best interests. We welcome him again into our midst and express our appreciation of this generous and whole hearted service on behalf of our Church and its institutions.

CORRESPONDENCE

Among the appeals for recognition and support that have been sent to me, I shall single out the following: I submit in connection with this report a letter and report from the American Bible Society. As an evangelical Protestant Church we should give this Society our hearty support. They publish the Scripture without comment. It would be impossible for us to do our Foreign Mission work if it were not for the work of the American Bible Society. The Word of God is a living force and every effort to bring it to men should be supported. It is my recommendation that a definite amount of financial support be given the American Bible Society each year on our budgets.

There is a request from the "Nordmands Forbundet" that the Church be represented at an exposition in Oslo this fall, something similar to the exhibition given by the "Nordmands Forbundet" in 1914. They request especially pictures, charts and other information which will be of value to make the people there realize and understand what their sons and daughters have accomplished in this land.

There is also an opportunity to be represented in the exhibition in Philadelphia, celebrating the 150th anniversary of American independence. The correspondence in this matter is submitted to this committee for consideration.

A letter from the Rev. John Flint, in which he resigns both as a pastor and member from the Norwegian Lutheran Church of America, is submitted. This withdrawal has been received and acted upon by the Church Council. The reason given for withdrawal is that he does not share our views and principles in the matters of faith and practice.

ANNIVERSARIES

In commemorating anniversaries, permit me also to call attention to anniversaries within our own Church. This year we celebrate the 100th anniversary of the birth of the following pastors: J. J. Johansen, born June 14, 1826; Anders O. Hagen, born Nov. 7, 1826; Ole Amundson, born in 1826; and Dr. V. Koren, born Dec. 22, 1826.

Of these men Dr. V. Koren ranks as the great theologian and leader. His life was practically contemporaneous from the very beginning with the development of our Church. We thank God for what our fatherland gave us in this man. He will long be remembered as one of the founders of our Church in America.

IN MEMORIAM

During the past year a great number of our pastors and workers in the Church have been called home to their Lord and Master. For some of them death came as a sudden summons; for others, after sickness of some length. Among those who departed this life were Mr. Erik Waldeland, Treasurer of the Church, Rev. I. D. Ylvisaker, President of the North Dakota District, Rev. Lars Harrisville, Vice-President of the Eastern District, and in addition the following pastors and professors: Severt Westby, N. E. Boe, Osmund O. Risvold, J. W. Preus, Abel Anderson, J. N. Sandven, A. C. Barron, M. O. Waldal, J. H. Johanson, U. D. Johnson, Th. Himle, Lorentz Johnson, P. O. Langseth, P. A. Thoreson, N. P. N. Hvale, O. O. Bjertness, J. D. Bothne, H. Roalkvam, S. Romsdal, E. M. Peterson, J. A. Hellestvedt, professors J. S. Nordgaard, Carl E. Nordberg and K. J. Jacobson.

They have all given faithful and conscientious service to the Church, many of them a long life of sacrifices and labor; others a briefer time. It is not for us to say whose life may have had the greatest influence and who is the most deserving of honor. The Master Who knew the conditions, the love and spirit

that actuated the service and the difficulties under which they labored, will in His grace give to each faithful servant far more than they ever hoped or expected to receive. "Well done thou good and faithful servant, enter thou into the joy of the Lord."

To their families and friends we extend our deepest sympathy, and gratitude to God Who raised them up, and our appreciation to them for their fellowship and service to us. May their memory be blessed among us!

* * *

This message could could not be closed without reference to the continuous and regular work carried on in our congregations. The Word of God has been preached every Sunday and the sacraments administered by our pastors to our people. Faithfully and conscientiously they have sought to do this work which is, after all, the very foundation of all work in the Church. Children have been instructed in the Christian faith and confirmed at the altars of our Church. Comfort has been given to the sick and dying and the hope of a blessed resurrection for the believer in Jesus Christ has been held out to the sorrowing. For these opportunities given us by God to be co-laborers with Him we humbly thank Him this day. To our faithful pastors and loyal members I desire to express a word of appreciation and encouragement. May it ever be your prayer and eager desire that the Word of God may be multiplied among you! That your children may know this Word as their most priceless heritage should be your greatest endeavor! May God by His Holy Spirit make us to be faithful stewards of His Gospel! May He forgive in His great mercy all our transgressions and sins against Him in His work! But may He also, thru His infinite grace, use whatever is from Him thru us to the upbuilding of His Church and the extending of His Kingdom. And to the Father, Son and Holy Ghost be all glory, world without end. Amen!

APPENDIX

Agreement of Representatives of the Iowa, Ohio and Buffalo Synods and The Norwegian Lutheran Church of America to Be Submitted to Their Respective Synods for Action

I

The Scriptures

The synods signatory to these Articles of Agreement accept without exception all the canonical books of the Old and the New Testaments as a whole, and in all their parts, as the divinely inspired, revealed, and inerrant Word of God, and submit to this as the only infallible authority in all matters of faith and life.

II

The Lutheran Symbols

1. These synods also, without reservation, accept the symbolical books of the evangelical Lutheran Church, not insofar as, but because they are the presentation and explanation of the pure doctrine of the Word of God and a summary of the faith of the Lutheran Church, as this has found expression in response to the exigencies arising from time to time.

(The Norwegian Lutheran Church of America, in agreement with the position of the Lutheran Church of Norway and Denmark, has officially accepted only the three Ecumenical Creeds, the Unaltered Augsburg Confession, and Luther's Small Catechism. This position does not imply that the Norwegian Lutheran Church of America in any way whatsoever rejects the remaining symbolical books of the Lutheran Church, as the constant reference to them in her theological literature amply testify, but since the other symbolical books

are not known to her constituency generally, it has not been deemed necessary to require formal subscription to the entire Book of Concord.)

2. Adherence to our confessions pertains only to their doctrinal content, (i.e., the doctrines declared to be the divine truth and the rejection of opposite doctrines), but to these without exception or limitation in all articles and parts, no matter whether a doctrine is specifically cited as a confession or incidentally introduced for the purpose of elucidating or proving some other doctrine. All that pertains to the form of presentation (historical comments, questions purely exegtical, etc.) is not binding.

III

Church Fellowship

1. These synods agree that true Christians are found in every denomination which has so much of divine truth revealed in Holy Scripture that children of God can be born in it; that according to the Word of God and our confessions, church fellowship, that is, mutual recognition, altar and pulpit fellowship, and eventually co-operation in the strictly essential work of the church, presupposes unanimity in the pure doctrine of the Gospel and in the confession of the same in word and deed.

Where the establishment and maintenance of church fellowship ignores present doctrinal differences or declares them a matter of indifference, there is unionism, pretense of union which does not exist.

2. They agree that the rule "Lutheran pulpits for Lutheran pastors only, and Lutheran altars for Lutheran communicants only" is not only in full accord with, but necessarily implied in, the teachings of the divine Word and the confessions of the evangelical Lutheran Church. This rule, implying the rejection of all unionism and syncretism, must be observed as setting forth a principle elementary to sound and conservative Lutheranism.

IV

Points of Doctrine

In 1920 all synods with the exception of the Buffalo Synod (to which they had not been submitted) adopted theses on:

1. The Work of Christ.
2. The Gospel.
3. Absolution.
4. Holy Baptism.
5. Justification. (See Chicago Theses)
6. Faith.
7. Conversion.
8. Election.

After discussion of these theses the representatives present came to the conclusion that we are in full agreement in all essentials pertaining to these doctrines.

V

The Lodge Question

1. These synods agree that all such organizations or societies, secret or open, as are either avowedly religious or practise the forms of religion without confessing as a matter of principle the Triune God or Jesus Christ as the Son of God, come into the flesh, and our Savior from sin, or teach instead of the Gospel, salvation by human works or morality, are anti-Christian and destructive of the best interests of the church and the individual soul, and that, therefore, the Church of Christ and its congregations can have no fellowship with them.

2. They agree that a Lutheran synod should not tolerate pastors who have affiliated themselves with any anti-Christian society. And they admonish their pastors and congregations to testify against the sin of lodgery and to put forth

earnest efforts publicly and privately to enlighten and persuade persons who are members of anti-Christian societies, to sever their connection with such organizations.

VI

Recognition

The representatives of the synods here present agree that the synods accepting these articles are one in doctrine and practise, recognize each other as truly Lutheran and may enter into pulpit and altar fellowship.

The presidents of the synods here represented are asked to present this Agreement to their respective synods for adoption.

Theses Adopted in Chicago March 11-13, 1919

(The part dealing with doctrines considered.)

1. In regard to the Word of Christ, Redemption, and Reconciliation:

Jesus Christ, God and Man, has not only for the benefit of, but in the place of the human race, taken upon Himself the sins of the world with the just penalties for them. In the place of the world and for its benefit, He has by His holy life fulfilled the law, and by His suffering and death, by His blood, paid, the penalty for the whole world, truly and completely satisfied the divine justice; redeemed the world from guilt and punishment of sin, and brought about the reconciliation of God, whose wrath had come upon mankind on account of sin and whose justice required satisfaction.

2 . In regard to the Gospel:

The Gospel is not only a story, a narrative of what Jesus Christ has done, but at the same time it offers and gives the result of the work of Christ—above all, forgiveness of sin. Yea, it even at the same time gives the power to accept what it offers.

3. In regard to Absolution:

Absolution does not essentially differ from the forgiveness of sin offered by the Gospel. The only difference is that absolution is the direct application of forgiveness of sin to the individual desiring the consolation of the Gospel. Absolution is not a judgment passed by the pastor on those being absolved, declaring that they now have forgiveness.

4 . In regard to Holy Baptism and the Gospel:

The Holy Ghost works regeneration of the sinner both thru Baptism and the Gospel. Both are therefore justly called the means of regeneration.

5. In regard to Justification:

Justification is not an act in man but an act by God in heaven, declaring the repentant and believing just, or stating that he is regarded as such on account of the imputation of the righteousness of Christ by faith.

6. In regard to Faith:

Faith is not in any measure a human effort. Faith is an act of man insofar

as it is man who believes. But both the power to believe and the act of believing are God's work and gift in the human soul or heart.

7. In regard to Conversion:

Conversion as the word is commonly used in our Lutheran confession comprises contrition and faith produced by the Law and the Gospel. If man is not converted, the responsibility and guilt fall on him because he in spite of God's all sufficient grace thru the call, "would not" according to the Word of Christ, Matt. 23:37: "How often would I have gathered thy children even as a hen gathereth her chickens under her wings, and ye would not."

If a man is converted the glory belongs to God alone, whose work it is thruout. Before conversion or in conversion, there is no cooperation of man, but at the very moment man is converted, cooperation begins thru the new powers given in conversion; tho this cooperation is never independent of the Holy Spirit, but always "to such an extent and so long as God by His Holy Spirit rules, guides, and leads him." Form. Concord.

8. In regard to Election:

The causes of election to salvation are the mercy of God and the most holy merit of Christ; nothing in us on account of which God has elected us to eternal life.

On the one hand we reject all forms of synergism which in any way would deprive God of His glory as the only Savior. On the other hand we reject all forms of Calvinism which directly or indirectly would conflict with the order of salvation, and would not give to all a full and equally great opportunity of salvation, or which in any manner would violate the Word of God which says that God will have all men to be saved and to come unto the knowledge of the truth. 1 Timothy 2:4.

Rules of Procedure as to Ordination of Candidates and Admission of Pastors to Our Church, Adopted by the Church Council March 25th, 1926

I. Candidates from our Seminary desiring to be ordained as pastors in the Norwegian Lutheran Church of America, are required to meet with the Church Council or a committee appointed by the same, for a colloquium before ordination.

II a) Candidates from other synods and pastors from all non-Lutheran denominations are expected to spend at least a year at our Seminary, and to submit to an examination at the end of the said year by the Theological Faculty, who shall report concerning said candidate to the Church Council. After receiving such report the Church Council shall meet with the candidate for a colloquium. At the conclusion of such a colloquium the Church Council shall decide as to his ordination.

b) All requests for admission by pastors and candidates to the Norwegian Lutheran Church from other Churches shall be published in the official papers of the Church by the General President at least sixty days before such persons are admitted to our Seminary.

III. Pastors who have been in the service a number of years and who desire admission to our synod shall be admitted only together with their congregations.

IV. The Church Council expects that candidates and pastors recently ordained who seek admission from other synods shall compensate such synods for their theological training to such a degree as said synod might demand.

V. All decisions in above-mentioned rules must be concurred in by a two-thirds' majority of the Church Council and no one can be received or ordained unless said candidate or pastor has had a colloquy with the Church Council or a committee appointed by same.

VI. The Norwegian Lutheran Church will not be responsible for recommendation of pastors for admission to other synods or churches (including the Church in Norway) except such recommendations are approved and countersigned by the President of the Norwegian Lutheran Church of America.

ADDENDA

Call of Pastors

I. The Church Council requests our congregations when in need of a pastor that they call pastors from their own Church body. In case congregations belonging to our Church wish to call a pastor from another synod or pastors who do not belong to any synod, it is requested that such congregations ask advice from the district president in their district, and the President of the Church.

II. In case a parish or an individual congregation in The Norwegian Lutheran Church is temporarily served by a pastor from another synod, it is advised that the district president visit such congregation to investigate how this relationship may be corrected, either so that the pastor concerned joins the Norwegian Lutheran Church, or in case this is not possible, that the parish or congregation seek service from pastors belonging to their own Church body.

Formandens indberetning.

„Ogsaa I skal vidne" (Joh. 15, 27).

Den kristne kirke skal vidne. Det er dens store opgave. Deri har den ogsaa sin styrke. Det er kirkens fornemste pligt at vidne om Kristus og frelsen i Kristus — at vidne om ham med det bevisste formaal for øie derved at søke og frelse det fortapte. Al virksomhet og alt arbeide som utføres, maa bæres av en dyp trang til at vinde sjæle. Naar kirken vidner, har den blot ett vidnesbryd: den fortæller verden om en frelser fra synden. I vor travle tidsalder med dens mangfoldige krav kan vi ikke staa som udeltagende tilskuere. Den strikende sociale nød og den aapne anledning til at være ledere paa det moralske og det religiøse felt, kalder os. Vi forsøker ved Guds naade at utføre vor del av dette arbeide i den tjenende kjærlighets aand. Vi tar os av de gamle, av barnene, av de syke og de fattige, og søker at gjenopreise de faldne og forkomne. Vi er interessert i dette indremissionsarbeide for den anledning som det gir os til at vidne om Kristus. Kun for saavidt som skolearbeide og barmhjertighetsarbeide gir os denne anledning, er vi som kirke berettiget til at ta del deri. Først og sidst og til alle tider maa vidnesbyrdet fremstille Frelseren, som gav sit liv for syndere. Kristus kom for at frelse fra synd. Hans kirke har den opgave ved sit vidnesbyrd at bringe menneskene til Kristus. Et av discipelstandens kjendetegn er villighet til at vidne. Store gaver, stadig selvfornegtende tjeneste og villig opofrelse maa alt samle sig om kirkens store og eneste formaal, at menneskene maa kjende ham som er mægtig til at frelse.

Saaledes er der glæde, ikke alene i himmelen, men i ethvert kristent hjerte og i enhver kristen menighet naar en synder omvender sig. Vi glæder os naar der merkes tegn paa Aandens gjerning i hjertene og der kan spores tiltagende interesse for aandelige ting. Det gamle rop: „Hvad skal vi gjøre for at bli frelst?" er det spørsmaal som kirken, naar den følger i sin herres fotspor, længes efter at høre fra en uomvendt verden.

Det er ikke alene presten og evangelisten som har ret og pligt til at vidne om Kristus. Som medlemmer av de troendes aandelige presteskap er det alle kristnes pligt og embede. Vi sender ut evanglister for at kalde og vække ved Guds ord, og vore prester indbyr indtrængende enhver til at bli frelst mens det endnu er dag. Men mere maa gjøres. Vi maa personlig ha omsorg for dem som vi træffer paa. „I skal vidne; ti I har været med mig." Ufrelste mænd og kvinder venter paa os for at vi skal tale med dem personlig. Enhver kristen har i sin omgangskreds sin egen lille verden, hvor befalingen: „Gaa ut, undervis og bær vidnesbyrd", finder sin anvendelse. Vi maa be Gud om mod og styrke og den Helligaands hjælp, saa at vi kan bli tro vidner. Den som i kirken er tilhører, skal være et vidne for sin familie, for sine arbeidsfæller og for sine personlige venner. Det nytter litet at sende missionærer til hedenske land hvis ikke de ufrelste i vort eget land hviler som en byrde paa vor sjæl. Andre kirkesamfund ser denne nød. De taler med overbevisning om at den store pligt er at bringe Jesus til hvert individ.

Anledningene er aapne for os. „Se jeg har sat for dig en aapen dør." Konfirmationsklassen, søndagsskolen og ungdomsforeningen, alle frembyr anledninger, hvor opdragelse og undervisning skulde være slik anlagt at den kunde levendegjøre og utvikle samfund med Frelseren. Barnene, som i daaben er indpodet i ham, maa være gjenstand for omsorg og bøn, saa at de i sandhet kan leve i ham naar de vokser til. At leve i ham, vil si at staa i livssamfund med ham, et samfund som fører til en dypere levende kundskap i ordet og en inderlig længsel efter at finde ny styrke i naademidlene. Dette livssamfund, ja dette liv er Kristus selv. „Kristus lever i mig." Ethvert sandt medlem av kirken har anledning i sin familie til bruken av bønnen og Guds ord. Det vækker vor alvorlige bekymring at bruken av Guds ord forsømmes i hjemmet. Det sies at vore hjem gaar til grunde. De vil gaa til grunde hvis der ikke daglig vidnes i familiekredsen ved bruken av Guds ord og bøn. Kristus maa være det usynlige medlem av enhver familie. Kun naar menneskene

forstaar at synden er den store ulykke, og at livet i Kristus er den største velsignelse og glæde, kun da vil forældre og barn daglig samles om Guds ord. Hvis der ikke saaledes vidnes i vor kirkes hjem, bør vi alvorlig prøve os selv hvorledes vort eget forhold er til Kristus, som elsket os endog til døden. Der er intet større arvegods at efterlate vore barn end et liv som vidner for dem om Kristus.

Vor kirke har den klare forstaaelse av lov og evangelium; i dens hænder er de av Gud bestemte midler lagt. Skal vi be at Gud vil hjælpe os til at bli bedre og troere vidner om ham? Skal vi be om at faa mere av Kristi sind, som bevægedes av medlidenhet naar han saa en verden som var fortapt i synd? Eftersom Kristi sindelag tiltar iblandt os, eftersom den Helligaand blir den styrende magt i vort liv, vil vor kirke gaa fremad, vore menigheter vokse og Guds navn helliges iblandt os. I alt hvad vi foretar os, la den egentlige grund være at vi vil vidne om Jesus Kristus, saa at menneskene kan lære at kjende ham; ti „dette er det evige liv, at de kjender dig, den eneste sande Gud, og den du utsendte, Jesus Kristus."

Vort land

Dette aar er det 150de siden Amerikas frigjørelse. Som trofaste borgere av dette land skulde vi mindes den store velsignelse som er kommet til os, ikke alene som borgere, men ogsaa som medlemmer av kirken, idet Gud tillater os at bygge hans kirke i et land hvor der er samvittighetsfrihet, og hvor stat og kirke er adskilt. Blandt de velsignelser som vi har faat i Amerika er der ingen større end friheten til at dyrke Gud overensstemmende med vor samvittighet. Vi kan ikke paa bedre maate tjene vort land end ved at forsvare denne store grundsætning med iver og troskap. Men da vi stadig trænger at mindes Guds velsignelser baade som borgere og kristne, vil jeg foreslaa at den 4de juli, som iaar falder paa en søndag, høitideligholdes paa særegen maate baade for at minde os om begyndelsen til Amerikas uavhængighet og for at styrke os i den pligtfølelse, troskap og villighet til at tjene som vi skylder vort fælles land.

Kristelig skolearbeide

En vidunderlig opmuntring til interesse for det kristelige skolearbeide har dette aar bragt. Det arbeide som just nu har fundet sin avslutning, arbeidet for at skaffe større grundfond for vore colleges, har i hver eneste menighet bragt forstaaelse for vigtigheten av hjertets utdannelse saavelsom forstandens. Den velvilje hvormed vor opfordring er blit imøtekommet, har været storartet, og vi takker Gud for den. Der er dog endnu meget at gjøre. Vore akademier trænger hjælp. Den lokale interesse for dem maa økes, og den kraft i arbeidet som nu blev opnaadd, maa ikke dø hen. Vi er taknemmelig mot vore prester og vort folk som saa villig og saa rikelig har hjulpet til i denne indsamling, og vi ber at Gud vil belsigne disse fonds, saa at de kraftig maa hjælpe til at utbrede hans rike. Lærerne og studentene har med alvor og troskap utført sit arbeide. Der findes ikke en mere troksta skare mænd og kvinder end lærerne ved vore institutioner, som ofte for liten løn gjør det til sit livsarbeide at tjene vor kirke.

Bestyrerne for de forskjellige skoler vil indsende sine rapporter i forbindelse med den aarlige rapport fra skolestyret.

Ifjor høst blev pastor Jacob Tanner, S.T.D., indsat som professor i teologi ved vor presteskole. Han er av fakultetet blit anvist undervisningen i dogmatik, ny testamente og kristelig opdragelseslære. I det indeværende aar har professor E. Hove hat et aars hvile fra sit arbeide, og vi ønsker ham nu velkommen tilbake.

Prof H. P. Olson har resignert som bestyrer for Spokane College efter mange aars værdifuld tjeneste. Vi sætter megen pris paa hans trofaste kjærlighet til vor kirke og hans ufortrødne arbeide for skolen, og vi ønsker herved at uttrykke vor tak til ham for den tjeneste han har ydet.

Fondsindsamlingen

Dette møte vil motta rapport om den velvilje hvormed vort folk har imøtekommet opfordringen til at hjælpe vore skoler. Vi vet allerede at utfaldet har været heldig, at der næsten overalt er vist en hjertelig, ja storartet velvilje. Saa trofast og saa inderlig har samarbeidet været at vi skammer os over vor mangel paa tro til hvad Gud kan gjøre ved os. I sin tid vil disse rapporter bli indlevert, og de er

i sandhet „rolls of honor". Vore prester og lægfolk har ædelmodig anvendt sin tid og kraft paa at sikre skolene de nødvendige fonds. Med dem glæder vi os idag og takker Gud for denne storartede imøtekommenhet. Den vil gi os ny kraft og frimodighet til vort arbeide for kirken. Naar vi ber til Gud og henvender os til vort folk, vil svaret visselig komme i enhver værdig og retfærdig sak. Maa Gud la vore kjære prester og menighetslemmer ha rik glæde av den del de har hat i dette arbeide!

Det vil bli umulig i min rapport at gi en liste over de mange og store gaver til vore grundfond. Mange av de mindre gaver betyr ofte større opofrelse og anstrengelse end de større. En gave maa dog omtales. Den kom ved begyndelsen av indsamlingen og ydet en speciel opmuntring til Luther-St. Olaf indsamlingen. Det var løftet om 50,000 dollars av Mr. og Mrs. Norswing. Mr. Norswing, som er medlem av kirkeraadet, gjorde den bestemmelse at han vilde gi 50,000 hvis 550,000 blev tilveiebragt for disse to skoler. Denne gave fra et egtepar som altid har omfattet vor kirke med stor kjærlighet, bevæger os til dyp taknemmelighet mot dem. Der er imidlertid en følelse av vemod i denne forbindelse. Straks efter at ha git dette løfte, blev Mrs. Norswing pludselig kaldt hjem til den evige hvile. Vor deltagelse i dette tap vil vi bevidne vor kjære bror, og vi takker Gud for hendes liv og trofaste kjærlighet til vor kirke.

Eftersom utfaldet av indsamlingene kommer os for øre, faar vi en følelse av at det kunde sies til os: „O I litet troende!" Vi vaaget neppe at stole nok paa vor Gud; men nu som i fordums tider har han git os langt mere end vi vaager at vente, og med ærefrygt sier vi idag: Det er fra Herren, og det er vidunderlig i vore øine. Kun Gud den Helligaand er istand til at skape den villighet og ædelmodighet som har været utvist. I sandhet maa vi idag bekjende: „Uten dig, o Herre, kan vi intet gjøre." Fra vore menigheter, medlemmer og prester lyder det idag: „Dig, Herre, og dit navn alene være æren!"

Board of Elementary Christian Education

Ved dette „boards" bestræbelser arbeider forskjellige lutherske synoder sammen for i 1929 at utgi en jubilæumsutgave av Luthers lille katekismus. Dette „board" har gjort meget til at styrke og øke interessen for den kristelige barneskole. Det har faat istand kurser for lærere, forberedelser av tekster og forslag til en mere gjennemført og intens undervisning av de unge. Vigtigheten av at undervise de unge i kristelig kundskap, vil være gjenstand for vor overveielse ved dette møte.

Indremissionen og Church Extension

Der er sandsynligvis ingen gren av vort kirkelige arbeide som nu trænger mere opmerksomhet end indremissionen. Hvis vor kirke skal vokse, maa vi brænde av iver for at bringe Kristus til folk i vort eget land. Foruroligende tal lar os indse at kirken ikke holder skridt med befolkningens vekst. Hvis ikke kirken naar dem, vil store masser av dem som kalder sig lutheranere, snart være ulutherske. Barn som skulde undervises i katekismen, vil snart naa den alder at de er utenfor vor rækkevidde. Vort budgets nuværende stilling har gjort det praktisk talt umulig at utvide arbeidet i større maalestok. Vort forhold paa indremissionsmarken har altfor meget været et „paa stedet marsj", og anledningen vil snart være tapt for os. Hvis vor understøttelse av indremissionen avtar, vil de andre grener av vort kirkelige arbeide litt efter litt sygne hen. Det arbeide at plante kirken i hjemlandet, er av grundlæggende betydning. Skal vi kunne bestaa, maa vi stadig utvide vore grænser. At staa stille i missionsarbeidet, betyr tap, fordi landet vokser. Vi har et budskap at bringe vort folk. Vi vet selv at det er det bedste vi kan bringe. Skal vi ikke bringe til land og by naadens midler ved kirkens og prestens arbeide? Omhyggelig arbeide og omsorg maa anvendes for at fremme indremissionsarbeidet i vore byer og større landsbyer. Fra byene og landsbyene gaar en indflydelse ut over landet til det bedre eller til det værre. Vi behøver penger for at bringe dette arbeide op til hvad det burde være. Budgettet for indremissionen synes stort; men deri er iberegnet enkelte ting som ikke strengt tat kan kaldes indremissionsarbeide, saasom Alaska-missionen og indianermissionen. Der maa gjøres anstrengelser for at vække vort folk til at forstaa den skrikende nød, saa at pengemidler, der kan anvendes til de virkelige indremissionsstationer, kan tilveiebringes og økes.

Haand i haand med indremissionen gaar Church Extension-arbeidet. Det at hjælpe missionsmenigheter til at faa et sted hvor de kan samles, er en væsentlig del av det program som sigter paa at drive indremissionen fremad. I de sidste aar er der kommet meget smaa beløp ind til Church Extension. Vi har en beslutning som anmoder enhver menighet om at gi et offer omkring den 9de søndag efter trefoldighet til fordel for dette arbeide. Efter min mening er denne tid ikke den bedste. Den kommer midt paa sommeren, da mange av vore folk ikke er hjemme. Der er to søndage i kirkeaaret som især passer for denne sak, og jeg vil antyde at søndag septuagesima eller seksagesima brukes til at forelægge vort folk Church Extension-saken og be om et offer. Selv om ofrene ikke er store, vilde det bli en stor hjælp til vort Church Extension-arbeide, hvis hver menighet vilde sørge for at ha et offer paa den tid.

Hedningemissionen

I det forløpne aar har hedningemissionsbestyrelsen forsøkt at utføre kirkens hverv, at bringe evangeliet til hedningene paa Madagaskar, i Kina og Zulu. Missionærene har utført arbeidet under vanskeligheter og trængsler. Paa Madagaskar har der været flere tilfælder av sygdom, som har tvunget missionærer og deres familier til at forlate sit arbeide. Tilstanden er slik paa Madagaskar, hvad arbeidere angaar, at bestyrelsen har besluttet at sende, om mulig, tre missionærer dit til høsten.

I Kina har der været flere tilfælder av sygdom, saa flere har maattet reise hjem, og dertil den store lidelse som foraarsakes ved borgerkrigen i landet. Dele av vor missionsmark har været midt i slaglinjen. Missionærene og deres familier har levd i en stadig dødsangst. Kvinder og barn har utstaat store lidelser i det forløpne aar. Foruten vore missionærer har vore indfødte kristne følt krigens trængsler. Miss Agnes Kittelsby, lærerinde ved den amerikanske skole, døde i vinter, og hendes legeme blev lagt til hvile i Kina. Hun gav sig villig til Herrens tjeneste, og vi erindrer hendes liv med tak til ham.

Daniel Nelson, pionermissionær i Kina, blev dræpt i Sinyang av en kule mens de indfødte armeer bekjæmpet hinanden. Hans liv fra den tid han forlot sin farm i Iowa indtil dødskaldet kom, var helliget den ene ting: at Kina maatte komme til at kjende Kristus. Som Paulus hadde han et syn og hørte kaldet: „Kom over og hjælp os!" Han fulgte kaldet, og idag er der mange i Kina som takker Gud fordi Daniel Nelson ikke var ulydig mot kaldet. Vi vet hans utreise til Kina skapte og styrket interessen for Kina blandt vort folk. Maa Gud gjøre os i sandhet ivrige for at mennesterne maa komme til at kjende Kristus baade i vort eget land og i hedningeland! Like overfor de familier som har lidt av sygdom og gjenvordigheter, og især for Miss Kittelsby og pastor Daniel Nelsons familie, vil vi uttale vor inderlige sympati. Maa Gud gi os sin aand, saa forbønnen for vore missionærer, vore indfødte kristne og hedningene maa bli mere alvorlig og mere almindelig blandt os!

I Kina er der store opgaver som venter paa løsning. Den voksende naitonalfølelse forlanger at Kina skal anerkjendes i en langt større utstrækning end under dets nuværende forhold til de andre nationer. Indad kræver denne samme aand kontrol over enhver virksomhet. I vort arbeide er det skolegjerningen som bringer os disse spørsmaal ind paa livet. Den foreslaaede ordning av skoler, bestyrt av utlændinger, kravet paa ophævelse av tvungen religionsundervisning, fremtidig kontrol av kinesere hvad bestyrelsen av disse institutioner angaar, spørsmaalet om den rette balanse mellem skolearbeide og evangelisation — disse og mange andre problemer maa omhyggelig og alvorlig overveies av vort hedningemissionsstyre. Kun under ledelse av Gud og hans aand vil vi bli istand til at vælge den rette vei.

Efter hedningemissionsstyrets anbefaling vil dette aarsmøte avgjøre om det vil overta kontrollen og bestyrelsen av Schreuder-missionen i Zululand. Denne mission er kjæc for mange av vort folk. Den var en av de tidligste missioner som blev understøttet av vort folk i dette land. Idag er den lagt for vor dør, og ansvaret ved avgjørelsen er lagt paa os. Det er min overbevisning at bestyrelsens anbefaling bør efterkommes og at vi i Guds navn bør overta dette arbeide.

Barmhjertighetsarbeidet

Det arbeide som utføres av kirken ved dens Board of Charities, vil bli fremlagt ved rapport fra dets eksekutivsekretær.

Der er anledning til tjeneste blandt de gamle, barnene og de fattige. La os ikke glemme at Vorherre sa: „Hvad I har gjort imot en av disse mine mindste brødre, det har I gjort imot mig."

Ved Martin Luther barnehjem er en ny bygning næsten færdig istedenfor den som brændte.

Ved et nylig holdt møte av bestyrelsen for vort diakonissehjem og hospital i Chicago, blev det bekjendtgjort at en mand var villig til at gi 25,000 dollars til hjælp for et diakonissehjem. I alle disse aar har det været hensigten at adskille hjemmet fra hospitalet, saa at utdannelsen av diakonissene kunde finde sted i en særskilt institution, da diakonissenes tjeneste indbefattet mere end sykepleie. Saadant arbeide kan ikke begyndes før en bygning er skaffet som hjem for søstrene, hvor undervisning og utdannelse kan gives, ikke alene i at pleie syke, men i menighetsarbeide og arbeide i vore barmhjertighetsanstalter. Vi haaber at aarsmøtet alvorlig vil overveie hvad der kan gjøres for at møte dette tilbud og for at muliggjøre opførelsen av et virkelig diakonissehjem.

Den 22de mai var det 20 aar siden søster Ingeborg kom til vor institution i Chicago. Iaar kan hun se tilbake paa 45 aars tjeneste som diakonisse. Det er hendes hensigt iaar at besøke missionsmarkene i Kina og paa Madagaskar. Det er vor bøn til Gud at han vil holde sin haand over søster Ingeborg, velsigne hendes besøk paa vore missionsmarker og føre hende vel tilbake igjen til mange aars fortsat arbeide i tjenesten.

Kirkeraadet

The National Lutheran Council

I løpet av det foregaaende aar har de gjennem council samarbeidende synoder fortsat at hjælpe lidende og trængende brødre i Europa. Hedningemissionsstationer som før har tilhørt tyske selskaper, har understøttelse. Derved er de blit bevart for den lutherske kirke; i mange tilfælder var der nemlig reformerte kirker som var villige til at overta stationene. I Rusland, hvor vore troesbrødre arbeider under stort trykk og mange vanskeligheter, er de blit opmuntret til at aapne et seminar til utdannelse av prester. Nævnte hedningemissioners behov, arbeidet i Rusland og støtte av de med store vanskeligheter kjæmpende lutherske minoriteter i græsk- og romersk katolske land, nødvendiggjør et budget paa $100,000. Av denne sum burde vort kirkesamfund skaffe mindst $25,000. Det skulde kunne la sig gjøre. Vort folk yder jo til saa meget intersynodalt hjælpearbeide, f. eks. Near East Relief. Men dette er vor særlige Near East Relief, og et litet bidrag fra enhver av os, vilde skaffe det fornødne uten at komme iveien for vort eget kirkesamfunds arbeide.

Iaar er et møte blit holdt i Chicago av repræsentanter for de kirkesamfund der samarbeider i National Lutheran Council. Man gjennemgik organisationens program og plan for at møte de forandrede forhold hvad hjælpearbeidet i Europa angaar. Et program blev opstillet hvori man omhyggelig undgaar egentlig samarbeide eller forbund, undtagen de som samfundene selv i enkelte tilfælder har indgaat med hverandre. I overensstemmelse med vort kirkesamfunds beslutninger er disse planer blit forelagt for kirkeraadet og av dette approbert.

National Lutheran Council ønsker at henlede opmerksomheten paa den romersk katolske kirkes virksomhet i protestantiske land.

Det sidste træk er den pavelige rundskrivelse som opfordrer til at fastsætte den sidste søndag i oktober som „festdag for Kristus som konge". I denne rundskrivelse finder vi kirke og stat sammenblandet. Kristi aandelige kongedømme forveksles med denne verdens jordiske og timelige riker. Da den reformerte kirke har heldet sterkt til det samme syn paa aandelig og verdslig regimnte, vil pavens proklamation uten tvil møte billigelse fra uventede hold. Vi maa som evangeliske kristne tydelig avmerke skillelinjen mellem kirke og stat. Denne verdens riker regjeres efter Herrens lov kun for saavidt som Guds rike er inden i os som er borgere i staten. Den sidste søndag i oktober er desuten allerede festdag til minde om den største begivenhet i den

nyere tids historie. Den søndag er reformationssøndag, og vore menigheter og prester skulde nu som aldrig før med vaaken sans gjøre bruk av denne søndag til at fremholde de velsignede frugter kirken ved Guds naade har høstet av reformationen ved Luther. Der skulde prækes over dette emne. Programmer for ungdomsforeninger, søndagsskoler og kvindeforeninger skulde utarbeides ut fra det samme synspunkt. La os iaar svare med en høitidligholdelse av reformationssøndagen som aldrig før; den falder iaar paa den 31te oktober. Vi maa ikke glemme den velsignelse som hin begivenhet har bragt vor kirke.

Med hensyn til at anerkjende Kristus som konge, saa har vi allerede i kirken en fest som minder derom. Den fest har vi paa himmelfartsdagen, og jeg vil be vore prester at gjøre sig flid for at bringe denne dag tilbake til den plads i folkets bevisstthet som den før har hat. Himmelfartsdagen burde regnes med som en av vor kirkes store festdage, og i ethvert prestekald burde ialfald en kveldsgudstjeneste holdes og det paa en maate som staar i samklang med dagens betydning.

Prækestolbytte og nadversamfund

Ifjor høst fik jeg indbydelse fra dr. C. G. Hein, formand for Ohio-synoden, til at utnævne en komite som skulde møte med repræsentanter fra Ohio-, Iowa- og Buffalo-synodene for at behandle spørsmaalet om prækestolbytte og nadversamfund. Vor kirke har jo anset sig for at staa i troessamfund med disse synoder, men det rette lutherske princip er jo en officiel og grei overenskomst om disse ting. Ifølge nævnte indbydelse og overensstemmende med tidligere beslutninger av kirkeraadet, valgte jeg dr. H. G. Stub, dr. J. Tanner, dr. G. M. Bruce og mig selv som komite fra vor kirke. Vi møtte den 18de nov 1925 i Minneapolis. Ved Aandens veiledning kom vi under dette møte til en fuldstændig forstaaelse i alle væsentlige ting. Den formulerte overenskomst fremlægges til dette møtes overveielse. Den er bifaldt av kirkeraadet og er basert paa Chicago-tesene, som blev fremlagt av dr. H. G. Stub og dr. J. N. Kildahl i 1919 og forelagt for vore distriktsmøter samme aar.

Antagelsen av denne overenskomst vil bety meget for vort arbeide, særlig hvad skoler og indremission angaar. Med hensyn til skolene tænker vi nærmest paa vort arbeide i indremissionsstrøkene. Det betyr at vi kommer hinanden nærmere, ikke til organisk forening, men i fuld broderlig forstaaelse mellem en gruppe paa 8 a 900,000 lutheranere. Dette takker vi Gud for. Det vilde i den anledning ogsaa være passende at sende iaar en repræsentant til at bringe Iowa- og Ohio-synodene vore broderhilsener. Det er disse synoders hensigt sammen med Buffalo-synoden iaar at holde sine sidste møter som adskilte synoder, for saa næste aar, om Gud vil, at slutte sig sammen til ett kirkesamfund. Vore bedste ønsker og hjerteligste gratulationer til disse synoder i den anledning! De har altid været fundet blandt dem som hævder sund og konservativ lutherdom, uttrykt i et fromt, virksomt kristenliv.

Optagelse av prester

Blandt de pligter som paahviler kirkeraadet er ogsaa den at der utvises den største forsigtighet ved optagelsen av prester og kandidater fra andre synoder og kirkesamfund til prestegjerningen blandt os. En ret utførelse av denne pligt er altid paakrævd. Men særlig nu bør vi med mere end almindelig omhu se til at alle de som kaldes til at forkynde ordet og forvalte sakramentene, er mænd som vet hvad de taler om, og er lutheranere ikke bare i navnet, men i hjerte og erkjendelse. Til den ende har kirkeraadet antat regler for hvorledes saadanne som ansøker om optagelse eller ordination skal gaa frem. Deri ligger ingen mistanke mot nogen anden synode eller kirke, kun det at vi ikke kan eller tør lægge over paa andre det ansvar som falder paa os i denne høivigtige og betydningsfulde sak.

For at aarsmøtets medlemmer kan gjøre sig bekjendt med nævnte regler, medfølger disse som bilag.

Kvindernes Missionsforbund

Sin fortid tro har forbundet ogsaa iaar med helt hjerte støttet kirkens arbeide. De har vidd alle dens virksomhetsgrener sin interesse. Eftersom forstaaelsen for dens gjerning tiltar blandt vor kirkes kvinder, vil der fra de tusen hjem inden vor kirke utgaa unge mænd og kvinder som følger i forældrenes spor. Til alle vore kvinde-

foreninger, enten de direkte tilhører forbundet eller ikke, sender vi vor paaskjønnelse og tak for den støtte og inspiration vort arbeide har faat fra dem.

The Young People's Luther League

har iaar ædelmodig tilbudt sig at underholde en præst som skal ta sig av arbeidet blandt studentene ved de forskjellige statsskoler. Ungdomsforbundets arbeide er godt planlagt, blir systematisk utført og skaper blandt medlemmene tiltagende kjendskap til og interesse for kirkens arbeide. Repræsentanter for Luther League møter hvert aar med kirkeraadet for at den rette samfølelse og det rette samarbeide kan tilveiebringes mellem kirken og denne organisation.

I denne forbindelse maa det være mig tillatt at berette at jeg fra vor kirkes Lutheran Students Pastors Association har mottat en meddelelse hvori de indtrængende ber kirken vie arbeidet blandt de 10,000 lutherske studenter ved statsskolene alvorlig opmerksomhet. De maa bevares for Kristus og for vor kirke. De mænd som arbeider blandt dem, trænger vor interesse, forstaaelse og støtte. Det er vort arbeide de utfører; vi har sat dem der. De ber om hjælp og opmuntring. Sekretærens brev vedlægges.

Det norske ungdomsforbund

har særlig interessert sig for arbeidet blandt fiskerne i Alaska. De hjælper til med at understøtte hjemmet i Ketchikan. I adskillige av vore menigheter er der plads for norske ungdomsforeninger, og paa slike steder holdes der ogsaa gode, vel besøkte møter. Det er vort haab og vor bøn at alt arbeide blandt vore unge, enten det drives paa det ene eller det andet sprog, maa ta sigte paa ikke blot at opdra til det utvortes kirkelige arbeide, men ogsaa paa det endnu vigtigere: at utdype det personlige kjendskap til den herre Jesus og troskapen mot ham.

Pensionsfondet

Pensionsfondets sekretær forelægger iaar for vore prester en vel formulert og rimelig plan som vil i fremtiden skaffe en tilstrækkelig pension. Denne plan er nu blit antat av mange andre kirkesamfund som tidligere søkte at bygge op et pensionsfond ved samme fremgangsmaate som vi hittil har fulgt. Efter min mening er en forstandig pensioneringsplan av stor betydning for kirken som forholdene nu er. Under de nuværende regler som gaar ut fra et urørlig grundfond, vil der kræves en uhyre kapital for at rentene skal kunne avgi tilstrækkelig til en rimelig pension for vore arbeidsudygtige prester. Den nye plan anbefales til omhyggelig og velvillig overveielse. La mig ogsaa faa lov til at takke for den velvilje hvormed man møtte mit oprop ifjor høst til fordel for det nuværende pensionsfond. Tør jeg be prester og menigheter sætte til side taksigelsesuken med forangaaende og efterfølgende søndage som offerdage for vort pensionsfond? For nærværende faar pensionerte prester eller prestefamilier ikke mere end $320 om aaret. Dersom I ikke saa bakkert hadde fulgt min opfordring, vilde vi ikke ifjor ha kunnet gi endog tilnærmelsesvis den sum. Vil I gjøre taksigelsesuken til en speciel offertid for denne gode sak?

Det engelske distrikt

I 1923 gav kirken fuldmagt til at organisere et engelsk distrikt saa snart 30 menigheter meldte sin hensigt at ville være med i en slik organisation. Et forberedende møte vil bli sammenkaldt en av aarsmøtets første dage for at finde ut om et tilstrækkelig antal er kommet overens om at organisere et engelsk distrikt.

Pengesaker og organisation

Nimandskomiteen, valgt av vort sidste møte, har offentliggjort sit forslag i kirkebladene. Komiteen har anvendt megen tid paa sit arbeide, og vi bør ta os tid til omhyggelig overveielse av de avsnit i forslaget som gaar ut paa at ændre vort styresæt. Det er ikke min sak at opta komiteens forslag til drøftelse. La mig kun faa lov til at be om at i det mindste den del derav som angaar omordningen av vore distrikter, maa bli overveiet og avgjort før distriktsmøtene holdes; hvor distriktene faar nye grænser og nye medlemmer, bør jo den nye organisation ha anledning til at vælge distriktembedsmændene.

Aaret 192[illegible] vragte, naar man tar baade den regulære indsamling for vort budget og gjældsindsamlingen med i betragtning, vor kirke større indtægter end noget foregaaende aar. Der er en jevn opgang i bidragene til de forskjellige arbeidsgrener. Med henblik paa de med kraft drevne, netop fuldendte indsamlinger av grundfond for vore colleges, er jeg tilbøielig til at foreslaa at vi ikke sætter nogen større indsamlinger i gang i de næste tre aar mens indbetalingene til skolefondene foregaar, men at vi i den tid indskrænker os til med al kraft at samle til vore løpende utgifter og betale paa vor gjæld. Det vilde maaske være tjenlig om repræsentanter for vore „boards" eller av disse utnævnte subkomiteer anstillet en omhyggelig undersøkelse av vore institutioners og arbeidsgreners mest paatvingende krav. Jeg kan nævne vore barnehjem, gamlehjem, akademiene, en ny bygning for presteskolen, nødvendig nybygning paa vore hedningemissionsmarker, økelse av vort pensionsfond og lignende foretagender. Alt sammen med det for øie at indeslutte disse krav i en stor indsamling naar de tre aar er omme. Naturligvis skulde ikke dermed akademier og lignende institutioner være avskaaret fra at samle inden sine egne kredser hvad der kan trænger for at møte øieblikkets krav.

Den nu fuldendte indsamling har lært os at løfte i flok, og vi burde ikke la de saaledes vundne erfaringer ligge unyttet. Skulde det ikke la sig gjøre ialfald tildels at gjøre bruk av de nu anvendte organisiationer naar vi i høst samler bidrag til vort budget? Ved litt efter litt at øke antallet av arbeidere inden vore menigheter, vil vi styrke baade deres lojalitet mot og interesse for vor kirkes arbeide.

Biskop Johan P. Lunde

Da selve hundreaarsfesten var over, hadde mange av vor kirkes menigheter den glæde at ha biskop Johan Lunde som gjest. Der har neppe været noget besøk fra Norge i de sidste aar som har bragt slik opmuntring og løftelse som den gode Oslobisps besøk. Den klare evangeliske tone i hans vidnesbyrd, hans bestemte hævden av kirkens bekjendelse, og den kjærlighetens og forstaaelsens aand som hans liv avspeiler, gjorde hans ophold blandt os til en begivenhet der længe vil staa som et skjønt minde. Paany sender vi ham vore hjerteligste hilsener og ber at Gud vil velsigne Norges kirke ved at skjænke biskop Lunde mange aar i vore fædres land.

Dr. H. G. Stub

Dr. H. G. Stub, vor høiagtede formand, nedla ifjor i juli det embede han i disse mange aar har røgtet med saa stor dygtighet. I juli var han alvorlig syk. En tid var tilstanden kritisk; men Gud gjengav ham helse og kraft. Som formand for vor komite til forhandling med de ovenfor nævnte kirkesamfund, gav han værdifuld veiledning og hjælp. Mens han i vinter og ivaar for sin helbreds skyld opholdt sig i California, har han villig staat til tjeneste for prester og menigheter paa vestkysten. Ved at ta del i kredsmøter, ungdomsstevner, ved at præke og holde foredrag, har han baade opmuntret og opildnet vore brødre som er skilt fra os ved de store avstande. derhos har han opnaadd for collegenes grundfond mere end $60,000 i større subskriptioner. Hans hjerte slaar varmt for Den Norsk Lutherske Kirke i Amerika og er altid rede til at tjene dens bedste interesser. Vi byr ham atter velkommen iblandt os og uttrykker paa kirkens og dens institutioners vegne vor paaskjønnelse av denne ædelmodige og uventede tjeneste.

Korrespondanse

Blandt de anmodninger om anerkjendelse og understøttelse som er sendt mig, skal jeg nævne følgende: En fra det amerikanske bibelselskap. En skrivelse og en rapport fra dette selskap vedlægges. Som en evangelisk, protestantisk kirke burde vi gi bibelselskapet vor hjertelige støtte. Det trykker og utsender bibelen uten kommentar. Det vilde være umulig for os at drive vort arbeide i hedningeland, var det ikke for det amerikanske bibelselskaps virksomhet. Guds ord er en levende kraft, og alt som gjøres for at bringe mennesfene ordet, bør ha vor støtte. Jeg anbefaler at et bestemt aarlig bidrag bevilges det amerikanske bibelselskap.

Vor kirke er gjennem Nordmands-Forbundet opfordret til at delta i en utstilling i Oslo til høsten, en i likhet med den som blev holdt der i 1914. Forbundet ber særlig om billeder, grafiske fremstillinger og andet materiale som kan tjene til at oplyse det norske folk hinsides havet om hvad deres sønner og døtre har utrettet og opnaadd i dette land.

Der er ogsaa anledning til at la sig repræsentere ved den utstilling i Filadelfia som er foranstaltet til minde om halvandethundreaarsfesten for den amerikanske uavhængighet. Korrespondanse i sakens anledning vedlægges.

En skrivelse fra pastor John Flint, hvori han baade nedlægger sit presteembede og melder sig ut av vor kirke, forelægges. Hans resignation har været behandlet og antat av kirkeraadet. Da den allerede er meddelt dagspressen, forekommer det mig at past. Flints resignation skulde bringes til aarsmøtets kundskap. Som grund for at ta et saadant skridt angives at han ikke kan dele vort syn paa tro og kirkelig praksis.

Mindedage

Naar vi taler om mindedage, saa la mig ogsaa nævne nogen inden vor egen kirke. Iaar feirer vi hundrearsdage for følgende presters fødsel: J. J. Johansen, født den 14de juni 1826; Anders O. Hagen, født den 7de november 1826; Ole Amundson, født 1826; dr. V. Koren, født den 22de december 1826. Blandt disse mænd rager dr. V. Koren frem som den store teolog og leder. Hans liv faldt praktisk talt sammen med vor kirkes utvikling fra begyndelsen av. Vi takker Gud for hvad fædrelandet gav os i denne mand, der længe vil mindes som en av grundlæggerne av vor kirke i Amerika.

Mindeord

I det forløpne aar har Herren kaldt hjem et stort antal prester og arbeidere i kirken, nogen av dem pludselig, andre efter længere tids sykelighet. Blandt de henvandrede var kirkens kasserer, Mr. Erik Waldeland; pastor J. D. Ylvisaker, formand for Nord Dakota distrikt; pastor Lars Harrisville, viceformand for Østre distrikt; desuten følgende prester og professorer: Severt Westby, N. E. Bøe, Osmund O. Risvold, J. W. Preus, Abel Anderson, J. N. Sandven, A. C. Barron, M. O. Waldal, J. H. Johanson, U. D. Johnson, Th. Himle, Lorentz Johnson, P. O. Langseth, P. A. Thoreson. N. P. N. Hvale, O. O. Bjertness, J. D. Bothne, H. Roalkvam, S. Romsdal, E. M. Petterson, J. A. Hellestvedt, J. S. Nordgaard, Carl E. Nordberg og K. J. Jacobson.

Disse mænd har tjent kirken samvittighetsfuldt og tro, mange av dem gjennem et langt liv i opofrelse og arbeide; andre fik en kortere arbeidsdag. Det er ikke vor sak at si hvem av disse som har øvd størst indflydelse ved sit liv og virke, eller hvem vi bør sætte høiest. Herren, som kjender den aand og den kjærlighet som drev arbeiderne, og de forhold og vanskeligheter hvorunder de arbeidet, han vil av naade gi alle tro tjenere langt mere end de nogensinde ventet og haabet at faa. „Vel, du gode og tro tjener. Gaa ind til din herres glæde!"

Deres familier og venner sender vi vor inderlige medfølelse og takker Gud som gav os dem. Vi mindes de bortgangne med paaskjønnelse av utvist brodersind og av det arbeide de nedla blandt os. Maa deres minde være os til velsignelse!

*

Dette budskap vilde være ufuldstændig uten at nævne det regulære arbeide i vore menigheter og de forhold under hvilke det drives. Hver søndag har Guds ord været forkyndt og sakramentene forvaltet for vort folk. Med troskap har vore prester søkt at utføre dette arbeide, som naar alt kommer til alt er grundlaget for kirkens arbeide overhode. Barn er døpt paa den kristne tro og konfirmert i den ved Herrens altere. Syke og døende har faat trøst, og de sørgende hørt livets ord om en salig opstandelse i Jesus Kristus for dem som dør i ham. La os takke Gud som saaledes har git os anledning til at være hans medarbeidere! Til vore samvittighetsfulde prester og trofaste menighetslemmer ønsker jeg herved at rette et anerkjendende og opmuntrende ord. La det altid være eders bøn og bestræbelse at Guds ord maa bo rikelig blandt eder! Det skulde være gjenstanden for eders alvorligste omsorg at eders barn maa anse Guds ord som sit dyrebareste arvegods. Gud gjøre os ved sin Helligaand til tro husholdere over hans evangelium! Han tilgi os i naade alle vore overtrædelser og synder i tjenesten! Men han gjøre ogsaa i sin uendelige naade bruk av det i os som han selv har skjænket os til hans kirkes opbyggelse og rikes utbredelse! Og ære være Faderen, Sønnen og den Helligaand gjennem alle evigheter! Amen.

Bilag

Overenskomst mellem repræsentanter for Iowa-, Ohio- og Buffalo-synodene og Den Norsk Lutherske Kirke i Amerika, at fremlægge for de respektive synoder til endelig avgjørelse.

I
Skriften

De synoder som undertegner disse enighetsartikler, antar uten undtagelse alle det gamle og det nye testamentes kanoniske bøker i sin helhet saavelsom i alle deres dele som Guds inspirerte, aabenbarte og ufeilbare ord, og bøier os for det som den eneste ufeilbare regel og rettesnor i alt som angaar tro, lære og liv.

II
De lutherske symboler

1. Disse synoder antar ogsaa uforbeholdent den evangelisk lutherske kirkes bekjendelsesskrifter, ikke for saavidt som, men fordi de fremstiller og forklarer Guds ords rene lære og bekjender i en sum den lutherske kirkes tro saaledes som det fra tid til anden har være paakrvæd at hævde den.

(Den Norsk Lutherske Kirke i Amerika har, i likhet med Norges og Danmarks lutherske kirker, officielt antat kun de tre økumeniske troesbekjendelser, den uforandrede augsburgske konfession og Luthers lille katekismus. Deri ligger ikke at Den Norsk Lutherske Kirke i Amerika paa nogen maate forkaster den lutherske kirkes øvrige bekjendelsesskrifter, hvad de stadige henvisninger til dem i den teologiske literatur tilstrækkelig viser; men da de øvrige bekjendelsesskrifter ikke er almindelig kjendt blandt nævnte kirkesamfunds folk, har det ikke været anset for nødvendig at kræve at den hele Konkordiebok formelt tilstemmes.)

2. Forpligtelse paa vore bekjendelsesskrifter angaar alene deres læreindhold (det vil si de lærdomme som erklæres for at være guddommelig sandhet, og forkastelsen av avvikende lærdomme); men saaledes forstaat gjælder forpligtelsen uten undtagelse og indskrænkning alle artikler og dele derav likegyldig om en lære fremsættes som direkte bekjendelse eller kun i forbigaaende for at belyse eller bevise noget andet lærepunkt. Alt som tilhører fremstillingsformen (historiske belysninger, rent eksegetiske spørsmaal o. lign.) er ikke forpligtende.

Kirkelig brodersamfund

1. Disse synoder er enige om at der findes sande kristne i ethvert kirkesamfund der har saa meget av den guddommelige sandhet at Guds barn kan fødes der; de er enige om at ifølge Guds ord og vore bekjendelsesskrifter, kirkelig broderskap, det vil si gjesidig anerkjendelse, prækestolbytte, nadversamfund og i tilfælde samarbeide i kirkens egentlige, for den særegne virke, forutsætter enighet i evangeliets rene lære og dennes bekjendelse i ord og gjerning.

2. De er enige om at regelen: „Lutherske prækestoler kun for lutherske prester, og lutherske altere kun for lutherske nadvergjester" ikke alene stemmer med det guddommelige ords og de evangelisk lutherske bekjendelsesskrifters lære, men ogsaa følger med nødvendighet derav. Denne regel, som nødvendigvis medfører forkastelse av al unionisme og synkretisme, maa iagttages, da den uttrykker et grundprincip i sund og konservativ lutherdom.

IV
Lærepunkter

I 1920 tilstemte alle synoder, undtagen Buffalo-synoden (for hvem de ikke var blit fremlagt) teser om:

1. Kristi gjerning.
2. Evangeliet.
3. Absolutionen.
4. Den hellige daab.
5. Retfærdiggjørelsen.
6. Troen.
7. Omvendelsen.
8. Utvælgelsen.

(Se Chicago-tesene.)

Efter at ha diskutert disse teser kom de tilstedeværende repræsentanter til den slutning at vi er fuldkommen enige i alle stykker som angaar disse lærdomme.

V
Losjespørsmaalet

1. Disse synoder er enige om at alle saadanne organisationer eller foreninger, hemmelige eller aapne, som enten er erklærte religiøse eller har ceremonier uten prin-

cipielt at bekjende den treenige Gud eller Jesus Kristus som Guds søn, aabenbaret i kjød og vor frelser fra synden, er de antikristelige og ødelæggende baade for kirkens og den enkelte sjæls bedste interesser, og at Kristi kirke og dens menigheter følgelig intet samfund kan ha med dem.

2. De er enige om at en lutherst synode ikke bør taale prester som har sluttet sig til noget antikristelig selskap. Og de formaner sine prester og menigheter til at vidne mot lossevæsenets synd og med alvorlig flid offentlig og privat oplyse og overtale personer som er medlemmer av antikristelige selskaper, til at ophæve sin forbindelse med slike organisationer.

Gjensidig anerkjendelse

De her tilstedeværende repræsentanter for synodene er enige om at de synoder som antar disse artikler, er **ett** i lære og praksis, anrekjender hverandre som tro lutheranere og kan bytte prækestoler samt ha nadversamfund.

Formændene for de her repræsenterte synoder anmoder om at forelægge denne overenskomst for sine respektive synoder til antagelse.

Medlemmene av det kolokvium som blev holdt i Minneapolis, Minnesota, den 18de nov. 1925 var:

Teser antat i Chicago 11te til 13de mars 1919

(Den del som angaar lærepunkter under behandling.)

1. Kristi gjerning, forløsningen og forsoningen.

Jesus Kristus, Gud og mand, har ikke blot til den menneskelige slegts bedste, men i dens sted tat paa sig verdens synder tillikemed de for disse rettelig fortjente straffedomme. I verdens sted og til dens bedste har han ved sit hellige liv opfyldt loven, og ved sin lidelse, sin død og sit blod lidt straffen for den hele verden, i sandhet og helt ut tilfredsstillet den guddommelige retfærdighets krav, forløst verden fra syndens skyld og straf, tilveiebragt forsoning med Gud, hvis vrede var kommet over verden paa grund av synden, og hvis retfærdighets krav maatte tilfredsstilles.

2. Evangeliet.

Evangeliet er ikke blot en beretning, en fortælling om hvad Jesus Kristus har gjort; men samtidig dermed tilbyr og skjænker det frugten av Kristi gjerning, fremfor alt syndsforladelse. Ja, samtidig gir det ogsaa kraft til at motta hvad det tilbyr.

3. Absolutionen.

Absolutionen adskiller sig ikke i det væsentlige fra den syndsforladelse som tilbydes ved evangeliet. Den eneste forskjel er den at absolutionen er den direkte anvendelse av syndsforladelsen paa det individ som ønsker evangeliets trøst. Absolutionen er ikke en domshandling hvorved presten avgir den kjendelse over dem som absolveres, at de nu ogsaa har syndsforledelse.

4. Den hellige daab og evangeliet.

Den Helligaand virker synderes gjenfødelse baade ved daab og evangelium. Begge kaldes derfor med rette gjenfødelsens midler.

5. Retfærdiggjørelsen.

Retfærdiggjørelsen er ikke en akt som foregaar i mennesket, men en handling av Gud i himmelen hvorved han erklærer den angrende og troende synder for retfærdig, eller erklærer at han betragtes som saadan ved tilregnelsen av Kristi retfærdighet ved troen.

6. Troen.

Troen er ikke i nogen grad et menneskeverk. Troen er en akt av mennesket for

saavidt som det er mennesket som tror. Men baade kraften til at tro og den akt at tro er Guds verk og gave i menneskets sjæl eller hjerte.

7. Omvendelsen.

Omvendelsen, saaledes som ordet almindelig brukes i vor lutherske bekjendelse, indbefatter anger og tro, frembragt ved lov og evangelium.

Dersom mennesket ikke omvendes, falder ansvaret og skylden paa det selv, fordi det, trods Guds fuldt ut tilstrækkelige naade gjennem kaldet, „vilde ikke", som Kristus sier, Matt. 23, 37: „Hvor ofte jeg vilde samle dine barn, likesom en høne samler sine kyllinger under sine vinger! Og I vilde ikke."

Dersom mennesket blir omvendt, tilkommer æren Gud alene, hvis gjerning det heltigjennem er. Før omvendelsen eller i omvendelsen er der ingen medvirken fra menneskets side; men i det samme øieblik mennesket er omvendt, begynder medvirken ved de nye kræfter git i omvendelsen, om end denne medvirken aldrig er uavhængig av den Helligaand, men altid „i den utstrækning og saa længe som Gud ved sin Helligaand styrer, fører og leder ham." (Konf. form.)

8. Utvælgelsen.

Aarsakene til utvælgelsen til salighet er Guds barmhjertighet og Kristi allerhelligste fortjeneste og intet i os for hvis skyld Gud har utvalgt os til evig liv.

Paa den ene side forkaster vi alle former av synergisme der paa nogen maate vilde røve Gud hans ære som eneste frelser. Paa den anden side forkaster vi alle former av kalvinisme som direkte eller indirekte vilde komme i strid med saliggjørelsens orden og ikke vilde gi alle en fuld og like stor anledning til frelse, eller som paa nogen maate vilde krænke det Guds ord som sier: „Gud vil at alle mennesker skal bli frelst og komme til sandhets erkjendelse" (1 Tim. 2, 4).

1. Ingen kandidat fra vort seminar ordineres til prest i Den Norsk Lutherske Kirke før han har møtt op til kollokvium med kirkeraadet eller en av kirkeraadet valgt komite.

2. a. Kandidater fra andre samfund og alle prester fra ikke-lutherske samfund, frekventerer vort seminar mindst ett aar, underkaster sig en prøve av det teologiske fakultet, som rapporterer desangaaende til kirkeraadet. Naar dette er skedd, har kirkeraadet kollokvium med vedkommende. Derefter bestemmer kirkeraadet om han kan indstilles til ordination.

b. Alle slike ansøkninger om optagelse offentliggjøres mindst 60 dage i kirkebladene av fællesformanden før optagelse ved seminariet sker.

3. Ældre prester som søker optagelse, optages kun sammen med sine menigheter.

4. Kirkeraadet venter at yngre prester og kandidater som kommer fra andre samfund, godtgjør det samfund for sin utdannelse saa langt som det samfund maatte kræve.

5. Alle beslutninger i de ovennævnte saker maa tilstemmes med ⅔ majoritet av kirkeraadet, og ingen kan optages eller ordineres medmindre han har hat kollokvium med kirkeraadet eller en komite valgt av samme.

6. Samfundet vil ikke være ansvarlig for anbefalinger av prester til optagelse i andre samfund (indbefattet Norges kirke) medmindre disse anbefalinger er godkjendt og underskrevet av samfundets formand.

Fremgangsmaate gjeldende ved ordination av kandidater og optagelse av prester i vort samfund. Antat av kirkeraadet den 25de mars 1926.

Kaldelse av prester

I. „Kirkeraadet henstiller til samfundets menigheter naar de skal kalde prest, at de henvender sig til sit eget samfund. I tilfælde menigheter i samfundet ønsker at kalde prest fra et andet samfund eller prester som ikke tilhører noget samfund, da anmodes saadanne menigheter først at indhente raad desangaaende fra formanden i det distrikt menighetene tilhører, og samfundets formand."

II. „I tilfælde et kald eller en enkelt menighet i Den norsk lutherske kirke midlertidig betjenes av en prest fra et andet kirkesamfund, tilraader samfundet distriktsformanden at besøke disse menigheter for at undersøke hvorledes dette forhold kan rettes paa, enten derved at vedkommende prest slutter sig til Den norsk lutherske kirke, eller i tilfælde dette ikke kan ske, at kaldet faar betjening fra samfundets egne prester."

General Secretary's Report

A. As General Secretary

To the Annual Meeting of the Norwegian Lutheran Church of America:

The undersigned begs to submit to the Norwegian Lutheran Church of America the following report for the fiscal year of 1925:

He has compiled and published an annual report of 642 pages, "containing the official reports, resolutions, statistics, appendices, parochial reports, and such matters as the church" determined at its last convention. (Constitution, Chapter V:27:a) . . . . The edition is bi-lingual as the reports and other material are published in the language submitted to the secretary. The plan of the report conforms to the recommendation submitted to the annual meeting in 1925. See Secretary's report, Addenda 1, page 84-85. These recommendations were adopted. See page 191-192.

The Secretary submits three Addenda. Addenda I, contains the recommendations from the Committee on Official Journal and Business Procedure; Addenda II, Report on Translation of Official Documents; and Addenda III, which embodies an opinion given by our attorney at the request of the General Secretary.

The Secretary has, to the best of his ability, compiled with section c) of Paragraph 27: "Carried on the necessary correspondence for the Church, as the Church or its president may direct." This part of his duty necessitates a constantly increasing correspondence ranging from answering questions in regard to the history and corporate status of congregations and suggestions on constitutions, to questions where a pastor lives and where commodities needed by the congregation may be obtained. The correspondence outside of the routine blanks is counted annually by hundreds and the length of the letters varies from a few lines to as many pages of carefully compiled and considered data.

In compiling the statistics we have this year added the following information:

B. As Statistician

In accordance with the resolution of the Church the complete statistics will be published this year. All this mass of statistical material is now in the composing room to be set so as not to cause any delay in publishing the annual report.

Congregations having less than 100 souls.
Congregations having 101-250 souls.
Congregations having 251-500 souls.
Congregations having 501-1,000 souls.
Congregations having more than 1,000 souls.
Rural Congregations.
Town or Village Congregations.
Urban Congregations.

Judging from the encouraging communications received from many quarters we have a right to conclude that the statistics of the Norwegian Lutheran Church of America are attracting favorable attention. In working out these statistics, the General Secretary desires to express his deep appreciation of the painstaking work which is being done by his assistant, Miss Jenne Berg.

It is with deep regret that we can not present the statistical summary printed in its proper place as Addenda IV. In the annual report it will be included as such. The fact that parochial reports for the year 1925 are still coming into the office of the statistician accounts for the delay in completing this table.

Note—See Addenda III, page 221.

C. Other Duties of the Secretary

In 1918 the Secretary was instructed to compile and publish a handbook for the Norwegian Lutheran Church. (See Annual Report 1918: 306:9.) In compliance with this resolution he completed translations of the official documents of the Church. In this connection the Secretary desires to refer to Addenda II with its recommendation to the annual meeting.

By resolution of 1918 the General Secretary was also made the official archivist of the Norwegian Lutheran Church. (Annual Report 1918: 306:8.) In regard to this work the General Secretary must confess that his work as pastor for congregations has prevented him from giving much thought to this work. He has, nevertheless, made a considerable collection of material for the archives.

In 1925 the General Secretary resigned as pastor and moved to Minneapolis. Since then he has given one-half of his time, including Sundays, to the work as General Secretary and Statistician for the Norwegian Lutheran Church of America. On Sundays he has filled appointments in various congregations where he has preached and made appeals for the various activities of our Church. When Field Secretary Shurson, on the death of Waldeland, was appointed treasurer, the General Secretary took over a large part of Shurson's week-day and Sunday appointments. He has thus during the last ten months served the Church extensively outside of his office routine. On resigning his congregations he hoped to serve the Church more promptly and efficiently. His experience during this time has taught him that the work as General Secretary takes even more than one-half of his time.

Ever since the organization of the Norwegian Lutheran Church of America it has enjoyed free office for the General Secretary in the parsonages of the congregations where the Secretary has served as pastor, the pastor carrying personally the expense of heat and light. When the General Secretary moved to Minneapolis he had to make a choice between renting office outside of the home or renting a home large enough to supply rooms for the office. The General Secretary adopted the latter plan, which necessitates paying considerable larger house rent.

Respectfully submitted,

N. J. LØHRE.

Minneapolis, Minn., May 24, 1926.

ADDENDA I

Recommendations from the Committee on Official Journal and Business Procedure

To the Annual Convention of the Norwegian Lutheran Church of America:

Your committee recommends the following resolutions for adoption:

1. The Chair shall accept no motion, either introducing new business, or as amendment to, or substitute for motion pending, or other main and subsidiary motions unless they are submitted in writing and properly signed by the person who makes the motion.

2. All memorials, requests or petitions from congregations, other organizations, or individuals must be in the hands of the General President not less than 15 days before the opening of the convention, if such material shall receive consideration during the meeting.

3. In arranging for the convention the committee has given due consideration to both economy and efficient service. The committee has eliminated the expense of convention programs.

The members of the convention are supplied with a badge on which is written the member's name. It hopes that this will help the members to sooner and better get acquainted with one another.

As a further accommodation to the members and as appreciation of the courtesy on the part of the hotels which have, in a great measure, made possible the holding of our convention in Minneapolis, the General Secretary has added to his duties the work of registration clerk The innovation means much to

the members of the convention and will assist the Church in securing favorable arrangements for subsequent conventions.

In view of the enlarged service to the members of the convention the committee recommends:

(a) That the members of the convention be favored with registration privileges as initiated this year;

That they, when registering, receive from the credential committee a badge on which is written the member's name;

A copy of the convention hymnbook;

A copy of the official printed reports;

Each day a copy of the daily bulletin;

As soon as the annual report is ready, they receive a paper cover copy without any further charge.

(b) In view of this service the Church establishes a rule that a registration fee of $1.00 be charged from all members, voting and associates.

(c) That those who desire a cloth bound copy of the annual report pay $1.50 registration fee.

(d) That the details enumerated above, together with the charges stipulated, become effective at the next convention of the Norwegian Lutheran Church of America.

ADDENDA II

The annual meeting of 1923 referred to the Board of Trustees a resolution providing for the election of a committee of three to make translations of all the official documents. (Annual report, page 117.)

In compliance with this resolution, the Board of Trustees appointed the following as members of this committee: Pastor P. Tangjerd, Secretary N. J. Løhre and Attorney L. O. Rue.

As the Secretary had already made translations of all the documents, copies of this translation were given to the other members of the committee. The late Pastor P. Tangjerd went over the translations very carefully and made his suggestions in carefully prepared notes on blank pages opposite the typewritten page.

As Pastor Tangjerd died before the committee had met, the Board of Trustees appointed Pastor Sigurd Olsen to fill the vacancy.

The committee consisting of Pastor Sigurd Olsen, Attorney L. O. Rue and General Secretary N. J. Løhre again very carefully went over the documents and with the help of Tangjerd's notes finished the translation which the committee now recommends to the Norwegian Lutheran Church of America as an official translation of the following documents:

1. Extracts from Journal of Committee on Union supplied by P. Tangjerd.
2. Basis for Union.
3. The Madison Settlement (Opgjør).

THE TREASURER'S REPORT

In publishing the Annual Report it became expedient to print this report as a part of Department VI.

REPORT OF THE COMMITTEE OF NINE TO THE NORWEGIAN LUTHERAN CHURCH OF AMERICA

Grace and Peace!

The "Committee of Nine" respectfully submits the following report:

The Norwegian Lutheran Church of America in convention assembled June 9-14, 1925, adopted the following resolution: "The General Convention shall elect a committee of nine men consisting of four pastors and five laymen, these men not to be members of any boards or to be executives, to gather and present to our first General Convention all necessary changes in the constitution and all other changes concerning the General Body and the Districts."

In accordance with this resolution and by virtue of the mandate given

therein the "Committee of Nine" created thru the said resolution, met in Minneapolis July 17, 1925.

The following constitute the committee elected by the Church:

Mr. A. G. Anderson, Fergus Falls, Minnesota; Mr. P. O. Holland, Northfield, Minnesota; Rev. R. R. Syrdal, Northwood, North Dakota; Mr. H. C. Halvorson, Sinai, South Dakota; Rev. G. S. Froiland, Dawson, Minnesota; Rev. L. C. Jacobson, Ada, Minnesota; Mr. R. J. Bestul, Scandinavia, Wisconsin; Mr. O. J. Kalsem, Huxley, Iowa, and Rev. O. J. H. Preus, De Forest, Wisconsin.

The committee elected Mr. A. G. Anderson chairman, and Rev. O. J. H. Preus secretary.

Including this first meeting the committee has held si meetings of which all but the first and the last have been each of three days' duration and the first and the last each of two days' duration, a total of 16 days.

The committee has with prayer to God for His guidance and blessing deliberated upon some of the questions that have been raised in convention or otherwise in our Church during the last few years and that seemed to the committee of sufficient importance to engage the serious attention of the committee and, later, the whole Church.

Before making any specific recommendations to the Church relative to these questions the committee hastens to make the following general observations.

In 1917 The Norwegian Lutheran Church of America was formed thru the amalgamation of the Hauge Synod, the United Norwegian Lutheran Church, and the Synod for the Norwegian Lutheran Church of America.

Hearts were filled with joy and gratitude to God and hopes were high as the newly built ship set sail. At the same time there arose, underneath the exultation, many a fear that storms might come and dash the vessel upon the rocks to its destruction, or that mutiny might break out and blast the hopes for a successful journey.

Nine years have passed since we launched our bark together. Clouds have gathered now and then. Ominous rumblings have at times portended evil. But God has been with us and stilled every tempest.

Not this alone. He has blessed us to the end that we can meet here in port today, our ship laden, as it were, with the gold of Ophir and the cedars of Lebanon, i.e., with the means and the material with which to build a temple of living stone, to the glory of God among men on earth.

And this He has done for us in a period that has been marked by the bloodiest war of all time and by the resultant most serious moral and financial depression of modern times.

Our Church has been touched by the blight that has left many great institutions as well as individuals prostrate. The moral fibre, or, if you will, the faith of our constituency has been put to a severe test. The financial condition of our Church has at times to human eyes seemed precarious and even desperate.

In these moments many a prayer has surely been uttered, "Lord, help us, we perish!" And God has heard our prayers. He has helped us. Our ship is still afloat. We did not perish.

In fact, considering the storm years of the world war and the times that have followed it, we have every weason to fall upon our knees and thank God for deliverance.

Someone may reply by pointing to the deficit that has troubled us in the most recent years and declare that all is not well with the Church, that we are down in the depths of the sea, that God has not delivered us.

Thus men may reason. And no particularly great harm may come of it, because God is good and His mercy endureth forever.

But, some have, because of the deficit, been prone to go farther than to voice an opinion and demand that drastic changes be made in the very structure of our Church and in the system employed particularly with reference to the finances of the Church.

Suggestions have come to the committee voicing the opinion that our Church

is "top heavy," that there is too great centralization of authority, that the budget system is a failure, etc., wherefore great changes are necessary.

When these things are to be dealt with it is not very difficult to see where harm may be done, unintentionally, to the Church, unless grea care in dealing with these problems be exercised.

We may so easily come to blame the ship and the crew for the troubles brought on purely by the storm, i. e., we may blame our organization and our system for difficulties that have come to our Church, forgetting that wellnigh every other institution in the world has suffered even more than the Church because of the storm of war and the aftermath of the storm.

The committee, therefore, deems it wise to declare that after due consideration of most of the questions that have been raised and that come within the scope of its inquiry, it finds that the most urgent need of our beloved Church at this time is not a change of constitution or of system, but much more a change of heart.

There is a great mission given to our Church both here at home as well as abroad. The call from Macedonia, "come over and help us," is as urgent as ever, coming as it does from the teeming millions of the heathen world. And more urgent still, if possible, comes the call from our own beloved country to hold the fort against the inroads of atheism and unbelief.

While the Catholic Church bends every effort to win America for Catholicism by building its schools, elementary and secondary, as well as colleges, and while the Reformed churches on the one hand are being rent asunder by the struggle to stem the tide of modernistic atheism and on the other hand stand ready to occupy the field that historically belongs to the Lutheran Church, we of the Lutheran Church with the pure Word of God in our hand, are not measuring up to our responsibilities and opportunities.

Our home mission field must be occupied, our borders extended. Our schools must be built and supported. Our work must be pushed vigorously. And this must be done now. Tomorrow, when the opportunities are gone, it is too late.

To repeat it, the conviction of the Committee is that the greatest need of our Church is a change of heart, or, to be aroused anew to see the fields that right here lie ready for us to till, to seed, and to reap.

We have sprung from a comparatively small and poor nation, strong as to individualism, but not so strong as to team work, and become a part of a nation great in numbers and wealth, a nation where things are done on a big scale by uniting large forces that lie ready to be used. Our people must be awakened to the fact that we of the Norwegian Lutheran Church of America also have the numbers and the wealth to do big things in a big way, not in matters of land, cattle, hogs, butter, and cheese alone, but in matters pertaining to the Kingdom of God.

There is some evidence to show that a change is already taking place. God be praised for that!

The committee, accordingly, offers no newly found panacea for the ills, supposed or real, of our Church. We need more faith in God, more faithfulness to His Word, and more willingness to serve and sacrifice. Having these, we shall by the grace of God be able to solve our problems.

The committee makes these preliminary remarks in order to lay the greater stress where it belongs and in order that every reader at the outset may understand that the committee makes none of the following recommendations with false illusions as to their potency to cure the ills that lie within us and that God alone can cure from within.

However, in stressing the more vital things, the committee does not intend to minimize the importance of or reduce to insignificance the various suggestions and recommendations that follow, but merely to place them in their proper relative position.

The Constitution, organization, and practce of the Church have had, have now, and will no doubt in the future have great importance for the welfare of our Church. Any material changes may therefore be far-reaching in their effect.

The committee, realizing this, has acted with great deliberation and almost reluctance in adopting resolutions involving changes. But knowing that the Constitution, organization, and practice of the Church are of human origin and therefore subject to change, the committee makes bold to offer a few suggestions involving possible changes. May the good Lord guide our beloved Church in its deliberations that good may come to the Church also thru the changes that may be made in consequence of this report. With this prayer to God the following recommendations are made:

GENERAL

Re-Districting

1) That the number of districts be reduced from nine to six, and that the districts be formed along the following lines:

a) Eastern District, name and boundaries unchanged;

b) Northern Minnesota and Southern Minnesota shall be consolidated and constitute the Central District, excepting the following counties in northwestern Minnesota, which shall be added to the proposed Northwestern District: Kittson, Roseau, Lake of the Woods, Marshall, Pennington, Red Lake, Polk, Norman, Mahnomen, Clay.

c) Iowa and South Dakota Districts shall be consolidated and constitute the Southern District.

d) North Dakota and the eastern part of the Rocky Mountain District and the 10 counties of northern Minnesota mentioned in paragraph b) shall form one district, the Northwestern District.

e) Western District shall embody the present Pacific District and the Western part of Rocky Mountain, the eastern range of the Rocky Mountains beginning at Glacier Park, following Lewis & Clark Range west of Helena in a southeasterly direction to Yellowstone park, forming the line between the eastern and the western part of the present Rocky Mountain district as these terms are used in this resolution.

f) The Canada District shall remain unchanged.

g) Par. 2, page 534, of 1917 report, governing the question of district to which a charge shall belong is re-affirmed.

2) That each district shall decide for itself the question whether the district president shall be a salaried or a non-salaried officer and also what salary shall be paid. The salary, if any, of the district president shall be paid out of the district treasury.

3) That Chapter III, Section 8 a) shall be stricken, viz., "Distriktsformændene lønnes som saadan og ofrer al sin tid for sin embedsgjerning." "Kredsvisitatorer" shall be added.

4) That a "visitator" to assist the president of the district shall be elected by the district for a term of two years in each circuit. His duties shall be to visit congregations, dedicate churches, etc. He shall serve without salary. His traveling expenses shall be defrayed by the congregations receiving service.

5) That paragraph 20 a) of Chapter V of the Constitution be amended to read: President, First Vice President, Second Vice President, Secretary, Treasurer, Auditor, and District Presidents.

6 That in Chapter v, paragraph 23, "two" be inserted instead of "three", referring to the office of "other officers." To 23 a) of Chapter V shall be added: "The officers elected shall enter upon their duties on September 1st following their election."

7) That Chapter IV, 18, be changed to read: "No legislation for the general Church Body shall be adopted at district conventions."

8) That in Chapter III, 8 a), "a treasurer" shall be added after "secretary."

9) That the Board of Trustees be reduced in number to consist of seven members.

10) That the Board of Home Missions be reduced in number to seven members, of which the Board of Trustees shall elect three out of its own membership

12) That in par. 24, page 548 of the 1917 report the words "og penge" shall be stricken.

14) That the PROPOSED REVISION OF CHAPTER VII OF DISTRICT CONSTITUTIONS be adopted as follows:

Section 21:

"A proposal to amend this Constitution must first be adopted at a district convention by two-thirds majority vote. It shall then be submitted to the conventions of the other districts for consideration. If the conventions of at least two other districts approve the proposed ammendment by simple majority vote, such proposed amendment shall then be submitted to the general convention of the Church at a regular or special meeting thereof and shall become effective if adopted by a two-thirds majority vote of the members present and voting at such general convention; provided, however, that the initial adoption by a district convention and the final adoption by the general convention shall not be during the same calendar year.

15) That Chapter IV, par. 14 b) shall be changed to read: "One representative from each congregation belonging to the Church."

16) That the election of district officers shall be held immediately upon the adoption of the amendments to the Constitution involved in the proposals for re-districting made in this present report to the Church.

17) That such Boards of the General Body as are affected by the amendments and resolutions adopted by the Church shall be elected immediately upon the adoption of the amendments.

18) That the Church every six years shall publish a handbook (pocket edition) containing the Constitution, by-laws, regulations and resolutions of the Church in codified form together with such other information concerning the affairs of the Church as would naturally be looked for in a handbook.

ELECTION OF COMMITTEE ON NOMINATIONS

The committee recommends that a change be made in the method of the election of the committee on nominations, conditioned upon the adoption of the provisions of this report relating to re-districting, as follows:

The Church in general convention assembled shall elect one member from each district to constitute a committee on reports. This committee on reports shall nominate four members, two pastors and two laymen of each district, out of which number the convention shall elect by ballot two from each district, one a layman and one a pastor. The twelve men thus elected shall constitute the committee on nominations.

MISSIONS

General

The "Committee of Nine," after careful consideration, recommends to the Church that the departments of Home and Foreign Missions be taken from the general budget, and that the funds of these two departments be collected independently of the general budget of the Church, but that each Board functions as heretofore in its own department, in accordance with instructions and mandates given by the Church.

That each Board submit a budget thru the regular channels to the biennial church convention for approval.

The funds needed for carrying out the work of missions within our Church shall be raised thru free-will offerings, collections, and gifts. The methods and manner of raising such funds shall be under the joint supervision of the Mission Boards. It shall, however, be understood that the funds raised shall be divided between the two missions on a pro-rata basis.

Should in any year an amount be raised by any Mission Board above the op-

proved budget, then at least 25 per cent of said surplus shall be set aside as a sinking fund for this mission.

The treasurer of the Church shall continue to serve as treasurer of missions.

Home Missions

The General Home Mission Board shall consist of one member of each district and the president of the Church as a member ex officio. Each district shall elect its member to this General Board of Home Missions for a term of three years. This person shall also be a member of the District Board of Home Missions.

At the first election the Eastern and Central Districts shall elect each a member for one year, the Southern and Northwestern each a member for two years and the Canada and Western Districts each a member for three years. After this the term of office shall be three years.

The district committee of Home Missions shall consist of five members elected by the district, of which the district member of the General Board shall be one. At the first election two members of this committee shall be elected for one year and two for two years and one for three years. After the first election the term of office shall be three years.

The duties of the District Home Mission Committee shall remain as they are at present.

The circuit committee of Home Missions shall consist of three members, to be elected by the circuit. At the first election one member shall be elected for one year, one for two years, and one for three years. After this the term of office shall be three years.

The duties of the circuit home mission committee shall be to make survey of the circuit home mission field, and to make an annual report, with recommendations, to the district home mission committee. It shall also be the duty of the circuit committee to inform the local congregations of the home mission work of the Church.

The Home Mission activities shall otherwise continue as at present with the following modifications:

The City, Slum, Prison, and Hospital Missions shall be transferred from the Department of Charities to the Department of Home Missions.

Foreign Missions

The Alaska Mission shall be taken from the Home Mission Department and be added to the Foreign Missions.

The Indian Mission shall be taken from the Home Mission Department and added to Foreign Missions.

Church Extension

The committee recommends:

c) that a certain amount be included for Church Extension each year in the five years, 3 per cent for the sixth year, 4 per cent for the seventh year, and 5 percent thereafter.

b) that loans from Church Extension funds be made on the amortization plan whenever possible;

c) that a certain amount be included for Church Extension each year in the Home Mission budget.

Charities

The General Board of Charities shall consist of seven members, one from each district, and the president of the Church as a member ex officio. Each district shall elect a member to this general Board of Charities for a term of three years. This person shall also be a member of the district board of Charities.

At the first meeting the Eastern and Central Districts shall elect each a member for a term of one year, the Southern and Northwestern Districts shall elect each a member for a term of two years, and the Canada and the Western Dis-

trict shall elect each a member for a term of three years. After the first election the term of office shall be three years.

The General Board of Charity shall have charge of Home Finding, the Rescue Homes, the Deaconess Hospital, and the Pastors' and Widows' Fund.

The Church shall budget to the several districts for the charity work that is controlled by the General Board of Charity, taking into consideration the amount expended in the respective districts for local charity.

The district charity board shall prepare the budget and the apportionment for the district charity work and report it to the district.

The district budget as adopted by the district shall be reported to the treasurer of the Church and included as a separate item with the general budget which he submits to the congregations. Contributions made for district purposes shall be sent to the district treasurer.

Suggested Plan for Charity Work

The district shall elect a board of charities which shall have supervision of the within its boundaries.

The district shall elect a board of charities which shall have supervision of the charity work within the district. This board shall be composed of five members, of which at least two shall be laymen, two of which shall be elected for one year and two for two years and one for three years. After the first election the term of office shall be three years. They shall serve without salary. The actual expense, however, shall be paid out of the charity fund of the district.

The district board shall make an annual report to the district concerning the work, status, and needs pertaining to charity withing the district.

The district board shall make a biennial report to the general Church Body. This report shall cover the biennial period.

The district treasurer shall serve as the treasurer of the Charity Board.

No district shall be allowed to take over or establish any new institutions of charity without the consent of the Church in general convention assembled.

The charitable institutions shall be incorporated in their respective states. The voting members of the corporation shall be the voting members of the district in convention assembled.

It is the opinion of this committee that the Church is at present supporting too many old people's homes, that the number ought to be reduced by consolidation, and that the homes retained ought to be improved to meet requirements that may reasonably be made.

The circuit shall elect a committee on charity of three members. At the first election one member shall be elected for a period of one year, one for a period of two years, and one for a period of three years. Subsequently their term of office shall be three years.

It shall be the duty of the circuit committee of charity to inform the local congregations in regard to the charity work of the Church.

Allocation of Charitable Institutions

It is recommended that the title to the old people's homes and the children's homes remain unchanged, but that the management and support of these institutions be transferred and allocated to the respective districts as follows:

1. Eastern District:

a) Homme and Skaalen Old People's Homes, Homme and Martin Luther Children's Homes are allocated to the Eastern District.

b) The two old people's homes shall be consolidated at Wittenberg, and the two children's Homes shall be consolidated at Stoughton.

2. Central District:

Glenwood Home for the Aged, Glenwood, Minn., and Lake Park Children's Home are allocated to the Central District.

3. Southern District:

a) Aase Haugen, Decorah, Iowa; Bethesda, Beresford, S. Dak.; Story City

Financial Status

Audit

The committee has considered it as coming within the scope of its work to inquire into the financial condition and the management of the financial affairs of the Church, in order to make intelligent recommendations in regard to possible future changes. In making this inquiry the committee finds that the Trustees of the Church have caused an audit of the books and records by the Charles Preston & Company, A. C. P. A., as of August 31, 1925. The committee can only commend the Board of Trustees for its splendid work generally, and for causing this audit to be made in particular. The committee notes with satisfaction the many suggestions offered by the accountants. It is needless to recommend that these suggestions, whenever practical, be followed and that under the improved system of bookkeeping at the headquarters of our Church, an audit by certified public accountants be made annually.

Elementary Christian Education

While the "Committee of Nine" has no resolution to offer relative to the splendid work that has been begun, and pray for an increased understanding Department of Elementary Christian Education, we do desire to commend the so much for the life of our Church, and urge that the necessary funds for the and appreciation among our people of the importance of this work, that means support and continuation of the activity may be available.

In the past a very important and necessary work has been done in all of our Christian educational institutions for the upbuilding of our Church. This work calls for ever increasing recognition and support, if the mission, which we believe God has given us, shall be carried out.

In the limited time alloted to the committee for its work, it has not ben possible to make a survey and to give the consideration necessary to make an intelligent report on this basic activity of the Church.

The committee recommends that a committee be elected at this convention to make such survey and formulate a definite educational policy for the future.

Pensions

The committee recommends that the Church elect a committee to work out in conjunction with the Board of Pensions a plan for a contributory reserve pension fund, to be submitted to the next general church convention.

Publicity

The committee recommends the appointment of a publicity man to devote his whole time to the work of publicity. This man shall be appointed by and work under the supervision of the president of the Church. The Board of Trustees shall fix his salary.

Form for Donations

For the convenience of donors and to avoid unnecessary controversy, the treasurer of the Church shall compile complete forms including the corporate names of the various institutions owned or governed by the Church and the proper form of conveyance to the respective institutions.

The committee expresses its appreciation to the Lutheran Brotherhood Insurance Company for the use of its directors' room as a place of meeting during the sessions of the committee.

The committee also wishes to express its appreciation to the president and other officers of the Church, heads of boards, and others who have courteously and willingly come before the committee and lent their assistance.

May the Lord bless the deliberations of our Church in the consideration of the recommendations made in this report.

DISTRICT AFFAIRS

I. Østre Distrikt

1. Formandens indberetning

I den herres Jesu navn!
Kjære venner i Kristus Jesus!

Det Guds ord som staar skrevet i Hebr. 10, 35 vil jeg faa lov til at minde om naar jeg nu skal gi en oversigt over arbeidet i det forgangne aar. Det lyder: „Kast derfor ikke bort eders frimodighet, som har stor løn."

Det er de sande troende kristne som har frimodighet eller godt mod. Og de trænger frimodighet saare vel. Ti hvorledes kunde de ellers greie det imot djævelen, verden og kjødet naar synden, loven, døden og dommen forfærder dem? Men de hører Frelserens røst til dem: „Vær frimodige, frygt ikke." Derfor kalder ogsaa Paulus Gud frimodighetens og al trøstens Gud. Med Paulus kan den troende si: „Død, hvor er din brodd? Helvede, hvor er din seier? Men Gud være tak som gir os seier ved vor herre Jesus Kristus!" (1 Kor. 15). Og med Johannes: „Dette er den frimodige fortrøstning som vi har til ham, at dersom vi ber om noget efter hans vilje, da hører han os" (1 Joh. 5, 14). Likedan retter profeten Esaias dette utrop til Herrens folk, kap. 35: „Styrk de slappe hænder og gjør de vaklende knæ sterke! Si til de urolige hjerter: Vær frimodige, frygt ikke! Se, der er eders Gud!" Og en gammel salmedigter har sunget:

„Jeg for Gud kan intet bringe
uten dig (Jesus) og dine saar.
Under din forsonings vinge
jeg for Gud frimodig staar.
En evig retfærdighet du os fortjente,
der pinen og døden dit hjerte omspændte.
Der har jeg de klæder der smykker mig ud
at prange for tronen som deiligste brud."

Men de troende Guds barn er ofte fristet til at tape modet, til at kaste bort denne sin frimodighet. I kampen for kronen hernede, naar djævelen, verden og kjødet stormer løs paa dem, eller naar Gud i sin visdom og naade lar dem gaa gjennem prøvelsens og anfegtelsens ild, da kommer der tider da de saa let blir mismodige, tvilende og forsagte. Derfor trænger de ogsaa apostelens formaning: „Kast derfor ikke bort eders frimodighet."

Særlig tænker jeg her paa os prester og ordets tjenere, hvem Gud har sat til hyrder og lærere i sin kirke. Vi skal være frimodige. Det heter om menigheten i Jerusalem at den bad for apostlene denne bøn: „Og nu, Herre! . . . . gi dine tjenere at tale dit ord med al frimodighet" (Ap. gj. 4, 29). Og om Herrens sendebud heter det: „De opholdt sig da en lang tid der og talte frimodig i Herren, som gav sin naades ord vidnesbyrd." Og om Paulus og Silas, da de var kastet i det inderste fængsel og deres føtter var sluttet i stokken: „Ved midnatstid holdt Paulus og Silas bøn og sang Gud lovsanger, og fangene hørte paa dem" (Ap. gj. 16, 25).

Til os prester og ordets forkyndere heter det især: Kast ikke bort eders frimodighet, tap ikke modet, bli ikke forsagte, gi ikke op. Men saa ofte er vi fristet til det.

Naar jeg ser tilbake paa det aar som er gaat siden vort sidste aarsmøte, saa vet jeg at der er saa mange ting som satte vor frimodighet paa haard prøve. Vi saa saa liten frugt av den ordets sæd som vi strødde ut; vi maatte ofte tale for tomme kirkebænker. Vi blev misforstaat, baktalt og hatet. Vi merket saa megen verdslighet, likegyldighet og saa meget hykleri. Istedenfor fremgang i vort arbeide og stræben, saa vi tilbakegang. „Herre, vi har arbeidet den hele nat og intet faat."

Og dernæst, naar vi tænker paa os selv, hvilke daarlige tjenere vi var; med saa liten tro og saa liten kjærlighet, med saa ringe visdom og hellighet; med saa liten iver og begeistring, med saa megen svakhet og utroskap — hvor maa ikke da vor frimodighet og glæde i Herren svinde, ja nærved kastes bort. Og saa er der noget

endet som vi ikke maa glemme: at vi selv for alt dette maaste bærer den største skyld; at vi selv har latt verden og den lyst forføre os; at vi lik Demas har faat den nærværende verden kjær, eller at Satan paa saa mange maater har gjort os til leiesvender; at vi hænger i arbeidet bare for pengenes skyld, eller for ærens, eller for at ha gode og makelige kaar. La os alvorlig prøve os selv.

Men hvordan det nu end kan være, la os i bodfærdighet og tro ta dette Herrens ord til hjerte: „Kast derfor ikke bort eders frimodighet, som har stor løn." Maa vi end tilstaa at ofte vil

„frimodigheten briste
og tvilen tage til",

saa er der dog ingen anden end Gud som ved sin gode Helligaand kan skape nyt liv og nyt mod i os. Derfor, Herre, paa dit ord vil vi kaste garnet ut.

Jo inderligere vi lever vort liv i Jesu søte forening, og jo mere hans ord er vor eneste tilflugt og trøst, desto mere skal vi erfare at hans kraft fuldkommes i skrøpelighet, og med Paulus si: „Naar jeg er skrøpelig, da er jeg sterk" (2 Kor. 12, 10).

I det hele har det forgangne aar været et godt aar med rik naade og velsignelse fra vor herre og Gud. Har der end været mangt og meget som vidner om skrøpeligheter, synder og forgaaelser, saa har der dog ogsaa været mange ting som vidner om at Herrens ord vender ikke tomt tilbake, men utretter det hvortil han sender det. Paa ret mange steder har deltagelsen i gudstjenesten og Herrens nadver været i tiltagende. Søndagsskolen og barneskolen har faat nyt tiltak, og dette skyldes for en stor del Board of Elementary Christian Education og de kurser for lærere som det har ordnet avholdt paa mange steder. Vi bør alle gjøre hvad vi formaar for at støtte dette „board" i denne gode sak som det skal fremme. Dernæst vil jeg tillike nævne den tiltagende offervillighet til vore kirkelige arbeidsgrener. Mange som før var uvirksomme, er blit drat med ind i arbeidet, og desuten har de ydet klækkelige bidrag til gjældens avbetaling.

Indremissionen

Fra 27de til 31te jan. d. a. holdtes et stort indremissionsmøte i Chicago. Chicago kreds indbød og Chicago prestekonferans ordnet det nødvendige for møtet. Et godt og velsignet møte blev det, og indremissionens nødvendighet og vigtighet blev lagt os varmt paa hjerte av de indkaldte repræsentanter fra alle kredser i distriktet. Formand H. C. Holm av Iowa distrikt var ogsaa med, hvorfor vi vil takke ham saa meget.

En ting blev vi alle klar over paa dette møte: at vi herefter mere end forut maa ha vor opmerksomhet henvendt paa de store verdensbyer i vort distrikt og faa flere arbeidere der. Følgelig maatte vi av missionsbestyrelsen faa flere penger for vor missionsvirksomhet, og en resolution blev enstemmig antat saalydende:

„Østre distrikt kræver at halvparten av de bidrag som samles i vort distrikt til indremissionen, maa bli anvendt til vort eget distrikts arbeide." — Dette forslag blev ogsaa tilstemt av Søndre Wisconsin og Illinois prestekonferans paa dens møte i Malwaukee.

Desuten blev følgende forskag antat av missionsmøtet i Chicago: Saa snart som mulig skal en fieldsekretær ansættes som skal ofre al sin tid og kraft til at fremme og tilse indremissionsarbeidet i distriktet.

Likeledes: Vi uttaler ønske om at distriktformanden sørger for at vi til næste aar kan faa et møte med „Christian Education" som forhandlingsgjenstand.

Endelig: Missionsmøtet anmoder vort samfund at tilføie budgettet $25,000 til Church Extention for 1927.

Missionskomiteen har tat alt det hensyn den kunde til disse resolutioner og besluttet allerede dette aar at faa flere arbeidere i de store byer. I Chicago, i West Allis ved Milwaukee, i New York og i Detroit, Mich., vilde vi sætte flere arbeidere. I Detroit ønsket de ikke en ny arbeider netop nu; men naar den nye kirke er bygget, vilde de be om en menighetsøster.

Vort budget for 1927 og 1928 blev av vor indremissionskomite sat til $34,163.00, og missionsbestyrelsen antok det saaledes som indstillet av os, for hvilket vi takker dem.

Følgende menigheter er fra nyaar blit selvhjulpne: Philadelphia, betjent av

pastor Jens C. Roseland, Vor Frelsers, New York, betjent av pastor J. C. Gram, Bethania, Brooklyn, betjent av pastor L. J. Heggem, Nelsonville, Wis., betjent av pastor M. K. Aaberg. Ogsaa bidraget til pastor N. L. Blomholm er inddrat, likeledes det til pastor J. C. Johnson.

Pastor K. G. Nilsen er kaldt til fieldmissionær i Chicago, og kandidat E. R. Larson er kaldt til den nye menighet i West Allis ved Milwaukee.

Pastor C. A. Crouch, vor fieldmissionær i New York, har begyndt et par lovende missioner paa Long Island, N. Y. — Uten tvil vilde vi kunne ansætte adskillig flere arbeidere i de store byer; men vi er taknemmelige for at være istand til at gjøre en god begyndelse dermed. Maa Herren gjøre os brændende i aanden til at tjene ham ved at gjøre mere for hans rikes utbredelse baade her hjemme og ute i hedningeland.

1. Formandens indberetning

Kjære brødre!

Med tanken paa den tid vi lever i, er der et ord jeg gjerne vil minde mig selv og eder om: „Vær tro indtil døden, saa vil jeg gi dig livsens krone" (Aab. 2, 10).

Vor tids kjendemerke er at den roser sig av fremskridt og oplysning. Med foragt og haarde domme ser man tilbake paa de svundne tidsaldre. Man taler om den store uvidenhet og det tykke mørke som da ruget over folkeslagene. Litet kjendte man til naturen og dens vældige kræfter.

Man priser vor tid som den gyldne tidsalder. Der er heller ingen iblandt os som vil negte de uhyre fremskridt paa det materielle omraade. Opfindelser uten tal er gjort. Paa den anvendte videnskaps omraade er der fremskridt som ingen kunde drømme om for nogen aar siden. Dypere og dypere har man trængt ind i naturens hemmeligheter og tat dens kræfter i bruk. Man flyver i luften, seiler under vandet, taler med folk jorden rundt osv. Der leves et rikere og fyldigere liv i legemlig henseende end nogensinde før.

Men her stanser man ikke. Man vil ogsaa forbedre kristendommen. Det naturlige menneske vil lære os hvad kristendom er.

„Men et naturlig mennesker tar ikke imot det som hører Guds aand til; ti det er ham en daarskap, og han kan ikke kjende det; ti det dømmes aandelig" (1 Kor. 1, 14).

En blind kan ikke lære os om farvene. En døv kan ikke bedømme musik.

En som selv ikke tror paa bibelens grundsandheter, bør intet ha at si om kristendommen.

Kristendom er nu ikke læresætninger der kan utvikles og begrundes ved et naturlig menneskes skarpe og dype tænkning. Den er ikke at holde noget for sandt. Men den er den kristelige av Gud aabenbarte sandhet som læres. Kristendom uten tro er intet. Den er død.

Saa længe den nye religion, evolutionslæren, er ny, gir den sig skin av at angripe kun den kristelige lære og ikke det kristelige liv. For saavidt har den likhet med den slags kristendom som altid roper paa at kristendommen er liv og ikke lære, skjønt paastand er likesaa falsk som den motsatte, at kristendommen er lære og ikke liv. Sandheten er at det kristelige liv spirer kun i det hjerte som har tilegnet sig sandheten — læren. Der alene findes det eiendommelige, lykkelige troes og kjærlighets liv som med rette bærer navnet kristendom.

Evolutionslæren vil nok øve sin gjennemgripende indflydelse paa livet. Det er utænkelig at et raattent træ kan bære gode frugter.

Den „forbedring" man søker at indføre paa det religiøse omraade, er at intet kan troes som strider imot vor religiøse følelse og erfaring. Hvorledes det naturlige menneskes følelse og erfaring er paa det kristelige omraade, trænges ikke at paavises.

Man forsøker ogsaa at forbedre bibelen i vor tid. Det forsøk er at haane Gud og at støte fra sig den evige salighet og synke tilbake i hedenskapets mørke nat. Den aabenbarte guddommelige sandhet trænger ingen forbedring. Gud er fuldkommen. Som Gud er, saa er ogsaa hans ord. Hvad vilde det være for en Gud hvis ord og lære kunde og maatte forbedres ved menneskelig videnskap? Visselig ingen Gud, men en avgud av ringeste slags, omtrent som et svakt, kortsynt feilende menneskebarn.

Naar blinde hedninger har ringe tanker om sine guder, saa er det let forstaaelig; men naar kristne og ofte saadanne som er vel kjendt i Guds ord, vil kritisere og rette den almægtige, vise Gud og hans ord, da er det en gru som ikke kan beskrives. Saadanne er den kristne kirkes farligste fiender. Med saadanne har vi intet fælles.

Vor Gud er en levende Gud, himmelens og jordens skaper. Hans ord er og blir naar himmel og jord forgaar. De saakaldte liberale kjender ham ikke.

Naar vi sier at Guds ord er fuldkomment og trænger ingen forbedring av denne verdens vise, saa er dermed ikke sagt at forkyndelsen ikke kan forbedres. Der gives visselig ingen tro kristelig lærer eller prædikant i verden som er fuldkommen tilfreds

med sin forkyndelse av Guds ord. Meget mere ber han daglig sin Gud om Aandens gaver til at frembære et mere aandsfyldt vidnesbyrd.

Men det indeslutter ikke i sig nogen forbedring eller noget fremskridt i den guddommelige aabenbaring i sig selv; men kun i karet — om jeg kan uttrykke det saaledes — hvori sandheten frembæres. Her er fremgang og utvikling paa sin plads, og saare paakrævd. Skal det bli fremgang i kristelig bekjendelse og i villighet til at gjøre Guds vilje, da maa det spire frem av budskapet vi frembærer. Den som tar det let med sin prækenforberedelse, skal snart finde at arbeidet i menigheten blir for vanskelig. Alt Guds raad skal forkyndes, og særlig bør prækenen lyde til vækkelse og omvendelse. De som gaar paa den brede vei, tør vi ikke la gaa der i fred. Til menigheten i Efesus skriver apostelen Paulus: „Og det er han som gav os nogen til apostler, nogen til profeter, nogen til evangelister, nogen til hyrder og lærere, forat de hellige kunde bli fuldkommengjort til tjenestegjerning, til Kristi legemes opbyggelse, indtil vi alle naar frem til enhet i tro paa Guds søn og i kjendskap til ham, til mands modenhet, til aldersmaalet for kristi fylde, forat vi ikke længere skal være umyndige og la os kaste og drive om av ethvert lærdoms veir ved mennestenes spil, ved kløkt i vildfarelsens kunster" (Ef. 4, 11—14).

At denne lærdom blev tat til hjerte, forstaar vi derav at de apostoliske menigheter vokste i erkjendelse og i et rikere og skjønnere kjærlighetsliv til Gud og mennesker. De grønnedes og blomstret som en Guds have, og bragte rike frugter. Hos dem traadte det av Gud villede fremskridt i dagen. Sammenligner vi os med de første kristne, blir sammenligningen ikke til vor fordel.

Men som de apostoliske menigheter har vi sandheten. Her trænges ikke fremskridt. Det gjælder kun at motta den i vore hjerter, og trods alt som lokker, truer og frister „bli tro indtil døden".

Troskapen bestaar netop deri at vi tar imot Herrens rike gaver, at vi uttømmer vort hjerte fra al farisæisk selvtillid, at vi kan „fyldes med Guds fylde".

Jesus kom ikke for at la sig tjene, men for selv at tjene. Han kommer fremdeles gjennem sit ord. Sin rike livskraft skjænker han os i ordet og sakramentene. Er vi tro, bruker vi flittig Guds ord baade i den offentlige gudstjeneste og i vore hjem? Til troskapen hører ogsaa utholdenhet i bøn.

Er vi først tro i at motta, saa skal vi ogsaa bli tro i at gi Herren igjen vort liv som et offer. Vore føtter gaar da kjærlighetens gang, vore hænder blir oplatt til at gjøre vel, vor mund vil lovprise Herren. Da blir vi tro i herliggjørelse. Tro i det som synes ringe, men ofte koster kamp. Tro som husholdere, tro i at bygge Guds rike hjemme og ute.

„Indtil døden", da er striden endt, farene overvundet. Indgangen i paradiset, hvilens land, aapner sig for den tro stridsmand. Troskapens naadeløn er livets krone. Jesus vil gi os dem. Han har tornekronen for at gi os livets krone. Til denne herlighet har Gud skapt os og gjenløst os. Livets krone er den kristnes livsmaal. For at naa den er ingen kamp for stor, ingen lidelse for tung, intet arbeide for svært, ingen korsgang for bitter. Gud gi os at være tro!

Dødsfald

Past. J. D. Bothne døde den 21de april 1926. Ved hans død er en av de mest kjendte prester vandret bort. Han var ordinert i 1881 og hadde saaledes ved sin død været i prestetjenesten 45 aar, den hele tid i Nordre Minnesota, undtagen de 12 første aar. Han var en rikt begavet mand. Kanske han var mest kjendt i videre kredser for sine stemningsfulde lyriske dikt. Han elsket det land hvor han var født og kjæmpet for bevarelsen og omplantningen av det gode i vor fædrenearv. Mest elsket han Guds menighet, og med troskap arbeidet han til sin død. Gjennem kamp vandt han frem til seier.

Past. A. D. Johnson, Rothsay, døde den 7de okt. 1925. Ordinert i 1896 paa kald fra Rothsay, og der arbeidet han som prest og sjælesørger indtil sin død, i næsten 30 aar. Han var en vennesæl, fredselskende mand. Sine evner og kræfter vidde han sin Gud i vingaarden hernede.

Paul Vigenstad døde den 16de juli 1925. I 50 aar var han medlem av Ringsaker menighet, Pelican Rapids, fra menighetens stiftelse og indtil sin død. I over en menneskealder var han religionsskolelærer. Med ubrødelig troskap gik han de gamle stier. Guds ords lære og den lutherske kirkes bekjendelse var for ham det største i livet. Offentlig og privat, mundtlig og gjennem mange skriftlige indlæg formante han os til at ta det alvorlig med barnenes kristelige undervisning. En stor skare nøt godt av hans undervisning, og de og vi alle velsigner hans minde.

Past. H. H. Lies hustru døde den 22de jan. paa St. Paul hospital. Tungt og stort er savnet for past. Lie og de morløse smaa. Gud trøste og styrke dem i deres sorg!

Mindes vil ogsaa Nordre Minnesota distrikt med sorg formand J. D. Ylvisakers død. Han døde pludselig paa en reise til Minot den 5te mars. Formand Ylvisaker var kjendt og elsket av prestene og mange andre inden vort distrikt. I 35 aar var han i tjenesten som prest og formand. Stor fortjeneste indla han sig ved sit arbeide paa foreningskomiteen, der bragte foreningen av de tre samfund i 1917. Han elsket Guds menighet. Efter evne, ja over evne, arbeidet han for at befæste og utbrede den. Rikt var han utrustet til sin gjerning, og hans rike gaver var helliget i den Helligaands skole. Gud, „gi din kirke mænd og fædre som er dig og sandhet tro."

Concordia College

Colleget har hat et godt skoleaar. Aldrig i skolens historie har der været en saadan tilstrømning av studenter. Der er nu omtrent 400 i collegeavdelingen. Ansøkninger kommer daglig om optagelse næste skoleaar.

Dette beviser at vi trænger denne skole. Vi har grund til at glæde os og takke Gud for den.

Naar dette skrives er vi midt oppe i indsamlingen for endowmentfond paa en halv million. Folk har møtt os med enestaaende velvilje. En del har git større gaver.

Jeg maa ogsaa meddele distriktet at det meste av min tid i flere maaneder har været optat med arbeide for at hjælpe til med at organisere indsamlingen av dette fond. Jeg har ment at dette er den største sak som foreligger os for nærværende.

Vort budget i 1925

Med indsamlingen av midler til at drive arbeidet Gud har git os, gik det godt sidste aar. Nordre Minnesota distrikt blev bedt om at yde $120,013.20 uten „margin"; der blev git $121,585.15, altsaa $1,571.95 overskud.

For dette glædelige resultat takker vi Gud, som har aapnet hjertene. Dernæst takker vi de menigheter og prester som fik naade til at bede og arbeide, saa at de ydet ikke bare det de var bedt om, men mere. Gud som har sagt: „Gi, og eder skal gives", vil i naade rikelig lønne. Tak skyldes ogsaa kredsenes finanssekretærer og distriktets finanssekretær for deres utrættelige arbeide.

Men der er dog 75 menigheter i distriktet som intet gav til skolene, 55 intet til indremissionen, 54 intet til hedningemissionen, 72 intet til barmhjertighetsarbeidet, og 39 som ikke ydet til nogen av de fire gjøremaal i vort samfund. Jeg er vel vidende om at disse menigheter er smaa og fattige missionsmenigheter som stræver haardt for at ha Guds ords betjening; dog tror jeg at ved bøn og arbeide vilde ogsaa disse menigheter efter evne ha kunnet være med.

Vort budget i 1926

Hvorledes vil det gaa os iaar? Litet eller intet er gjort. Al indsamling har maattet lægges til side for skolenes endowmentfond. Nu maa vi ta fat. Prester og menigheter maa bekjende at gjerningen er Herrens.

La da ingen staa tilbake. Elsker du Gud og dit samfund, saa tør du ikke undslaa dig. Finder du end ting som du maatte kunne ønske var anderledes i ydre menneskelige ordninger i vort samfund, saa la ikke Herrens sak lide av den grund. Ogsaa i denne sak gjælder det at være tro, „tro indtil døden". Ingen vet hvor lang hans arbeidsdag skal bli. La os arbeidet „mens det er dag". Der er nok grund til ængstelse og bekymring for dette aars „budget". Saa meget arbeide som var nedlagt for indsamlingen av vort budget i 1925, blir umulig fra nu av iaar. Vi faar nu stole paa Herrens tjenere for Herrens sak. Men først og fremst stoler vi paa Herren selv.

Valg

Ett medlem av indremissionskomiteen. Past. A. G. Quammens termin utløper.

Ett medlem av komiteen for Elementary Christian Education. Pastor J. Linnevolds termin utløper.

Aarsmøtekomite.

Vor Frelsers menighet

i Dalton begjærte optagelse i samfundet ved sidste møte. Dens ansøkning blev henvist til samfundets kirkeraad, som skulde rapportere til dette møte. Kirkeraadet rapporterer som følger:

"Relative to Our Savior's Church at Dalton, the Church Council recommends the acceptance of this congregation into our Norwegian Lutheran Church of America."

Slutning

Til slut vil jeg takke alle prester og andre for al hjælp og opmuntring i arbeidet i det aar som er gaat. Indsamlingen av vort budget og arbeidet for Concordia Colleges endowmentfond ved siden av det mere regulære arbeide, har gjort at det har været et travelt aar. Gud være lovet for alt! Han velsigne vort møte.

Eders i Herren,

J. T. Aastad.

III. SOUTHERN MINNESOTA DISTRICT

1) President's Report

Beloved in the Lord! Grace and peace!

"One thing have I desired of the Lord, that will I seek after; that I may dwell in the house of the Lord all the days of my life, to behold the beauty of the Lord, and to inquire in His temple," Ps. 27:4.

This is an age of aggressive movements. Hundreds of interests claim the attention of the present generation.

New organizations of various nature are created, and means and methods are produced to economize in and to solve the great complex of problems confronting the race.

In the Church a multitude of interests are operating, each emphasizing the importance of its own particular endeavors and soliciting energies accordingly.

These circumstances naturally make it difficult to concentrate the attention on any one thing. This is a weakness of our church. The one thing needful, communion and fellowship with God, is submerged by, and often made subservient to, material matters pertaining to our earthly existence.

The character of Martha, cumbered about much serving, is too prevalent. Mary had chosen that good part, sitting at the feet of Jesus hearing His word. This sacred life communion with God in Christ is unknown by too many.

David had discovered this source of comfort. It became so valuable to him, that he willingly gave up everything else in order to possess this one thing. Says he: "One thing I have desired, that will I seek after, that I may dwell in the house of the Lord all the days of my life, to behold the beauty of the Lord and to inquire in His temple."

If ye seek me, ye shall find me, saith the Lord. Only that church is real and efficient whose chief interest is personal communion and fellowship with Jesus.

The attainment of sacred communion with God in His temple is the real comfort of the soul and only source of true spiritual power and progress.

A taste of this fountain of life, in the temple of the Lord, absorbed the interest of the psalmist and aroused within his soul an intense desire for it.

In the revelation of God in his house he had a vision of God's beauty, and to dwell with the Lord and inquire in His temple became the greatest enjoyment and advantage of his life.

Souls led into this happy relation with God and His Church is the real success and true progress of the Kingdom of our Lord.

May not self-seeking, vain ambition and mere external church worship deflect pastors and church members in the choice of the real portion with God.

General church interest is noticeable by regular church attendance, and by active work and donations for the promotion of God's Kingdom at home and abroad.

More enlightenment concerning the work of the Church and its need of support has helped to make giving more liberal. Brother Myrwang has traveled over the district and visited the congregations and circuit meetings and has worked faithfully for the dissemination of knowledge about the activities of the Church.

There are always those who will put false and unkind construction upon faithful service, and create suspicion against the work of the Church.

Occasionally some of the loyal friends of the Church find it difficult to explain the big increase in expenses since the time of the Union. Too many big salaried men, is usually the complaint.

A little comparison with the work of other church bodies along those lines proves of considerable help for people who are open to conviction and enables them to arrive at a fair judgment of the situation.

The constituency of our Church must be given credit for being a church loving people; but they are a conservative people, not reared in luxury, and are not willing to support extravagance. This sentiment has been voiced strongly and must be recognized.

Needless officers, if there be such, should be eliminated; on the other hand, it must be conceded that the Church can not prosper without workers any more than other institutions. The Lord commanded us to pray for more laborers in His vineyard.

About one-fourth of the church budget is expected from the Southern Minnesota District. The successful collection of the budget this year is an indication of an increased feeling of responsibility. Much credit for this is due to the earnest and faithful work of the pastors and other interested members of the congregations.

Spiritual Condition

We know the spiritual condition as far as it manifests itself externally.

Considering this point we regret to admit that sin and love of the world is noticeable and prevailing in all phases of human life. While we humbly confess this discouraging feature, we rejoice to testify that the labor in the Lord has not been without its fruit. By His grace sinners have been led to repentance, and faith and true fellowship in the Lord has been nourished.

In some congregations a general spiritual awakening has been felt.

With a few exceptions, the relations between the pastors and the congregations, and between the individual members within the churches, are satisfactory.

As far as my observation goes, daily meditation upon the Word of God, or family devotion, is practiced by many, tho presumably neglected by the majority of homes. Some congregations have weekly devotional gatherings and prayer meetings. Weekly Bible studies led by the pastors have proven to be of much blessing where they have been practiced.

Evangelistic Work

It is generally acknowledged that our Church is being blessed thru the work of our regularly appointed evangelists. Last year and this year our district enjoyed a share of evangelistic service.

Brethren, let us appreciate the various spiritual gifts that the Lord has distributed among the several members of the Church and continue praying for the out-pouring of the Holy Spirit and for witnesses endowed with the power of God. Dormant spiritual gifts may be aroused thru active service and become useful to the Church.

The Friend has the following quotation from Mr. Babson: "A study of church statistics suggests very clearly that the growth and influence of the church were always proportional to the amount and character of its lay preaching."

"Whenever there has been little lay preaching, the Church has grown but little. When there has been much lay preaching the Church has grown rapidly."

"Lay preaching is one of the best barometers of the basic condition of the churches."

"Buildings endowments, numbers, even benevolences, are not the true barometers of religious growth, but rather how we live and to what extent we are giving testimony to others."

"One of the best tests of an ordained minister's true power is his ability to induce others to preach the Gospel. The average preacher makes the mistake of being content to be a salesman of the Gospel when he should be sales-manager."

The question of laymen's right to preach has been discussed extensively, but the practical results are not in proportion.

Heart conviction and genuine Christian life is fundamental to vital activity by the members of the churches. Mere mechanical operation will not avail much for saving sinners and testifying to the truth.

Home Missions

The following charges have received support:
St. Stephens Congregation, St. Paul.
Millbank and Bellingham Congregations.
The First English Lutheran Church, Marshall, and the
Congregation at Russell, Minn., connected with the same charge.
Pipestone and Chandler, Minn.
Lake Harriet and St. Louis Park, Minneapolis.
Nazareth Church, Minneapolis.
Prospect Park, St. Paul.
Our Redeemer's Church, Minneapolis.
The Norwegian Lutheran Church, Minneapolis.
The Lutheran Church at Litchfield, Minn.
Faith Congregation, Minneapolis.
The Congregations at Rochester, Lake Benton, and Tyler.

A new mission is being started in the Chelsea Height district, St. Paul, by Rev. P. M. Fjære. Thru the city officials, permission was recured to use the public schoolhouse for Sunday School and church services. The work has made good progress and a congregation is now organized.

The work started at Marshall and Russell last year has also made good progress. At Russell the congregation has already secured a church, which is now ready for dedication.

At Redwood Falls a new congregation is being organized. Pastor Fretheim and Tho. Hanson have promised to give temporary service to this congregation.

Some charges consist of too many congregations. A reorganization of some of those charges and a little more consideration of the need of Home Missions would eliminate considerable expense in mission work.

In the matter of Home Mission more stimulation is needed to arouse interest. Mission festivals are very excellent; but what counts most is the pastor's regular teaching in conjunction with colaborers in the congregation and preaching about missions.

Special attention by pastors to the need of mission work in their particular locations would be very helpful to the promotion of Home Missions.

We would especially encourage attention to the spiritual need of the unchurched people within their own community. Let us always bear in mind that the Lord's mission is to seek and to save that which was lost and to begin at home. In cases where the need is obvious, but the efforts can not reach, at least report such cases to the district president.

The large number of aid societies within the district have labored faithfully.

Elementary Christian Education

Teachers' institutes were conducted in the different circuits during the past year, and did good work.

The district board, together with the General Board, held a meeting in Minneapolis and discussed extensively the need of ways and means for the advancement of Elementary Christian Education.

The following resolution was passed: "That we make an effort to reach every circuit thru the district boards. That is, the general executive secretary stimulates the district boards to action, who in turn are held responsible, as far as possible, for all circuit boards to arrange for, at least, one institute in every circuit."

It was further decided that the circuit boards be requested to lay before the circuit meeting the problem of arranging for the teachers' institutes in their respective circuits and elect instructors.

The idea is to arouse local interest and leave more responsibility for the enterprise with the circuits.

Women's Federation

Mrs. Flaten has spent considerable time laboring for the extension of "The Women's Missionary Federation." She has visited nearly all the circuits within the district.

Mrs. Flaten has a fortunate way of serving in her capacity. By her modest and sympathetic spirit she has been able to create and foster much interest for the cause which she represents. More than half of the local aid societies belong to the Federation.

Clubs and Societies

Various clubs and societies, some of a purely social nature, are in operation.

In our modern social life it is very important for every Christian, and especially for the pastors, to be careful in their choice of social connections, and not forget to be imitators of Jesus and let their conduct be in conformity with the life of their Master.

Den Norske 100-aars Mindekirke

This congregation is rather unique in our time. Its growing interest and success seem to confirm its claim of a mission in Minneapolis. Rev. Chr. Munson has been installed as permanent pastor for this congregation. A lot for a new church is secured and a contract for building is made.

Circuit Meetings

The regular meetings in the several circuits have been observed, and, as a rule, the attendance has been satisfactory. A good spirit and harmony have prevailed, and the testimonies have been edifying.

Pastoral Conferences

The annual pastoral conference was held last January in Minneapolis. It was a good meeting.

Successful pastoral conferences have also been held in the various circuits during the year.

Consolidation of Congregations

The Lincoln and Liberty Congregations at Rake, Iowa, have united into one congregation, named Zion Luth. Church.

Ordinations

The following candidates were ordained to the holy office of the ministry:

Mr. E. E. Hoff, a graduate from the Seminary, authorized by the president of the Rocky Mountain District.

Mr. B. A. Steverson, on call from the Bethesda Luth. Congregation, Minneapolis, Minn. Mr. Steverson is a graduate from the Augsburg Seminary and honorably dismissed by its president.

The Young People's Work

The Y. P. L. L. are, as a rule, active organizations in the congregations, in the circuits, and in the district.

Earnest efforts are being made to conduct the work in a spiritual way. These organizations are exposed to the general trend of worldliness as much as any other branch of church life and need to carry on their work watching and praying.

Necrology

Rev. O. O. Risvold and Rev. N. E. Boe passed away about at the same time, and Rev. Abel Anderson followed them.

These brethren were of the old faithful type of men, who served a long life thru the pioneer period of our Church. We owe them honor and respect, and thanks to God for the valuable service they were permitted to render in our Church.

Rev. Th. Himle started on his life career as a school teacher in Norway, entered the ministry in America, and, after a few years' service as a pastor, accepted a call to the foreign field and served for many years as a missionary in China. His eventful life, enriched with varied experiences, came to its close at his home at Northfield, Minn.

Glory be to God for the work done thru His faithful servants!

We wish to express our sympathy to the bereaved relatives and friends. May the benign God comfort them all!

We should not forget the observance of "All Saints Day" as an appropriate day to remember those workers in our Church who have passed out of our ranks from year to year.

Mission Work at the State Schools

The State University

The work among the young people belongs to the most important missionary enterprises of our Church.

The work among the students needs our special attention.

The work at the university has received the biggest support from the Mission.

Rev. C. S. Thorpe reports: "The number of students attending church services and other meetings has increased so that the problem of providing room is more of a burning question than ever. The building of the new addition to the church is now under way, the basement being already completed and paid for at a cost of about $20,000.00. The superstructure will be built this summer according to present plans." "We follow our young men to their army camps in time of war. Shall we not follow our young men and women now as they go forth to greater dangers still?" Because of the large number of students attending this church it is hoped that many friends will assist this congregation in the erection of a house of worship that so much concerns the young people of our Church.

The Agricultural School of The University of Minnesota

The work at this school has been conducted under the auspices of Dr. Weswig.

Mr. Rolf A. Syrdal, a student at the Seminary, and Mrs. Sorenson, the wife of one of the Seminary students, have been engaged in the service. These workers have spent considerable time visiting the students in their private rooms at the dormitories.

At given opportunities private conversations of a spiritual nature were held, and urgent invitations to come to church were extended. These invitations were well received and accepted by many, and a marked increase of attendance at the church services was noticeable. Others resented the invitation. Dr. Weswig says that he is well satisfied with the work and urges its support for next year.

The Winona Teachers' College

A number of our public schools are supplied with teachers from this institution.

Pastor Wein has done efficient work there. According to his report, 123 registered as Lutherans, 89 were of Scandinavian descent. Rev. Mr. Wein's congregation has taken commendable interest in the students' spiritual needs, and the students have responded. Twenty-three attended communion services, and up to seventy attended the regular services.

These students are scattered. Some live at dormitories and some with private families. Under these circumstances it is no small work to serve them all.

School of Agriculture at Morris, Minnesota

According to last year's report, the enrollment at this school was 325, about 80% of them being Lutherans. Rev. B. H. J. Habel is our representative at this school.

Rev. Habel is a busy man. Nevertheless, he has been able during this year, too, to give considerable time and attention to the students' spiritual

needs at this state school. He has made personal visits at the institution and has delivered several addresses. The students' attendance at his church services has been good, and he has enjoyed a friendly cooperation with the faculty and students. On the recommendation by the superintendent, the students donated $100.00 to the support of his church.

State Teachers' School, Mankato, Minnesota

Without any financial help from the church, Rev. Edw. Johnson and his congregation have rendered valuable service to the students at the State Teachers' School at Mankato.

There is a large Lutheran club at the school with a membership of 225, about 100 belonging to our Church.

Miss Agnes Larson teaches a Bible class. The Luther League has also worked among the students, and the students' attendance at the church services has been good.

Faribault State Institutions

Rev. Henry O. Bjorlie has continued the good work among the deaf, blind, and epileptic.

Regular services are conducted at the Effata Church for the deaf and blind. A class of 18 deaf and 6 blind were confirmed and several of them were also baptized. 246 attended the Lord's Supper. Saturday Bible classes have averaged about 135 deaf and 35 blind.

Mr. & Mrs. Weslie Lauritsen, teachers at the deaf school, and Mr. Lars M. Larson, are valuable assistants in the work.

We have a very important field with our young people at the various state institutions. With the limited means at their disposal, the members of the mission committee feel that they did what they could.

That more intensive and systematic work is needed is evident, and I hope that the important work with the students and young people will be more appreciated and receive more liberal support in the future.

We owe thanks to the pastors and congregations located near the state institutions for the interest they have taken in the spiritual need of our young men and women at these institutions. We also appreciate the friendly cooperation by the management of these institutions with the representatives of our Church.

Marriage

Marriage is a holy estate and should not be contracted without prayerful consideration and proper consultation. Home misery and divorces are often the consequences of thoughtless and passionate engagements.

In some congregations it has become a frequent practice to leave home and engage pastors in other communities to perform marriage ceremonies. Such practice is by far not commendable and should be discouraged. No place is more appropriate than at home—and in the home congregation—to celebrate the important event of marriage. The home pastor is the most proper person to officiate and to bring to the contracting couple a message from the Word of God at this most important event in human life. Of course, it is evident that the spirit of Christ should be dominating in every wedding celebrated by church people.

In conclusion I wish to thank you all for your hearty cooperation and forbearance and love shown me during the past year.

An honest review of our service over a period will remind us of our shortcomings and faults; but not that alone, we can also see God's wonderful mercy and grace revealed thru His providential care. Let us confess our sins, ask forgiveness, and thank the Lord for all His benefits toward us.

Ominous clouds loom on the horizon, giving signals to the Church to be ready to receive the Lord in His glorious appearing. Be ye also ready, for ye know not at what hour the Lord is coming.

The Lord summons His people to go forward in His cause to advance His Kingdom of grace and peace. Our time is short. Let us not be slack in serving the Lord. Be faithful to the end, and ye shall receive a crown of life!

Your servant in the Lord,

C. J. Eastvold.

P. C. DANIELSON, Secretary.

IV. Iowa Distrikt

1. Formandens indberetning

„I er jordens salt; men naar saltet mister sin kraft, hvad skal det da saltes med? Det duer ikke længere til noget, uten til at kastes ut og trædes ned av menneskene. I er verdens lys; en by som ligger paa et berg, kan ikke skjules; man tænder heller ikke et lys og sætter det under en skjeppe, men i staken, saa skinner det for alle i huset. La saaledes eders lys skinne for menneskene, forat de kan se eders gode gjerninger og prise eders fader i himmelen!" (Matt. 5, 13—16.)

I disse faa ord som Jesus uttalte til sine disciples, har vi et anskuelig billede baade av menneskehetens aandelige tilstand saavelsom en klar og grei fremstilling av kirkens kald og den enkelte kristens opgave i verden.

Den hele faldne menneskeslegt samler omkring paa jorden i et aandelig mørke uten evne og kraft til at søke og finde den vei som fører tilbake til Gud.

„Vor formørkede forstand
kan jo ikke sandhet kjende,
uten din den gode aand
vil sit lys i os optænde.
Godt at tænke, tale, gjøre,
derfil maa din aand os føre."

Midt i denne elendighet var det at Gud i sin forbarmende kjærlighet gav sin søn, den enbaarne, forat hver den som tror paa ham, ikke skal fortapes, men ha evig liv. Og i lydighet mot Faderen og i medhynk med verden, var det at Jesus var villig til at gi avkald paa al den herlighet han eide hjemme hos Faderen før verdens grundvold blev lagt, og steg herned, saa dypt som ingen ved — at han var lydig indtil døden, ja korsets død, da der ikke fandtes noget andet middel i himmelen eller paa jorden hvorved en synder kunde vorde frelst og salig.

Og ved den Helligaand gjennem ordet forklares Kristus for os, slik som han er git os av Gud til retfærdighet, helliggjørelse og forløsning. I sandhet, **store ting har Herren gjort mot os!** Og store ting var det ogsaa Herren kaldte sine disciples til at gjøre. **„Tænk jordens salt og verdens lys!"** Store ting venter Herren ogsaa av os. Det gjør vi vel i stadig at mindes, ellers staar vi i fare for at gaa glip av vor egen frelse og salighet. Israel, Herrens gamle paktesfolk, glemte sit kald, og i ulydighet svigtet sin opgave: at bringe budskap om Gud til alle folkeslag. Straffen for denne deres forsømmelse og utroskap hviler tungt over Israel indtil denne dag.

Men Herren vet jo, og vi bør alle vite det, at vi eier ingen kraft og styrke til at redde os selv, langt mindre komme vore medmennesker til hjælp. „Vor egen magt er intet værd." „Ikke i egen kraft er manden sterk."

Denne erkjendelse maa stadig drive os i bøn til Gud, som ved Jesu blod har oprettet en naadeshusholdning paa jorden — den kristne kirke, og skjænket den de midler — ordet og sakramentene — som alene kan bringe lys og lægedom, kraft og styrke til selv at leve livet med Gud og være til nogen aandelig hjælp og veiledning for andre. **„Uten mig kan I intet gjøre."**

„Salt og lys" — meget betegnende uttryk. Saltet tæres op, idet det utøver sin kraft og virkning. Lyset tændes ved aftentid, og lyser den ganske nat for alle i huset, indtil dagen bryter frem.

Saaledes maa vi — enhver av os — i vort kristenkald være villige til at hengi os helt i den tjeneste som Herren har betrodd os.

Paulus sier: „For mig selv agter jeg ikke mit liv et ord værd naar jeg bare kan fuldende mit løp og den tjeneste som jeg fik av den herre Jesus, at vidne om Guds naades evangelium."

Salt paa jorden og lys i verden er vi kun naar vor bekjendelse staar i fuld samklang med Guds ord, og vort liv og vandel staar i fuld overensstemmelse med vor bekjendelse.

Derfor gjælder det særlig for os som ordets tjeneste at lægge os alvorlig paa hjerte apostelens formaning til de ældste i Efesus: „Gi agt paa dig selv og paa

læren, holdt ved dermed; ti naar du det gjør, da skal du frelse baade dig selv og dem som hører dig."

Men aandskraften kan tapes og lyset slukkes, og det endog saaledes at man ikke er sig det ganske bevisst. Er troeskraften tapt og aandslyset slukket, da kan vi med al vor utdannelse og dygtighet, flid og anstrengelse ingen Gud velbehagelig tjeneste utføre.

„Ikke ved magt og ikke ved kraft, men ved min aand, sier Herren, hærskarenes Gud."

Luther sier: „Salt uten kraft er det som har mistet sine tænder og sin skarphet, saa det ikke mere krydrer og biter. Naar man holder op med at revse folk for deres synder, og viser dem deres elendighet og vanmagt, men lar som om de var fromme, lar deres egen hellighet og selvvalgte gudstjeneste bli saa indgrodd at Guds ords rene lære gaar til grunde, da mistes og fordrives Kristus, saaledes at der ikke længere er hverken raad eller redning."

Arbeidet i menigheten

At der utføres meget arbeide i menigheten, kan ikke negtes. Som regel sparer presten sig ikke. Ved siden av det regulære arbeide: Guds ords forkyndelse, konfirmantundervisning, besøke kvindeforeninger, sykebesøk, delta i ukentlige opbyggelsesmøter og utføre ministerielle forretninger, er der en mangfoldighet av foreninger som ønsker og venter at ha presten med ved alle sine møter.

Det blir ofte vanskelig for presten at finde tid til i stilhet under bøn at forberede sig til sin kaldsgjerning. Der er mange sjælstilstande inden den lokale menighet som presten bør, saa langt det lar sig gjøre, kjende til. Det vil være ham til stor hjælp for at kunne dele Guds ord rettelig. Mange er frøpelige og syke, og en hel hop sover. Og det er ikke bare til forkyndelsen presten trænger forberedelse. Samvittighetsfulde prester forbereder sig under bøn naar de gaar i sykebesøk, naar de møter med nadvergjestene og naar de samles til undervisning med sine konfirmanter.

Kravene til presten blir større efter hvert. Jeg hørte nylig under et diakonsmøte menighetens embedsmænd henvende sig til presten med venlig anmodning om at forberede sine prækener. Herren hjælpe os til at dele Guds ords sandheter slik at vore tilhørere med David kunde si: „Han lar mig ligge i grønne enge, han leder mig til hvilens vande. Han vederkvæger min sjæl, han fører mig paa retfærdighets stier for sit navns skyld." **„Du dækker bord for mig."**

Kirkesøkning

Trods det at de aller fleste menigheter i Iowa distrikt har pene, rene og rummelige kirker, god kirkemusik, vel indøvde sangkor og vakkert utført ritual, er ikke kirkesøkningen paa flere steder hvad den burde være. Ved forskjellige leiligheter, naar noget specielt og festlig skal finde sted, da kan store forsamlinger opdrives; men ellers klages der paa mange steder over mindre god kirkesøkning. Er det beklagelig at mange vil ikke engang gi Gud anledning til at virke paa hjerte og samvittighet ved sit ord og aand, saa er det ikke mindre beklagelig at saa mange av dem som **hører** ordet, lar djævelen ta ordet bort fra deres hjerte for at de ikke skal tro og bli frelst. „Midt iblandt eder staar den I ikke kjender."

Altergang

Søkningen hen til Herrens nadverbord er høist forskjellig. Paa en del steder inden distriktet er der rigtig mange som nyter nadveren. Paa andre steder yderst faa. Under en visitas som nylig blev holdt, uttalte presten: **„Ungdommen her gaar som regel ikke til alters."** Sørgelig! Hvor bærer det hen med os og vor kirke? Maatte Gud i naade forbarme sig over os og sende vederkvægelsens tider fra Herrens aasyn, saa ret mange maatte komme til sand erkjendelse av sin synd og nød, og vække trang til bøn og en ret bruk av Guds ord og den hellige nadver!

Barneundervisningen

Jeg har i hver indberetning til distriktet søkt efter evne at fremholde nødvendigheten og velsignelsen av en kristelig barneundervisning. Skal ikke iaar gjenta

hvad jeg tidligere har uttalt i denne sak. Ikke fordi jeg har forandret mening. Nei langt derfra. Men der er fare for at snakke en stor og god sak ihjel.

Der er blot en tanke i forbindelse med **søndagsskolearbeidet** jeg i korthet ønsker at berøre:

Jeg lægger merke til naar jeg besøker søndagsskolene at der er noksaa mange ganske unge lærere og lærerinder. Ældre mænd og kvinder, som tidligere har tat del i undervisningen, kan paa grund av sproget ikke godt gjøre tjeneste, da væsentlig al undervisning utføres i det engelske sprog. Flere som nu gjør tjeneste som lærere i søndagsskolen, især i byene, har tidligere været medlemmer av reformerte kirkesamfund eller aldrig tilhørt nogen menighet. En del av disse lærere har maaske selv liten kjendskap til den lutherske kirkes tro, lære og bekjendelse. Det vilde derfor være saare gavnlig om presten saa sig istand til at holde lærermøte en aften hver uke, om mulig.

Og saa maa endelig den undervisning som Board of Elementary Christian Education har faat i stand, benyttes flittig av søndagsskolelærere. Det vil bli til stor hjælp i søndagsskolearbeidet. Hverdagsskole bør holdes inden hver menighet hvor det paa nogen mulig maate lar sig gjøre.

At bibringe barnene kristendomskundskap, maa være en av menighetens første og største hovedopgaver. Forsømmer vi vor kristenpligt her, saa vil der vokse op en gudløs slegt midt inde i kristenheten. Skal den lutherske kirke og sand levende kristendom opholdes og bevares, maa kristendommens sandheter indprentes i barnehjertet.

„Hvorledes skal den unge **bevare sin sti ren? Ved at holde sig efter dit ord.**" Men naar den unge ikke har lært at kjende Guds ord, da kan han selvfølgelig ikke holde sig efter det.

„Undervis den unge om den vei han skal vandre. Ogsaa naar han blir gammel, skal han ikke vike fra den." Velsignet løfte!

Ungdomsarbeidet

Ungdommen er menighetens fremtidshaab. Alt mulig hensyn maa tages for at anlægge menighetsarbeidet slik at den vinder ungdommens agtelse, tillid og deltagelse. Sproget stiller vanskelighet paa sine steder. De ældre foretrækker selvfølgelig sit kjære morsmaal. De yngre foretrækker det engelske. Her maa baade gamle og unge utvise imøtekommenhet og hensynsfuldhet. Det gjør de aller fleste prester og menigheter i Iowa distrikt, og der synes ikke at være nogen uoverbindelig vanskelighet i saa henseende.

Utbyttet av ungdomsarbeidet beror paa ledelsen. Faar Guds ord den fremskutte plads i ungdomsmøtene og ledes disse i en kristelig aand og tone, saa vil arbeidet være til velsignelse baade for ungdommen og menigheten. Men faar den sociale side for meget raaderum og herredømme i ungdomsmøtene, da er hele virksomheten av tvilsom værdi.

Presten bør saa meget som mulig være tilstede og ta del i ungdomsmøtene; er han hindret fra at være tilstede, bør han sørge for at en vel skikket person forestaar ledelsen av møtene.

Høiere læreanstalter

Da bestyreren for hver av samfundets høiere skoler vil gjennem skoledirektionen indberette til fællesmøtet, er det overflødig her at nævne noget om den virksomhet som drives ved samfundets colleges. Dog vil jeg ogsaa iaar faa minde om at vi har tre saadanne anstalter inden vort eget distrikt: Luther College, Decorah, Iowa, Waldorf College, Forest City, Iowa, og Clifton College, Clifton, Texas. Og naar jeg gjør det, da er det i den hensigt og med det haab at distriktets menigheter maatte indse nødvendigheten av at støtte og opholde disse vore colleges, og fremfor alt gjøre bruk av samfundets egne skoler for om mulig at bevare vore skolesøkende unge mænd og kvinder fra at rives med av den gudløse undervisning som doceres ved statsskolene.

Barnehjem

Hr. T. T. Thompson har resignert som bestyrer for Beloit barnehjem, Beloit, Iowa. Thompson og hustru har i mange aar med faderlig og moderlig omsorg trolig pleiet den store barneflok ved hjemmet. Distriktet og samfundet skylder hr.

Thompson og hustru hjertelig tak for den selvopofrende tjeneste de har ydet Beloit barnehjem.

Pastor Torger Thompson, Fairview, S. Dak., er kaldt til bestyrer, og har antat kaldet. Maa Guds velsignelse i rikt maal fremdeles hvile over hjemmet og dets bestyrer!

La os ikke glemme Beloit barnehjem i vor forbøn og med vore gaver.

Alderdomshjem

Vore gamle ved alderdomshjemmet ved Decorah og Story City har det godt. Glade og taknemmelige er de ogsaa for at der er sørget for, at de kan faa tilbringe sit livs aften i et saa hyggelig hjem, hvor de daglig nyter baade aandelig og legemlig pleie. Pastor Otto Schmidt er bestyrer for Aase Haugens alderdomshjem ved Decorah, og hr. A. C. Molstre er bestyrer for gamlehjemmet i Story City. La os heller ikke glemme disse vore alderdomshjem i vor forbøn og med vore gaver.

Lægmandsvirksomhet

Inden ret mange menigheter i Iowa distrikt samles menighetsfolk til opbyggelse ogsaa en hverdagsaften i uken. Ved disse møter er lægfolket flittige til at ta del med bøn, skriftlæsning og vidnesbyrd. Da der ogsaa iaar paa flere steder har været noksaa gripende aandelig vækkelse, er der blit større søkning og deltagelse i disse ukentlige opbyggelsesmøter, til stor glæde og opmuntring ogsaa for de ældre troende.

Lægmandsforeningene har ogsaa virket flittig. De har holdt rigtig mange møter i de menigheter hvorfra der er indløpet indbydelse. Og virksomheten har været til velsignelse for mange. Prest og menighet bør opmuntre og tilskynde bekjendelsestro lægmænd til at delta i menighetens opbyggelsesarbeide.

Evangelistarbeidet

Siden pastor Johan Olsen, distriktets evangelist, blev løst fra sin stilling som sjømandspræst i Galveston, Texas, og flyttet til Des Moines, Iowa, har han ofret sig helt for evangelistvirksomheten i Iowa distrikt. Siden menighetene kom til kundskap om at pastor Olsen var løst fra sin stilling i Galveston og ofret sig helt for sit egentlige kald, er der blit et ganske andet krav paa hans virksomhet som evangelist.

Der er vist indløpet langt flere indbydelser end han med sin bedste vilje har set sig istand til at efterkomme.

Maa Herren styrke han baade til sjæl og legeme i hans anstrengende og velsignelsesrike virke!

Men nu maa ingen slaa sig til ro og tænke: Nogen aandelig opvækkelse og omvendelse kan vi ikke vente os før vi faar besøk av evangelisten. Det vilde være en uderst daarlig og forkastelig tanke. Det er ikke evangelisten, presten eller lægmanden som frelser folk. Nei, det er det Guds ord som stadig forkyndes i vore kirker og under bøn betragtes i vore hjem. Evangelisten kommer bare for at hjælpe til med det arbeide som enhver tro Herrens tjener og oprigtig lægmand stræver med. Arbeidet blir ofte tungt, og derfor er hjælpen saa saare kjærkommen.

Dødsfald

Pastor J. N. **Sandven** døde den 20de november 1925. Rækkene tyndes. Pastor Sandven hadde været syk av og til de sidste aar, men holdt ihærdig ut i tjenesten like til Herren kaldte sin tro og trætte tjener hjem.

Sand-ven var hans navn. Det passet godt. Han var en Jesu Kristi sand ven, saavelsom synderes og tolderes sande ven. Guds barn var han glad i, og elsket dem av sit hele hjerte.

Herren forundte pastor Sandven en lang arbeidsdag, 37 aar i prestetjenesten.

Pastor Sandven læste meget og bad flittig. Sine prækener forberedte han vel og grundig. Der var vei i pastor Sandvens forkyndelse.

Vi føler savnet og tapet, men bøier os i ydmyghet for Gud og takker for hvad pastor Sandven ved Guds naade fik være for sin familie, sin menighet, for vort distrikt, vort samfund og for missionen. La pastor Sandvens liv og virke opmuntre og tilskynde os til at forbli tro i tjenesten indtil arbeidsdagen er endt, saa skal ogsaa vi i sandhet kunne si det samme som han uttalte netop som han var ifærd med at kaste anker i fredens lune havn: **„Det bedste er gjemt til slut."**

Vor virksomhet som prester er noksaa meget iøienfaldende; men Herren har mange tjenere og tjenerinder som virker trolig i det stille og i det skjulte. En slik Herrens tjenerinde var **Mrs. Christine Fretheim,** Scarville, Iowa, som Herren kaldte hjem til den evige sabbatshvile fredag den 5te mars 1926.

Som ung hustru gik hun med sin mand, pastor S. J. Fretheim, ut paa en ganske ny indremissionsmark i Montana. Her delte hun trolig med sin mand i mange aar nybyggerlivets tarvelige kaar.

Efter at familien flyttet til Iowa, var de ydre forhold gunstigere og de timelige kaar meget bedre.

Beretningen om hendes bortgang var bemodig og overraskende; ti hun gav indtryk av at være saa sterk og rask. Hun døde i Albert Lea, Minnesota, i fuld forvissning om at faa gaa hjem og møte sin kjære frelser, som hun altid hadde været glad ved at faa tjene.

Vil ogsaa faa nævne tre personer utenom vort distrikt som Herren iaar har kaldt hjem, nemlig pastor N. E. Bøe, missionær Daniel Nelson og formand J. D. Ylvisaker.

Pastor Bøe døde i Minneapolis den 7de august og blev den 11te stedt til hvile paa Silver Lake menighets kirkegaard, Silver Lake, Iowa. Pastor Bøe hadde betjent denne menighet fra 1889 til 1909. Og nu hadde menigheten ordnet det slik

at deres kjære prest skulde stedes til hvile netop paa den plet hvor hans prækestol hadde staat de 20 aar han trolig betjente menigheten. Silver Lake menighet har nemlig flyttet sin kirke siden den tid pastor Bøe betjente.

Pastor Bøe var en samvittighetsfuld sjælesørger, en karakterfast mand med mod og kraft til at fremholde sin overbevisning om hvad han ansaa for at være sandt og ret. Han begyndte sin prestetjeneste paa en aldeles ny indremissionsmark i Kansas, hvor han tildels manglet det aller nødvendighet til ophold for sig og sine kjære.

Efter at ha staat i prestegjerningen i 45 aar, nedla han sit embede og tilbragte de sidste 9 aar i St. Anthony Park, St. Paul, nær samfundets seminar. Kirken hadde han kjær. Dens interesse laa ham varmt paa hjerte like til det sidste. Han glædet sig i det salige haab og den fulde forvissning at faa flytte over fra den stridende kirke her i verden til den triumferende kirke hjemme hos Gud i himmelen, hvor han nu efter et langt og tro virke nyter den sabbatshvile som er tilbake for Guds folk.

Missionær Daniel Nelson var en Iowa-mand. Han var medlem og diakon av Eagle Grove menighet, Eagle Grove, Iowa, som jeg den gang betjente. Missionskaldet — det indre kald — kom saa sterkt til ham at han maatte avsted. Han solgte sin farm og alt han eide og paa egen regning opholdt sig ved skolen en tid, og drog saa i 1890 med sin familie til Kina, uten at være kaldt og lønnet av noget kirkesamfund. De norsk lutherske kirkesamfund i Amerika var nemlig ikke færdige til at sende ut nogen missionær. Men Nelson kunde simpelthen ikke vente. Som sjømand var han blit noget kjendt med forholdene i Kina, og han brændte av længsel efter at faa bringe evangeliet til kineserne.

Gud har vedkjendt sig missionær Nelsons virksomhet og storlig velsignet den. Pastor Nelson var en bønnens mand, en bekjendelsestro lutheraner og en flittig og samvittighetsfuld missionær.

Han døde den 9de februar under den paagaaende borgerkrig i Kina. Han blev rammet av en streikkule i sit eget hjem aftenen den 8de februar, og døde tidlig fredag morgen den 9de.

Formand J. D. Ylvisakers bortgang kom pludselig og uventet. Han var jo i sin fulde arbeidskraft. Ylvisaker døde i Minot, N. Dak., den 5te mars. Han var en elskværdig og hyggelig person, grundærlig, hensynsfuld og dygtig var han. Det hadde vi ofte anledning til at iagtta, særlig under vort fælles virke de 8 aar vi stod sammen som medlemmer av samfundets kirkeraad.

Ogsaa formand Ylvisaker fik sætte ind en lang dag i Herrens vingaard, selv om han ved sin bortgang kun var 58 aar. Han var blot 23 aar gammel da han blev ordinert til det hellige presteembede, altsaa 35 aar i prestetjenesten.

Han var en varm foreningsven, og som medlem av foreningskomiteen gjorde han visselig sit til at det blev mulig — paa Guds ords grund — for de tre kirkesamfund at slutte sig sammen og danne Den Norsk Lutherske Kirke i Amerika. Som formand vil vist N. Dak. distrikt gi ham det vidnesbyrd at han var venlig og hensynsfuld, dygtig og tro i sin tjeneste. Det var trist ved sidst avholdte kirkeraadsmøte ikke at se formand Ylvisaker i vor midte. Vi følte alle savnet, men vi forsøkte at takke Gud for hvad han hadde været for kirkeraadet og for Den Norsk Lutherske Kirke i Amerika. Maatte hans pludselige bortgang være os alle til et minde om hvor nødvendig det er at staa færdig til flytningsdagen.

Distriktmøtet vil sørge for at en kondolenseskrivelse blir sendt til alle disse her nævnte personers kjære efterlatte.

Valg

Følgende valg foretages ved dette møte:
Ett medlem av Board of Elementary Christian Education. Suppleant.
Ett medlem av samfundskomite nr. 6. Suppleant.
To medlemmer av indremissionskomiteen. Suppleanter.
Finanssekretær. Suppeant.

Slutningsbemerkninger

Angaaende mit personlige virke skal jeg ikke sia mange ord. Det er ved denne tid noksaa vel kjendt inden distriktet.

Foruten en ukes tid har det været mig forundt at faa være frisk og rask gjennem hele aaret.

Det som jeg sætter mest pris paa og som jeg beskjæftiger mig mest med, er at præke Guds ord, hvortil jeg har rik anledning baade paa søndag og hverdage. Beklager kun at det ikke paa langt nær har været mig mulig at efterkomme alle anmodninger. At der er flere ting som kræver litt tilsyn i distriktet, sier sig selv; men sjelden besøker jeg nogen menighet i forretnings medfør uten at der gives mig anledning til at præke baade en og flere ganger for fuldt hus.

Der har iaar været noksaa mange forviklinger. Det har endog gaat saa vidt i en menighet at ca. ⅔ av menigheten har søkt og faat betjening fra The United Lutheran Church. Men ved henvendelse til distriktformanden for nævnte kirkesamfund og gjentagne møter med menigheten, er dette misforhold utjevnet, og 114 konfirmerte medlemmer sluttet sig atter til menigheten.

Litt opmuntring til deltagelse i samfundets mange gjøremaal er ogsaa paakrævd inden enkelte menigheter.

Mellem prest og menighet er der — paa faa undtagelser nær — et godt forhold. Og inden presteskapet er der god forstaaelse, langt bedre end man under tidligere kirkelig opdragelse kunde vente. Vi ser faren som truer, særlig det voldsomme angrep paa Kristus og bibelen. Vi søker ved kredsmøter, pastoralmøter og andre leiligheter at opmuntre hverandre til at inta en fast, avgjort og urokkelig holdning paa Guds ords og den lutherske bekjendelses grund. Det har altid været paakrævd, og visselig ikke mindst i vor tid.

Det er særlig en ting jeg ønsker at nævne. Kjære embedsbroder! hold mig det til gode. Det kunde saa let være min sidste anledning ved en leilighet som denne at si det.

Der er stor tilbøielighet ogsaa i vor tid til at ville opvise store resultater paa alle omraader, ogsaa naar det gjælder ydre vekst og tilslutning til menigheten. Vær yderst varsom naar det gjælder optagelse av medlemmer i menigheten som tidligere har tilhørt reformerte kirkesamfund eller staar som medlemmer av hemmelige selskaper. Sæt som betingelse for optagelse av saadanne som tidligere har tilhørt reformerte kirkesamfund, og for saadanne som aldrig har været medlemmer av en lutherst menighet, at de maa motta undervisning i Luthers lille katekismus. Og først naar de har tilegnet sig forstaaelse av den frelsesvei som der er fremholdt, bør de anbefales til optagelse. Kjære brødre! ta det alvorlig paa dette omraade, ellers faar vi babel inden vor lutherske kirke.

Og med hensyn til medlemmer av hemmelige selskaper, baade de som maatte være medlemmer av menigheten og de som maatte begjære at bli medlemmer. Bed Gud om naade og visdom til i kjærlighet at faa veilede saadanne sjæle i Guds ord — helst i det private — at paavise at kirken alene bygger paa den grund som staar, mens alt andet falder sammen. Og faldet blir stort (Matt. 7, 24—27).

Vi staar i et frygtelig ansvar like overfor vore venner som paa en eller anden maate er blit indviklet i forbindelser som lægger særlig hindring iveien for deres sande og rette gudsforhold. Det er vor hellige pligt som kirkens tjenere her at yde al den tjeneste, veiledning og hjælp som staar i vor magt.

Saa til slut blot dette: Gid vi som prester, menigheter, distrikt og samfund maatte være os vort hellige kald fuldt bevisst og befindes tro i tjenesten! Og i alt vort virke særlig ha to ting for øie: Guds ære og sjæles frelse.

„La saaledes eders lys skinne for menneskene, at de maa se eders gode gjerninger, og prise eder fader i himmelen."

Eders i Herren altid meget forbundne,

H. C. Holm.

V. SOUTH DAKOTA DISTRICT

1) President's Report

Dear Brethren in Christ: Grace to you and peace!

"Beloved, while I was giving all diligence to write unto you of our common salvation, I was constrained to write unto you, exhorting you to contend earnesly for the faith which was once for all delivered unto the saints." Jude 3.

The Warfare, seeking to overthrow the church of God, is still on. While Christianity has become a power in the world, she is still subjected to the same insidious as well as open attacks as in former ages. The pathway of the saints has been marked by crimson foot-prints, betokening a conflict, wherein victory was purchased with the price of blood.

The battle fronts change, the mode of attack varies, but the spirit of hostility to godliness remains unchanged. In our day the sword has largely yielded to the spoken and the written word of derision and contempt, and the pitting of Science, falsely so-called, against Revealed Religion. Moreover, wordliness and treachery within the fold of the Church has weakened its power of resistance. Truly the words of Jude are timely. They are the words of a master general in the hour of defeat and retreat. Satan and his host are not defeated. Rather do they hold the places of advantage in church and state. The secular press is voicing Modernism and is sending its message daily into most of the American homes. Catholicism has for centuries been a foe to Evangelical Christianity, while some of the largest denominations of Reformed Protestantism are ripped wide open in this spiritual conflict, bishops, professors and pastors espousing damnable heresies. Rationalism, too, of various degrees, within and without the pale of the Church has largely manipulated our nation's educational system. On the basis of the universally accepted principle of the separation of church and State, Christian teaching is prohibited in tax-supported institutions, from the grade school to the post-graduate university. But in the same schools Rationalism stalks abroad, substituting Evolution for Creation, Animalism for Spirituality, the logical result and the real motive being to eliminate from the student mind the reality of the true God—humanity's only hope.

In this country the Lutheran Church has been the stanch defender of the Faith. We have pointed with no little pride to the fact that our defenses were holding. May it never be otherwise! The Lord is looking to us for leadership in the conflict that is shaking other communions to the very foundations. There are, however, signs that the enemy is testing our defenses, too, and that a few of the Lutheran leaders are extending the "olive branch" to the opposition. How far this spirit of Modernism has taken possession of our laity—especially our youth—is not easily discernible. It would be passing strange, if the influence to which they are subjected in their secular and educational contacts, does not even among us make this problem acute. May we be ready for the conflict, it it comes; may the men whon the Lord has ordained to be "Watchmen unto the house of Israel" know the enemy and his mode of attack, and not "cry, peace, peace, when there is no peace." We must be ready neither to expect any concessions from the enemy nor to give any. Paul's language was not a flowery figure of speech, when he spoke and wrote of the spiritual warfare. While he did make use of such figures, he made them imply terrible realities, as evidenced by his bearing the marks of the Lord Jesus in his body. May we, the successors of the early witnesses, not merely talk of a militant church, but by the grace of God, and in His love and zeal, be ready to contend for the Faith whenever and wherever the Lord calls to action.

Owing to the prolonged illness of our District President, necessitating his being largely out of touch with the affairs of the District for the greater part of

the year, he has requested the vice president to write this report. As a consequence, it is inevitable that it will be incomplete and fragmentary. Moreover, some of the curcuit presidents have failed to report.

From the writer's knowledge as well as reports received there is evidence of conscientious work being done both by pastors and laity. The word of God is bearing fruit in the instruction of the youth, the winning back of straying souls, and the edification of God's people.

Death has laid his hand on some of our beloved co-laborers also this year. Prof. Kalmer J. Jacobson of the department of History at Augustana College, after a brief illness, passed away the latter part of November, while yet in the prime of life. Rev. P. O. Langseth passed away in December. He was buried at Hazard, Neb. We are grateful to the Lord for their labor of love.

Rev. J. J. Ekse has chosen to retire from active service, after having served his present charge near Hendricks, Minn., for nearly thirty years. Though not continuing in thesettled pastorate, may he continue to bear witness for the Lord for many years to come.

During the year the following workers have left our District and taken up work elsewhere. Rev. Eugene Aal from Campbell, Neb.; Rev. Christian Munson from Arlington, S. D.; Rev. H. E. Rasmussen from Canton, S. D.; Prof. J. N. Brown from Canton Lutheran Normal. May the Lord bless and cause them to prosper in their new field of labor!

The following pastors have moved into our District during the year: Rev. Edward Nervig, who succeeded Rev. Rasmussen at Canton; Rev. E. S. Espelien, who succeeded Rev. Ekse at Hendricks, Minn.; Rev. E. L. Bentsen, who accepted the charge at Wynot, Neb.

Within the District Rev. J. M. Runestad has moved from Longmont, Colo., to succeed Rev. O. H. Brodland, and Rev. T. A. Tollevs of Vermilion, S. D., has accepted a professorship at Augustana College.

Installations: Rev. J. M. Runestad was installed at Menno, S. D., by Dr. Iverson; Rev. E. L. Bentsen at Wynot, Neb., by Dr. Solberg; Rev. J. O. Paulsrud in Pleasant Valley Lutheran Church near Wakonda, S. D., by his father, Rev. G. O. Paulsrud; Rev. J. O. Gjøevaag at Crocker, S. D., by Dr. Bruce; Rev. O. L. Stensby at Kidder, S. D., by Rev. N. Carlson; Rev. E. E. Espelien at Hendricks, Minn., by Rev. J. J. Ekse.

The following churches have been dedicated during the year:

Bethlehem Church of Aberdeen, S. D., Rev. A. E. Moe's charge, by the vice president; Saron church of Sisseton, S. D., Rev. O. A. Hofstad's charge, by Rev. G. H. Nerison; Our Savior's Church of Denver, Colo., Rev. A. J. Tolo's charge, by Rev. T. O. Tolo; Immanuel's Church of Van Metre, S. D., Rev. O. H. Olson's charge, by Rev. R. O. Aaga; Scandia Church of Centerville, S. D., Rev. J. O. Gisselquist's charge, by the vice president; Bethlehem Church of Pierpont, S. D., Rev. N. Carlson's charge.

The Pastoral Conference has met twice during the year. The first meeting under date of July 14-17, was held at Augustana College, Sioux Falls, S. D. Of special interest was the presence of Bishop Lunde of Oslo, Norway, and Dr. Adolph Hult of the Swedish Augustana Seminary of Rock Island, Ill. Their messages were highly appreciated and will long be remembered. The second meeting was held at Beresford, S. D., March 2-5, this year. A goodly number of pastors were in attendance, and the program was of high merit.

It is worthy of mention and sincere appreciation that the congregations responded so nobly to the call of the general church activities during the year. Our District contributed more than its allotted share of the general budget. No little credit for the accomplishment of the goal should be accorded to Rev. A. J. Bergsaker, our Financial Secretary, who by his Christian tact is able to win the co-operation of both pastors and congregations. May the good work go on, and may uor people learn that it is more blessed to give than to receive.

As we meet at our District meeting this year, we have reason to believe that the one perplexing and vexatious problem of our schools has met with a mutually satisfactory solution. The Board of Directors created by the corporation formed at the special District meeting at Madison, S. D., last September is already functioning, and the legal transfer of the school properties has been made. The Endowment Drive, made necessary by the ruling of the North Central Association of Colleges and Secondary Schools and authorized by our General Convention last year, is still in progress, with reason to believe that the goal of half a million dollars will be reached thru the summer and early fall. With an adequate endowment secured, and a fair share of the receipts for education within our District reverting to our school, we have reason to hope for a bright future for our institution.

With gratitude to God do we note that, besides the regular teaching of the Word of God in the classes, efforts are being made both at Sioux Falls and Canton to have special Evangelistic meetings by men specially gifted and directly called to do such work. With a large number of students in the formative period of their young lives, it is extremely significant that the Word is bearing fruit in definite surrender to the Lord and the giving of their lives to serve the Lord with gladness in any vocation of life. Only from young people who have presented themselves "a living sacrifice, holy acceptable unto God," can the Church in the future as in the past hope to secure its needed supply of consecrated workers. And what is necessary in our schools is equally imperative in our individual congregations. With sadness of heart does every true shepherd of souls note that a considerable number of his flock are lovers of self, lovers of mammon, and lovers of pleasure instead of lovers of God. May we pray for the coming of the Kingdom of God, not merely as regards the increase in membership in our congregations, but that men may call upon the name of the Lord with all sincerity, and avail ourselves of every God-given means looking towards this end.

The Women's Missionary Federation, The Young People's Luther League, The South Dakota District Committee for Elementary Christian Education, each in its sphere, are doing a laudable work. May they not become weary in well-doing, for they shall reap in due time, if they faint not.

It is of utmost significance that the work of Christian education is carried on with zeal and persistence in every congregation. Wherever possible the week-day hour allowed by the State should be utilized. However, if a slight modification of the law could be secured, it would be a decided improvement. An additional half hour would be ample, ollowing the time to be cumulative. Thus in the country districts, it would be possible to gather the children in the church or other central place every alternate week for holf a day, or for one teacher to care for the whole group, in districts where all the children of one faith, and the use of the school house can be secured for Christian teaching. Pastors, too, can avail themselves of the privilege to conduct Bible classes for High School students. This is a wonderful follow-up privilege, whereby a pastor can be in direct spiritual contact with his young people during the entire period of their High School years. It is a fruitful field of labor, and it is reasonable to believe that many young people in this manner will choose our own colleges for higher education, rather than to go to a secular institution.

It is highly important that Circuit meetings are held as often as possible in the various charges. Two of the Circuits, Brookings and Sioux Falls, are really too large to make this possible. A division of two Circuits could very easily be made, each new Circuit to comprise approximately ten charges. The present Brookings Curcuit could be divided as follows: Brookings Circuit to comprise the charges of the pastors Benson, Mannes, O. F. Johnson, Sunde, Disrud, Daehlen, Shefveland, Eid, Jordahl, and the proposed Willow Lakes call; Watertown Circuit to comprise the charges of the pastors Okdale, Llvilden, Ljosveit, Vold, J. L. Johnson, Arneson, Espelien, Vaaler, Distad, Løvseth,

Thorson. The present Sioux Falls Circuit could be divided as follows: Sioux Falls Circuit to comprise the charges of the pastors Glenn, Nervig, Rothnem, Mason, T. A. Johnson, Solem, Solum, Evenson, Berg, and Findahl; Madison Circuit to comprise the charge of the pastors Sybilrud, C. A. Austin, O. G. Austin, Billie Brudvig, Steensland, Bjørnson, Erland and L. J. Odland.

May the Lord bless our meeting and deliberations to the glory of His name.

Yours in the service of the Master,

—A. M. MANNES.

On account of the limited time of our disposal for organization after the transfer, it was impossible to get enough workers to cover the entire field by June 1st as planned.

Therefore the Board of Directors recommend to the Augustana College Association that the drive be continued until every congregation and friend of Augustana College Association and Christian Education have had a chance to do their part in helping and participating in developing and upbuilding of an Institution that will be a credit to our church and in due time become recognized as one of the leading educational institutions of the Northwest.

THE FIRST EXTRAORDINARY CONVENTION OF THE SOUTH DAKOTA DISTRICT OF THE NORWEGIAN LUTHERAN CHURCH OF AMERICA AT MADISON, S. DAK., SEPT. 23-24, 1925

1) President's Report

Dear Brethren and members of the South Dakota District. Grace to you and peace!

Let nothing be done thru strife or vain glory; but in lowliness of mind let each esteem others better than themselves. Look not every man on his own things, but every man also on the things of others. Phil. 2:3-4. Love . . . . seeketh not her own. 1 Cor. 13:4.

This special district meeting has been called to settle, if possible, once and for all the very difficult school situation obtaining in our Church and district since the time of the Union in 1917. May we approach it in the spirit laid down by the Apostle Paul, when he sets forth the principles on the basis of which all matters in dispute should be settled. We have no choice in the matter; we must either forget self and look to the greatest good for the greatest number or incur merited rebuke from our Lord and grieve the Holy Spirit and suffer loss in every department of our Church work. United we stand; divided we fall.

It is common knowledge to us all that in line with all departments of our Synodical work the Educational Department had to suffer a marked retrenchment in its program of work. As might be expected this vitally affected the Synod's attitude to our schools in the South Dakota district. A recommendation of transfer was made by the Board of Education and adopted by the Church in June 1925, authorizing the transfer of Augustana College & Normal School and Canton Lutheran Normal to such a corporation as the South Dakota district may be willing to organize. An annual appropriation of $15,000.00 shall be granted, the sum to be the same whether there be one or two schools. In addition to this, the South Dakota Corporation (shall) receive 50 percent of the money gathered for education with South Dakota District, this to apply for one year.

The Board of Education has set Jan. 1, 1926 as the time when the South Dakota District shall be responsible for the new order. It must be evident ever to the casual observer that this makes it impossible for the schools to complete their present year's program. Their faculties and plan of work have been authorized by the Board on the basis of a $53,000.00 budget and now they are to complete this program on a $27,000.00 or $28,000.00 budget, the most that we have reason to expect according to the new arrangement of $15,000.00 plus 50 percent. This condition of affairs made necessary the calling of this special district meeting at approximately this time.

If we take over the schools at all, it would seen that the Church thru its Board of Education will have to devise ways and means for this school year; for the teaching force is elected for the year, not for four months. Should we adopt the "Home Rule" policy as comtemplated, then we have already pledged ourselves to work out "a fair and reasonable settlement of the school question in the District." Accordingly, we must seek to eliminate the unfriendly competition and unnecessary duplications that have obtained heretofore. However, our program must come within the bounds of what we can reasonably expect according to the new budget, which would be $26,649.00 on the basis of the average for the last six years; or $28,736.00, the average for the three best years. If we can run two schools or school plants under one name for approximately $30,000—well; but if not, let us as brethren map out our educational program accordingly. The present program was too heavy for the Synod at large; can we carry it alone when formerly we have received approximately $20,000 above what our district has contributed for education? The program as

recommended at Sioux Falls May 12, 1925 and as passed in St. Paul June 11, 1925, requires a minimum of 40,000 a year. To secure this we must raise $50,000 thru the regular channel for Education (the $15,00 and 50 per cent). Before we incorporate and take over the schools, we must see our way clear to finance the undertaking. Fond hopes have led to disaster more than once; we are no exception.

In arriving at an equitable and permanent school program, we must not forget that these properties now belong to the Church and not to one or other community; and that we are contemplating their transfer to the District to be owned and operated by and for the District. Agreements entered into must be redeemed, so far as possible; but they cannot force the Church or District to do the impossible, in the face of the changed educational conditions as regards Academies and Colleges or the present financial stringency.

Let us, furthermore, note that we are under no mandate to form such corporation. The resolution states the matter thus: "Resolved, that Augustana College and Normal School and the Canton Normal School be transferred to such corporation as the South Dakota District may be will to organize." This opens an opportunity for our district to secure ownership and control but does not obligate us to do so. Nevertheless, it is reasonably certain that if we do not at this time arrange for, or take the initial steps towards, the proposed transfer, the Church at its next General Convention in 1926 may bring our school program of the District back to the status that obtained before the General Convention in 1920,—one consolidated school for Junior College rank. This would be a distict calamity.

Our problem is a serious one and is being aggravated by needless publicity, where charges and counter charges are freely and unscrupulously made. We are face to face with a condition and not a mere theory. Our schools have had a checkered history. They were founded and located in such close proximity when unfriendly competition between Synods was keen and common. This duplication was part of our inheritance when the Union was consummated. Our solution of the problem in 1918 at Fargo, N. Dak., didn't satisfy, neither did our decision at Sioux Falls in 1919 improve matters. But now we are at the end of the road; some solution, without working injustice to any of the parties concerned, which at the same time will remove the present duplication and unfriendly rivalry, must be sought. The "Solem plan" adopted at St. Paul is a laudable effort in the right direction but it needs modification; it may be the point of wisdom to give the Academy its own resident executive, but under the same Board of Directors, who are to work out and put into operation the contemplated adjustment and seek to eliminate all needless duplication. Its main diffculty, however, lies in the $15,000 plus 50 per cent provision. The Church has established these schools. It cannot maintain them any longer without crippling its two leading colleges, but offers to do a $50,000 job for $30,00 — an impossible undertaking. The Solem plan, as stated already, requires a minimum of $40,000. But to secure this a $50,000 budget must be voted, or else two budgets must be voted; one approximating the average receipts for Education within the District during the last five years, and the other whatever additional may be required, which would seem to be an evasion of the intention of the 50 percent provision.

There is, however, another possible solution of the matter,—more self-government for the districts in matters that are largely of local interest. If the South Dakota District would be granted direct control of its Home Mission and its institutions of Charity (The Bethesda Homes at Beresford and the Lutheran House of Mercy and Home Finding work at Sioux Falls,) and our educational institutions within the District then the total average receipts, when the educational program according to the so-called Solem plan is adjusted to a $40,000 budget, would very closely balance the total budget for the three de-

partments. During a period of three years including 1924, the total receipts were $228,256, and the total appropriations would have been $237.026. Had the budget for education been $40,000, a difference of $6,770 or an annual sum of only $2,256 less than the budget. But the receipts for 1925 exceeded such a budget by $12,165. It is, therefore, evident that such a program would work no hardship on the District nor do any injustice to the Church at large, since our District would take care of its legitimate part of the total budget for these three departments

One other difficulty looms large in the solution of our educational problem. A college worthy of the name seeks to measure up to the recognized educational standards as set forth in the requirements for accreditation by the North Central Association of Colleges and Secondary Schools. To receive proper recognition by this Association, Augustana College must have an increased endowment fund by January 1, 1927. In the annual report our Church for 1922 (Eg. Ed. page 152) the following resolution presented by Committee No. 2 appears: Whereas the Church favors a plan to raise an endowment fund that shall be adequate for the maintenance and support of the educational institutions owned and aided by the Church; new therefore, be it resolved that the Board of Education and the Board of Trustees jointly be and hereby are instructed to submit to the convention of 1923 a detailed plan for a campaign looking to this end." At the General Convention of 1923 the Church on motion of Com. No. 2 adopted the following: Resolved, that this convention goes on record as favoring the full accreditation of all our schools (See An. R. Eng. Ed. of 1923, Page 143.)

The joint report of the Board of Education and the Board of Trustees for the year 1923 (See An. R. Eng. Ed., Page 141) designates $200.000 as needed for addition endowment and indebtedness for buildings at Augustana College. The resolutions of the General Convention of 1925 relative to College Endowments are the following:

Be it resolved:

1. That a campaign be instituted to raise for endowment purposes for St. Olaf College $300.000 and for Luther College $250.000 and the endowments of the two colleges, Augustana and Concordia, be increased, and that the campaign for endowment purposes may begin simultaneously;

2. That this campaign be organized and conducted by the respective colleges;

3. That the time for the campaign be determined by the Finance Committee, it being understood that it be completed by January 1st 1927;

4. That any earlier resolution in conflict with these recommendations be rescinded;

5. That the territory covered in this endowment campaign be restricted to that territory ordinarily served by the above mentioned colleges (See An. R. 1925, pages 396-397). In connection with these resolutions, Com. no. 6 reports that "a college having 200 college students must have an endowment fund of $500,000 by Jan. 1, 1927 and $50,000 more for each additional 100 students. However, the Association now gives parallel credit for money granted to colleges by Churches." If half credit is given for such Church appropriation then Augustana College must still have an interest bearing endowment of $300,000 on a basis of 400 college students or $250.000 if it has 200 college students, whereas, now it has only $200.000 and three-eighths of this unpaid.

At first thought we may ask ourselves; "Dare we undertake it." But a more vital question is: "Dare we leave it undone?" Our Church is the largest Protestant denomination in the state, having approximately 40.000 souls, fully as many as the Congregational, Methodist, Presbyterian, Baptist and Episcopalian churches put together. Their colleges in the state are bidding for our students and will secure them if we do not bestir ourselves. These young people that they receive from us seldom return to our churches, and frequently their Christian foundation is even tottering thru the insidious teaching of the unproved and unprovable evolutionary philosophy in the name of modern Science.

In our district, therefore, we have a mission and a God-given message. Nothing would please our competitors in the field of denominational colleges so much as to see us throw up our hands in despair or fritter away our time and lose our opportunity thru internal incessant strife. How should we be able to give account unto God and the Church for such unwarranted procedure! We are holding an historic convention. May we not be found wanting, but be men, who will speak and act so as to promote unity within our ranks and aggressiveness without, so as to help put modernism to rout in Church and State. May we follow the plan that in the judgment of this Convention may seem the best.

The District President has been unable to perform his duties since before the Convention in June. The three months furlough voted him has expired, but he is still unable to resume his work though he is finally really improving and gaining in weight. He expects to be able to resume his work by the first of November. May we pray for his permanent recovery.

The other two members of the Executive committee were requested by the Pastoral conference at Sioux Falls in July to make all necessary preparation for this convention. Accordingly, a committee was appointed to draw up articles of Incorporation. The members are Judge L. Larson, Rev. B. J. Rothnem, Rev. A. N. Brudvig, Rev. Henry Solum and Mr. K. O. Lokken. They will be able to submit a frame of incorporation at this meeting if such is desired, and the Corporation can be perfected. It will then naturally follow that a board of directors will be elected at this time. Election of an alternate to the member of Church Council as well as alternate to the Secretary will also have to be made, these having been omitted at the Convention in St. Paul.

Your Co-worker in the Lord's Vineyard,

—A. M. MANNES.

Til Syd Dakota distrikt, forsamlet til møte i Madison, S. D.
Kjære brødre i Kristus Jesus: Naade og fred!

Jeg vil saa gjerne faa lov til at sende eder, kjære brødre, min broderlige hilsen naar jeg nu vet at I er samlet til møte for at raadslaa om de ting som hører Guds rike til.

La mig først faa lov til at takke det kjære Syd Dakota distrikt for den hvile som blev mig tilstaat under møtet i St. Paul i sommer. Hjertelig tak! Jeg kan nu fortælle eder at jeg er paa bedringens vei og haaber med Guds hjælp om en maaneds tid at kunne gjenopta mit arbeide som formand.

I vil ikke betragte det som ubeskedent av mig om jeg atter kommer til eder med bøn om en maaneds ferie til, da de tre maaneder som i venligst gav mig, nu er omme. Det er efter doktorenes raad at jeg ber om dette tillæg, da de mener at jeg da vil være fuldt restaurert og kan gjenopta mit arbeide.

Jeg vilde nok ønske at kunne være med eder i disse dage, men naar jeg endnu ikke er sterk nok, saa takker jeg min Gud at viceformanden for distriktet, pastor A. M. Mannes, kan være der og vareta gjerningen, som jeg vet han vil gjøre saa vel.

Jeg kan ikke sende langt brev. La mig bare si dette: Maa nu Guds aand faa lov til at raade over eders forhandlinger; maa han hjælpe eder og os alle at det maatte være vor første og sidste tanke: Guds rikes fremme iblandt os, hans navns forherligelse nu og altid. Gud hjælpe det kjære Syd Dakota distrikt at bevare Aandens enhet i fredens baand, at vi som et sterkt og enig distrikt kan gaa frem i Herrens gjerning, som han har betrodd os.

Nedbedende over eder alle, over eders møte og eders beslutninger Guds rike velsignelse og bedende om eders forbønner, er jeg

eders i Kristo forbundne

N. Boe.

VI. NORTH DAKOTA DISTRICT

1) President's Report

Dear Brethren in Christ:

We are gathered again to take counsel with one another concerning things that pertain to the Kingdom of God in our district. Permit me first to refer briefly, to that which, no doubt, is uppermost in our minds and hearts, the sudden demise on March 5th, of our able and beloved president and co-laborer, Rev. I. D. Ylvisaker. It seems strange to assemble on this occasion and not see the figure nor hear the voice of him who for almost nine years was our chosen head and leader. Elected to the office of president at the time of union in 1917, he administered the affairs of our district ably and faithfully, during the difficult period of adjustment. He was untiring in his efforts for the welfare of the district. He gave without reserve, his time, his strength, his talents. We think that we see clear evidence of the fact that God has blessed his service. There has been a steady progress in our district. Our mission field has been well cared for, and a number of charges have become self-supporting. The contributions of our district have increased so that last year we gave our allotted share to the four great activities of our general church body, and even a little in excess. Good-will and confidence and co-operation among the clergy and laity, have been in the ascendency, and never more apparent than during the last year. His own mental and spiritual powers also grew and developed so that never did he stand forth in such strength and power as he did at our last pastoral conference at Grafton. It was therefore a great shock to receive the message of his sudden death. It brought home to us the uncertainty of life, perhaps, as it had never been brought home before. Surely we feel impelled to say with the Psalmist: "So teach us to number our days, that we may apply our hearts unto wisdom" (Psalm 90:12).

But altho such progress has been made in our district, there is still much to be accomplished. It will always be thus in the Kingdom of God. New problems and new tasks will continually arise which will demand our very best efforts. We should, therefore, be filled with the spirit which was in Jesus Christ, who said: "I must work the works of Him that sent me, while it is day: the night cometh, when no man can work." John 9:4. God has called His servant, who was our leader, to his reward, but He would have us carry the work forward with zeal and faithfulness. It is His will that new recruits shall step forward to fill the ranks. Let us hasten to "work the works of God while it is yet day: the night cometh, when no man can work."

This report will be very brief and very incomplete. It has been very disconcerting to be thrust so suddenly into the office of the president with no opportunity to consult with my predecessor. A number of problems were pending of which there was no opportunity to be informed, but the brethren have been very kind and helpful. Mrs. I. D. Ylvisaker has also given a great deal of assistance in acquainting me with the files of the office. For all this, I am sincerely grateful. I have tried to attend to what seemed the most essential matters of the district, devoting some time in the interest of the Concordia College Endowment Fund, hoping to bridge over the interim till the meeting of the district, in such a way that the progress of the work of the district might not be seriously interrupted. Thru the kind assistance of Rev. A. J. Hulteng, and some help received also from other pastors, it has been possible to be relieved in a large measure from the work of my parish, so that I could give this service to the district. The district will at this time by election, fill the office of the president.

It would be presumptuous on my part, having held this office so short a time to come with recommendations as to working program and future policies. There is one matter, however, on which I feel that I ought to speak a word, I refer to the North Dakota Lutheran Sunday School Association organized at a special convention held at Grand Forks, Nov. 3 and 4, 1925. This conventino was attended by over ninety delegates and pastors from all parts of our district. The organization of this Association was authorized by the district. The Convention was inspiring

and helpful. A constitution was adopted which will be submitted to the district for approval. Let me urge upon pastors and congregations to cooperate with this Association that it may function in a helpful way for the promotion of the Elementary Christian Education in our district. We all agree that the religious training of our children and the youth is the most vital problem of the church. But even tho we all know this and agree that this is true, we need help and stimulation that we may do this work with zeal and utmost efficiency. I believe that it is possible to make this organization the means of such help and stimulation. In this connection let me also call your attention to the present financial need of the Association. There were no funds at hand with which to meet the expenses of the convention. An offering was taken but this was not sufficient to meet all bills, and the officers of the Association are personally responsible for the balance. Will you therefore, kindly respond at once to the appeal made by the executive Secretary, and send your contribution to the Association Treasurer, Mrs. T. K. Gaustad, Enderlin, No. Dak.

We have already mentioned the fact that our district raised its full share of the budget this year. This should be a matter of great satisfaction. We believe that the pastors and laity of our church have rejoiced in this achievement and have thanked God who made it possible. We believe it has had a very salutary effect, so that our people in general, now have a greater interest in, and a greater love for the great work, which our church is trying to do. We hope that the effort to raise the Endowment Fund for Concordia College will not react on our contribution for the budget. Let us be determined by the help of God to raise our full share also this year.

Dedication of Churches

In regard to dedication of churches, laying of corner stones, installations, festivals, etc., we have taken the following from the files in the president's office.

Evanger Congregation, E. E. Eidbo, pastor, June 28, 1925. Pres. I. Ylvisaker.

Land Luth. Congregation, O. N. Jordheim, pastor, Juy 12, 1925, Rev. A. E. Lien.

Necrology

Andrew Cornelious Barron, born July 13th, 1867, and ordained to the office of the ministry in 1898, died in Fargo, Dec. 14th, 1925. Rev. Barron was an able and faithful pastor; serving pastorates at Ottawa, Ill., Watertown, Wis., Merrill, Wis., and at Devils Lake. After the establishment of the Home-Finding Association of our Church in this district, he served with marked success as a field agent.

Peter Adolph Thorson, born April 28, 1861, and ordained in 1888, died at Fargo, March 11th, 1926. Rev. Thorson has the rare distinction of having served in the same pastorate continuously all the years of his ministry. For thirty-two years until his retirement in 1926, he shared faithfully with his parishioners the hardships of the pioneer days and the vicissitudes of life on the North Dakota prairies.

Rev. O. O. Bjertness, born April 6th, 1884, and ordained in 1923, died at Parshall, April 14, 1926. Before entering the ministry Rev. Bjertness served our church in the capacity of teacher and president of Waldorf College. His day in the ministry was short, but by the Grace of God he accomplished blessed things. May God call men to fill the depleted ranks.

It will be necessary at this time to elect a president to fill the unexpired term of office of the president; a secretary, Rev. N. G. W. Knudson having moved from the state; a member of the Board of Elementary Christian Education. There may be other elections of which I am not aware.

May the Grace of God rest upon us at this meeting, and may it rest upon us as we return to our respective fields of labor, that we may accomplish much for His Kingdom and the salvation of souls.

ANNUAL REPORT OF THE PRESIDENT OF THE LUTHERAN CHILDREN'S HOME FINDING SOCIETY

March 2nd, 1926

Dear Co-workers:

Jesus of Nazareth, who went about doing good, and healing all that were oppressed of the devil. Acts 10:38.

It has been the privilege of this society during the past year also, to min-

ister to them who were in bodily and spiritual need. We have tried to do this in the spirit of Jesus Christ, our great example. For as Christians we realize that if we are to do anything which may truly be called good, it can only be accomplished when He is permitted to do the work through us.

In many respects the past year has been the best in the history of the Society. Much faithful and efficient work has been done by all who have devoted their time and energy to the cause.

The Board of Directors has held nine regular monthly meetings and two special meetings during the year. The chief problem before the Board has been the Home Finding Department. It is, no doubt, known to our members that Rev. A. C. Barron, who from the inception of this work had been the superintendent, was taken seriously ill in the fall of 1924, and thus unable to continue. He passed on to his reward on December 14th, 1925. Rev. Barron was a devoted and faithful servant of the Lord wherever he was placed. In the Home Finding work of our Society in which he received very little assistance and guidance because the Board and other friends of the work knew very little about it, and those who were his competitors and older in the field, naturally did not feel inclined to lend much assistance, he labored earnestly and zealously to secure the interest of the people in the cause. He was the real founder and pioneer of Lutheran Home Finding work in the state of North Dakota.

When Rev. Barron had to give up the Home Finding work, the Board entered into temporary arrangement with the office of the Board of Charities at Minneapolis, whereby the work that Rev. Barron had been doing would be continued through that office. This arrangement has been maintained until the present time. But it has been far from satisfactory and efficient, for in the first place, the Board of Charities was unable to place a full time worker in the field and much needed work had to be postponed from time to time or left undone. In the second place, the arrangement was very inconvenient. Sometimes it is necessary to get in touch with the Home Finder immediately, when a case is reported or applications made. This of course was not possible when the Home Finder lived in Minneapolis and had to divide her time between the work in several states.

We are, therefore, glad to report that a plan has now been adopted according to which our Society shall again have its own resident Home Finder. The plan was drawn up by representatives of the Board of Charities, the directress of the State Welfare Bureau, the president of our Society, and the superintendent of the Lutheran Home. According to this plan, a trained social worker is to be placed in charge of both the Home Finding and Rescue work and Miss Dahl is to be matron of the Rescue Home and superintendent of the Boarding Home Department.

Mrs. M. G. Myhre has continued her very efficient work as solicitor the past year. She has met with increasing good will and success. But as I mentioned in my last report, substantial repairs had to be made on the building of the Lutheran Home. This was done last year. The whole place was stuccoed, the roof reshingled with asbestos shingles, and the porches were entirely remodeled and glazed. All this at an expense of about $2,000.00. We are, therefore, glad to say that we now have a real warm and fine looking Home, quite convenient for the work.

But this necessary expenditure made it necessary for the Board to hire an additional traveling representative and solicitor. And since the middle of last July, Mr. T. O. Skaar has been employed. He has been wonderfully well received wherever he has been, and as the result of the splendid work done by both our solicitors, the Society has not only been able to pay the large repair bill and current expenses, but also to pay the largest amount on the indebtedness of the Home ever paid in one year up to the present time. As the treasurer's report will show, more than one-half of the total indebtedness has been paid.

I regret to say that Miss Nora J. Dahl, the superintendent of the Home, is sick and confined to the hospital, and thus unable to give her usual report

to this meeting. I can, however, state that during the past year the Home has cared for 26 or 28 girls and 48 babies. The collections from inmates have been better the past year than before, and more donations of various kinds including money, have been received.

The Dorcas Mission Society of the First Lutheran Church of Fargo has this year also raised considerable funds for the Home and conducted food showers, etc. Members of the First Lutheran Ladies' Aid have also contributed largely towards the success of this good work, as have also the members of the Scandinavian W. C. T. U.

I wish it were possible to mention all the individuals, ladies' aids, congregations, and pastors by name, that so willingly and generously have given of their means and cooperated with us in this branch of the Lord's work. This, however, can not be done. But a heartfelt thanks is hereby extended to them all. Let us not be weary in well doing, for we shall reap in due season.

Miss Nora Dahl deserves special mention for her faithful and self-sacrificing work at the Home. It can safely be said that most of the time she has, in a true motherly spirit, done as much work as could ordinarily be required of two persons. May God quickly restore her health so that she may take up again her important work.

The 1925 Annual Meeting of the North Dakota District nominated the following persons as candidates for membership in the Board of Directors of the Lutheran Home Finding Society: Rev. J. D. Runsvold, Messrs. J. H. Dahl, P. O. Sathre, O. H. Kjorlie, Mrs. H. S. Julsrud, Mr. J. O. Lund, Rev. J. W. Johnshoy, Rev. P. J. Johnson, Kindred, Mr. Andreas Jersin, Walcott, and Miss Alma Tweten, Abercrombie. Of these ten the Society will proceed to elect five at this meeting.

May the Lord graciously sustain and prosper the work of this Society in the future as in the past.

Respectfully submitted,

—J. D. Runsvold, president.

Amendments to District Constitution

That in Chapter III, 8 a) District Constitution, "A treasurer" shall be added after "secretary."

Chapter VII, Section 21 of District Constitution is changed to read as follows:

A proposal to amend this constitution must first be adopted at a district convention by two-thirds majority vote. It shall then be submitted to the convention of the other districts for consideration. If the conventions of at least two other districts approve the proposed amendment by simple majority vote, such proposed amendment shall then be submitted to the General Convention of the Church at a regular or special meeting thereof and shall become effective if adopted by a two-thirds majority vote of the members present and voting at such general convention, provided, however, that the initial adoption by a district convention and the final adoption by the general convention shall not be during the same calendar year.

The Leonard Parish, embracing the following churches: Leonard Lutheran Church, Helendale Ev. Luth. Church, Viking Ev. Luth. Church, Silver Prairie Ev. Luth. Church, and Owego Lutheran Church, hereby respectfully begs to be transferred from the Oakes circuit to Fargo circuit.

The above request is based upon due action taken at the annual meeting of the above churches held last fall and early winter.

To the North Dakota District Meeting:

The undersigned, duly elected delegate from the Normanna Lutheran Church, Richland County, North Dakota, respectfully asks this meeting to take a little time to consider the following request:

Normanna Lutheran Church has for some time been in trouble, which during the last months has become acute. The Church begs that the North Dakota District come to its relief by sending an elected and instructed committee to take whatever action in the matter it may deem wise.

Respectfully submitted, —J. R. JOHNSON.

The following expression of gratitude was received:

We wish to convey to the District of North Dakota our deep appreciation of all the kindness and sympathy shown us. My dear husband loved this district, and gave of himself as love always does when grounded in faith. But, that his thoughts and hope for this district were not misplaced has been abundantly demonstrated in these days. The work God began through him will find noble expression through the lives and services of the many whom God will choose to follow him.

MRS. I. D YLVISAKER AND CHILDREN.

In Memoriam

Since it has pleased God in His infinite wisdom and mercy during the past year to call away from the labors of His visible church two of our faithful pioneer pastors, viz: A. C. Barron, who served the Church for 27 years and North Dakota District for 15 years, being a pioneer of Lutheran Home Finding work in this state; and

P. A. Thoreson, who began his services in the Church as a pioneer pastor on the open prairies of North Dakota 37 years ago and labored with marked ability and success until his health broke down and he moved to Fargo to spend his declining years, and even there serving the Lord and His Church in various capacities as his strength would permit;

Be it therefore resolved that we, the members of North Dakota District of the Norwegian Lutheran Church of America, in annual convention assembled, express our sincere thanks to God for the labors of these brethren and the assurance that they have entered into the rest of the Lord and shall there reap with joy the fruit of their labors.

Be it further resolved, that we express our heartfelt sympathy with the bereaved families praying that our Lord Jesus Christ may comfort and sustain them by His good and gracious Word, until they at last shall meet with their loved ones in Heavenly Glory.

—J. D. RUNSVOLD, Committee.

Whereas, God in His infinite wisdom has removed from our midst our faithful co-worker, Rev. Olaf O. Bjertness, of Parshall, the North Dakota District expresses its thanks to God for the efficient service he by God's grace was able to render in the short time he was among us. May our good Lord, who is the Protector of the widows and the Father of the orphans, bless and comfort the dear ones in their bereavement; may He help them to look forward to the coming of the perfect day when we shall meet those who have gone before and await us in the City Beautiful.

—C. J. NOLSTAD.

VII. ROCKY MOUNTAIN DISTRICT

1) President's Report

Giving thanks to God for His abundant grace, mercy, and loving kindness in the past, we pray for His continued blessing in the future.

Brethren, let us always be mindful of the fact that the goal of our lives and of our work should be the glorification of God's holy name and the salvation of souls.

We thank God for our many splendid congregations and faithful pastors. Personally I desire to thank our congregations and pastors for their cooperation and good will shown me in so many ways. Also do I want to thank the mission committee for the good and faithful work done. We have had many difficult problems to solve, and the work has not always been easy. Many mistakes have been made, no doubt, but in spite of all our shortcomings I can truthfully say that the district has never been in a better condition outwardly than at the present time.

The spiritual condition God alone can judge. We know there is altogether too much worldliness and indifference and neglect of Christian duties both as regards the proper use of the means of grace and the unwilling spirit to sacrifice for the kingdom. All these things are deplorable and are signs of lack of spiritual power. May God by His Spirit awaken us to a fuller realization of the need of a spiritual life and a stronger faith that will bear fruit unto the glory of God.

During the past year I have attended a number of church council meetings, mission board meetings, board of Christian elementary education meetings, circuit meetings, and pastoral meetings, and have preached and lectured one hundred sixteen times. A great deal of my time has been devoted to serving vacant congregations, and I have visited the following charges:

Necrology

(1) Rev. Simon Sjurson Westby, Westby, Mont., died June 17, 1925. The funeral services were conducted by Rev. M. J. Westphal, of Minot, N. D., assisted by some of the neighboring pastors. Pastor Westby was a zealous and sincere servant of the Lord. (2) Rev. Th. Himle who also was a member of our district died at Northfield, Minn. He was one of God's noblemen and sacrificed much for the Kingdom. Blessed be his memory. May the Lord comfort the bereaved families.

Permit me in this connection to call your attention to the great loss our Church has suffered by the death of Rev. I. D. Ylvisaker, president of N. Dakota District, and Erik Waldeland, former treasurer of our Church—also Rev. L.

Harrisville, vice president of the Eastern District. All these men were consecrated and efficient servants of the Church.

Home Mission—Church Extension Fund

Home mission work in America with its cosmopolitan population and its millions of heathens does in reality nclude both home and foreign missions and gives us an unlimited opportunity for the extension of the kingdom, especially in localities where the language of the country is used in preaching the Gospel to all the different nationalities.

The time is past in the history and development of our church work in America, when we should look for only a Lutheran constituency in doing mission work. "Go ye and make disciples of all the nations" should be our slogan on the mission field. Since home mission work is the foundation work for all other branches of church activities, it should be prosecuted to its fullest extent in every locality of our Church thruout the United States of America.

The church extension fund of our Church is a very important factor in the progress and upbuilding of our mission congregations. There is in our district fifty or more congregations without a house of worship and twenty-five or more charges without a parsonage. Let every sincere and loyal member of our Church give his or her wholehearted support to the church extension fund, and we shall experience a much greater progress on the home mission field.

Congregational Singing

Congregational singing is something we are lacking greatly in most of our congregations. The Lutheran Church is known as the singing church, but I fear that most of our congregations at present are not living up to this tradition. If we could only realize what good congregational singing and music means for our mutual edification and spiritual uplift, we should be more willing to do our part to help our Church to be true to her title, "The Singing Church."

Book Mission

I desire to call the attention of our pastors to this branch of mission work in our Church. The religious tracts of different kinds published by the book mission are of inestimable value to the pastor in making pastoral visits to the sick, to prisoners, and to other unfortunates as well as in his visits to the many homes and for his mission work in general. I have personally, ever since our Church started this mission, made use of the tracts and know that much good and great blessings have resulted therefrom.

The Women's Missionary Federation

This organization has done a splendid work for our Church in the local congregations and in the district in general, and deserves much praise for the efforts put forth to create interest for the different activities of our Church.

The Evangelistic Work in our district has not received due consideration this last year. There has been a number of requests for such work, but we have not been able to secure any of the evangelists. It would, no doubt, be a practical thing for each district to have its own evangelist. The mission districts above all need such work, if the right man could be secured.

Church Papers

Permit me again to mention the importance of placing one or both of our church papers in every home.

Elementary Christian Education ought to have the first place on the program in our church work and should be written with golden letters over the entrance to every home and house of worship. Some practical progress has been made these last years along the line of training teachers for our Sunday Schools, which is very commendable, but there is still much to be desired to make our Sunday Schools what they ought to be.

The Y. P. L. L. Work is of the greatest importance to the local congregation as well as to the church work in general and should receive our most sincere and prayerful consideration. Our young people of today are the church of tomorrow. Therefore let us not neglect to give them all the encouragement possible to take an active part in the church work.

The Budget Plan has been well received and supported by most of the congregations in our district, and the last two years our district has done better in collecting the fair share of the budget than in previous years. This speaks well for our mission district. Let us continue the good work to do our Christian duty. God has blessed our people—and let usnot forget His benefits.

Spokane College has had, under the circumstances, a very successful school year, altho it has labored under a financial distress, because of a reduced budget. It is to be hoped that all the members of our district will give this splendid Christian institution their wholehearted support. President H. P. Olson who for a number of years has served this institution as President has resigned. Prof. Olson deserves thanks for his efficient and faithful services.

Mission Work at the state institutions could be greatly improved if the university pastors of our Church received more cooperation from the parents who have young people attending these institutions. Let us hope for improvement along this line, as it means so much for the future of our Church.

Laymen of our district who deserve special mention and thanks for the work they have done in assisting serving vacant mission congregations are Mr. John Rosand, Prof. M. R. Odegaard, and Prof. H. P. Olson. These brethren have given their services willingly without any expense to the mission.

Elections

This year we have to elect two members on the mission committee, as the terms of Rev. J. C. Hjelmervik and Mr. J. O. Berg expire; also a member on committee No. 6 and a district financial secretary.

May the Lord guide and bless all our deliberations at this meeting, and to Him shall be the glory and dominion, world without end.

Yours in the Master's service,

—A. M. Skindlov.

COMMITTEE ON RESOLUTIONS, ROCKY MOUNTAIN DISTRICT

The Committee on Resolutions of the Rocky Mountain District met in the First Baptist Church, Minneapolis, Minn., June 8, 1926, and organized with

Pastor E. O. Lee of Fairview, Mont., as president, and Pastor J. Muller Eggen of Miles City as secretary. The committee respectfully submits to the Rocky Mountain District for consideration the following report:

1. Thanks to God

Whereas we have experienced untold mercy at the hand of God both as respects temporal prosperity and progress in our Christian Church work,

Be it resolved, that the Rocky Mountain District express its thanks, first and foremost, to Almighty God for His great mercy.

2. Thanks to District Officers

Whereas the district officers have done splendid work during the year, to the extent that seven pastors have moved into the district to offset the four pastors who have through death or some other cause ceased to work among us, and

Whereas, through their efforts, the district "went over the top" in the 1925 budgets, and

Whereas much of the credit for such progress is due to our District President,

Be it resolved, that we express our thanks to the district officers in general, and to President Skindlov in particular, for their untiring efforts.

3. President H. P. Olson's Resignation

Whereas President H. P. Olson, who has not only wielded a splendid spiritual influence at Spokane College, but also conducted the business affairs of the College in an admirable manner, has now tendered his resignation as president,

Be it resolved, that we express our heartfelt thanks to President Olson for work done and influence exerted.

4. Death of Pastors

Whereas God in His wisdom has seen fit to take from our midst Pastor Simon Shurson Westby, of Westby, Mont., who died on June 17, 1925 and Pastor Th. Himle, who died at Northfield, Minn.

Be it resolved, that we remember them and their work with reverence. May whatever Christian influence they have exerted continue to bear fruit for many years to come.

5. Newly Ordained Pastors

Whereas Carl Opsahl, Johan Oliver Trontvet and Bernt Hatlem have recently been ordained to the holy ministry and have accepted calls in our district,

Be it resolved, that we cordially welcome these newly ordained pastors into the Rocky Mountain District.

6. Laymen

Whereas splendid work has been done by certain laymen in our Church without expense to the District,

Be it resolved, that the district heartily expresses its thanks to Mr. John Rosand, Prof. H. P. Olson and Prof. M. R. Odegaard for their work and that laymen be encouraged in such activity.

Be it further resolved, that the principle of making use of students attending Spokane College in the pulpits of our Church be encouraged, provided such students have been recommended by the president and dean of the Bible Department of Spokane College and the Spokane pastors.

7. Spokane College Drive

Whereas Spokane College has suffered because of the cut in appropriations voted by the General Body last year, and

Whereas it now becomes imperative that a financial campaign for $6,000 be conducted to help defray the expenses of the college until the increased appropriation bcomes effective,

Be it resolved, that the district heartily endorse such campaign and urge local communities and pastors to cooperate therein.

8. Church Extension

Whereas there are 50 congregations without houses of worship within our district, therefore

Be it resolved, that a committee be elected to make an appeal to the Sunday Schools of our Church for funds to supplement the work of the Church Extension Fund.

9. Book Mission

Whereas the Book Mission has proven itself an effective method of spreading the Gospel, therefore

Be it resolved, that the pastors of the Rocky Mountain District be urged to put tract racks in their churches and other public places and urge the members of their congregations to make effective use of the tracts to lead souls to Christ.

10. Women's Missionary Federation

Whereas the Women's Missionary Federation has been of great value to the Church in interesting people in the various church activities, therefore

Be it resolved, that the various circuits and congregations seek to complete the circuit and local organizations.

11. Church Papers

Whereas the church papers are of great importance in spreading information in regard to general church work, therefore

Be it resolved, that the pastors of our district urge the members of their congregations who have not already subscribed for the church papers to do so.

Be it further resolved, that the pastors where they deem it feasible encourage their respective congregations to include in their local congregational budgets a certain sum of money to be used for paying subscriptions to the church papers so that the head of each family in the respective congregations may receive one of the church papers in their homes, leaving it to the choice each subscribed to receive which church paper he wants.

12. Evangelistic Work

Whereas this district is essentially a mission district, and

Whereas the synod has recommended that evangelists be employed by the Home Mission Boards in the various districts, therefore

Be it resolved that the district in accordance with the recommendation of the general synod empower the Home Mission Board of the district to call an evangelist for the Rocky Mountain District.

Respectfully submitted,

—E. O. LEE,
J. B. ROCKNE,
J. MULLER EGGEN,
Committee on Resolutions.
J. MULLER EGGEN,
Secretary of Committee.

VIII. PACIFIC DISTRICT

A) President's Report

Dear Brethren in Christ:

Grace and Peace. John 4:35: "Lift up your eyes, and look on the fields: for they are white already to harvest."

We turn with grateful hearts unto God as we review the work in our district thru another successful year.

With thankfulness for what we by His grace have been able to accomplish, we look at our fields of unchurched and unconverted souls as well as unfinished tasks and pray the "Lord of the Harvest" for consecration on the part of all our workers, that we may be able, in part at least, to accomplish some of the great tasks set before us.

We pray indeed for grace and strength to be bestowed upon our spiritual leaders so that a spiritual awakening may be experienced among our people.

If we work and pray, a wave of revival is sure to come.

A spiritual awakening of this kind is sure to overcome the spiritual indifference on the part of so many of our people.

In many centers of our Lutheran communities thousands of Lutherans are outside the Church, and in many instances large numbers of these are absorbed by the Reformed churches, who thru their energetic work seek to attract our unchurched following into their large and attractive homes of worship, where in most instances they become the most substantial supporters and workers.

CHURCH WORK AND GROWTH

Our pastors have worked faithfully in our district, preaching and teaching the imperishable Word and administering the Sacraments.

Externally our work may often appear humble and void of fruit, but God alone knows the real results of our work, which also has the promises of His blessings.

True, we would rejoice to see more people take an active interest in the work of the congregations, and also more outward manifestations of changed hearts and deeper consecration to God. But let us hope and pray that He who hath begun the good work, which often appears feeble to the eye of man, will continue to perfect it by His ever-present in-dwelling Spirit.

Hundreds and even thousands in many of our communities are untouched by the Word and remain aloof from all our services and spiritual activities designed for the conversion and sanctification of the soul.

A more intense program of evangelization should be undertaken in many communities. A membership campaign and house-to-house canvass may be efficiently conducted by the pastor if aided by a large team of enthusiastic laymen who will solicit the interest of the unchurched towards things spiritual.

"The fields are truly white unto harvest." In the state of Washington there is a Lutheran population of about 321,000. But only about 21,000 are enrolled as church members, thus leaving an unchurched Lutheran constituency of about 300,000.

In the three Pacific Coast states—Washington, Oregon and California—there is a Lutheran population of about 812,000, of which 764,000 are outside of any church affiliation.

City Missions

This work must be emphasized more if we are to reach the masses of our unchurched people. A generation ago our church work was confined chiefly to the rural districts, as the greater proportion of our membership was confined to the rural occupations.

Things have changed in this respect. The city congregations must in our day assume the great responsibility of the evangelization of our people in the great industrial centers of our country. More than 50 per cent of our younger people in the rural districts flock to the cities, attracted thither by the occupations in the various industrial pursuits.

Our city churches should therefore give wide publicity to their services

and location so that our Lutheran strangers and others may find our own Lutheran Church homes as easily as they find churches of the Reformed bodies.

Laymen

I believe that our dear Lutheran Church has neglected training her laymen to do aggressive practical Christian work in our congregations, as well as to preach on occasions when the pulpit is vacant.

A wonderful assistance can be rendered our pastors and congregations when a body of men and women filled with love for Christ and imbued with the Holy Spirit goes forth in quest of souls or to teach the precious truths to the children in Sunday School and the various departments of the church organizations.

Our Lutheran Church has the best educated laymen, but we do not use them as we should.

Other denominations less doctrinal and evangelistic make more use of their meagerly trained lay people for building up their churches than we do.

For this reason so many of our Lutheran men and women who have drifted into the Reformed churches become their most able leaders and workers.

Meetings and Visitations

During the past year I have traveled about 23,375 miles by rail and boat. I have attended several of the circuit meetings and pastoral conferences of the district as often as my time would permit.

I have visited congregations and missions in the district, including Alaska, having preached, lectured, and taken part in meetings, totaling in all 191 sermons and addresses.

Our mission work in Alaska is very meager when compared to the great number of Norwegian Lutheran people in that large territory. We should establish at least four more missions at once, and furnish our missionaries with one or two well equipped mission boats.

But as we are lacking funds for a greater work in that territory, we must pray the Lord of the harvest for more liberal donations from our people at large.

THE HOME MISSION BOARD

of the Pacific District has held several meetings thruout the year, and has endeavored to supply vacancies and to provide mission charges with pastors

Salaries

The salaries of our home mission pastors are too low at the present standard. Even with a reduction in our mission treasury on account of the budget reduction, a graduation of the salaries could be undertaken if all mission congregations and their pastors would endeavor to relieve the mission treasury of at least $50 per year according to a resolution of the general convention four years ago. In this way vacant mission charges could be provided with services, and a possible increase in the salaries of the mission pastors could be hoped for.

VACANCIES

There are several vacancies in the smaller outlying congregations, and I am pleased to report that our field missionary, Rev. O. Hagoes, is constantly on the go, endeavoring to supply these vacancies as much as his time will permit.

New Congregations

The Central Lutheran Church in Tacoma, Wash., was organized by a group of Lutherans who saw the need of the day for a large central, down town, all American Lutheran Church, which might appeal to the many unchurched Lutherans of all nationalities, numbering about 20,000 in the city.

The old First Presbyterian Church building was purchased for a small sum of money. This large church building with its splendid auditorium, wonderful equipment and location has been the means of drawing large numbers to its services. It has now, after about nine months of activity, about 250 members, with a Sunday School enrollment of 150, besides several large and active organizations for the younger as well as the older people.

This congregation, by the grace of God, promises to be one of the most influential congregations in the city of Tacoma, for bringing the gospel of Jesus Christ to the hearts of many people.

It is not the intention to establish such larger churches for the purpose of detracting from the smaller neighborhood churches, which have their mission in many localities just as definitely as a central church. Both are essential in their duty.

The Norwegian unit of the Central Lutheran congregation of Portland, Ore., withdrew from this organization last fall and reorganized itself as Bethlehem Norwegian Luth. congregation.

Glendale Norw. Luth. Church at Glendale, California, was organized in May, 1925, and admitted into the District in June, 1925. This was organized by Rev. J. D. Swalestuen who has served the new congregation.

INSTALLATION OF PASTORS

Rev. Sigurd Sydness, Petersburg, Alaska, August 9th, '25; Rev. H. T. Gordon, Tacoma, Wash., Oct. 4th, '25; Rev. Theo. Gulhaugem, New Westminster and Annaville, B. C., Jan. 24th, '26; Rev. Overt Skilbred, Vancouver, B. C., April 4th, '26; Rev. I. M. Stubkjaer, Chinook, Wash., Aug., '25; Rev. P. O. Bjelde, La Center, Wash., Aug., '25; Rev. A. H. Thorsen installed in Bethele-

hem Norw. Luth. Church, Portland, Oregon, Dec. 6th '25, by Rev. L. J. Lindseth.

MOVED OUT OF THE DISTRICT

Rev. L. A. Mathre, from Vancouver, B. C., to Estherville, Iowa.

THE Y.P.L.L.

The Y.P.L.L. organizations have been conducting a blessed work thruout the district. Their quarterly and annual conventions are a source of great inspiration in our church work. These young people are the church of tomorrow. We must therefore assist them in every way possible by giving them as much time, place, and encouragement in our church work as possible.

Pacific Lutheran College

Our only College in this large district is Pacific Lutheran College. Due to the reduction in the annual appropriations for colleges and academies by our Church Body a year ago, considerable difficulty has been experienced in meeting current expenses.

While the attendance has been very good under the circumstances, nevertheless the tuition and general fees paid by the students are not sufficient to meet running expenses.

A drive for an Endowment Fund of $250,000 was decided upon by the Board of Trustees last August. Your district president was elected at this meeting to head the drive. Suitable literature on this matter was printed and distributed thruout the district.

Your president has also presented the urgency of this cause in the various congregations of the district, as well as at circuit meetings and conferences.

I sincerely hope that the drive will be continued, and that a loyal support will be given it by pastors and congregations.

THE BUDGET

Your president is pleased to report that larger contributions have been coming into the synodical budget from year to year.

Our percentage reached in 1925 was 95.5 per cent.

If we are to succeed in our work as a Church Body, it is absolutely necessary to hold before our people the importance of our missionary and educational activities so as to create a loyal and intelligent membership thruout our Church. Every pastor should emphasize this educational campaign and publicity work relative to our Church activities.

Yours in the Lord,

—J. A. E. Naess.

b) Resolution

Resolutions from College Board of Trustees:

1. The Board of Trustees has not been able to carry on the school work during the past year without accruing considerable debt, and it realizes that special efforts must be made at once for the continuation of the school, as the amount allotted the college by the church at large is far too small.

2. The Board suggests to the Corporation that the Pacific District ask all congregations to budget themselves for the amount needed for the school and one thousand dollars for the church at large for educational purposes, or in other words, that the quota allocated to this district for educational purposes be kept within the district with the exception of $1000.

3. That the Endowment Fund of $250.000 already begun be carried out.

4. That all pastors and congregations be asked to give their undivided support to the school.

5. That the district sanction co-operation with the Augustana and Ohio synods, as our Church already has pulpit and altar fellowship with these synods, and that the matter of co-operation with other synods be sanctioned by the church at large as soon as possible so as to permit co-operation in our school work.

6. That the Corporation authorizes its Board of Trustees to make temporary arrangements with the Augustana and Ohio synods for co-operation in our school work. Terms for final arrangement of co-operation be referred back to the Corporation for its sanction.

Rapport over formandens indberetning:

1, 2. Komiteens medlemmer bestaar av: Prestene Norby, Knudsen, Ove, delegatene Holm og Johnson. Komiteen organiserte sig ved at vælge pastor Norby til formand og pastor Ove til sekretær.

3. Pacific Distrikt takker Gud for den arbeidsmark han har anvist os og for det arbeide vi ved Guds naade i al skrøpelighet har faat utført.

4. Vi indser nødvendigheten av mere ihærdig arbeide især i de større byer. Flytter vort lutherske folk til byens utkanter bør vi gaa efter dem — og hvor det findes paakrævd opsætte missionsmenigheter. Det henstilles til samfundets central komite at ansætte en bymissionær i Portland.

5. Skal arbeidet — især i større byer — lykkes, maa dette ikke bare overlates til prestene. Menighetsmedlemmene — lægfolket — har her en stor opgave: At besøke utenforstaaende og interessere sig for deres frelse, be for dem, faa dem med til gudstjenestene osv. vil sætte liv i arbeidet. Naar enhver bruker det talent Gud har git dem, vil vi snart faa den rette aand ind i vor lægmandsbevægelse. Da vil ikke velsignelsen utebli.

6. Vi tror at den store missionsmark vor kirke har i Alaska bør varetas. Dette kræver en større bevilgning for Home Mission Work i vort distrikt. Der henstilles derfor til samfundet kommunikation om nødvendigheten av tilstrækkelige midler til denne vigtige gren av arbeidet.

7. Missionskomiteen bør øve den allerstorste omtanke før missionens penger bevilges for optagelse av arbeide, hvor der allerede er menigheter av vort samfund.

8. Missionsmenighter bør anmodes pan det indstændigste at gjøre alt de kan for at lette missionskassen. Alle vore menigheter og medlemmer opfordres til at yde rikelig til missionskassen saa arbeiderne kan faa tilstrækkelig løn og arbeidet optas paa nye steder. Minimumslønnen burde ikke være under $1400.00 og frit hus.

9. Vi er hjertelig taknemmelige for det arbeide som utføres av vort ungdomsforbund. Vi vil tilskynde til ihærdig arbeide for de unges bevarelse og frelse for Kristus og vor kirke.

Wednesday Evening 7:30-9:00

The meeting was given over to a continuation of the discussion of the theme "Prayer" introduced by Rev. Nesvig at the afternoon session. Rev. Nesvig continued his discussion of the theme and was followed by Pastors Ove, Christensen and Norby.

A letter of greeting was read by President Ordal from Professor Mikkelsen. He was asked to extend the greeting of the Convention to the aged teacher. The meeting adjourned after the announcement of an hour of prayer to be conducted Thursday morning at 8:30, with prayer led by Professor Ordal.

GEORGE HENDRIKSEN.

REPORT OF THE COMMITTEE ON CO-OPERATION

The committee on co-operation desires to make the following report, that

1. The Pacific District sanctions co-operation in our P. L. C. school work with the two synods with which our church has pulpit and altar fellowship, the Augustana and Ohio synods.

2. That the Pacific District ask the Norwegian Lutheran Church to endeavor to obtain pulpit and altar fellowship with other Lutheran synods as soon as possible so as to permit more co-operation in our school work.

3. That we authorize the board of trustees to effect if possible a temporary co-operation with the Augustana and Ohio synods by asking them to send students to the College and to each place an instructor at the school and to pay their salaries.

4. The board of trustees is authorized to open negotiations with the proper boards and persons of these two synods with the view of affecting permanent co-operation and that when such plans for permanent co-operation be completed, said plans be placed before the corporation for final endorsement.

REPORT OF ENDOWMENT COMMITTEE

The endowment committee, consisting of Rev. H. L. Foss, Mr. Eric Eide, Mr. P. T. Larson, Mr. L. Nyhus, Rev. Geo. Lane and Melvin Holum met and organized with Rev. H. L. Foss as chairman and Melvin Holum as secretary.

Rev. O. E. Heimdahl, secretary of the Board of Trustees of Pacific Lutheran College, met with us giving us the necessary information as to what the Board of Trustees had done.

At the District Meeting held in Stanwood, Washington, in June, 1924, it was decided that The Board of Trustees of Pacific Lutheran College be authorized to start a campaign for a $250,000.00 endowment for our school.

The Board of Trustees has, accordingly, elected a committee to direct the campaign. Literature has been printed and distributed.

Pres. O. J. Ordal has started the work of collecting, with results to date totaling $13,741.50 in cash and pledges.

The Board of Trustees has also called a man to take charge of the work as Field Secretary for Education.

Inasmuch as this is in accordance with the resolution adopted at the meeting at Stanwood in 1924, and inasmuch as the Board of Trustees have been acting in accordance with this resolution; the committee therefore submit the following to the District meeting for adoption:

1. We endorse the action of the Board of Trustees in calling a Field Secretary for Education.

2. We most earnestly urge all congregations in the District to act in accordance with the resolution already adopted by the District.

3. We recommend that, not only a part, but the whole of Pacific District be canvassed for this fund, and wish to emphasize the fact that Pacific Lutheran

College is the only school in our District and is, therefore, entitled to our first consideration.

MELVIN HOLUM, secretary.

REPORT OF COMMITTEE ON FINANCES

The Committee on Finances of the Pacific Lutheran College met in the reception room of the College Wednesday afternoon and organized by electing Rev. Holen, Bolstad, Thorsen, Trulson and Goplerud. Mr. Anderson, the College Treasurer was called in to give necessary informations.

From the treasurer's report it appeared that the actual operating expenses for the last year were $29,778.00; Tuition and different fees $13,352.00. Actual deficits for school year $16,426.00.

According to this report we must raise approximately $16,000. How can it be done?

1. (a) The committee recommends that the trustees look into the matter carefully and see if items of expense, without serious harm can be eliminated.

(b) To see if revenues can not be increased. For instance by reducing the expenditure 10 per cent and increasing the income 10 per cent the deficit on last year's fgures wouold have been reduced $12,108 as compared to $16,420.

2. Your committee further finds that our school holds such an important place in our Church as a home Mission factor that we feel justified in asking the general Convention to allow us $12,000 to carry on our work here. Provided that if the proposed co-operation with other church bodies be effected that the required amount be reduced according to the proportion carried by the respective bodies that co-operate with us.

3. Concerning the indebtedness of approximately $25,000.00 we recommend that in case the proposed co-operation plans be perfected, the Columbia Conference be asked to take care of half of the control and operation of the College, which would mean half representation on the board of trustees and faculty.

4. We further recommend that the balance of this indebtedness be taken care of by applying 10 per cent of the Endowment fund, and that this endowment fund drive be pressed with utmost zeal to a successful finish.

JOHN C. GOPLERUD, Secretary.

Thursday Evening 8:30-10:00

The meeting opened with scripture reading and prayer by P. O. Johnson.

The minutes of the meetings of Wednesday evening, Thursday forenoon and afternoon were read and accepted.

It was decided to give Mr. Theo. Nelson of Eugene an opportunity of presenting the cause of the Lutheran Brotherhood and its work.

Rev. M. L. Stavig, secretary of the all Lutheran Chautauqua committee, presented a summary of the plans and program of the chautauqua to be conducted at Epworth Heights, between Seattle and Tacoma, on August 2 to 8th.

The meeting closed with the singing of the Doxology and benediction by the chairman.

GEO. HENDRICKSON, Secretary

The committee submits the following:

Be it resolved by the Pacific District of the Norwegian Lutheran Church of America in convention assembled at Parkland, Washington, May 26-28, 1926.

1. That we express our thanks to God for His continued blessings upon our church and its activities.

2. That we express our appreciation and thanks to Trinity Evangelical Lutheran Church of Parkland, Washington, its pastor, and Young People's Luther League, the faculty and student body of the Pacific Lutheran College for all they have done through their combined efforts to make this convention pleasant and profitable.

REV. O. J. EDWARDS,
REV. CARL L. FOSS.

RESOLUTION

Whereas there are many good people, of various nationalities, in our section of the country, who might be enrolled as members of our church, but now go elsewhere, or do not enroll as members of any church, because they think, on account of the name of our church, that its work is being carried on primarily in the Norwegian language and for the purpose of perpetuating the language, and since that is not the fact, but that, on the contrary, it is the desire of our church to help draw, into God's service, people of oll nationalities, which in fact is now doing in many places.

Therefore, we delegates at the Pacific District meeting of the Norwegian Lutheran Church, do hereby respectfully suggest to the forthcoming convention of our church, that it gives serious consideration to a proposition to change its name from "THE NORWEGIAN LUTHERAN CHURCH OF AMERICA," to make its name consistent with its geographical scope, and with the fact that it serves all nationalities.

American Lutheran Conference

To the Convention of the Norwegian Lutheran Church of America:

As the provisional president of the tentatively organized English District of the Norwegian Lutheran Church of America, permit me to submit the following condensed report regarding the activities of the English Association since the annual meeting in 1925:

At the call of the president of the Association, a special meeting was held at the Ryan Hotel, June 10, 1925, attended by seventy-five pastors and delegates interested in the organization of an English District. The president reported that the constitution of the English District, proposed by the Association, had been ratified Feb. 5, 1925, with a few minor amendments by the Church Council.

At the Annual Convention of the English Association, April 6-7, 1926, held in Minneapolis, Minn., the president reported that thirty congregations had applied for the erection of an English District. The constitution having thus been approved by the Church and the minimum of thirty applying congregations set by the Church at its Annual Convention in 1923, having been reached, and the two requirements of the Church for the organization of an English District having thus been met, the Association at its April meeting, 1926, proceeded by formal vote to the temporary erection of the English District of the Norwegian Lutheran Church of America.

The English District having thus been temporarily organized in conformity with the requirements of the Church, therefore respectfully requests the formal approval of the Biennial Convention of its action, and that the tentative organization of the English District be made permanent, and thus the English District be placed, in every respect as to duties and privileges, on an equal footing with the other districts of the Norwegian Lutheran Church of America.

In the event of such approval by the Church body, the English District will immediately proceed to the formal and permanent organization by the final ratification of the constitution, the election of officers and boards and other such transactions as may be found necessary for the operation of the district.

Respectfully submitted,

—G. T. RYGH, temporary president.

III.—COMMITTEE REPORTS AND THEIR CONSIDERATION

IN EDITING THIS PART OF THE ANNUAL REPORT THE SECRETARY HAS WHEREVER POSSIBLE INCORPORATED INTO THE PRINTED RESOLUTIONS THE CHANGES ADOPTED BY THE MEETING. THE SUBJOINED COPY FROM THE CONVENTION JOURNAL SHOWS WHAT THE CHANGES ARE AND WHERE THEY HAVE BEEN MADE.

THE SECRETARY.

Please note: Since the Daily Bulletin contained a draft differing from the one here given, readers will naturally ask: Which of the two contains the true record? On Saturday afternoon Committee No. 1 submitted its first report, consisting of the twenty-two sections contained in the bulletin. The convention immediately adopted sections 4 to 9 and section 21, leaving the other sections for later consideration.

On Monday afternoon, when the report was again taken up for consideration, the committee submitted a new draft in which changes were made in the following sections:

Sec. 3. New draft.

Sec. 11. Changed by committee and modified by convention.

Sec. 14. The convention inserted a resolution in regard to the Choral Union. Hence section 14 in the original draft becomes 14 a).

Sec. 15. "We recommend that this be done" changed to "Be it resolved that the church elects such committee."

Sec. 17. "In Memoriam" in original draft. Omitted in new draft. Sec. 18 of original draft becomes Sec. 17 of new draft.

Sec. 21. Number and wording changed.

Sec. 22. Added by the committee and changed into its present form by the convention.

I) THE REPORT

Sec. 1. The Norwegian Lutheran Church of America, in convention assembled most heartily endorses the President's declaration that the function of the church is witnessing concerning Christ, that all the work of the church must be directed toward soul-winning, that such witnessing is the office and duty of every Christian. The saving of souls must be a personal concern with each and every Christian. Each soul saved must feel a personal responsibility for every unsaved soul with whom he comes in contact.

Since such personal concern for souls is rooted in heart relationship to Jesus, we would add our emphasis to the president's exhortation to use diligently the means of grace in order that this life relationship with the Savior may be quickened and strengthened. The family altar as an institution is fundamental to the safety of the home and the church.

Sec. 2. The Church concurs in the president's suggestion that the Fourth of July, which this year falls no Sunday, be set aside in a special way both to commemorate the beginnings of American Independence and to strengthen us in the duties, the loyalties and the services that we owe to our common country.

Sec. 3. The Church expresses its joy and gratitude because of the splendid results of the College Endowment appeals.

First of all we thank the Merciful God who by His grace has given us this wonderful result.

Thanks are due congregations and pastors who so generously have given to our schools these necessary funds.

To the Campaign Committee appreciation is expressed for the efficient services thus rendered our church.

We are fully confident that our schools in return for this loyalty on the part of our people will always be true to the teaching of the Word of God and the principles of our Church.

"Vi takker Gud fordi vort folk er et slikt folk som det er; fordi han har git det evner og vilje til i sit sind og hjerte at svare naar de store stunder kalder og de store opgaver kræver tunge ofre for at bli løste.

Vi takker dem av vore mænd, som har det kjendskap til vort folks evne og vilje at de med usvigelig tro gik bent til vort folk med denne store sak, aldrig i tvil om at naar saken gjelder Guds og kirkens trang og vort folks ære, da springer det til handling og seier.

Vi mindes om at vort folk i Amerika, endnu er et folk, som fordi det er som det er, hænger med stor troskap ved slegtens aandelige idealer, at tankens og hjertets kultur er en dyp trang i deres væsen, og at de ikke sparer naar det gjelder at faa denne trang sat om til virkeligheter i livet.

Vi glæder os fordi slegtene som er vokset op i dette land endnu staar i nøie pagt med fædrenes liv og vil bygge paa pionerenes grundvold, paa gudsfrygt, paa oplyst førerskap, paa tro paa sandhetens magt, paa fri utfoldelse av individet, paa retten til at leve livet med i fuldt ansvar og med forpligtelser til alle sider.

Vi glæder os fordi denne vor tro er paany blit styrket ved den gjensidighet,

villighet, glæde og kraft med hvilken vort kirkefolk, de rike og de fattige, har i samlet løft baaret sine gaver til at bygge, opholde og utruste de aandens templer, hvor dets fagre ungdom skal vandre for at høre livet, for at bevare slegtens traditioner, for at bli Guds hærmænd paa jorden, og i det fjerde buds aand bære forjættelsene om "langt liv i landet" til slegt efter slegt i det "land som Gud gav til fædrene."

Vi tar det løfte under Gud at "jeg og mit hus, vi vil tjene Herren".

Sec. 4. The paragraph in the president's message dealing with Elementary Christian Education is referred to Committee No. 9, Elementary Christian Education.

Sec. 5. The paragraph dealing with Home Missions and Church extension is referred to Committee No. 3, Home Missions.

Sec. 6. The Paragraph dealing with Foreign Missions is referred to Committee No. 4, Foreign Missions.

Sec. 7. The paragraph dealing with Charities is referred to Committee No. 5, Charities.

Sec. 8. The paragrph dealing with Pensions is referred to Committee No. 8, Pensions.

Sec. 9. The paragraphs referring to Finances is referred to Committee No. 6, Finances.

Sec. 10. A) National Lutheran Council

We rejoice to know that our Church in conjunction with other co-operating Luthera nSynods has in the past year lent a helping hand in the relief of our suffering Lutheran brethren in the war-stricken countries. We believe that it is our duty as fellow Christians to continue this work of relief. Our church will not be unmindful of the Apostolic injunction, "Bear Ye one another's burdens and so fulfill the law of Christ."

B) Papal Propaganda

Attention is called to the warning extended by our president against the propaganda fostered and advanced by the pope in his late encyclical to make the day of the Reformation, "a feast day making Christ king." We can meet such propaganda in no better way than to make this day one of thanksgiving, prayer and praise to God for the blessings which we have enjoyed and do enjoy through the blessed work of our Great Church Father, Martin Luther.

Sec. 11. Altar and Pulpit Fellowship.

The work in our Home Mission field demands our conscientious and prayerful attention. We concur with the president's recommendation of sharing Altar and Pulpit fellowship with the Joint Synod of Ohio, the Iowa and Buffalo Synods and such other synods as our church regards as "brethren of the faith." Such fellowship is worthy of our consideration since it will mean so much to our church in furthering our Christian educational and home mission programs.

Sec. 12. Admission of pastors and employment of teachers.

Our day is shiftless and indifferent, regarding the fundamentals of revealed religion. Reason is enthroned and faith spurned. Rationalism is very much in evidence everywhere. We need to heed the Apostolic words regarding "scoffers in the last times." Not only should this warning stir the church to watch over those entrusted to the care of souls in school and pulpit within the church, but also carefully consider the application of those requesting to become pastors in our church, who have received their training in other synods, and particularly those who come to us from reformed denominations! "A small leaven, leaveneth the whole lump" is true in our day as it was in the day of the Apostolic church. "What I say, I say to you all, Watch!", is the Lord's emphatic warning to the church at all times. We heartily endorse the words of our president: "At the present time we insist that special care be taken to see to it that all men who are called to preach and to administer the sacraments, and teach in our church schools are men who know whereof they speak, men who are not only Lutheran in name, but Lutheran in heart and understanding."

Sec. 13. The Women's Missionary Federation.

We subscribe wholeheartedly to the words of our president when he says: "To all the women's societies of our church, both those connected with the Federation as well as those not directly affiliated with it, we extend our appreciation and thanks for the support and inspiration that they have given to our work"

Sec. 14. Young People's Luther League.

We thank God for the interest in our church work shown by our young people through the Luther League. May the Lord in the future, as in the past, guide and lead our young people to His glory and the welfare of our beloved church.

Sec. 14. b) Choral Union.

The church expresses its appreciation of the sacrifice for and the contributions to the welfare of the church rendered by the Choral Union and the Church will encourage and as far as possible support the work of the Choral Union.

Sec. 15. The Luther Student's Association.

Knowing that there are 10,000 Lutheran students in the state institutions we readily understand how important it is that work be done among them. They must be kept for Christ and our church. The men and women working among them need our sympathy and assistance. The association asks that a special committee be elected to have charge of this work, and be it resolved that the Church elect such committee.

Sec. 16. The Norwegian Young People's Society.

In our church work there is as yet a well defined need for this society. We thank the Norwegian Young People's Society for the splendid assistance given our church in its work at Ketchikan, Alaska. It is our hope and prayer that all the work among our young people, whether conducted in one language or the other, may be conducted with the sole aim that our youth shall grow not only in external activities but in that which is more important, in a deepening of personal knowledge and loyalty to Jesus Christ, their Lord and Master.

Sec. 17. The church expresses its gratitude to God for the inspiration and encouragement brought to many of our congregations by the visit of Bishop Johan Lunde of Oslo, Norway.

Be it resolved, that the Church send cordial greetings to the beloved Bishop, with the prayer that God may grant him many more days of rich service in the mother church, Dr. L. W. Boe to bring these greetings to the bishop.

Sec. 18. The church expresses gratitude to God for sustaining our beloved Dr. H. G. Stub, during his recent illness, restoring him to health and vigor. We thank Dr. Stub for the inspiration of his presence here and his untiring interest in behalf of the church. May the Good Lord continue to bless him and fill his declining years with joy and peace.

I. Formandens indberetning

„Men som medarbeidere formaner vi eder ogsaa at I ikke forgjæves maa ta imot Guds naade" (2 Kor. 6, 1).

Kjære medarbeidere i Herren! Naade og fred!

Atter samles vi til aarsmøte og skuer tilbake paa et arbeidsaar i Guds aker. Paa forskjellige steder merkes liten vekst og fremgang; heller det motsatte, saa der er spørsmaal om at opgi marken. Men naar vi ser paa arbeidet ut over det hele distrikt, da merkes fremgang, idet flere missionskald har øket sine bidrag til prestens løn og saaledes blit mere selvstændige. Flere nye strøk har faat mere regelmæssig betjening og er derfor blit mere interessert i kirkens arbeide. Fremgang sees ogsaa i ydelsen til samfundets budget. Flere menigheter har samlet og indsendt mangedobbelte beløp av det som ventedes av dem, hvilket er rosværdig og viser det rette sindelag; flere end før har ydet sin „fair share", og de aller fleste har ydet noget. Fremgang sees ogsaa i de bidrag som er ydet til avkastelse av gjælden paa Outlook College. Vi glæder os og takker Gud for alt dette! At der ogsaa har været vekst og fremgang i det liv som er skjult med Kristus i Gud, er vi forvisset om; ti Guds ord skal ikke vende tomt tilbake, men lykkelig utføre hvad han sender det til. Fra flere steder meldes ogsaa om mere synbare frugter: i opvækkelse og overgang fra mørke til lys, fra Satans magt til Gud. Maa alle saadanne vokse i naade og kjendskap til vor herre og frelser, Jesus Kristus! Alt dette er frugter av Guds naade imot os og viser at den har ikke været forgjæves. Og dog har ikke fremgangen været i forhold til det rike maal av naade som Gud har bevist os. Av hans fylde har vi alle faat, og det naade over naade. Hadde fremgangen i nogen mon svaret til denne rigdom av naade, saa skulde vi se flere kirker som med sine spir peker opad mot det himmelske hjem og fyldt med andægtige tilhørere; flere prester som ikke bare døper barn, men ogsaa lærer dem at holde alt det Jesus har befalt os, som drevet av kjærlighet til Jesus føder hans faar og lam med den aandelige uforfalskede melk, forat de kan vokse ved den til frelse, som læser med sine konfirmanter, ikke bare nogen minutter, men timer ad gangen; flere lærere som vilde opofre noget av sin makelighet for at undervise en klasse i søndagsskolen; flere menigheter som vilde sørge for at faa om ikke mere end to ukers religionsskole for sine barn; flere menigheter og prestekald som vilde fatte beslutning om at bli selvstændige for at indremissionsarbeide kunde optages paa nye felter; flere som vilde fremstille sine legemer som et levende, hellig, Gud velbehagelig offer og arbeide for Herrens sak, for ham som gav sig selv til et helt offer for os. Formaningen til at vi ikke forgjæves maa ta imot Guds naade er ikke overflødig. Gud gi os at ta den til hjerte, saa vi bærer rikere frugter for fremtiden! Maa naaden optugte os til at fornegte ugudelighet og verdslige lyster og leve tugtig og retfærdig og gudelig i den nærværende verden. Maa vi være som den jord der drikker regnet som ofte falder paa den, og som bærer gavnlig grøde for dem den dyrkes for; ti den faar velsignelse fra Gud. Men bærer den torne og tidsler, da er den uduelig og forbandelse nær, og enden med den er at brændes. Derfor formanes vi til ikke forgjæves at ta imot Guds naade. Ved naadens hjælp og under dens beskyttelse vil vi ta fat paa arbeidet som ligger foran os og arbeide mens det er dag; natten kommer, da ingen kan arbeide. Kirkens arbeide maa utføres av de kristne i fællesskap efter den evne Gud gir. La os mindes Jesu ord: „Den som har, ham skal gives, og han skal ha overflod; men den som ikke har, fra ham skal endog tages det han har." La os samle skatter i himmelen og bli rike i Gud.

Indremissionen

Det er arbeidet som indremissionssuperintendent som optar det meste av formandens tid i vort distrikt. Av distriktets 50 prestekald er 21 selvstændige og 29 har faat mere eller mindre støtte av missionen det sidste aar. Vort samfund venter at hver menighet øker sine bidrag til prestens løn i forhold til sin bæreevne, og opmerksomheten henledes paa samfundets beslutning, at hvert missionskald forøker sine bidrag til prestens løn med mindst $50 hvert aar indtil det blir selvstændig. Fra

flere kald hvor missionsbestyrelsen har fulgt denne regel, har presten underrettet bestyrelsen om at det vilde betyde det samme som at han vilde forlise saa meget av sin løn, da menighetene ikke magter mere. Det har dog gjentagne ganger vist sig at magten var i forhold til viljen, og regelen bør gjennemføres, da den virker en gradvis fremadskriden henimot selvstændighet. Der kan gives undtagelser, men det bør være regel. De selvstændige kald opmuntres til at bevare sin selvstændighet og til at anstrenge sig til det yderste for at dette kan ske. I denne forbindelse vil jeg gjøre opmerksom paa den hjælp som „The Norwegian Lutheran Colonization Society" søker at yde vore meginheter ved at veilede det norske indflytterfolk til de steder hvor der før er norske og være dem behjælpelig med at finde hjem der. De som har slegt og venner som søker sig hjem her, bør skrive til disse og selv gi dem raad og opmuntre dem til at skrive til selskapets repræsentant i statene, prof. O. B. Grimley, 83 East 5th St., St. Paul, Minn. Prof. Grimley er vel kjendt i Canada og kan gi oplysning om hvor de bedste norske settlementer er. Benyt denne hjælp, som ydes frit, saa de norske kan samles mere ogsaa her i Canada.

Barmhjertighetsarbeidet

Det har været en fornøielse at se den tilfredshet og hygge som herskер ved Bethania gamlehjem i Bawlf, Alta. Past. N. R. T. Braa har ved siden av at betjene et stort kald, bestyrt hjemmet med stor dygtighet siden dets oprettelse, og mange har nytt godt av den aandelige og legemlige pleie som hjemmet byr. Mange har erindret hjemmet med private gaver utenom hvad de har ydet gjennem budgettet.

Saadan støtte kommer vel med nu da bevilgningen er saa meget avknappet, og privatpersoner og foreninger opmuntres til at ihukomme hjemmet med gaver. Endnu har dog intet været gjort for at hjælpe de hjælpeløse smaabarn. Der var nylig fire saadanne som banket paa barmhjertighetens dør hos os, og vi stod raadvilde, uten „receiving home" og uten midler. Hvad kan gjøres? Vi burde faa en arbeider som kunde ta sig av „home finding"-arbeidet saavelsom „rescue work". Vi ansøker iaar om en bevilgning av $3,000 til dette arbeide, og haaber at det indvilges, saa vi ikke for fremtiden maa tilstoppe vore ører for nødrop fra hjælpeløse smaa og fra ulykkelige faldne, men bli istand til at vise barmhjertighet ogsaa mot disse.

Skolene

Søkningen til vore to kirkeskoler: Camrose og Outlook College, har iaar været bedre end paa flere aar, og under sine dygtige bestyrere, prof. Solheim og prof. Bergsagel, har begge skoler utført et godt arbeide. Indsamlingen til avkastelse av gjælden paa Outlook College har under past. H. L. Urness's ledelse gaat godt, som kvitteringslisten i „Hyrden" viser. Distriktets beslutning om at overta Outlook College er nu fuldbyrdet ved „Special Act, Chapter 71, Bill No. 01 of 1925—26 Parliament of Saksatchewan", saa at aarsmøtet nu som collegekorporation fatter bestemmelse om skolen. Pastor H. L. Urness, som nu er collegekorporationens præsident, fungerer som saadan indtil hans eftermand er valgt. Nogen paragraffer i collegekorporationens konstitution maa forandres for at passe til den forandrede inkorporation. Indsamlingen til gjældens avkastelse maa fortsættes indtil den hele gjæld er betalt.

Det turde være i sin orden nu at nævne at en av vore skoler i Canada nærmest burde ta sigte paa vordende presters utdannelse for vor kirke i Canada og anlægge sin skoleplan derefter.

Den elementære kristendomsundervisning

Prof. G. M. Bruce besøkte vort distrikt fra 12te til 15de mai 1925 og gav ett kursus ved Outlook College og ett ved Camrose College i elementær kristendomsundervisning for saadanne som mentes at være bedst skikket til at meddele saadan kundskap til andre i et to dages institut i de forskjellige kredser. Det har vist sig

at være vanskelig at faa saadanne instituter ordnet, saa kun forholdsvis faa blev holdt sidste aar. Planen er god og vil sikkert bli til gavn for dem som har med barneundervisningen at gjøre, og det henstilles til kredsene at søke at realisere den. Den stigende interesse som viser sig for religionsskole i mange menigheter, lover godt for vor kirkes bestaaen.

Vore kirkeblade

Den mission som vore kirkeblade utfører i det stille og skjulte er av saadan betydning baade for det kristelige aandsliv og for det kirkelige arbeide at der hvor den ikke naar hen, er forstaaelsen og interessen for dette arbeide liten og indskrænket. Kirken maa staa i stadig rapport med hvert hjem, og det kan ske ved kirkebladene. Da Canada distrikt begyndte utgivelsen av sit eget lille kirkeblad, „Hyrden", var det tanken at interessen for kirkens arbeide i den grad vilde vokse at man blev begjærlig efter at faa vite mere og saaledes komme til at abonnere paa „Lutheraneren" og „Lutheran Church Herald". Hvorvidt denne tanke er virkeliggjort, tør vi ikke uttale os om. Imidlertid har det vist sig vanskelig at faa abonnentlisten paa „Hyrden" forøket, saa at bladet kan bære sig. Da det viste sig at noget maatte gjøres for bladets bestaaen, kom den av sidste aarsmøte valgte komite, bestaaende av prestene Tandberg, Hoversten og Akre, sammen i Saskatoon, Sask., den 3dje febr. dette aar for at ordne med „Hyrden"s forretningssaker, og da bestyrelsen var bemyndiget til, om nødvendig, at foreta indsamling til bladets løpende utgiftet, blev dette besluttet, paa samme tid som planer blev lagt til et mere systematisk arbeide for at samle abonnenter. Hvilke frugter bestyrelsens arbeide har baaret, vil past. Hoversten, Torquay, Sask., som blev valgt som bladets forretningsbestyrer, kunne berette om. „Hyrden" har vundet mange venner, og past. Kandal har vist sig at være en meget duelig redaktør.

Evangelist- og emissærvirksomheten

Denne gjerning har av mangel paa midler ikke kunnet drives i den utstrækning som ønskelig var. Evangelist H. A. Hanson virket nogen maaneder under missionskomiteens ledelse, likeledes past. H. J. Langaunet Evangelist O. Mosby har siden forleden høst betjent Donalda-kaldet. Mange dygtige lægmænd har virket som emissærer og utført et velsignelsesrikt arbeide uten nogen godtgjørelse, for hvilket vi skylder dem tak. Maa Gud velsigne alle som ogsaa paa denne maate har tat del i arbeidet for sjæles frelse! Der er et stigende krav paa at vort distrikt ogsaa burde ihukommes med besøk av samfundets evangelister. En komite burde nedsættes som kunde motta indbydelser og ordne reiserute for evangelistens besøk. En av vore dygtige lægmænd, A. C. Hagen av Saron menighet, Birch Hills, Sask., har faat hjemlov. Hagen har med levende interesse tat del i det kirkelige arbeide i Canada og har indehat mange ledende stillinger i distriktet; han vil dypt savnes, ikke bare i den lokale kreds, men over hele distriktet. Velsignet være hans minde!

Grundstenlægning og kirkeindvielse

Den 12te juli 1925 fik Bethlehem menighet ved Starbuck, Man., grundstenen lagt til sin kirke og kirken blev indvidd i den treenige Guds navn.

Møter

Siden sidste aarsmøte har jeg overværet 47 forskjellige komitemøter, visitasmøter, menighetsmøter osv., har holdt 97 gudstjenester, de fleste i vakante kald, og indsat 5 prester i deres kald, nemlig P. K. A. Haaland, H. L. Urness, Chr. Hoversten, L. J. R. Larson, og O. N. Sørhus.

Tillat mig at frembære min hjertelige tak for godt og broderlig samarbeide og for eders forbønner, som jeg fremdeles ber om!

Eders ringe medarbeider i Herren,

J. J. Akre.

D. Budget

Til Canada Distrikt av Den Norsk Lutherske Kirke i Amerika.

Jeg maa igjen dette aar indberette underbalance for budgettet for Canada Distrikt. Dette er beklageligt. Allikevel er det glædelig at se at offervilligheten for budgettet vokser. I 1923 var der her i Canada Distrikt 110 menigheter som ikke gav noget til budgettet. I 1924 var der 90, og dette sidste aar gik tallet ned til 63. Dette viser at paa tre aar har tallet av de menigheter som ikke gav noget gaat ned til det halve.

Der er indkommet til budgettet ialt dette aar $9,550.33 fordelt paa de forskellige gredse som følger:

Circuits	App.	Amt. Rsd.	Status	% Rsd.
Personal		936.45	936.45	
Calgary Alsask	240.00	52.15	177.85	25.9
Camrose	2,695.50	2,234.05	461.45	82.9
Manitoba	350.00	375.89	25.89	107.1
Medicine Hat	496.25	409.65	86.60	82.5
Moose Jaw	1,858.00	1,511.02	346.98	81.3

Saskatoon	1,536.75	796.15	740.00	51.8
Swift Current	1,116.00	906.52	209.48	81.2
Yorkton	2,005.50	742.87	1,262.63	37.0
District Apportionment	12,871.95	9,550.33	3,321.62	74.2
District App. without M.	11,193.00	9,550.33	1,642.67	85.3

Vi mangler altsaa $1,642.67 paa det fulde beløp som vi er bedt om at samle dette aar.

Kredsfinanssekretærene har ogsaa dette aar gjort godt arbeide. Igjennem korrespondanse blev en komite av tre kredsfinanssekretærer valgt til at utligne budgettet for 1926. Denne komite møtte i Saskatoon den 2den december sammen med distriktssekretæren og distriktsformanden. Hver kreds fik da sin del at samle. Flere kredse har allerede hat møte og fordelt sin del paa menighetene, saa de kan begynde indsamlingen for dette aar.

Maa Herren velsigne sit rikes arbeide ogsaa her i Canada Distrikt.

Eders medtjener,

J. T. BORGEN.

E. ALDERDOMSHJEMMET

a) Indberetning fra Bethania Gamlehjem

"Hittil har Herren hjulpet os". 1 Sam. 7, 12.

Med disse ord kan ogsaa vi takke Gud for det svundne aar. Vi har ikke nogen særs rapport at gi, ti mens alt staar saapaa det uvisse med hjemmets bosted er der litet som kan gjøres undtagen det vanlige stel.

Vi har dog det sidste aar været gjestet av sygdom og fem av de gamle har siden vor sidste indberetning lukket sine øine i den sidste søvn.

The av dem bukket under for influensa og komplikationer nu sidstleden maaned. Sex nye er optat og kommet siden forleden høst. Vi har nu 13 indboere og kan skaffe rum for et par til.

Ansøkernes tal forøkes nu fort hvert aar saa det blir vanskeligt med vort hus at gi plads for de mange som banker paa.

Vi haaber det kan snart ordnes saa at bestyreren kan faa komme rundt i sakens interesse da budgettet nu er saa beskaaret at vi maa søke om ekstra hjælp for vor drift.

Maa denne gren av vort arbeide kunne faa vort hjerte slik at det kan bli gjort med lyst til Guds ære og trængendes gavn.

Hilsning til Pastor H. L. Urness, Regina, Sask.

Den Norsk Lutherske Kirke i Canada, samlet til aarsmøte i Minneapolis, Minnesota, U. S. A., den 8de juni 1926, vil herved faa lov at sende Dem vor hilsning.

Det var med sorg vi fik høre om Deres ulykkestilfælde, idet De stod færdig og skulde begi Dem paa vei til vort aarsmøte. Ved saadanne hændelser blir vi mindet alvorligt om sangerens ord naar han sier: "Jeg gaar i fare hvor jeg gaar".

Vi haaber dog, at De er i god bedring, og at den gode Gud vil ordne det slik, at De snart blir frisk og sterk igjen.

Vi hilser Dem paa det broderligste!

Paa arsmøtets vegne,
K. O. KANDAL.

II. Reports

A) FROM BOARD OF EDUCATION

May, 1926

To the Norwegian Lutheran Church of America:

The Board of Education has the honor herewith to submit its report for the school year that is just closed.

Under the merciful providence of our Heavenly Father our educational institutions have had on the whole a prosperous year. The reports show that a total of 4,027 young men and women have been in attendance at our various schools. God alone knows what amount of service for His kingdom shall in the future accrue from the labors of this year among this fine army of young people.

The reports of the presidents subjoined to the present report set forth the general condition in each of the schools.

The Board of Education deems it necessary to present the following items to the convention for its consideration and action.

Luther Seminary

In his report to the Board of Education and thru it to the Church in 1925 President Bockman quoted the following recommendation as previously prepared by a committee:

(1) That the Church endorse the proposal to erect a separate building suitable for administrative and library purposes as soon as the necessary funds are available.

(2) That the Board of Trustees and Theological Faculty be authorized and directed to engage an architect, prepare plans, and do such preparatory work as may be required, and that these plans be submitted for approval to the Church Council and Board of Education.

(3) That the Theological Faculty be authorized and asked to organize a campaign to raise the funds for this purpose, the time for which campaign to be determined by the Finance Committee.

(4) That the Board of Trustees be authorized to let the contracts for the erection of the building as soon as the funds are available (An. Rep. 1925, p. 250).

Under the heavy demands upon its financial resources at the time, the convention took no action in regard to this matter. The Board of Education hereby resubmits the recommendation with the further addition that the Church appropriate one thousand ($1,000) dollars or as much thereof as may be required to cover the cost of the proposed preliminary plans.

Luther College

The rule of the Church makes the term of office of the college presidents six years (See An. Rep. 1917, p. 548). The present term, therefore, does not expire until 1929. A special question, however, arises in connection with the presidency of Luther College. In the second paragraph of the By-Laws of that corporation (An. Rep. 1917, p. 554) is found the following provision: "The President, Secretary, Treasurer and Board of Trustees shall be elected triennially at such time and place as said Church shall hold its regular meeting."

Altho Dr. Oscar L. Olson was elected by the Church to the presidency in 1923 and his term of office under this election will hold until 1929, yet under the special provision in the Luther College By-Laws, the Board deems it best, in order to eliminate all technical questions, to recommend that Dr. Olson be elected by this convention for the remaining triennium of his term under the laws of the Church.

South Dakota Schools

At its convention in 1925 the Church took the action recorded in the following resolution:

"1. Resolved, that Augustana College and Normal School and the Canton Normal School be transferred to such corporation as the South Dakota District may be willing to organize; that the South Dakota District decide whether it will have one school or two schools. In case the district decides to have only one school, then the church shall dispose of the property of the vacant school in such way as in its judgment best serves the interest of the constituency of that school.

"That the Church agrees to grant each year an appropriation of $15,000.00, that the sum be the same whether there is one school or it be divided between two schools; that the South Dakota District and the border counties of Iowa and Rock and Pipestone counties in Minnesota be assigned to the South Dakota corporation as its territory in which no other schools of our Church shall conduct active campaigns for money and for students.

"And that, in addition to this, the South Dakota corporation receive 50 per cent of the money gathered for education within the South Dakota District.

"2. That the Church shall deed all the school property in South Dakota to a corporation that may be organized by the South Dakota District."

When in December, 1925, at a joint session of the Board of Education, the Board of Trustees and a delegation from the Board of Directors of the newly organized Augustana College Association, effort was made to carry these provisions into effect, some difficulty arose in regard to the disposal of the indebtedness that had been incurred in connection with South Dakota school matters. This difficulty entailed delay in effecting the transfer of the properties and such other details of adjustment as were necessary.

In the latter part of February a committee from our boards of education and trustees met with a committee and later with the board of directors itself of the Augustana College Association. The negotiations resulted in agreement as set forth in the following memorandum:

"For the purpose of carrying out the resolution adopted by the Norwegian Lutheran Church of America in the General Convention held in June, 1925, in relation to the South Dakota school situation, the committee from the Board of Trustees and the Board of Education of the said Church and the Board of Directors of Augustana College Association have determined upon the following plan.

"First: That the Norwegian Lutheran Church of America transfer as soon as the necessary legal formalities can be observed, to the Augustana College Association the property now occupied and used by the Canton Normal School of Canton, South Dakota, and the Augustana College and Normal School of Sioux Falls, South Dakota, by proper deeds of conveyance with proper reservations that said property or the proceeds thereof be used only for school purposes, conformable with the principles of the educational work of the Norwegian Lutheran Church of America.

"Second: That the indebtedness incurred in connection with the Augustana College and Normal School aggregated with interest thereon substantially $90,000 to be disposed of as follows:

"A.—That $45,000 thereof be assumed by the school district of the Augustana College Association, which amount is to be raised as follows: $5,000 to be added to the budget apportionment of said Church to said district each year, and that such $5,000 found necessary together with any surplus that may be raised by said district over the said budget apportionment, be paid to the Norwegian Lutheran Church of America until the said sum of $45,000 has been liquidated.

"B.—That the balance of said indebtedness of substantially $90,000 be absorbed by the Norwegian Lutheran Church of America."

The Board of Education placed on record its judgment to the effect that debts yet to be provided for by the Church in connection with both the South Dakota Schools be absorbed in the general deficit indebtedness of the Church.

Madison Normal School

In the course of the steady and rapid development of the new demands and new situations in the educational world, it has become increasingly difficult to meet certain lines of requirements. This applies among other matters to the operation of normal training departments. Under pressure of this fact the Board of Education recommended to the convention of 1925 the elimination of the training department at the Madison Normal School (An. Rep. 1925, p. 246, (12). The Church, however, took no action. At its session April 5-6, the Board repeated its vote provisionally but requested its chairman to visit Madison and confer on this and other matters with such representative friends of the school as could be assembled. Realizing the difficulties of maintaining this work under present state regulations and the expense involved, it was voted as the practically unanimous sentiment of those present that the training department be discontinued. The Board so recommends.

Red Wing Seminary

At its convention in 1925, the Church referred to the Board of Education and the Board of Trustees the following resolution:

"Resolved, that we are of the opinion that Red Wing Seminary has the first claim in the matter of establishing junior colleges, and it therefore instructs the Board of Education to investigate the cost and advisability of introducing junior college work at Red Wing Seminary and to propose definite action to the convention in 1926."—(An. Rep. 1925, p. 264-265).

The Board would in this connection call attention to the following paragraph in the report of President Jorgensen who on its request has collected some information in regard to the matter.

"The undersigned has made investigations at the University of Minnesota in the matter of introducing junior college work at Red Wing Seminary. It would mean the addition of two more teachers for the first year of college work, and of two more the second year unless some re-adjustments could be made in the academy faculty."

Considering all the elements that enter into the situation, the Board does not see its way clear at this time to recommend the opening of junior college work at Red Wing.

Spokane College

President H. P. Olson, of Spokane College, has submitted his resignation as president of this institution. Our Church will feel grateful to President Olson for the service he has rendered to the College, to the Church, and to the cause of Christian education during the terms of his office. The Board has asked him to continue as a professor in the institution, even tho he desires to be relieved of administrative responsibilities. Since he has had other plans under consideration, he has not yet reported his decision to the Board.

Jon Bjarnason Academy

In conformity with a resolution by the Church, a teacher is provided for the Jon Bjarnason Academy, the school of the Lutheran Icelandic Synod. The school is located at Winnipeg, Canada. Prof. H. C. M. Eastvold is our teacher there at the present time. The following letter from the president of the school will be read with interest:

"I wish to express my appreciation of the splendid service Mr. Eastvold has rendered to our school this year, as a teacher and a disciplinarian. His service and the fraternal feeling that prompts your Synod to give our institution your friendly assistance is highly appreciated in our community.

"Kindly convey to your next Church Convention our cordial thanks for your generous assistance. Is it only a dream, or may it become a reality, that we shall see, sooner or later, a Lutheran College, in affiliation with the University of Manitoba, or having its own degree conferring power, built and operated in Manitoba?

Very sincerely yours,

H. J. Leo,
Principal Jon Bjarnason Academy."

Secondary Subsidized Schools

To the convention of 1925 the Board submitted the following recommendation:

That the Church grant to the following schools annually an appropriation, the amount of which shall be determined on the following basis:

(a) $30.00 for each student.

(b) The number of students to be determined by dividing the total tuition income by sixty in the case of academy students and one hundred in the case of junior college students.

(c) The minimum amount of tuition income that any school must have shall be $4,500.

(d) The maximum appropriation shall in all cases be $4,000.

(e) It is stipulated as a condition for receiving this appropriation, that there shall be incurred no deficit in current operating and maintenance expenses, beginning with the school year 1925-1926. (An. Rep. 1925, p. 245.)

No action was taken by the Church on this proposition. The Board finds it advisable to present it to the convention again as affecting the following schools:

Central Wisconsin College
Gale College
Luther Academy
Park Region Luther College
Pleasant View Luther College
Waldorf College

Nominations

The following nominations are hereby submitted for the terms ending in 1929:

Dr. Oscar L. Olson, president of Luther College.
Prof. Herman E. Jorgensen, president of Red Wing Seminary.
Prof. Edward R. Rorem, president of the Madison Normal School.

A Word in Closing

The Board has been deeply impressed with the willingness and enthusiasm with which our people have met the emergency calls from our colleges for endowment funds. At the time of this writing the campaigns have not been completed. But all signs seem to show that a splendid victory is ahead of us.

May the Lord stir us all to faithful and energetic action for the promotion of His Kingdom also in the sphere of higher Christian education.

Luther Teologiske Seminar begyndte sin virksomhet den 15de september sidstleden.

Studenterantallet var i det forløpne aar 113, fra følgende skoler, klassevis inddelt saaledes: „Graduate students" 10, hvorav 3 in residence og 7 in absentia; 5 av dem var fra St. Olaf College, 3 fra Concordia College, 1 fra Augsbrug Seminary og 1 fra University of Minnesota.

3dje aarsklasse 26, fra St. Olaf College 13, Luther College 7, Concordia College 3, University of South Dakota 1, Kansas City Law School 1, Lutheran Bible Institute, St. Paul, 1.

2den klasse 25, fra St. Olaf College 16, Luther College 3, Concordia College 2, Red Wing Seminary 3, University of Minnesota 1.

1ste klasse 51, fra St. Olaf College 12, Luther College 16, Concordia College 10, Red Wing Seminary 2, Pacific Lutheran Academy 1, Augustana College 1, Park Region Luther College 1, Jewell College 1, Gustavus Adolphus College 2, University of Minnesota 1, Augsburg Seminary 1, Iowa State College, Dana College 1, Marquette University 1.

Special student 1, fra St. Olaf College. Av 3dje aarsklasser studenter er 21 collegegraduenter, 5 ikke, av 2den klasses, 22 collegegraduenter, 3 ikke, av 1ste klasses, 36 collegegraduenter, 15 ikke. Det norsk-engelske kursus er tat av alle 3dje aarsklasses studenter. Av 2den klasse har 17 tat det samme kursus, 8 det engelske, og av 1ste klasse 40 det norsk-engelske kursus, 11 det engelske.

Under studenterforeningenes auspicier har flere ekstra foredrag været git, likesom studentene har hat anledning til at delta i et bibelkursus git av dr. Søderqren av St. Paul Lutheran Bible Institute efter indbydelse av Wartburg menighet, i seminariets kapel. Ved siden av det aarlig gjenvendende arbeide av studentene i menighetene har de en tid drevet et velsignet missionsarbeide for med frelsens evangelium at naa dem fra statens stræder og gater.

Seminariets Glee Club hadde en vellykket tourne i søndre Wisconsin og Illinois under ledelse av dr. Tanner og student Arthur L. Swenson. Færdens pekuniære overskud blev lagt til trængende studenters understøttelseskasse. Dr. Weswig har efter begjæring fra Luther College holdt foredrag der og styrket den aandelige forbindelse mellem colleget og seminariet.

Helbredstilstanden har i det hele og store været god, saa vi uforstyrret har kunnet gjøre vor gjerning. Professor Hove, som i avvikte skoleaar har hat ferie, blev desværre ilde tilredt ved et fald paa islagt fortaug, men er nu, takket være Herren, fuldstændig restituert. Hans arbeide er i aarets løp utført av dr. Tanner. Næste skoleaar blir dr. Bruces sabbatsaar. Med skoledirektionens tilladelse vil for fremtiden dr. Stolees hovedfag bli hedningemissionen og barmhjertighetsarbeidet, og dr. Tannars dogmatik og Christian education med kateketik. I dr. Bruces fraværr vil han desuten overta en del nytestamentlig eksegese. Dr. Bruces fag vil bli nytestamentlig indledning, videregaaende nytestamentlig eksegese paa engelsk med originalsproget som grundlag, samt symbolik, dogmehistorie og etik. Da dr. Bruce saaledes faar et noksaa tungt og utstrakt arbeide, bør han, som skoledirektionen velvillig anbefaler, fritages for undervisningen i elementær græsk, og denne overlates en anden lærer. For posten kommende aar anbefales student Olaf Malmin av fakultet og skoledirektion med en løn av $200.00. Likeledes anbefales lønnen for læreren i Public Speaking, $500.00, for fremtiden lagt til seminariets budget istedenfor at utredes av Harald Thorsons fond, fremdeles at der ansættes en assistent for bibliotekaren, der ogsaa skal utføre det stenografiske arbeide ved seminariet og lønnes med $1,200 aaret.

Jeg anser det ikke forsvarlig at undlate at henlede kirkens opmerksomhet paa den tiltagende trang hos vore studenter til pekuniær understøttelse. De som ansøker om

hjælp for at kunne drive sit studium er blit saa mange, at det er meget vanskelig med de midler som staar til skolens raadighet, at hjælpe dem.

For en del er derfor stillingen den, at de paa grund av pengemangel muligens maa avbryte sit studium for en kortere eller længere tid. I betragtning av kursusets kortvarighet vil en saadan avbrydelse betænkelig forkvakle deres forberedelse for prestegjerningen. Den hjælp vi ogsaa kan yde trængende studenter, er væsentlig laan. Men denne slags støtte er for de flestes vedkommende en noksaa byrdefuld hjælp. Paa grund av sin kostbare skolegang før de kom til seminariet, har de nemlig paadrat sig en saa stor gjæld, at de ved seminariet ikke godt kan forøke den med nye laan. Følgen av dette vilde nemlig bli, at de maatte begynde sit arbeide som prester saa betynget av gjæld, at det maa bli skjæbnesvangert baade for dem selv og deres gjerning som prester. Dette bedrøvelige forhold kunde i betydelig grad fjernes om seminariet hadde et større stipendiefond, hvorav værdige trængende studenter kunde helt eller delvis faa scholarships istedenfor laan. Noget mener jeg maa gjøres i denne sak, hvis vi skal vente at faa tilbørlig tilgang av collegegraduenter. Ti der er ingen grund til at haabe at saadanne studenters økonomiske kaar vil forbedres. Her mener jeg: den der kan avse penger til Guds rikes arbeides fremme, burde føle sig opfordret til at yde av sit overflødige gods til et saadant fond.

Hvad jeg i anledning av bedre arbeidsbekvemmeligheter forela kirken ifjor, skal jeg efter fakultetets anmodning ogsaa gjøre iaar. Vor gjerning, baade professorers og studenters, lider utilbørlig paa grund av for litet rum. Der trænges en administrations- og bibliotekbygning. Paa grund av samfundets økonomiske forfatning samt av hensyn til vore colleges trang har seminariet hittil villig fundet sig i at gjøre sit arbeide under betydelige forhindringer. Men aarsmøtet vil ikke undres over, om det nu ber det, for at der dog inden en nogenlunde rimelig tid kan ventes en forandring, at det iaar tar forberedende skridt til avhjælp av nøden. Fakultetets begjæring er da, at aarsmøtet autoriserer Board of Education, Board of Trustees og seminariets fakultet til at engagere en arkitekt til at utarbeide planer for en ny bygning, samt at komiteen bemyndiges til ellers at ta de forberedende skridt som den maatte anse for tjenlige. Til at bestride utgiftene for dette anbefales en bevilgning av indtil $1,000.00.

Vicebestyrerens embedstermin utløper iaar.

Skolen avslutter aarets arbeide for 1ste og 2den klasses vedkommende med opflytningseksamen fra 17de til 21de mai, og for 3dje klasses vedkommende med embedseksamen, der avsluttes med commencement den 28de mai. Følgende agter, om Gud vil, at fremstille sig til avgangseksamen:

Praktikerne

Arnold Edwards, Hans Oscar Gunstenson, Alfred Rawholdt Petersen, Hans P. Rønhovde, Thomas Orlin Torgeson, Amund Tveit.

Teoretikerne

Russell Ellsworth Anderson, Olaf G. Birkeland, John Emil Borgen, Lawrence Emil Brynestad, Carl Fridolf Carlson, Berent Hatlem, Einar Roger Larson, Michael Luthro, Gerhard William Mathre, Carl Opsahl, Martin Bernhard Ranum, Ernest George William Sihler, Thomas Philip Solem, Morris Alvin Sorenson, Ernest Bennet Steen, Arthur Leonard Swenson, Reuben Clayton Teslow, John Oliver Trontvet, Edgar O. Urness, Wilhelm Henry Westby.

Med dyptfølt taknemmelighet ser vi tilbake paa det forgangne skoleaar. Herren har været saare god mot lærere og studenter. Han være for Kristi skyld fremdeles med sin presteskole, skjænke den sine gaver og hjælpe den ikke at glemme sit kald, men komme det i hu i frygt for Herren og i kjærlighet til hans arbeide i verden til sjæles frelse!

I broderlig ærbødighet,

Marcus O. Bøckman,
bestyrer.

LUTHER COLLEGE PRESIDENT'S REPORT

To the Board of Education of the Norwegian Lutheran Church of America:

Commencement exercises at the close of last school year were held June 2, 1925. The Baccalaureate service was held the previous Sunday, the sermon being delivered by Rev. Christian B. Bestul, of Ettrick, Wisconsin. Congressman O. J. Kvale delivered the Commencement address. The degree of Bachelor of Arts was conferred upon 41 graduates. Fifteen were graduated from the Preparatory Department. Seven were given certificates of having completed the course prescribed for the Junior High School.

The total attendance this year has been 345, distributed as follows: Seniors, 57; Juniors, 69; Sophomores, 83; Freshmen, 96; special students, 2; and, in the Preparatory Department, 38.

I wish again to call attention to the excellent spirit that permeates the members of our faculty, and the desire they manifest to use every opportunity to advance in their chosen fields of scholarship. Five of them are at present studying at leading universities for advanced degrees. They are conscious of the responsibility to which the Church has called them as teachers of young men who are later to become ministers of the Gospel or otherwise assume positions of leadership among our people, and they are eager to meet this responsibility in the most satisfactory manner possible. While they accept without complaint such remuneration as the Church accords them, it has been my hope that the present Luther-St. Olaf endowment appeal would be sufficiently successful to permit some increase in salaries.

Last June, Prof. J. Magnus Rohne received the degree of Doctor of Theology (Th. D.) in Church History and the History of Dogma, from Harvard University; and last August, Prof. O. A. Tingelstad received the degree of Doctor of Philosophy (Ph. D.) in Education and Psychology from the University of Chicago. The subject of Dr. Rohne's thesis is "Norwegian-American Lutheranism up to 1872"; and of Dr. Tingelstad's, "The Religious Element in American School Readers up to 1830." Both of these theses will be published. They are valuable contributions to knowledge.

At the Semi-Centennial exercises of St. Olaf College last June, Dr. Knut Gjerset was given the honorary degree of Doctor of Letters (Litt. D.). It was a fitting recognition of Dr. Gjerset's distinguished services as a historian. At the annual meeting of the Lutheran Statistical Association of America, held last January, Dr. O. M. Norlie for the tenth time was elected president. Dr. Norlie ranks as one of the leading statisticians of our day. Dr. A. M. Rovelstad has for several years been chairman of the Classical Reading Circle of the Classical Association of the Middle West and South, an organization that comprises Latin teachers at universities, colleges and high schools in thirty states. This is a signal recognition of his scholarly attainments, for, as chairman of this committee, he directs the preparation of a list of works that the committee recommends for study by teachers in the classics in high schools who would increase their knowledge in this field.

Additions to the faculty this year, aside from those mentioned in another connection, are Prof. Orlando W. Qualley, who has returned after studying a year and a half at the University of Michigan, and Profs. Harold Amland and Erik Ravndal.

The present school year is noteworthy in various respects. The student body has displayed a very commendable attitude toward their school work and other college duties, and have cooperated with the faculty to further the best interests of the College. As an example of their interest in the welfare of their Alma Mater, I might state that in the early part of February they added $15,118.50 to their subscription to the new gymnasium, and that later in the same month they pledged $10,000.00 to the Luther-St. Olaf endowment. Animated by the same spirit, a voluntary mission class has undertaken, by giving public programs here and there in our Church, to raise funds for an automobile for Missionary H. Otte in South Africa. Aside from its financial value to the causes espoused, the interest thus displayed and engendered for Christian education and missionary activity augurs well for the future of our

Church and should increase the zeal of our people to maintain our Christian colleges on a level with the best colleges in the land.

In this connection, I might call attention to the fact that, in November, Rev. A. B. Anderson, of the St. Paul Bible Institute, delivered a series of addresses on the Gospel according to Matthew; in December, Dr. Carl M. Weswig, of Luther Theological Seminary, delivered an address on the ritual of our Church; and in February, Rev. C. S. Thorpe, of Minneapolis, and Rev. T. F. Gullixson, of Minot, in a joint series of addresses, dwelt on the work and experiences of a pastor. Other addresses and lectures, that have brought the students into intellectual contact with the outside world, have also been delivered. In October, the ladies of the faculty presented a very pleasing Norse-American Centennial program appropriate for the occasion.

Last October 14th, in commemoration of the hundredth anniversary of Rev. H. A. Preus' birth, a check for $1,000 was received from his former congregations in Wisconsin and other friends for a bronze bust of Pastor Preus to be placed in Koren Library. The presentation address was made by Dr. O. E. Brandt, of Luther Theological Seminary. A clay model of the bust, which earlier in the day had been given its final touches by the sculptor, Mr. Gilbert Riswold, in the presence of members of the Preus family, was on display at the time. The bronze bust arrived at the College later in the year. It is a worthy memorial of one of the founders of the College and a valuable specimen of the artistic ability of one of our people who has attained to national eminence as a sculptor. The following day Mr. Riswold showed the students and faculty how the sculptor models his clay.

The contract for the new C. K. Preus Gymnasium was let in April. The building committee consists of Prof. S. S. Reque, Dr. A. M. Rovelstad, Dr. T. Stabo, and the undersigned. The architects are Hanson and Altfillisch, of Decorah. The plans for the building were prepared after much thought and investigation. The building will meet the requirements for a modern gymnasium; it will be adapted for use as an auditorium with a modern stage and a pipe-organ loft; it will be equipped with a kitchen, so that it may be used for large social gatherings; it will provide space for chapel exercises until a chapel is built on the campus; and, in case of necessity, it will provide five or more good classrooms. It will, therefore, be a very useful building. A committee elected by the Musical Union is planning to install a pipe organ, and the ladies of the faculty have undertaken to raise funds with which to equip the kitchen. The old gymnasium, immediately behind which the new gymnasium is being built, is being removed. It served a useful purpose in its day, but it was too dilapidated to warrant any expense for repairs.

From year to year, Koren Library assumes a more definite place in the scholastic life of the College. It affords ideal accommodations for undisturbed study and is a favorite resort of the students for the preparation of their lessons. The library now contains 36,220 bound volumes and 10,000 pamphlets and unbound volumes. 1,510 volumes and 674 pamphlets have been added during the year, and 110 volumes have been withdrawn as duplicates or worn out books. The re-classification of the library, according to the system in use in the Library of Congress, proceeds as rapidly as circumstances permit.

The museum continues to grow under the efficient direction of Dr. Gjerset. Many valuable articles have been received in the last year, among them thirty-seven paintings by Mr. H. Gausta, which have been appropriately framed and hung in Koren Library, and the regimental flag of the famous Fifteenth Wisconsin Regiment, commanded by Colonel Hans Christian Heg. The museum has been made the official museum of the Norwegian-American Historical Association and is now known as the Norwegian-American Historical Museum. The day is not far distant, in fact it is already at hand, when the many invaluable and irreplaceable articles in our museum should be housed in a modern fireproof building. In order to help provide necessary space for the museum until such a building shall grace our campus, Sunnyside, the stone residence on the campus formerly owned and occupied by President Preus, is being repaired and remodeled. Hereafter, Dr. Gjerset will also have charge of the collection of material for the archives of the College.

As this report is being written, the Luther-St. Olaf endowment appeal is

approaching its consummation. The appeal has been conducted according to the resolution passed at the annual meeting of our Church in 1925 and in the territory then assigned the two colleges for this purpose. It has been directed by Dr. O. H. Pannkoke, who has been very successful in similar work for a number of other Lutheran Colleges. The appeal has involved a widespread organization; many meetings in Minnesota, Iowa, Wisconsin, and Illinois; a multitude of addresses in which the cause has been presented to our people by word of mouth; and the presentation of the cause in our church papers, in the secular press, in special bulletins, and various other printed ways. It has been a campaign of education for Christian education in general, and for Luther and St. Olaf in particular. It has been a movement of great significance for our Church. While the immediate objective sought has been the additional endowment needed to meet the requirements of the North Central Association of Colleges and Secondary Schools, the educational and other results that will follow this joint appeal will probably equal, if not exceed, the financial returns.

During the second semester, Drs. Tingelstad, Norlie, and the undersigned have been relieved of regular class work, and other duties at the College; and Profs. O. Tonning, Olaf Malmin, and Henry Peterson have served as instructors in their places. Some re-arrangement of classes and shifting of duties have of course been necessary. A quartet, consisting of Torstein Kvamme, Simon Sanderson, Harold Ellickson, and Osmund Salveson, has taken part in fourteen endowment meetings held in four states. Most of the members of the faculty have served as speakers in the endowment appeal and some of them in other capacities, notably Prof. S. S. Reque as chairman of the Decorah Circuit and Prof. L. A. Moe as chairman of the Decorah Alumni district. As a result of the temporary shifting of duties, additional tasks have fallen to Profs. Sihler and Eittreim. The students also have responded heartily to all requests for assistance. As a result, work at the College has suffered some disturbance this semester, altho this disturbance has not been without definite compensations to all concerned.

Altho there have been two very serious cases, and various other cases, of illness among the students, there has been no death. For this we are duly thankful. Our very capable nurse, Miss Nora Walhus, who measures her day's work only by her strength, is deserving of much commendation for the faithful manner in which she performs her duties.

May God continue to hold His protecting hand over Luther College and use it as an efficient instrument to accomplish His purpose.

Respectfully submitted,

May, 1926. —Oscar L. Olson.

ST. OLAF COLLEGE

President's Report

To the Board of Education of The Norwegian Lutheran Church of America:

In accordance with custom I am herewith submitting report covering the school year 1925-26.

The work has been carried on with a staff of 65 teachers, 48 men and 17 women. This number, however, includes one teacher emeritus, two who are absent on leave for study, three part time teachers, and seven whose time is partly or wholly taken up with administrative duties. Several additions have been temporarily made to the faculty during the present year, because of the increased attendance. Professors Holmquist and Thormodsgaard, who have been away for study the last year, will return at the opening of the new year. Professors Hartwig, Menchhofer and Hamre have resigned after several years of faithful work. Prof. Motland, Mrs. Mohn ann Mrs. Freche have filled vacancies on account of absences for study. Miss Malmin and Miss Post will be absent the coming year to continue their graduate work. Miss Karen Larsen will be absent, engaged in writing a biography of her father, Dr. Laur. Larsen, the first president of Luther College. In justice to the many, who these last years have been absent for study, it should be said that it has been done on their own expense, with very few exceptions.

In place of those who have resigned or will be absent, the following are recommended for election or appointment: permanent, Rev. Theo. Huggenvik, Religion; temporary, Richard Beck, English; E. G. Sweibert, History; Agnes Larson, History; Nels Minne, Chemistry and Mathematics; Robert Mortvedt, English, and Arthur Paulson, English. No teacher has been found as yet to take place of Miss Post in the Department of Physical Education for Women. It may become necessary to appoint an additional instructor in Norwegian.

The work at the college has been done faithfully and well. Sickness has, however, interfered unusually this year. One student died in January after a lingering illness. Everything was done to give him proper care. But his time had come. In February Prof. Carl Nordberg died, after having been sick several months. He was a faithful teacher and a fine Christian personality. His highest aim was to buld up the Christian life of the students. He leaves his wife and several young children to mourn his passing. Dr. Glasoe, Rev. Kleven, the undersigned and, part of the time, Miss Hilleboe and Prof. P. G. Schmidt, have been absent from the school the second semester, engaged in the Luther-St. Olaf Endowment Campaign. This, together with the death of Prof. Nordberg, threw an extra burden on the remaining members of the faculty. The work and responsibilities of the President's office have been carried by Dean Thompson in addition to his regular work. They have carried the work on with faithfulness and fidelity. In addition both faculty and students have assisted in the campaign, both by deed and word. Nearly $30,000.00 was pledged and this after giving $25,000.00 two years ago for the new building.

The question of salaries is one that must soon come up, as the schedule now in force is not adequate, especially as there is no retiring allowance nor funds available to pay for further study.

The attendance the present year is as follows:

On the assumption that they will satisfactorily complete the spring semester's work, 183 seniors will be recommended for graduation, for the degree B. A., 91 men and 88 women, B. Mus., 3 women, and for Diploma in Voice, one woman.

The new building completed and dedicated last year has been taken into use. Its value to the college cannot be estimated. The cost of building equipment came to about $310,000, $80,000 of which was given by the General Education Board in New York. They and all, who so willingly contributed, deserve our thanks and appreciation. The alumni, tho young and certainly not rich, gave over $70,000 in cash. The building is an expression of the good will of our people for St. Olaf.

Last fall the erection of the first unit of the Music Hall was started. It will be finished in time for the opening of the next school year. The funds for the building have been provided mostly thru the tours of the St. Olaf Choir, under the direction of Dr. Christiansen and the management of Prof. P. G. Schmidt. Not enough funds are on hand to pay the total cost, but it is hoped that the balance can be provided thru the further activities of the musical forces of the College. It would have been fine if the whole of the building could have been completed at this time as an expression of appreciation of the contribution of Dr. Christiansen to our Lutheran Church and people. We have, however, left it to him to build his own monument.

The Harald Thorson Estate has been transferred to the College and is now under the management of Prof. P. O. Holland, who resigned the position of Business Manager, retaining his position as treasurer of the College. Prof. A. O. Lee has taken his place as Business Manager and Edw. C. Jacobson acts as Assistant Treasurer. The estate is in good shape. No losses have so far been sustained, but it will still take some time before the economic conditions will permit its liquidation. When this happens the money wll be used to build very much needed dormitories.

The Radio Station, W.C.A.L., has according to the request of the last Annual Meeting continued to broadcast. It should be continued, altho not enough money has come in to run it on an efficient basis. They who "listen in" should be encouraged to contribute and the Publicity Committee of the Church should be authorized to pay the difference between income and disbursement. It is a splendid way of preaching the Gospel to many who either will not or can not hear it otherwise.

During the past two years two of our professors, Rolvaag and Boraas, have published books, which have reached a large public. Prof. Rolvaag's books have been published in Norway and will soon come out in English translation. The books of both men have attracted wide and favorable attention.

There is a rich religious life pulsating at St. Olaf. In so many ways this finds expression. This year we have had the help of Revs. Ronning and Gornitzka. Each in his own way has made a contribution to the Christian life at the College.

The problems in connection with a student body of over 1000 are many and often complicated. In the main discipline is good, tho at times things happen that grieve the heart. But taken as a whole the extreme cases are few. This can be ascribed to the fine spirit of cooperation existing between faculty and students in the solution of the many problems arising. The students are our own sons and daughters and the Christian training at home and in the Church tells, when they come to college. Of the 1,005 students this year, only 29 are not Lutherans. These are mostly local students.

A special report will be printed covering the endowment campaign, so nothing more will be said here, except that we are put to shame when we see the faith and good will of our people.

May God give us at St. Olaf grace to live up to the large expectations of our people and our Church.

L. W. BOE.

AUGUSTANA COLLEGE AND NORMAL SCHOOL PRESIDENT'S REPORT

Augustana College and Normal School completed with June 1, a successful school year. The following have served the institution as teachers: C. M. Christianson, Psychology and Normal subjects; John G. Berdahl, Latin; Ola

Solheim, Norwegian; H. S. Hilleboe, Education; C. O. Solberg, Philosophy; Borghild Bue, English; Hugo Carlson, English and Forensics; J. A. Johnson, Physics and Mathematics; Mrs. J. A. Johnson, Domestic Science; Rev. A. T. Tollevs, History and Sociology; A. S. Moore, Chemistry; George H. Gilbertson, Economics; Dr. Carl R. Youngdahl, Organ and Musical Theory; Rev. Dr. Iver Iversen, Religion and Greek; Mrs. Charles Davis, French; Anna Kirketeg, Practice Teaching; Esther Quello, Biology; Alette Jahren, Piano and Theory; Marie Toohey, Violin; Dagna Berg, Voice; Frances Moore, Piano and Cello; Carl Anderson, Physical Training; Clara Knudson, Stenography; Mrs. C. Benton Loe, Commercial subjects; Cynthia Pankow, English; Mrs. John Fitzgibbon, Jr., English and Drawing; Mrs. H. Eunice Jevne, Librarian.

The school graduates this year, 19 from the College Department; 30 from the Advanced Normal Course; 48 from the One-Year Normal Course; and 29 from the Academy. The following receive the B. A. degree: Clifford G. Anderson, Carl E. Boe, J. Myron Engen, Leif I. Fjellestad, Gladys T. B. Gilbertson, Bernice Lucile Halverson, Clarence M. Hanson, Alvin J. Jerde, Elmer G. Larson, Marguerite Constance Larson, Ruth Magdalene Leverson, Julius Lillehaug, Clarence O. Mengshol, Clifford J. Olson, Luella B. Querness, Alma T. Thompson, and Mildred Travaillie. Those receiving the B. Mus. degree are Agnes Eveline Snoen and Joseph C. Thompson.

The school year has been a profitable one. The enrollment has reached a total of 420 in all departments. The a Capella College Choir took a successful tour to the West Coast. The Forensic Department completed a two-year record of 34 victories in debate out of 38 debates entered. In Oratory, the school reached fourth place from the top in the National Contest at Estes Park, Colorado, and won second place in the National Contest at Norman, Oklahoma, Mr. Marcus Houge being the representative in either case.

The year was fortunate also in a series of services by Rev. A. B. Anderson of St. Paul Lutheran Bible School. Religious activities otherwise in the school have assumed marked strength.

The weeks prior to the holidays were darkened by the most unexpected illness and death of Prof. Kalmar J. Jacobson. He had been in the service of the school vacations as well as school time from his coming, three years ago in September. As incumbent of the chair of History and Sociology he had won the respect of many. Religiously and socially he had proven himself a friend to the average student, and his loss was deeply felt by the institution as a whole and the Church at large. May the Lord give many among us the devotion to the cause of Christian education which marked his short but precious career at Augustana College.

Respectfully submitted,

Sioux Falls, South Dakota, C. O. Solberg, president.

CONCORDIA COLLEGE PRESIDENT'S REPORT

To the Board of Education of the Norwegian Lutheran Church of America:

Concordia College opened its school year on September 8th, 1925, and closed on June 1st, 1926. The total enrollment for the year was 404. Of this number 367 were enrolled in the college department and 37 in the music and preparatory departments. The degree of Bachelor of Arts was conferred upon 63 graduates, this being the largest class in the history of the institution. During the past eight years the college department has increased 347 per cent. The freshman class last fall numbered 157, an increase of almost 100 per cent over the previous year. We have been compelled to limit the enrollment of the freshman class next fall to 200.

Two epoch-making decisions of the Church at its last convention in June, 1925, have meant much to the future of Concordia College. Our institution was assigned a definite territory and authorized to raise an endowment fund. These decisions have placed the responsibility, management, and control of Concordia College into the hands of a definite constituency and provided the necessary funds to care for the increasing financial needs.

The outstanding feature of the present school year has been the ingather-

ing of the Endowment Fund. This work has been carried on in the "Concordia Territory," consisting of twenty-four circuits in North Dakota and Northern Minnesota. Thru the written and spoken word, our church people have become thoroly acquainted with the needs and possibilities of their college. The 270 pastors have given unsparingly of their time and service to the success of the campaign. Many pastors and lay men have devoted weeks to the pre-canvass. An army of twenty-five hundred pastors and lay men participated in the final week of soliciting, May 16-22. It is not an exaggeration to say that our people have never before manifested such interest and devotion to any cause for the advancement of the Kingdom. On behalf of Concordia College I wish to express my sincere appreciation to our circuit chairmen, pastors, solicitors, and our church people as a whole for their loyal co-operation and generous gifts which have made this great undertaking a signal success. I cannot refrain from making special mention of the unqualified support given this cause by President I. T. Aastad of the Northern Minnesota District and by the late President I. D. Ylvisaker of the North Dakota district, both of whom served on our campaign committee. President Ylvisaker literally laid down his life for the cause. A portion of the fund subscribed by his friends in North Dakota will be set aside as "The I. D. Ylvisaker Memorial Fund for Concordia College." Blessed be his memory among us.

On the whole, Concordia College has enjoyed a successful school year. The best harmony has prevailed among the teachers and the students, and the daily tasks have been faithfully and conscientiously performed. During the second semester, the faculty assumed additional duties in order to permit four teachers to devote their time largely to the endowment campaign.

The college nurse and deans have conscientiously guarded the health of the students and have dealt efficiently with an epidemic of scarlet fever and other illness among the students.

The conduct of the students has been commendable. Wherever cases of discipline have arisen, the administration has been given the full co-operation and support of the student body. The interest of the students in spiritual activities of the College has been especially gratifying. In addition to the regular religious activities, Dean Miller has conducted Tuesday evening Bible studies, and Prof. A. B. Anderson a week of devotional meetings. These men from our Lutheran Bible Institute have been given a blessed gift of presenting spiritual truths to young people, and they have left a deep impression upon our students. We trust that they will be willing to continue this service to the College during the next school year.

Since January 1st the College has broadcasted its chapel exercises and Dean Miller's Tuesday evening Bible hours by long distance control from station W-D-A-Y, Fargo, N. Dak.. This service is greatly appreciated by our church people and will be continued during the next school year.

The Concordia a Capella Choir and Concert Band, under the direction of Prof. Herman Monson, have completed extended tours and appeared in several week-end concerts in neighboring cities. The College has maintained two choirs and two bands thruout the year.

The Board of Directors and the Board of Trustees of the College have authorized the establishment of three new departments of instruction for next year, the department of Philosophy, Physics, and Public Speaking. Owing to the increased attendance, several additional assistant instructors will be added to the faculty next fall. The following new teachers have been engaged for next year: Konrad Lee, Ph. D., Department of Physics; Thos. O. Burgess, Ph. D., Department of Education; Matilda Nelson, M. S., Home Economics Ruth Lima, A. B., English; Frank Cleve, A. B., Department of Physical Education and Coach of Athletics; Paul A. Rasmussen, A. B., Department of Public Speaking and Dean of Men; Carl B. Ylvisaker, A. B., Department of Religion; Martha T. Juve, College Nurse. Practically the entire present faculty have accepted their re-elections.

After 15 years of consecrated, constructive and self sacrificing service, Dr. J. A. Aasgaard, the beloved president of Concordia College, was called to the presidency of the Norwegian Lutheran Church. During his regime the College enjoyed unprecedented growth and development. From a small, strug-

gling academy, it has become the second largest College of the Church. The remarkable development of the College, in enrollment, prestige, and scholastic standing, was due in no small measure to Dr. Aasgaard's able administration. While Concordia could ill afford to lose his services at this time, we extend to him our sincere appreciation for what he has accomplished for Concordia College and the Church in the Northwest, and pray that God may grant him many years of service in the responsible position to which he has been called.

With grateful hearts we return thanks unto our Heavenly Father for the temporal and spiritual blessings so abundantly bestowed upon us individually and as an institution during the past year. May these undeserved blessings spur us on to greater consecration and more unselfish service in His Kingdom. Soli Deo Gloria.

Respectfully submitted,

J. N. Brown, president.

RED WING SEMINARY

PRESIDENT'S REPORT

Red Wing Seminary completes this year its forty-seventh school year. It has in some respects been one of the most noteworthy years in the school's history. Perhaps at no other time has there been in evidence at school such general religious interest as at the time of our mid-winter evangelistic meetings this year. These were in charge of Evangelist E. L. Scotvold. God blessed the message he delivered in such a way that a general awakening resulted. It is not possible for men to speak definitely about the permanent results in every case in matters of the spirit; but it may truthfully be said that the evidences of more consistent Christian living indicate that for many the awakening has resulted in "newness of life" and re-dedication to the Master. We pray that in future years the presence of the Spirit may be even more markedly felt.

The attendance this year has totalled 126,—sixty-four boys and sixty-two girls. The number of boys is the same as that of last year; but the number of girls equals only three-fourths of last year's. Here is another evidence of the serious handicap that the school labors under as long as its dormitory facilities for girls are inadequate.

The undersigned has made investigations at the University of Minnesota in the matter of introducing junior college work at Red Wing Seminary. It would mean the addition of two more teachers for the first year of college work, and of two more the second year unless some re-adjustments could be made in the academy faculty.

Of our thirty graduates this year from the Academy and Pro-seminary departments, sixteen are boys, and of these at least ten have definitely decided to prepare themselves for the ministry; the probability is that even more will eventually find their way to our theological seminary. More than fifty per cent of our boys who graduated in 1925 left with the same determination.

At the graduation exercises this year Rev. N. J. Njus will preach the class sermon and President J. A. Aasgaard will give the commencement address.

May 5, 1926. Herman E. Jorgensen.

MADISON NORMAL SCHOOL

PRESIDENT'S REPORT

To the Board of Education:

The Lutheran Normal School has enjoyed a good year.

The teachers in the year 1925-1926 have been as follows:

A. K. Feroe, Mathematics.
Andrew Hegre, Sciences.
Arthur Arneson, Latin, History.
Lillian Londahl, English.
Cora Martinson, Norse, Sciences.
Marie Dale, Music.
Bertha Hendon, Model School.
E. R. Rorem, Religion.

The attendance has been the best for many years, 109 students having been enrolled, aside from the Model School. This is the more gratifying since

it more than makes up in attendance for the loss incurred by discontinuing the Normal Department.

The School will do well in further strengthening the academic work.

The qualifying of young men and women to serve as parochial and Sunday School teachers should not be adversely affected by the change that the School is undergoing in discontinuing the Teacher Training Department.

Much interest has been manifested in the future welfare of the School by the Lac Qui Parle and Montevideo Circuits. Both circuits have pledged their active support of the School.

The Lac Qui Parle Circuit Luther League has unanimously decided to assume one-half of the salary of a fieldman for the School and hopes for a possible similar action by the Montevideo Circuit League.

On April 15th President J. A. Aasgaard visited the School and had a conference with a number of representative men in this territory in regard to the various problems of the School. The discussion and spirit of the meeting were such as to give fine encouragement and to stimulate interest in the future well-being of the School.

—E. R. Rorem.

CANTON LUTHERAN NORMAL

PRESIDENT'S REPORT

To the Board of Education:

Canton Lutheran Normal opened its sixth year September 7, 1925, and will complete it May 31, 1926.

The administrative officers have been: H. M. Dale, acting president; Paul Rasmussen, vice president; Maren Linstad, registrar; Constance Weswig, dean of women; Eugene Lee, dean of men; Esther Lium, librarian; Lena Tjentland, stenographer and bookkeeper.

The instruction has been given by the following teachers: H. M. Dale, Education and Psychology; Paul Rasmussen, History and Economics; Eugene Lee, Religion and Science; Elizabeth Muus, Biology and Mathematics; Maren Linstad, Methods and Review; Constance Weswig, English; Esther Lium, English; Gladys Johnson, Home Economics; Muriel Stubkjaer, Drawing and Handwork; Bertha Rorstad, Latin and History; Alvin Albert, Bookkeeping and Commercial Branches; Mrs. Nell Albert, Shorthand and Typewriting; Mrs. Paul Rasmussen, Voice; Clara B. Duea, Piano, Theory and Chorus.

We have had a good attendance during the year, averaging about 15 pupils more than last year in the regular student body, altho our total attendance fell below that of last year, owing to our Music Department. Miss Palma Anderson, who taught at our School for a number of years, severed her connection with the School last year. She has her own studio in town and has thus retained most of her old pupils.

Sixty-eight graduates have completed courses as follows: thirteen the two-year advanced course, eighteen the one-year above high school course, thirty the four-year intermediate course, one the four-year high school commercial course, three the two-year commercial course, two the one-year stenographic, one the one-year home economics course; besides these six receive certificates for completing the winter short courses.

In the month of March Reverend A. B. Anderson conducted a three-day Bible institute, and held private conferences with a great number of students. The students have taken a great deal of interest in religious work, especially was this evidenced during Pastor Anderson's stay here, and also during Mr. Scotvold's meeting in the local church.

Last summer a Bible conference of one week was held at the Normal, as has been the custom the last few years, and a growing interest is evidenced in these conferences. A similar conference will be held this year, beginning July 4.

The South Dakota District has made arrangements to take over the schools, and a definite program for the two schools has been arranged. Thus everything seems to point to a bright and harmonious future.

We give all praise and thanks to God.

—H. M. Dale, acting president.

CLIFTON COLLEGE

The Clifton College has enjoyed a blessed year in spite of the drought and crop failure last year.

The attendance in the academy shows a marked decrease from that of last year, but the increase in the attendance in the Junior College more than offsets the loss of the academy.

The Clifton College has now four of its graduates at the Seminary, two at St. Olaf College, and four at Luther College, a total of ten attending our colleges and seminary in the north.

There has been no sickness either among the students or teachers. The college is recognized by the State Department of Education of Texas and has been admitted as member of the Association of Texas Colleges. The work done at Clifton College is thus recognized as being on par with the corresponding work of the state university and that of any standard college in the south.

LUTHER ACADEMY

Luther Academy opened the thirty-eighth school year September 8, 1925, and will close with the graduation of a class of 49 members, Friday, June 4. The enrollment reached 120 during the year, and the average attendance has been approximately the same as in former years.

With the exception of a few cases of measles, the health conditions have been good.

As we analyze the work of the year, we feel impelled to stress the fine attitude of the students and the feeling of responsibility manifested by the teachers.

Our prayer is that God may continue to bless our efforts in disseminating useful knowledge and in establishing the students in a true and living faith.

—Rev. J. O. Tweten, president.

OUTLOOK COLLEGE

The eleventh school year began on September 29th and will close on June 20, 1926.

Sixty students—thirty-seven boys and twenty-three girls—have been in attendance. Twenty of the forty-five academy students will complete their junior or senior matriculation this summer.

Considerable repairs have been undertaken, especially in the Boys' Dormitory. All rooms in both buildings have been kalsomined or painted. Some supplies have been bought for the gymnasium.

There will also this year be a slight surplus on operation; and by a drive headed by Rev. H. L. Urness, the College Association has also been able to reduce the old debt. The lack of regular pastoral service for the College has in part been offset by an increased religious activity among the students. There has been a general religious interest manifest in all religious meetings and church activities.

No serious sickness has hindered our work this year .

—K. Bergsagel, president.

PACIFIC LUTHERAN COLLEGE

By the grace of God another school year has been terminated which has been rich in God's blessing in many ways.

First of all, we thank God that we have been spared from serious illness of any kind. Students and teachers have worked in the best of harmony and understanding.

In the next place we want to call attention to the fact that in July, 1925, the board of education of the State of Washington granted full state accreditation to our Normal Department. We are grateful that the State has thus recognized our work also in this department.

In regard to the internal work of the school we thank God for the fact that our student body is made up of boys and girls that are doing their work earnestly and will by the grace of God be a credit to our institution.

Sometime ago the state board of education inspected our Normal Depart-

ment, and they were well pleased with the work. The examining board assured us that they found the institution to be a high grade.

But that which especially makes the school valuable and a necessity is the fact that it is a Christian school, builded on Jesus and His righteousness. The need of the Christian school can never be over-estimated, and We Christians should count it a privilege that we are permitted to work for this cause, which is so vital to the Church and its life.

The greatest difficulty we have had to face is the financial situation. We do not understand how our dear Church could cut our allotment so severely as it did last summer. We hope and pray that at the coming convention the Church will be able to make a fair allotment that the existence of the school may not be threatened.

The total attendance last year was 165. The Junior College and Normal Department have this year increased 100 per cent.

The outlook for a large increase in attendance is very bright.

To God all glory.

Respectfully,

—O. J. Ordal.

PARK REGION LUTHER COLLEGE

Park Region Luther College during the school year 1925-26 has had an enrollment of over 220, not counting the music students. Fifteen teachers comprise the staff of the following departments: Junior College, Normal Training, Academy, Commercial, and Music.

We expect to graduate a class of 65 in June, the largest in the history of the school. Twenty-five of these are from the academy. We have enjoyed a splendid year. Very little sickness of a serious nature has interrupted the work. A student body above the average in earnestness of purpose and deportment has made the work pleasant and fruitful. For the many blessings enjoyed we are duly thankful to our Heavenly Father.

Owing to a steady increase in attendance it is imperative for us to increase our facilities. Especially is the lack of class room space and a suitable auditorium keenly felt. We hope to be able to remedy this before the next school year by erecting a suitable addition to the building this summer.

—E. Wulfsberg, president.

PLEASANT VIEW LUTHER COLLEGE

Pleasant View Luther College is about to complete its thirtieth year on June 4th. More than six hundred graduates have gone out these years, and many more have attended for a shorter period. Who but God can measure the spiritual blessings which have gone out in these years? The past year has been a happy and prosperous one. The teachers have labored in the best of harmony. Tho a financial depression has been felt among the farmers owing to low prices for grain, yet despite this fact the attendance has been slightly better than during the two preceding years. A healthy, spiritual awakening has visited the school and has brought joy and profit to students and teachers alike. An effort is being made to liquidate the school debt and is meeting with favor. An attempt will also be made to enlarge the present endowment fund. Plans are being made to add a freshman college year in the fall. The undersigned did not see his way clear to leave the ministry and enter upon the duties as president permanently. Fortunately, Prof. Harold C. Rader has been secured as permanent head and will assume his duties July 1st. We look forward with renewed hope for continued good work at Pleasant View.

May 2, 1926. —T. B. Thorson, president.

III. COMMITTEE REPORTS AND RESOLUTIONS

In editing this part of the Annual Report the secretary has, wherever possible, incorporated into the printed resolutions the changes adopted by the meeting. The sub-joined copy from the convention journal shows what the changes are and where they have been made.

Committee No. 2 consisting of Rev. O. Glesne, Rev. A. M. Kraabel, Rev. E. S. Belgum, Rev. Arnold Flaten, Rev. Olaf Holen, Rev. H. A. Okdale and delegates W. A. Suby aand E. Aas, organized by electing Rev. O. Glesne chairman, and H. A. Okdale secretary.

The committee begs to submit the following report:

Sec. 1

a) Be it hereby resolved that the Norwegian Lutheran Church of America expresses its sincere thanks and gratitude to the Triune God for His manifest goodness and mercy thru which He has made it possible for more than 4,000 of our young people to enjoy the choice blessing of being educated in our church schools.

b) Be it further resolved that the Norwegian Lutheran Church expresses its sincere thanks to God for the many faithful, efficient and self-sacrificing workers in our church schools who are serving so conscientiously and effectively our Church and country in diseminating Christian knowledge to the young people of our church seeking higher education.

We pray God in mercy to continue to prosper our church schools by giving us teachers in all departments, whose lives and teachings ring true to the confessions of our faith in the Triune God.

c) The Church expresses its gratitude to God for the splendid success of the recent endowment drive for Christian Education, for by His unerring Spirit He caused our church people to believe that even a mustard seed af faith could remove mountains. He gave us the faith. The mountain has disappeared. His church is stronger in faith and richer in true happiness. To God be the glory.

d) The Church expresses its sincere thanks and appreciation to all the pastors, congregations and special workers for their energetic, faithful and persistent work, making possible the epoch-making results of our endowment drive.

Sec. 2. Madison Normal School

Whereas the Madison Normal school has because of lack of students for the Normal Department been compelled to discontinue said department during the school year 1925-1926,

Therefore, be it resolved, that the following recommendation by the Board of Education be adopted:

"In the course of the steady and rapid development of the new demands and new situations in the educational world, it has become increasingly difficult to meet certain lines of requirements. This applies among other matters to the operation of normal training departments. Under pressure of this fact the Board of Education recommended to the convention of 1925 the elimination of the training department at the Madison Normal School (An. Report 1925, p. 246,12). The church, however, took no action. At its session April 5-6, the board repeated its vote provisionally but requested its chairman to visit Madison and confer on this and other matters with such representative friends of the school as could be assembled. Realizing the difficulties of maintaining this work under present state regulations and the expenses involved, it was voted as the practically unanimous sentiment of those present that the training department be discontinued." The committee recommends that Pastor E. R. Rorem be elected president of Madison Normal.

SEC. 3. LUTHER SEMINARY

Be it resolved, that the following provision recommended by President Bøckman in 1925 be adopted:

a) That the Church endorse the proposal to erect a separate building suitable for administrative and library purposes as soon as the necessary funds are available.

b) That the Board of Trustees and Theological Faculty be authorized and directed to engage an architect, prepare plans, and do such preparatory work as may be required, and that these plans be submitted for approval to the Church Council and Board of Education.

c) That the Theological Faculty and the Board of Education be authorized and asked to organize a campaign to raise the funds for this purpose, the time for which campaign to be determined by the next general convention.

d) That the Board of Trustees be authorized to let the contracts for the erection of the building as soon as the funds are available. (An. Rep. 1925, p. 250).

Under the heavy demands upon its financial resources at the time, the convention took no action in regard to this matter. The Board of Education hereby re-submits the recommendation with the further addition that the Church appropriate one thousand ($1,000.00) dollars or as much thereof as may be required to cover the cost of the proposed preliminary plans.

Sec. 4. EDUCATIONAL SURVEY COMMITTEE

While the Church recognizes that the slccessful endowment appeal for its senior colleges has helped to shape more definitely than heretofore its educational policy as far as such colleges are concerned, it is aware of the fact that its secondary school problems, complicated by the junior college movement. remains largely unsolved.

Be it therefore resolved, that an Educational Survey Committee consisting of nine members, be appointed by the Board of Education, for the purpose of: (a) making a general survey of our educational institutions; (b) investigating carefully our secondary school problem, especially as affected by the junior college movement; (c) formulating, jointly with the Board of Education, so far as possible a definite educational policy for our church, to be reported to the general convention of 1928.

SEC. 5. SPOKANE COLLEGE

Whereas, Prof. H. P. Olson, president of Spokane College, has found it necessary to resign as president of said institution and whereas he will not consider revoking his resignation,

a) Therefore, Be It Resolved: That the church express its sincere thanks and appreciation for his efficient and faithful services during his term of office.

b) Be it further resolved, that this resignation be accepted, and that we Board of Education be authorized to fill the vacancy.

SEC. 6. JON BJARNASON ACADEMY

Jon Bjarnason Academy, Winnipeg, Canada.

Resolved that the Church acknowledge with pleasure, the appreciation on the part of the Icelandic Synod, of the work of our representative, Prof. H. C. M. Eastvold, on the faculty of said academy. May God prosper the good work of the academy. We rejoice to have a part in its work.

SEC. 7. PACIFIC LUTHERAN COLLEGE

Inasmuch as the Pacific Lutheran College holds a very important position as mission stronghold for our church on the west coast, and whereas great future possibilities for the school are in sight, be it further resolved, that the church give favorable action to the Pacific District's petition which is hereby offered:

"Your committee further finds that our school holds such an important place in our church as a home mission factor that we feel justified in asking the general convention to allow us $12,000.00 to carry on our work here. Provided that

if the proposed co-operation with other church bodies be effected the required amount be reduced according to the proportion carried by the respective bodies that co-operate with us. (Adopted as amended. See below.)

SEC. 8. SECONDARY SUBSIDIZED SCHOOLS

Whereas the secondary schools are of vital importance to our church, and whereas they all are in real need of funds for their maintenance and growth,

Therefore, be it Resolved: That the following secondary subsidized schools, Central Wisconsin College, Gale College, Waldorf College, Park Region Luther College, Pleasant View College, Clifton College, Camrose College, Outlook College and Luther Academy, be granted an additional appropriation so that each school receives $5,000.00 for the years 1927 and 1928. (Substitute motion given below, adopted.)

SEC. 9. DR. BOCKMAN

Whereas Dr. M. O. Bøckman has given the church an unusually long period of unique Christian service, as pastor, theological professor and president of Luther Seminary,

Therefore, Be It Resolved:

a) That the Church invites Dr. Bøckman to spend his vacation in Norway, as a special vote of appreciation of his services to the church.

b) That the church is glad to be permitted in this way to provide Dr. Bøckman with a pleasant and restful summer vacation, and

c) That the Board of Trustees be authorized to provide suitable funds for Dr. Bøckman's vacation trip.

SEC. 10. DR. F. M. CHRISTIANSEN, ST. OLAF CHOIR AND ST. OLAF MUSIC HALL

Whereas the present magnificent music hall that is now being erected on the St. Olaf campus stands there as a result of the faithful service of the St. Olaf Choir under the leadership of Dr. Christiansen, and whereas the funds have been raised chiefly thru the tours o f the St. Olaf Choir, and

Whereas it is the only music hall of such elegance in our church that has been financed in such a unique way,

Therefore, Be It Resolved: That we respectful call attention to this fact, in order that the people of our church may in a larger measure appreciate the world-renowned work of Dr. Christiansen and the St. Olaf Choir for our church.

O. GLESNE, Chairman.
H. A. OKDALE, Secretary.

REQUEST FROM THE SECONDARY SCHOOLS

Submitted in Connection with Sec. 8

We are all happy over the splendid success of the Endowment Campaign for our senior colleges.

Our Academies, however, are in a different situation financially. It is therefore necessary to give them some extra immediate help. Therefore the Secondary Subsidized School association recommends and offers the following resolution:

Be It Resolved: That the following Secondary Subsidized Schools, Central Wis. College, Gale College, Waldorf College, Park Region Luth. College, Pleasant View College, Clifton College, Camrose College, Outlook College, and Luther Academy, be granted an additional appropriation of $2,500.00 for each school for the year 1927-1928.

This is a temporary measure and should be continued only until such time as the church body can provide for these schools as suggested in President Aasgaard's report.

REV. O. O. SOVDE, Temp. Chairman.
J. A. BERG, Temp. Secy.

FROM COMMITTEE NO. 6 C, SECTION 1

I. Augustana College

1. Inasmuch as the Church at the general convention in 1925 made the following provision for the liquidating of the school indebtedness in South Dakota, to-wit:

"Therefore be it resolved: That the Board of Education and the Board of Trustees together with the institutions as stipulated in the above resolution be and hereby are instructed and directed to institute the necessary campaign for the purpose as soon as in their judgment it is practicable."

And, inasmuch as the Board of Trustees and the Board of Education have met with the Board of Trustees of the Augustana College Association of South Dakota and arrived at the following agreement to-wit:

"FIRST: That the Norwegian Lutheran Church of America transfer as soon as the legal formalities can be observed to the Augustana College Asso-

ciation the property now occupied and used by Canton Normal School of Sioux Falls, South Dakota, by proper deeds of conveyance with proper reservations of said property or the proceeds thereof be used only for school purposes, conformable with the principles of the educational work of the Norwegian Lutheran Church of America.

"SECOND: That the indebtedness incurred in connection with the Augustana College and Normal School aggregated with interest thereon substantially $90,000.00 to be disposed of as follows:

A) $45,000.00 thereof to be assumed by the school district assigned to the Augustana College Association, which amount is to be raised as follows: $5,000.00 to be added to the budget apportionment of said church to said district each year and that such $5,000.00 so raised together with any surplus that may be raised by said district over the said budget apportionment of said Church to said district each year be paid to the Norwegian Lutheran Church of America until the said sum of $45,000.00 has been liquidated."

2) Therefore, be it resolved, the Church endorse the action of the Board of Trustees and the Board of Education, and the balance of said indebtedness of substantially $90,000.00 be absorbed by the Norwegian Lutheran Church of America, and

3) Be it further resolved that the item of indebtedness for furniture and fixtures at Canton Lutheran Normal School in the amount of $19,359.14 be absorbed by the Norwegian Lutheran Church of America.

Adopted subject to the approval of South Dakota District and the Augustana College Association.

Committee No. 6 reported the following section in two paragraphs: Both paragraphs were adopted.

"Whereas it is necessary for the college to hold its own endowment fund, as required by the North Central Association of Colleges, for proper accreditation, the church authorizes, empowers and directs the Board of Trustees to transfer the endowment funds of Augustana College and Normal School and the Canton Normal School to the Augustana College Association . . . provided that the condition agreed upon in regard to the indebtedness . . . incurred in connection with Augustana College and Normal School, aggregating with interest thereon substantially $90,000.00 to be disposed as already voted yesterday, that $45,000.00 be assumed by the Augustana College Corporation and the remainder absorbed by the church subject to the same connections governing either properties turned over to the Augustana College Association.

THE SOUTH DAKOTA SCHOOL PROBLEM

From South Dakota Journal:

Resolved that we ratify the action of the Board of Directors of the Augustana College Association taking over $45,000.00 of the indebtedness incurred in connection with our schools by adding $5,000.00 to our sum budget each year together with any surplus until the total amount has been paid.

Moved and seconded that we divide the resolution in two divisions. Carried.

Moved that we ratify the board's action in taking over the $45,000.00 indebtedness. Carried.

Moved, seconded and carried that we insert in the second part of the resolution after the word surplus the words "in the budget for Education in South Dakota District." With this change the resolution was adopted.

This resolution was adopted.

MADISON NORMAL SCHOOL INDEBTEDNESS

Madison Normal School Indebtedness from Committee No. 6—Supplementary Recommendations, Sec. 6.

"Resolved that the indebtedness $2,079.73 from Madison Normal School, Madison, Minnesota, be added to the general budget indebtedness." Adopted.

PASTOR FOR STUDENT WORK AT STATE INSTITUTIONS

Committee No. 6.—Supplementary Report, Section 7.

Whereas the Y.P.L.L. so generously has offered to support a pastor to exercise supervision over the student work at our various state institutions:

Be it resolved that the church voice her appreciation of said offer on the part of the Y.P.L.L. and gratefully accept the same, the work of said pastor to be under the supervision of the Board of Education.

It was moved to amend the paragraph by inserting the name "Board of Education" where appears in the original report the name, "Board of Home Missions." A motion to table this resolution failed to carry. The amendment was voted on and adopted. The paragraph was adopted as amended.

See pages 295 and 405, sec. 7.

SUPPLEMENTARY REPORT NO. 2

The Board of Education finds occasion for more than ordinary thankfulness to God in contemplation of the abundant blessing that He has bestowed upon the recently conducted financial effort of our colleges. It is of the Lord and it is wonderful in our eyes. The reports up to this time (June 7) give the following figures in totals:

Luther-St. Olaf Colleges	$1,334,379.37
Concordia College	705,000.00
Augustana College	310,000.00
	$2,349,279.37

While these figures are not final the Board of Education feels prompted at this time to place on record its gratitude to God and its profound appreciation of the splendid service of all the workers in the campaign and of the self-sacrificing willingness and co-operation of all those who have so generously contributed to the result; and furthermore, to record its hope and prayer that as God has blest the ingathering so He will for the days and years to come protect and bless these funds and so guide their use as to make them fruitful to the glory of His name and the salvation of men.

L. A. VIGNESS, Secretary.

LUTHER-ST. OLAF ENDOWMENT

(Part of Convention record at close of Friday Afternoon Session, June 4th)

The Luther-St. Olaf Endowment has succeeded far beyond what we had in mind when we went before the annual meeting of our Church in 1923 and again in 1925 and requested permission to raise additional endowment for these two colleges in order to preserve their accreditation in the North Central Association of Colleges and Secondary Schools. The endowment appeal has shown that our people recognize the importance of their colleges to the Church and that they are willing to do what is necessary to maintain these Colleges on a level with what is required of such institutions in our day.

The fundamental principle of the appeal was to explain the situation to our people—to tell it to the Church—and then leave it to our Church people to respond as their hearts prompted them to meet the need.

The appeal has had beneficial results in many respects. It has drawn our people closer together in a common cause; it has brought our Colleges closer to the hearts of the people; it has emphasized the service that our colleges render our Church and the fact that our Colleges belong to the Church and depend on the Church for their existence; it has emphasized the duty that our Colleges owe the Church; it has shown that our Church people are willing to support liberally any cause that is essential to the extension of God's kingdom;

and it has been a great encouragement to us all not to grow weary in the work of the Lord, for the Lord does not forget, but giveth fruit in due sesason.

For the success of the endowment, we give thanks, first of all, to God, who has so signally crowned the efforts of our people in this appeal. We thank also, on behalf of Luther and St. Olaf, all who gave subscriptions to the cause, be they great or small; all who delivered addresses; all who assisted in taking subscriptions; our Church papers; our Norwegian secular press; and, in short, all who contributed in any manner whatever toward the magnificent result in which we now rejoice. "God moves in a mysterious way His wonders to perform." The requirement that our colleges secure additional endowment, which, before the appeal was made to our people, seemed an unnecessary burden, has proved to be a great blessing, both to our Colleges and to our Church. "The Lord is good, a stronghold in the day of trouble; and He knoweth them that trust in Him."

L. W. BOE,
OSCAR L. OLSON.

CONCORDIA COLLEGE ENDOWMENT

From North Dakota Journal:

It is with joy in our hearts and thanks to God who has prospered us in the past that we received the news of the success of the Concordia College Endowment campaign. Inasmuch as Concordia College has been assigned to us it is fitting that she should have our wholehearted support. The success of this undertaking assures us that the North Dakota District loves the school which has been assigned it and assures us of adequate Christian college facilities in the future.

Motion made and seconded that resolution be adopted with this correction: "North Dakota District loves the school which has been assigned to it" in place of "North Dakota loves the school which is its own."

AUGUSTANA COLLEGE ENDOWMENT

Pastor Glenn moved, that we as the South Dakota District in regular convention endorse the flolowing recommendation of the Board of Directors of the Augustana College Association:

We the members of the Board of Directors of the Augustana College Asscoiation wish to extend our appreciation to pastors and laymen who have so loyally cooperated in the work to raise an Endowment Fund for the school program.

On account of the limited time at our disposal for organization after the transfer, it was impossible to get enough workers to cover the entire field by June 1st as planned.

Therefore the Board of Directors recommend to the Augustana College Association that the drive be continued until every congregation and friend of Augustana College Association and Christian Education have had a chance to do their part in helping and particnpating in developing and upbuilding of an Institution that will be a credit to our church and in due time become recognized as one of the leading educational institutions of the Northwest.

This resolution was adopted by a unanimous vote.

BOOK MISSION BOARD

Given on page 290.

II. Reports

Fra eksekutivsekretæren for indremissionen

Indremissionsbestyrelsen holdt sidste aar fire møter, den 25de til 26de mars, 10de til 11te juni under samfundets aarsmøte i St. Paul, Minn., 8de til 9de september, og et ekstra møte under det store indremissionsmøte i Brookings, S. Dak., den 31te oktober. Eksekutivkomiteen holdt ett møte sidste aar, 4de december, i Augsburg Publishing House.

Indremissionsbestyrelsen

Der maa iaar vælges fire medlemmer av bestyrelsen, da deres termin som repræsenterer Østre, N. Dakota, Rocky Mountain og Canada distrikter er utløpet.

Indremissionsmarken

indbefatter samfundets ni distrikter, den engelske konferense, sjømands-, indianer-, eskimomissionen, fisker- og sjømandshjemmet i Ketchikan, Alaska, immigrantmissionen, arbeidet blandt russere i Nord Dakota, døvstummemissionen, arbeidet ved statsskolene, evangelistvirksomheten samt Church Extension.

Bokmissionen, hvortil indremissionen bidrar 500 dollars aarlig, har sin egen bestyrelse.

Angaaende selve indremissionsarbeidet i vort samfund vil de ni distriktformænd som er indremissionssuperintendenter, gi fuld underretning i deres indberetninger til sine respektive distrikter.

Den engelske konferense

Angaaende den engelske konferense og engelsk distrikt inden vort samfund, henvises til dr. G. T. Rygh's indberetning. Det engelske distrikt er en meget vigtig sak, epokegjørende for vor kirke, og indberetningen bør derfor læses og studeres av baade prester og menighetsfolk.

Sjømandsmissionen

Rapport om arbeidet ved sjømandsmissionene i San Francisco, Calif., Seattle, Wash., Boston, Mass., og Galveston, Texas, vil findes i indberetningene fra bestyrerne for disse missioner.

Med glæde kan det berettes at arbeidet har vokset, vundet fremgang og anerkjendelse og været til stor velsignelse for mange. Stationene har været godt besøkt av sjøfolk, især San Francisco og Seattle, Guds ord har været forkyndt og privat sjælesorg øvd. Hjælp baade til hyre, arbeide i land og paa anden maate, har været ydet og visselig paaskjønnet av vore sjømænd. Ganske store pengesummer er ved sjømandspresten blit sendt til nær paarørende i det gamle land. Hadde det ikke været for denne mission, vilde mange av disse penger været ødslet bort.

I San Francisco har arbeidet hat jevn fremgang. Ved hjælp av „Lutheran Welfare Agency" har bistand været git mange og sat os istand til at gjøre mere velgjørenhetsarbeide der end nogensinde før.

Der er allerede lagt planer for en egen bygning for sjømandsmissionen i San Francisco. Maatte det ved Guds hjælp lykkes for dem, saa vi ogsaa der, som i Seattle, kunde faa vort eget sjømandshjem!

Som nævnt i indberetningen for ifjor, var der tanke om at faa kjøpt en bygning i Seattle for sjømandsarbeidet. Pastor Slettedahl hadde ved hjælp av hotellet eller losjihuset samt ved gaver været istand til at lægge til side henimot 15,000 dollars. Disse penger er blit brukt til at kjøpe en bygning passende for gjerningen. Der gjøres nu avbetalinger paa kjøpesummen, og naar en del forandringer er gjort, saa bygningen kan svare til behovet, vil vi flytte ind i vort eget hjem. Det nye hjem er bare ett kvartal fra hvor vi nu er.

I Galveston er arbeidet igjen i fuld gang. Past. Bonnevie-Kluver er ansat som sjømandspræst der. Menighet blev organisert sidste september. Der er ogsaa stiftet en kvindeforening. Søndagsskole holdes hver søndag. Alle arbeider ivrig for at samle penger til kirke og læseværelse, som jo høilig trænges hvis arbeidet skal faa fremgang. Vort samfund har her en vakker, velbeliggende tomt der er fuldt betalt. Maatte vi snart faa et passende sjømandshjem paa tomten. Vi vil haabe og bede om det.

Sjømandskirken i Boston er nu færdig, indvidd samt fuldt betalt. De fleste av midlene til kirkebygningen er indkommet ved salg av julekort. Vi sier hjertelig tak til alle venner som saa trolig har hjulpet til med at faa bygget en saa pen kirke med passende læseværelse for gjerningen. Maa Gud rikelig velsigne eder igjen!

Pastor O. Nielsen har resignert som bestyrer og N. Hanson, som i mange aar har været assistent, er midlertidig ansat til at ta vare paa gjerningen. Sjømandsmissionene gjør i sandhet et godt og av Gud velsignet arbeide. Herren være fremdeles med i sin naade!

Indianermissionen

Prof. Jacobsons rapport viser at arbeidet ved Bethania indianermission ifjor delvis maatte indstilles paa grund av at den store „stand pipe" frøs istykker.

En del av barnene blev sendt hjem og en del sendt til andre skoler.

Kontrakt er nu gjort med Wittenberg by, saa at anstalten faar „city water" for $200 om aaret. Det var kostbart at faa ind vandledningen, men det var absolut nødvendig og maatte gjøres; det vil betale sig vel. Til at grave ned de store vandrør benyttet man indianere, og mange av disse tjente derved nok til livsophold for sig og sine igjennem vinteren.

Skolen gjenoptoges sidste høst. Barnene var saa lykkelige ved at faa lov til at komme tilbake. De har det bedre paa skolen end i sine hjem, hvor de ofte lider nød.

Et stort og velsignet arbeide er utrettet for denne gjerning av Kvindernes Missionsforbund derved at de skaffer tilveie budgettet for indianermissionen.

Herren velsigne de trofaste kvinders arbeide samt missionsgjerningen blandt skogens røde barn.

Eskimomissionen

Der er ingen skrevet indberetning iaar fra eskimomissionen, men mange brev og rapporter er mottat baade fra søster Anna Huseth, Teller, samt fra søster Magdalene Klippen, Igloo. Flere av disse brev har været trykt i vore kirkeblade, og vi haaber de er blit læst med stor glæde.

De tre diakonisser har ogsaa dette aar arbeidet trofast og visselig til velsignelse blandt eskimoene. Miss Anna Huseth og Miss Mabel Lien har arbeidet ved Teller, hvor vi har vort barnehjem med 34 barn. Miss Magdalene Klippen har arbeidet ved Igloo, som er ca. 60 mil fra Teller.

Leonard Sulogiak, den unge eskimogut, har været ved Concil og arbeidet blandt sit folk der.

Gjerningen er ogsaa iaar blit velsignet av Herren. Trods den megen sygdom baade i Nome — vi erindrer vi læste om epidemien der, hvorledes den raste—og andre steder, saa har Gud i naade spart vor mission. Alle har været friske og gjerningen har gaat vel.

Regjeringen har lovt at gjøre de nødvendige reparationer paa skolehuset i Teller, saa det kan bli varmt, og omordnes, saa der ogsaa kan bli et værelse for lærerinden.

Miss Lien kommer hjem i sommer, og Miss Helen Frost fra Spring Grove, Minn., vil ta Miss Liens plads.

Miss Dahle, søster til pastor Dahle, som var missionær deroppe i flere aar, vil bli ansat av regjeringen som lærerinde. Gud velsigne disse trofaste arbeidere. Det er store ofre disse kristne kvinder bringer for at de stakkars eskimoer maa faa høre Jesu Kristi evangelium. La os ihukomme dem i vore bønner.

Fiskerhjemmet i Ketchikan

Pastor Malmin, som har været i Ketchikan siden vi begyndte vort arbeide derovpe og var der til sidste høst, altsaa den største del av aaret, har skrevet indberetningen. Den bør læses av os alle med interesse; ti Alaska vil mer og mer bli nordmænds land.

Virksomheten i Ketchikan har ogsaa iaar været velsignet, ikke bare i aandelig henseende, men ogsaa materielt. Hver maaned gjennem aaret har der regelmæssig været avbetalt 400 dollars paa kjøpesummen, og disse penger er fortjent ved hotellet. Past. Malmin saa sig sidste oktober nødt til at resignere som bestyrer, en stilling som han fyldte saa vel. Hvor nødig vi end saa at han sluttet, kunde vi ikke andet end anta hans resignation. Past. Adstim er ansat som midlertidig bestyrer. En av studentene fra Luther Seminar vil i sommerferien arbeide i menigheten som er blit stiftet der. Vort samfund har et stort og vidtrækkende arbeide i denne havneby.

Immigrantmissionen

Arbeidet ved Norway House har ogsaa iaar gaat jevnt og godt. Dette hjem er blit fordelagtig kjendt, ikke bare her i Amerika, men ogsaa i Norge, saa det er vel fyldt den største del av tiden. Siden past. Birkelos resignation ifjor i juni, har past. A. O. Bjerke været ansat som midlertidig bestyrer. Hjemmet har gjort det bra, idet det har baaret sine utgifter og ved siden derav betalt mange hundrede dollars til reparationer. Past. Bjerkes indberetning om arbeidet vil visselig læses med stor interesse.

Arbeidet blandt russere i Nord Dakota

Past. Heinzelman arbeidet blandt russerne i og omkring Max, N. Dakota, indtil i november. Siden jul har past. Hofrenning arbeidet der. Det er meningen at faa denne mission overdrat til et andet lutherst samfund snarest mulig.

Døvstummemissionen

Past. Bjørlie arbeider fremdeles blandt de ulykkelige døve og blinde i Faribault, Minn. Han har likeledes arbeidet blandt døve og blinde i Council Bluffs, Iowa. Past. Rothnem har ogsaa det sidste aar fortsat arbeidet for døvstumme i Sioux Falls, S. Dakota. Indberetning vedlægges fra begge disse to missioner, og de vil sikkert læses med glæde. Herren har velsignet gjerningen. Maa han ogsaa velsigne den i fremtiden!

Bokmissionen

Past. Runsvolds indberetning om bokmissionen bør læses av alle. Virksomheten har ogsaa dette aar gaat godt. Mangfoldige tusen baade av smaaskrifter og traktater har været utdelt. Fra eksekutivsekretærens kontor har der været ekspedert ikke mindre end 1,165 større og mindre pakker. Disse smaa tause talsmænd er en herlig medhjælp for prestene i deres ofte tunge gjerning. Maatte bare flere og flere av dem benytte sig av disse smaa prædikanter. Det vil visselig bli til gjensidig velsignelse.

Statsskolene og de unge

Past. C. S. Thorpes indberetning om gjerningen vil læses med interesse og jeg haaber eftertanke. Det er jo en av de vigtigste missioner vi har, den nemlig at bevare for Herren og hans kirke de unge fra vore menigheter, som søker sin utdannelse ved disse skoler. Kristi aand er ikke raadende der, men som oftest fritænkeri og alt som følger med tidsaanden. Det er derfor glædelig at gjerningen nu er skredet saa langt frem at arbeidet er blit organisert. Mrs. J. D. Ylvisaker besøkte mange av disse forskjellige læreanstalter og fik organisert vor lutherske ungdom der til ar-

beide for vor kjære kirke. Maatte vi ikke glemme at de fleste av disse unge vil om nogen aar bli ledere iblandt os. Ve os om vi ikke tar vare paa dem, saa de kan bli ledere for den sandhet de lærte i den kirke hvor de blev døpt og konfirmert.

Evangelistvirksomheten

De tre av samfundet valgte evangelister, pastorene Rønning og Tjørnhom samt Mr. Scotvold, har i 1925 været i fuldt arbeide. De har tilsammen holdt 953 møter, 525 paa norsk og 428 paa engelsk, og besøkt ikke mindre end 178 av samfundets menigheter. Møtene har være godt besøkt, og de har ogsaa baaret velsignet frugt. Mange brev er mottat fra prester hvor disse mænd har virket, med tak baade til Gud og kirken for den opmuntring og hjælp veangelistene har bragt deres kald.

Evangelistene er meget efterspurt. De har saa mange indbydelser at det ikke har været dem mulig at efterkomme alle sammen, selv med den bedste vilje. Evangelistarbeidet begynder at bli mere kjendt og kjært blandt prester og menigheter. Herren lægge sin rike velsignelse til gjerningen!

Church Extension

De mange ansøkninger om hjælp og de smaa indtægter fra samfundet har gjort det ganske vanskelig for Church Extension sidste aar.

Alt hvad menighetene ydet beløp sig kun til $2,427.99. Det blir altsaa ikke engang en dollar paa hver menighet. En del av vore menigheter glemmer ikke 9de søndag efter trefoldighet, men optar regelmæssig offer til Church Extension og saaledes hjælper denne saa vigtige gren av vort indremissionsarbeide. Til alle dem sier vi hjertelig tak. Gud lønne eder igjen for det! Men den store del av vore menigheter glemmer samfundets beslutning om offeret til Church Extension. Kjære glem ikke 9de søndag efter trefoldighet.

Der ofte kommer os for øre dette: Hvorfor ikke ha Church Extension paa budgettet? Vi vil haabe at samfundet iaar vil sætte Church Extension paa budgettet. Vi maa prøve at faa ind flere midler og øke fondet. Det er absolut nødvendig. Det sier sig jo selv at skal vi kunne hjælpe de som trænger hjælp, saa maa samfundet gi os midlene.

17 menigheter fik hjælp fra fondet sidste aar til et samlet beløp av $35,650. Vi var istand til at gjøre dette ved at menigheter som hadde faat hjælp tidligere, betalte enten helt eller delvis sin gjæld. 44 menigheter er lovt hjælp, og mange av dem burde ha og maa ha hjælp straks; men vi har ikke midler.

Jeg vil faa lov til at gjenta hvad jeg sa for nogen aar siden angaaende Church Extension: Maatte ogsaa mange av vor kirkes mænd og kvinder, hvem Gud har betrodd mere gods, betænke Church Extension med større gaver. Midlene blir ikke opspist. Naar en menighet har faat hjælp og tilbakebetaler pengene, saa laanes de igjen til en anden menighet til hjælp til kirke eller prestebolig, og paa den maate er de altid ute i kirkens gjerning. Maatte ingen av vore menigheter iaar glemme Church Extension! Kasserer, pastor H. O. Shurson, vil gi den finansielle oplysning om fondet.

Maa Herren i sin rike naade fremdeles velsigne vort indremissionsarbeide til mange dyrekjøpte sjæles frelse!

Paa indremissionsbestyrelsens vegne,
C. S. B. Hoel,
eksekutivsekretær.

Sjømandsmissionen i San Francisco, Calif.

Aaret 1925 var et godt og av Herren rikelig velsignet aar for samfundets sjømandsmission i San Francisco. Følgende tal viser dette: Missionen hadde 126,735 besøk av sjømænd. Der blev holdt 160 gudstjenester, og husandagt med Guds ords læsning, bøn og sang hver aften naar der ikke var gudstjeneste. To julefester, en i missionens lokale, hvor der var omtrent 200 sjømænd tilstede, og en stor og herlig fest oppe i byen i den norske kirke, hvor der var omtrent 400 sjømænd tilstede.

Der blev av sjømænd indsat til opbevaring for dem $81,606.12 og utbetalt til dem $81,523.32. Remissene beløp sig til $76,283.47. I banker blev der for sjømænd indsat $28,818.17. Checks og postanvisninger blev indløst av missionen til

et beløp av $71,778.55. Den 31te dec. 1925 stod der paa bankbøker tilhørende sjømænd, men i missionens varetægt, $70,173.00. I alt haandterte missionen i 1925 $410,182.66. Derved blev mange penger spart for vore kjære sjøfolk. Der blev mottat 13,957 brev og 2,636 aviser og andre postpakker. Buggagebekvemmeligheter blev skaffet 1,097 sjømænd. Der blev gjort 99 hospitalbesøk, hvorved 2,020 sjømænd fik kristelig tilsyn, trøst og veiledning. Skibsbesøkene beløp sig til 146.

Nærmest ved Lutheran Welfare Agencys bistand har missionen kunnet øve ikke saa lite velgjørenhetsarbeide. 1,470 fik matbilletter, 730 sengebilletter, og mindre pengelaan til 306. 115 blev hjulpet med reisepenger. Vi sier Gud og Faderen tak i Jesu navn for alt dette, og ber kirkens herre fremdeles velsigne Den Norsk Lutherske Kirkes sjømandsmission i San Francisco.

Eders i Herren altid ringe tjener,

O. Grønsberg,
sjømandspræst.

Sjømandsmissionen i Seattle, Wash.

Med tak til Gud kan sies at han med sin aand og velsignelse har været med os i arbeidet. Vil her faa lov til at frembringe vor hjerteligste tak til alle venner som var med og ihukom sjømandsmissionen med penger og gaver til sjømændenes juletræfest. Vi blev derved istand til at gjøre det hyggelig for de mange som savnet hygge blandt sine kjære.

Julaften feiret vi en av de største fester som missionen har hat. Mange kunde ikke komme ind av mangel paa rum. God julemat og frugt blev git til alle som kunde komme ind. Noget over 360 gaver blev utdelt under juletræfesten. Første juledag blev henimot tre hundrede sjømænd bespist med god julemiddag paa en av byens restauranter. At sjøguttene satte pris paa dette, kom til syne da gudstjenesten holdtes om eftermiddagen; da var baade læseværelset og kapellet fyldt.

Sidste aar var læseværelset besøkt av noget over 158,500.

653 blev hjulpet til god hyre paa skibe.

20,756 brev blev mottat, hvorav den overveiende del var til sjømænd. Av dette antal blev 4,828 eftersendt til forskjellige havner paa kloden. Mange av brevene blev ledsaget av skrivelser fra missionen.

Sidste aar blev $153,240.26 mottat fra sjømænd til opbevarelse og hjemsendelse, og i samme tidsrum blev der utbetalt og sendt $148,522.73. Med den tidligere opbevarelse og det resterende fra aaret, var der 1ste januar 1926 en balanse av $35,439.42 som er opbevart i banker. Alle rengskaper over sjømnædenes, sjømandsmissionens og sjømandshjemmets penger gjennemgaaes i begyndelsen av hver maaned av en auditor, og de reviderte regnskaper over alle disse forskjellige kontoer sendes til missionsbestyrelsens hovedkontor i Minneapolis.

Flere savnede sjømænd er ved missionens hjælp blit fundet og er paa den maate kommet i forbindelse med sine paarørende.

195 gudstjenester er holdt med et samlet antal av noget over 7,000 mænd, hovedsakelig sjømænd. I taknemmelighet til Gud kan sies at der er syndere som har fundet frelse og fred ved Kristi kors og begyndt vandringen i et hellig liv med Gud! At frelse syndere er jo missionens store hovedmaal.

Foruten de stadige utgifter som en nødvendig for at holde arbeidet gaaende og som økes eftersom arbeidet vokser, blir der selv med den største forsigtighet dog paakrævd at øve velgjørenhet mot de mange syke og trængende — skaffe mat, lossji, tildels ogsaa klær, betale deres billetter til de forskjellige skibe, hjælpe dem til hospitaler, besøke dem der samt yde den nødvendigste støtte efter de kommer ut og blir sterke nok til at ta hyre. En sjømand som er kommet i pengeknipe og staar fremmed langt borte fra sine kjære, har som regel kun sjømandsmissionen at henvende sig til. Denne nødvendige hjælp som ydes, beløper sig gjennem aaret til en stor sum. Flere betaler dog tilbake saa snart de blir istand til det. Blandt de forskjellige gjøremaal følger ogsaa at verne om og beskytte de unge mænd fra de farer og fristelser som møter dem i en større havneby. O hvor litet vi formaar i forhold til alt det som er paakrævd!

Vort nuværende læseværelse og kapel er blit saa altfor litet; men dette vil avhjælpes naar vi kommer saa langt at vi kan faa flytte ind i vort fremtidige hjem, den bygning som samfundet nylig kjøpte. Men før vi kan flytte, er det paakrævd

at gjøre nogen forandringer for at gjøre bygningen passende for vort arbeide; det vil koste mange tusen foruten de store avdrag som maa gjøres paa kjøpesummen. Vi vil derfor venligst henstille til venner som Gud har betrodd midler og som er interessert i denne gren av Guds arbeide at ihukomme dette betydelige foretagende. Likesaa ber vi om kristne venners forbønner til Gud om hans nærhet og velsignelse

Eders medarbeider,

E. B. Slettedahl,
sjømandspræst.

Sjømandsmissionen i East Boston sammen med Vor Frelsers menighet, East Boston, Mass.

Der har i aarets løp været holdt 59 gudstjenester, hvorav 52 av past. O. Nielsen, 5 av assistent N. Hanson, 1 av past. Christianson, 1 av past. Bakke, for tilsammen 3,566 sjæle.

Til møter og fester har været samlet 3,720 mennesker.

Der er holdt 4 ordinære menighetsmøter.

En konfirmation med 13 konfirmanter.

10 barn er døpt. 4 egtevidde. 6 begravelser. 63 nadvergjester.

I kirkens underetage er sjømændenes læseværelse, som er aapent hver dag og aften. Dette blev besøkt av 13,490 sjømænd.

Der blev gjort 183 skibsbesøk. Besætningen paa disse skibe var tilsammen 5,663.

Der ankom 2,100 brev til sjømænd; disse er blit utlevert eller eftersendt.

248 sykebesøk blev avlagt, de fleste paa Marine Hospitalet i Boston.

Der blev hjemsendt $6,300.00 fra læseværelset.

Mange har igjennem sjømandsmissionen i aarets løp faat arbeide baade tilsjøs og i land.

Der har været 45 eftersøkelser av savnede sjømænd, hvorav omtrent halvparten er fundet.

Disse tal viser adskillig større procent dette aar blandt sjømænd end det har været før, og vi er glad for at det vokser ogsaa i tal, da det jo er et bevis paa fremgang. Hvad som er foregaat i det aandelige ved Guds ords forkyndelse og bøn, kjender Herren. Vi har forsøkt at saa og vande, og Herren har lovt at gi vekst. Og vi vet han kan gjøre underlige ting, selv om det ikke er synlig for os. Vil herved be eder at bære os frem for Gud i eders bønner, baade arbeidere og tilhørere.

Palmesøndag, 25de mars 1925, blev vor sjømandskirke indvidd, og ved mange gode mennesters bidrag og offervillighet blev den helt betalt dette aar. Vi takker Gud for alle ting i Kristus Jesus!

N. Hanson,
assistent.

SEAMEN'S MISSION, GALVESTON, TEXAS

Arrived in Galveston July 1st, 1925. Began by holding services in the hall on 24th and Strand Streets. Up till September 1st only one service was held each Sunday at 3:00 P. M., and a mid-week service and social for sailors every Thursday evening. On September 1st I began to have both morning and evening services on Sunday. At the same time a congregation was organized with sixteen members. A ladies' aid was also organized at this time with six members; which now has increased to fourteen.

In the six months of 1925 I visited 86 ships, out of which twenty-four were Norwegian, nine Swedish, six Danish. The other ships were of the following nationalities: American, German, Hollander, Belgian, and three Nicaraguan motorships that ply in the banana trade between Galveston and Mexico. All the sailors on the three boats are Norwegians.

The meetings on Sundays have been well attended, an average of thirty more or less—the most being sixty and the smallest number fourteen. On an average there are forty present at the Thursday meetings. This varies, of course, between twenty and eighty, and a few times over one hundred have attended. A young

people's society counting twenty-two was organized in September. These people are working wonderfully.

I make regular visits to the hospitals three times a week, and oftener when necessary. Also make regular visits to the jail. Many Scandinavian and German sailors are in prison ready to be deported, because they have no papers that entitle them to be in the States. They are sent to Galveston from all the western states. To those I have to minister and get ship accomodation for, so they can get to their respective countries. Twenty-four men have been helped in this way—seven Norwegians, thirteen Swedes, one Dane, one Slovakian, three Germans.

Three sailors, concerning whom inquiry had been received from their parents, have been found. An old Norwegian man, of whom his relatives in Norway had not heard for twenty years, was located; also a Norwegian woman who had married here, and had not written home for several years.

The Norwegians in Galveston have given liberally to the building fund, so we now have subscribed $1,600.00.

The average expense of the mission has been about $60.00 a month.

Over $2,000.00 has thru the mission been sent to Scandinavian countries by sailors.

Some money is deposited in the banks for safe keeping for the sailors.

Many sailors, and even people in town, have received financial aid from the mission. Our prayer and aim is to get our own church home and reading-room as soon as possible.

In January, 1926, we started a Sunday School. Since that time the Sunday morning services have been in English, and the evening services in Norwegian. A Norwegian Seamen's Mission in Galveston is essential.

Yours in the Master's service,

—E. BONNEVIE-KLUVER.

BETHANY INDIAN MISSION, WITTENBERG, WIS.

The year 1925 was, in some respects, a very trying one at our mission. When we entered upon it, prospects were indeed good. We had a pleasant holiday season. Our people far and near had seen to it that all our 134 children each received a Christmas gift, and old and young who gather at our church in the rural district were remembered in a similar way. There was general good feeling, as is befitting such a season. Extremely cold weather set in and froze up our water works and damaged the three main buildings to such an extent that they could not be used. We discontinued school and sent the children back to their homes. A number were kept in a building at our mission, which it was possible to heat.

The executive board decided that it would not be good policy to try to repair the water works. which had been in almost constant use during twenty-five years, but that we ought to connect with the city water works. The city council was willing to assume one-third of the expense, and we at once went to work, laying water pipes to the city mains. Indians did the work, at $2.50 per day. It was stipulated that we pay the city of Wittenberg $200.00 annually for all the water we need for all purposes. It will be a saving for the mission not to have to operate machinery in connection with water works. All the expenses incurred by installing the city water have now been paid, a sum of $1,868.99.

Thus we were in good shape to receive the children on their return October 1st. They were very pleased to re-enter after a period of more or less misery at home. It can safely be said that the trials we underwent were blessings in disguise.

The appropriations this year being smaller than for the year 1925, we have been obliged to reduce the attendance to 105, some 30 less than in 1925. We succeeded in getting quite a few of our older children into government schools in other states, and thus is was possible to receive into our mission practically all the smaller and most needy of the children.

While we do not get aid from the government, it gives us pleasure to state that the government sent us an eye and throat specialist, as well as a dentist, who spent some time examining the children. 10 needed an operation for serious eye trouble,

8 or 10 for some throat disease. 2 were in the beginning stages of tuberculosis and are now being cared for at one of the government sanatoria.

Services are being held regularly every Sunday also at our mission church in the rural district. An Indian interpreter is employed. He meets with Pastor Rykken once a week to go thru the sermon for the coming Sunday. On the basis of the knowledge thus gained he makes further preparations. Thus his talk on Sunday is in the main a re-statement of Pastor Rykken's sermon. The old Indians especially, follow his utterances with close attention. He received his elementary education at our mission, was baptized and confirmed, and later attended one of the Indian government schools. He has good command of English and knows his mother tongue almost to perfection. Let it be added that the Indians, when they orate in their native language, are very eloquent and impressive.

Six infants have been baptized during the year. The greater number now bring their infants to have them baptized.

Pastor Ryggen reports 58 communicant members at the station, 23 at our mission church in the country, 23 catechumens.

Some still adhere to the traditions of their fathers. These look askance at the life and teachings of the Christians. We tell such that there are of course two kinds of whites as well.

Four adults have been buried in the cemetery of our mission church in the rural district this last year, three of whom were confessing Christians. It is indeed blessed to think of these as fallen asleep in Jesus.

We try to assist our Indians in doing better at farming. As a rule they have 40 acres and enough cleared for vegetables, potatoes etc., and hay for two cows. Our mission friend, Miss Fosmark, recently sent $40.00 with which to purchase a cow for a family with seven children. This was a timely and fitting help. There are several families that could be helped in a similar way. Who will be first to make use of this fine opportunity to contribute to a good cause?—The Indians, by the way, did not like milk; they do so now, and the children scramble for it.

A ladies' aid consisting of Winnebago women has been organized thru the efforts of Pastor Rykken. They bring sandwiches and cake, and as their contribution they bring 15 cents and a basket. Coffee is being served at the meetings, but Pastor Rykken has to prepare it.

Finally, dear reader, we live in a time when disbelief and indifference are threatening also this work among the Indians. They, too, are being influenced by the anti-Christian tendency of the times. We can only, as heretofore, keep close to the written and verbally inspired Scriptures. We know no other remedy or antidote. And we do indeed see proofs that His Word does not return to Him void but accomplishes that for which He sent it.

Our hearty thanks to all who have sent clothes and shoes to our mission, as well as clothes for older Indians. A suit of clothes to an old Indian who is freezing is apt to make him friendly disposed toward our work. It is a good point of contact and may bring him within hearing distance of the Gospel. Therefore, dear friends, lend us a helping hand whenever and in whatever manner convenient for you. You may thus help us in throwing out the lifeline to some Indian or Indians who are well-nigh struggling in the waters of despair.

Yours cordinally,

—AXEL JACOBSON.

FISHERMEN'S HOME, KETCHIKAN, ALASKA

To the Norwegian Lutheran Church of America:
Grace and Peace:

With the closing month of 1925, the Home Mission work of our Church in Ketchikan, Alaska, enters upon its third year. It was, as will be remembered, in 1923, the 15th of November to be exact, that our Mission Board thru Rev. C. S. B. Hoel purchased the property destined to become the Seamen's Home of Ketchikan.

The first year proved that the expectations of success were well founded, and this in regard to both the financial as well as the more important moral and spiritual side of it. And now, at the close of the second year, the financial reports

show that the debt of $22,000.00 incurred at the time of purchase when $8,000.00 was applied to the purchase price, has been reduced to less than $12,000.00. And all thru the ability of the Home to carry itself financially.

Tho we feel that as a church venture the financial side of it should not be of too great importance, we realize, nevertheless, that it is of considerable importance, as we have felt that during the last few years with the financially critical times, it would be almost too much to ask our Church for support. And now when the place pays for itself, it is reasonable that we should rejoice and thank God that He has prospered and blessed the institution also in such a matter.

The sum of $1,000.00 was appropriated at the meeting in St. Paul last summer, and on account of the urgency of having considerable repairs made on the building, this money was advanced this year, (1925). The repair most needed was that of the roof, the condition of which was such that had it not been fixed at that time, a much heavier expenditure would have been necessary. Right here it might be proper to state that the Home has been selfsupporting due to rigid economy, and as for major repairs, it has been entirely out of the question to take care of them from the income of the Home.

The Seamen's Home is in a fair state of repair at the present time, tho it would be well to do something to the piling (jacking up the building and capping the old piles), and to paper some of the rooms and halls of the hotel part. This ought to be done this coming fall, and money ought to be appropriated for it at our meeting in June.

More and more the Seamen's Home has become a home to the sailors and fishermen in Alaska, and the influence of such a place cannot be overestimated. It enjoys the goodwill of the townspeople as well, and the influence of and acquaintance with it stretches also to foreign countries. Many letters have been received, especially from Norway, thanking us for the work that is being done.

The work itself, from the standpoint of missionary work, is practically identical with that of any Seamen's home anywhere else. The spirit of service is stressed and the nature of the work often, and most often, is that of service rendered in various ways, such as taking care of their mail, the Home really becomes a private sub-postoffice,—taking care of or sending money,—training for citizenship and teaching of English,—acting as interpreter at various occasions,—stepping in when the law has been broken, innocently or otherwise,—and of being sort of a big brother by doing big-brother acts.

The spiritual work is first of all in the Home. The chapel in connection with the reading room is used for services and devotional meetings as well as for Sunday School and ladies' aid meetings. Meetings have been conducted regularly with the language question divided on a fifty-fifty basis. It is very encouraging to see the fishermen and sailors come to worship in increasing numbers. The young people's programs Sunday nights are so attractive, and the attendance increases so rapidly that it is only a question of time when the place must be enlarged.

Aside from the regular Seamen's Home work we have had that of the congregation in the city. This work, being entirely new when we started, necessarily had a small beginning. Few pupils for Sunday School, few members for the ladies' aid, and few people attending services. The few, however, who took part were tremendously interested, and with the help of these the work soon took on a regular character, and as the weeks went by, more and more came and took part, and now there is a small but determined congregation, intending to build a church, and very anxious to get a pastor who will devote his entire time to the wok. This is a matter I cannot too strongly recommend, for so far the establishing of a congregation has been of secondary importance to the pastor, for he has had his hands full at the Home. With a pastor for the congregation, there is little doubt that the Lutheran congregation soon would be the strongest religious organization in Ketchikan.

It was of great value and help to get an assistant for the Home, and I want to express my gratitude to the Home Mission Board for sending him. With my leaving Ketchikan there will again be a vacancy for an assistant, and I would like to suggest that as the assistant, with my departure, stepped in as manager, it does

hardly seem necessary to have another ordained man for the Home. But an assistant there must be. The work is too much and too varied for one man.

The work of the Norwegian Young People's Federation, now a part of our Church, should be encouraged and helped in every way possible. That society furnished the assistant for a whole year, has furnished the reading room with a fine writing desk and with stationery, and has furnished the mission boat, which is to be at our disposal as much as possible. Besides this the society intends to build a community house, or chapel, as a sort of extension work of the Home in Ketchikan, at Port Alexander. Such a project is heartily endorsed by us, and we sincerely hope that it may materialize.

Thanking the Church for the trust I have had these two years,

I am sincerely yours,

—C. K. MALMIN.

Immigrantmissionen, Brooklyn, N. Y.

Undertegnede overtok stillingen som midlertidig bestyrer av Lutheran Norway House den 25de juni 1925. I det tidsrum som siden er forløpet, har immigrantmissionens arbeide væsentlig været drevet i samme spor som av de to tidligere bestyrere, prestene Eikjarud og Birkelo. Dette arbeide er mangesidig og av forskjellig art. Vi har forsøkt at møte saa mange av de norske immigranter som det har været mulig. Saaledes har vi møtt hver eneste av Den Norske Amerika-linjes passagerbaater, hvorpaa de aller fleste norske immigranter kommer. Vi møter ogsaa op ved andre linjers baater, særlig naar vi er opfordret til det ved brev fra gamlelandet, hvilket ikke er saa sjelden.

Da nu en stor del av de norske immigranter kommer paa anden klasse (cabin) og blir inspektert ombord paa baaten, har vi anledning paa mange maater til at være dem behjælpelig. Det blir selvfølgelig ikke tid til at tale med alle; men vi utdeler vort kort med veiledning om at finde frem til Norway House, og som oftest naar vi kommer hjem fra baaten er huset fuldt av saadanne som har fulgt anvisningen. Mange har ogsaa anvisning og anbefaling fra Norge om at ta ind paa Norway House.

Desuten er der mange, især unge piker, som skriver til hjemmet og ber os om at sende dem brev med løfte om at ta imot dem ved deres ankomst til Amerika. Dette brev maa forevises de amerikanske konsuler hjemme, ellers vilde de ikke faa reisetilladelse. De vilde heller ikke komme i land her uten at immigrantpresten er tilstede og tar imot dem.

Tredjeklasses passagerer blir sendt til Ellis Island for inspektion. Er deres papirer i orden, blir de hurtig ekspedert og uten stans sendt avsted til deres respektive bestemmelsessteder. Men der er altid nogen som blir holdt tilbake enten fordi deres papirer ikke er i orden eller paa grund av sygdom. De kan maatte tilbringe flere dage, ja uker paa hospitalet. Her trænges al den opmuntring og trøst som en kirkens tjener kan bringe. Et eksempel: En ung mand kom nylig fra Norge. Han var av tre læger hjemme blit undersøkt og erklært for at være sterk og frisk. Da han kom hit, paastod lægen at han led av hjertefeil, og han blev indlagt paa hospitalet for senere at sendes hjem til Norge. Paa anmodning av hans bror henvendte jeg mig til senator Shipstead i Washington, og ved hans indflydelse blev det utvirket at gutten fik lov til at komme i land.

Saa har vi den store turiststrøm som hvert aar i større antal reiser til Norge paa besøk. Mange av disse skriver personlig til hjemmet om at møte dem ved jernbanestationen, eller ogsaa faar vi besked fra Den Norske Amerika-linjes agenter ute i vesten. Vi møter da op ved stationen og tar dem til Norway House. Mange av disse er ikke vant med forholdene i de store byer, og det er litt vanskelig for dem at orientere sig. Vi søker da at hjælpe dem ved ordning av deres papirer, sørger for deres baggage og følger dem til baaten de skal reise med. De fleste av disse er kirkefolk fra vore menigheter i nordvesten, og vi har mange beviser paa at de paaskjønner at Den Norsk Lutherske Kirke i Amerika har et hjem hvor de kan føle sig betrygget under sit ophold her.

Ved hjemmet holdes daglige andagter med skriftlæsning og bøn. Gjennemsnitlig bivaanes disse andagter av ca. 25 personer. Desuten har vi de ukentlige tors-

dagsmøter for norsk ungdom. Disse møter har været meget godt besøkt, saa vort lokale har været fyldt til trængsel. Fra 50 til 80 unge mænd og kvinder har regelmæssig bivaanet disse møter i vinterens løp.

Ved møtene holdes først en kort gudstjeneste ved hjemmets bestyrer, dernæst tale over et religiøst emne av en av vore prester i New York, oplæsning, sang og musik av forskjellige.

Foruten disse møter staar vi i forbindelse med flere hundrede av norsk ungdom som kommer hit og henter sin post, skriver brev og møter kjendte venner og kamerater.

Norway House har været vel fyldt omtrent hele vinteren, og mange har vi maattet vise bort av mangel paa rum, eller ogsaa har vi sørget for dem paa andre maater.

Hjemmet har baaret sine utgifter og samtidig betalt for maling av værelser, reparationer og indkjøp av husgeraad til et beløp av $700. Desuten har vi utestaaende regninger paa over $1,000. En del av dette beløp kan vi gjøre regning paa vil bli betalt; men resten er midler brukt til barmhjertighetsarbeide som maa øves.

Turde jeg vaage efter den korte erfaring jeg har at uttale nogen mening om det arbeide vort samfund driver ved immigrantmissionen, saa maatte det bli dette at det er et meget vigtig og nødvendig arbeide, et arbeide som paa mange maater bringer velsignelse. Istedenfor at indskrænke immigrantmissionens virksomhet burde den heller utvides. Maa Gud velsigne arbeidet kirken driver ved immigrantmissionen.

A. O. Bjerke,
bestyrer.

DEAF AND BLIND MISSION, FARIBAULT, MINN., AND COUNCIL BLUFFS, IOWA

"Then shall the eyes of the blind be opened, and the ears of the deaf shall be unstopped. Then shall the lame man leap as a hart, and the tongue of the dumb shall sing; for in the wilderness shall waters break out, and streams in the desert" (Is. 35:5-6).

These signs of the Redeemer's glorious work are spiritually fulfilled also among those who are literally deaf or blind or epiteptic (lame) even today. The work has been pushed as far as convenient in these state institutions, and as hard as resources would allow also this past year. In accordance with request from the deaf, services have been held for deaf only, at 10:00 A. M., and for the blind at 11:15 A. M. every Sunday. For the epilejtic and feeble-minded as often as convenient.

Services at the Iowa School for Deaf at Council Bluffs, have been conducted as usual, and a class of 6 deaf was confirmed May 31st, 1925. Some of these were first baptized.

A class of 18 deaf and 6 blind was confirmed at Effata Church, Faribault, Minn., on May 24, 1925. Some of these were also baptized. Therefore a total of 30 have been prepared for communicant membership, and some were prepared in our church and confirmed in their own church at home during the summer vacation, and were received into communicant membership in Effata church upon their return to school last fall. There were 75 communicants at the Lord's Table May 24, and 146 on Dec. 13, 1925. A total of 221 for last year. And at Council Bluffs, May 21, 25 communicants, making a total of 246 communicants among deaf and blind, and about 25 among epileptic and feeble-minded.

A deaf girl was confirmed in Rev. C. P. Heltne's church at Locust, Iowa, Nov. 1, and several deaf were gathered for services. This class will be continued as opportunity permits.

One of our members of Effata Church, Mr. David Skinaway, of Indian ancestry, died at the University Hospital this winter. The pastor visited him and administered communion.

Two of the deaf teachers of the Minnesota School and teachers at Effata Church were married by the pastor at the school auditorium June 11, in the presence of all the faculty and deaf pupils and friends.

Mr. and Mrs. W. Lauritsen and Mr. L. M. Larson are given honorary mention as assistants in the work.

The Saturday school and Bible classes have been well attended, about 135 being the average attendance among the deaf, and about 35 among the blind. A smaller class will be confirmed in Effata Church this year. Because of the low age of those in line for confirmation, the main class will be held over till next year. But there will be smaller classes after this time. We have caught up with the normal influx of new pupils and classes, and the work is becoming easier as it is progressing.

Running expenses are taken care of by private gifts, since the Synod discontinued this support three years ago. No outside support in the work of preaching was received last year. May God continue to let His healing waters break out in the wilderness and streams in the desert of these unfortunate members of society. Amen.

DEAF-MUTE MISSION, SIOUX FALLS, S. D.

During 1925 my work in Sioux Falls was continued in the same manner as before, going from Dell Rapids every Monday of the school year to give instruction at the state school from 4 to 6 P. M. There was last fall a change in the superintendency of the school, but the new head is also in favor of the work that we do.

The number of pupils at the institution has had a falling off, so I have only 17 pupils this year. Of these, 5 are in the class for beginners, 4 are preparing for confirmation, and 8 are in the Bible class.

I have met with them 34 times for instruction, held one confirmation service and a communion service.

May the Lord bless the work done to the honor of His name.

Respectfully submitted,

Yours truly,

—B. J. ROTHNEM.

RELIGIOUS WORK AT STATE SCHOOLS

A growing department of the Home Mission has been the work among students at state universities and other schools. We have not been as quick to sense the importance of this work as most of the other church bodies. Even other Lutheran church bodies have taken steps far in advance of us in regard to this field. But the indications are that we too are finally beginning to realize that work among students at our state schools is not only necessary but full of promise as well. During the past year about twenty of our pastors doing work among students at such places, have met together and organized The Lutheran Student Pastors' Association of the N. L. C. A. Mutual problems were discussed and plans laid for presenting this work to our people in such a way that it may be better understood.

As a further indication of aroused interest might be mentioned the fact that at one of its recent meetings the executive board of the Young People's League decided to appropriate a considerable sum of money to help further this work. Some way of handling this appropriation should, if possible, be arranged for at this meeting.

In regard to the work in all the local fields we find that considerable good work is being done in many of them. At several of the normal schools pastors report a large interest in church work on the part of students. And too much can not be said about the importance of these particular schools from which so many of the teachers of our children come. At the larger state universities and its branch schools, work of an encouraging nature has been carried on. At Morris, Minn., a new church has recently been completed. At Ames, Iowa, a church is being built, but is not yet completed for lack of funds. At the University of Minnesota, The University Lutheran Church of Hope has started the building of a great addition to the old church, which has long since been outgrown. Some support for carrying on the work has been appropriated to a few of the larger fields, but considerable more should be given and must be given, if the work is not to be

handicapped. We followed our young men to the army camps. Let us follow our young people to the state schools.

—C. S. THORPE,
president Lutheran Student Pastors' Association, N. L. C. A.

EVANGELISTIC WORK

The three evangelists, Pastor Ronning, Pastor Tjornhom, and Mr. Scotvold, have in the past year conducted a total of 953 meetings. Of these, 525 meetings were conducted in the Norwegian language, while at 428 the English language was used.

One hundred and seventy-eight different congregations have been visited by the three evangelists. As a rule the meetings have been well attended, and the evangelists report that in many places they have been given the privilege of witnessing that sinners have been converted, and that those who had previously accepted Christ have been strengthened in thir faith.

Several of our schools have been visited by the evangelists, such as St. Olaf College, Red Wing Seminary, Canton Normal, and the meetings there conducted especially for the young, have not been in vain, but have been abundantly blessed.

The evangelists have received so many invitations that it is absolutely impossible for these three men to meet the demand and take care of them all. This, of course, proves that the evangelistic work is more and more recognized and saught by our pastors and congregations.

The evangelists greatly appreciate the consideration and kindness with which they have been met at the different places.

God has surely added His blessing to this work and recognized it as His own. To Him belongs the honor and glory for is all. May His blessing continue to rest upon this important avtivity of our Church.

Bokmissionen

Det kan ikke sies at bokmissionen gaar frem med stormskridt netop; men det gaar da heller ikke tilbake. Der er en glædelig jevn vekst. Dette til trods for at det i sin almindelighet synes at bli mer og mer vanskelig at faa indgang for nogen arbeidsgren som ikke er opført paa samfundets budget.

Kravet efter vor literatur vokser, og frugtene synes ogsaa at komme oftere til syne. Bidragene fra vort menighetsfolk holder ved nogenlunde jevnt med $3,000.00 om aaret.

I 1925 er utsendt ca. 67,000 bøker og 49,000 traktater, ca. 10,000 flere bøker end i 1924, og næsten det dobbelte antal traktater. Det viser sig fremdeles at de bøker vi har fra Norge, i originalutgave eller oversat, er blandt dem som er ofte efterspurt, og ved siden derav den opbyggelseslitteratur som vi selv har skrevet, for eks. den for syke. I det hele tat er denne gren av vor literatur, den direkte opbyggelige, den som vi bruker mest av. Og det maa vel sies at være et glædelig tegn.

I det senere har det hændt flere ganger at der er kommet anmodning om at faa opbyggelseslitteratur til utdeling i menigheter hvor der har været vækkelsesmøter med det resultat at flere kom til alvorlig eftertanke om sin frelse og blev begjærlige efter aandelig veiledning ogsaa gjennem læsning.

Bestyrelsen har under overveielse utgivelsen av en bok særlig for ungdommen. Tanken er at den skal indeholde opbyggelige smaastykker angaaende forskjellige forhold i livet som ungdommen møter, belyst av passende skriftsteder. Det er vor tro at prestene vilde med glæde utdele en saadan bok til sine konfirmanter.

I 1925 har vi trykt 70,000 bøker og 45,000 traktater som følger:

Bøker

Nr. 12	„Light on the Way"	7de oplag,	10,000 eks.

	Tilsammen	45,000 eks.

Flere av bokmissionens venner har været saa venlig at gi den restoplag av gode tidligere utgivne smaaskrifter, hvorfor de takkes.

Eksekutivsekretærens arbeide

Vor eksekutivsekretær, pastor Olaf Guldseth, har utført et velsignet og ihærdig arbeide. Han har i 1925 utsendt 1,165 større og mindre pakker og skrevet 1,280 brev. Og denne korrespondanse har ikke været bare rent forretningsmæssig. Han er jo selv forfatter av mange av vore bøker. Mange av dem som læser vore smaaskrifter skriver til ham angaaende aandelige bekymringer for sig selv eller andre, og ber om veiledning og raad. Sekretæren har desuten ogsaa talt om bokmissionen i 26 menigheter, holdt 27 prækener, 14 foredrag og 16 korte taler ved forskjellige anledninger. I alt har han været borte paa reiser i 83 dage.

Andre medlemmer av bestyrelsen har ogsaa talt bokmissionens sak ved større og mindre møter.

Vi som staar midt oppe i arbeidet og har anledning til at sætte os ind i de store muligheter og se de aapne dører for denne mission saavelsom de allerede vundne resultater, er ikke i tvil om at Herren vil at den skal fortsætte og utvides.

III. COMMITTEE REPORTS AND RESOLUTIONS

In editing this part of the Annual Report the secretary has, wherever possible, incorporated into the printed resolutions the changes adopted by the meeting. The sub-joined copy from the convention journal shows what the changes are and where they have been made.

COMMITTEE REPORT

Committee No. 3 organized itself by electing Rev. Omar Brenne chairman and Rev. C. B. Ingebrigtson secretary.

The committee respectfully submits the following report:

The Norwegian Lutheran Church of America returns thanks unto God, who by His Grace has prospered its efforts in the Home Mission field.

The Church also thanks the Home Mission Board, the workers in the various fields, for their faithful and untiring services, and all who in prayer and with gifts have remembered and supported the Home Mission in the past year.

SEC. 1. IMPORTANCE OF HOME MISSIONS

When Jesus founded the Christian Church he said, "Go ye and make disciples of all nations." His first disciples heeded this command. This command still applies to the Church; to our Church. We have unlimited opportunity of extending God's Kingdom. Let us reach as many as possible of the 60,000,000 of unchurched in our own beloved nation, regardless of nationality. The Church is mindful of the truth expressed by its president in his message to the Third General Triennial Convention:

"There is probably no department in our Church work that needs more attention at present than the work of Home Missions. If our Church is to grow and increase, we must be kindled with zeal to bring Christ to the people in our homeland. Startling figures make us realize that the Church is not holding its own with the increase in population. Unless the Church reaches them, numbers of nominal Lutherans will soon become non-Lutherans. Children that should be instructed in the Catechism will soon reach the age that they are beyond contact. The present status of our budget has made it practically impossible to extend the work to any great degree. We have marked time on the Home Mission field and our opportunity will soon be lost. If our support of Home Missions decreases it will eventually break down the other activities of our Church. The work of planting the Church in the homeland is fundamental. There can be no holding our own except in a constant widening of our borders. Standing still in mission work means loss because the country is growing. We have a message to bring to our people. We know ourselves it is the best that we can give. Shall we not bring to town and country the means of grace thru the work of church and pastor? Careful attention and care must be given to the promoting of Home Mission work in our cities and larger villages. From the cities and villages the influences go out into the country that will make for better or worse. We need funds to bring this work up to where it ought to be. More effort must be made to awaken our people to this crying need so that the amount of money available for the actual support of Home Mission stations is increased."

The Church rejoices in the fact that the work of the Home Mission department of our Church has been recognized with a substantial increase in the budget adopted for 1927-1928.

Other members of the committee are: Pastors O. M. Odland, T. J. Langley, H. E. Okland, J. B. Rockne and Delegates H. P. Sponheim, Thos. Jorstad and Peter Johnson.

SEC. 2. CHURCH EXTENSION

It is conceded by all interested in the Home Mission of our Church that Church Extension is necessary for its success. Home Mission work is more often than not well nigh impossible unless a church or chapel can be provided for the newly organized work. Without the aid of Church Extension such a church cannot in most cases be secured and the work already under way is wasted. It is, therefore, deplorable that the receipts of Church Extension were so meager, only $2,427.99. It is equally deplorable that so many churches indebted to Church Extension, some for a long term of years, are making little or no effort to take up their notes, thus enabling the Home Mission Board to give aid to at least a few of the 44 churches that have applied for loans and are standing in the waiting line. Church Extension has altogether too few funds.

Be it therefore resolved, that Church Extension be placed on the budget in the sum of $25,000.00 for 1927 and 1928; and it is recommended that these funds be raised by observing Sexagesima and Septuagessima as Church Extension Sundays.

Be it further resolved, that whenever a church indebted to Church Extension applies for a renewal of its notes and mortgage, such renewal shall be made on an amortization plan.

SEC. 3. EVANGELISTIC WORK

Whereas, the Evangelistic work of the three evangelists now employed by the Central Mission Committee has been well received, and the expenses met by congregations visited, and whereas these laborers cannot supply the demand. Last section deleted.

SEC. 4.—BOOK MISSION

Whereas, the Book Mission is doing a very blessed work in spreading the gospel thru the printed word and many concrete cases can be referred to where souls have been led to their Savior thru its use,

Therefore, be it resolved, that the Church urge all its pastors to employ this method of reaching souls and to take up annual collections in order that this mission may be extended.

SEC. 5. FOLLOW-UP WORK

Whereas, more and more of our people are moving into our cities and often are lost to our Church.

Be it therefore resolved, that the Church call the attention of the various Home Mission Boards to the splendid resolution adopted by the Chicago Home Mission Conference, Jan. 27-31, 1926, (See page 30), "as soon as possible a field missionary shall be appointed who shall devote all his time and ability to further direct the Home Mission activity in the district,"

Bt it further resolved, that all pastors be urged to notify one another of people moving from one field to another. (See the amendment given below).

SEC. 6. VARIOUS ACTIVITIES

Whereas, our Home Mission activities, such as Seamen's Missions, Indian Missions, Eskimo Mission, Immigrant Mission, Deaf and Blind Missions by the grace of God are flourishing and doing a blessed work,

Therefore, be it resolved, that the Church urge its congregations to remember these activities in prayer and with gifts.

OMAR BRENNE, Chairman,
C. B. INGEBRIGTSEN, Secretary.

SEC. 7. CHANGE OF NAME

Deleted.

SEC. 8. RELIGIOUS WORK AT STATE SCHOOLS

The church is gratified to note the rapid growth of the religious work at state schools. The church commends the interest in this work on the part of the pastors concerned made manifest in the organization of The Lutheran Student Pastors' Association. The church is grateful to the Young People's League and hereby thanks this league for the interest it takes in this work and the appropriation made for it.

Whereas the Lutheran Student Pastor's Association suggests that some way of handling these funds should be arranged for at this meeting,

Be it resolved that this be referred to Committee No. 6.

OMAR BRENNE, Chairman. C. B. INGEBRIGTSEN, Secretary.

FROM DEPARTMENT VI

The Board of Home Missions of our church recommends that thesum of $2,629.48, which money is derived from sale of property after the discontinuation of the Negro Mission, be transferred to the Church Extension Fund. The fund consists of:

A mortgage	$1,800.00
Cash	829.48
	$2,629.48

CHURCH EXTENSION FUND

Committee No. 6.—Supplementary Recommendations, Sec. 4.

"Whereas much more money is needed for the Church Extension Fund, in order to help struggling congregations to serve churches and build chapels for worship, and

Whereas this is so important for the progress of the home mission work on all our fields,

"Therefore be it resolved that the Home Mission be permitted to use for Church Extension purposes the amount over and above what is needed in the Home Mission Department.

Discussed at length. The committee explained that the surplus thus applied was not to be regarded as a loan to the Church Extension Fund.

The previous question was moved and the paragraph was adopted.

Evangelists

From Department VI, Committee's supplementary recommendations, Section 8:

The church realizes the need of deeper consecration and a more vigorous Christian life among its members. It also is conscious of having men in its midst who are especially gifted as evangelists and wishes to encourage a greater use of their talents, to co-ordinate and guide this work within the district:

Be it resolved that the evangelistic work be under the supervision of the district mission committee.

And be it further resolved that this work be so planned that it be financially self-sustaining. It being the sense of this resolution that the home mission budget allowance shall not be used for this work.

After considerable discussion, a motion to delete the paragraph was made and seconded.

The motion to delete failed to carry.

Upon motion presented by Pastor C. K. Solberg, it was decided to re-consider the resolutions previously adopted under Department 3, Sec. 3. which provides for the salaries of evangelists to be paid from the budget.

The section re-considered was deleted from the minutes.

Continued discussion.

The president stated that the paragraph under consideration, if adopted, in no wise modifies the status of the present evangelists who still remain evangelists commissioned and salaried by the Norwegian Lutheran Church.

"Foreslaat at vi ber om at faa evangelist Rønning eller Scotvold, og at missionsbestyrelsen ordner med reiseruter. Antat."

From Department VI, Committee No. 6, substitute motion adopted:

Be it resolved that the $2,000.00 already voted for the Women's Missionary Federation budget be transferred to the Home Mission Budget. This was amended to read: "Transferred to the Home Mission and Foreign Mission budget, each getting one-half." Motion adopted as amended.

From Committee No. 6.—Supplementary Report, Section 1.

Be it resolved that we vote $1,500.00 to be divided between the American and the British and Foreign Bible Societies and to be distributed in the budget between the home and foreign missions.

II. Reports

A. Arbeidet ute

Ved M. Saterlie

Stillingen paa samfundets missionsmarker

Kina. — Arbeidet begyndte ifjor høst, Gud ske lov, under meget lyse og lovende forhold. Utover høsten var man mindre plaget end paa flere aar av røverbander som har gjort stillingen saa utryg baade i Honan og Hupeh. Og studenteroptøiene fra tidligere paa aaret hadde ialfald for vore skolers vedkommende ikke de slemme følger man frygtet for. Paa faa undtagelser nær kom studentene tilbake og fortsatte sit studium i stilhet og ro. Ja ikke nok dermed, men da bibelskolen til utdannelse av evangelister, som væsentlig underviser i religiøse fag, blev aapnet ifjor høst fik endog den uventet mange elever som har drevet sit studium uten tanke paa at de derved gjorde noget galt. Man hadde fra begyndelsen av september og indtil nyaar en velsignet tid i alle grener av sin virksomhet, saa det i regelen var en lyst for missionærene at arbeide. Især paa bistationene var tilstrømningen til møtene større end nogen gang før, og man syntes aldrig at anledningen til at præke og undervise, pleie de syke, sælge bibler og traktater, hadde været saa god som ifjor høst. Det saa ut som om hjertene var mere end vanlig mottagelige for Guds ord.

I januar brøt imidlertid pludselig og uventet krigen løs i Sinyang og omegn, og arbeidet blev naturligvis avbrutt dersteds. Men rygter om krigen og dens følger virket som et „shock" over hele feltet, og man følte stillingens alvor, især hvad Sinyang-missionærenes ve og vel angik. Ellers vedblev forholdene især paa den vestre del av marken at være rolige, saa man kunde fortsætte sit arbeide.

Om krigen og dens resultater har samfundets blade, især for mars og april, git detaljerte efterretninger, hvortil der henvises. I denne forbindelse bør det dog nævnes at forholdene derute ikke i noget tilfælde kan sammenlignes med hvad de er her hjemme, og paa grund av røvernes herjinger lever og virker ofte vore missionærer under høist utrygge forhold. Naar de saa falder i røversoldaters hænder, blir stillingen om mulig endnu værre. Ti at maatte gaa med livet i sin haand nat og dag i ukevis, at være utsat for en stadig kuleregn, at maatte søke skjul i kulbinger og paa andre lignende steder, lide hunger og tørst og være gjenstand for røvernes herjinger, at maatte se paa hvordan baade missionens, missionærenes og andres eiendom blir ødelagt, at maatte være vidne til nøden og elendigheten blandt folkemassene samt hvorledes det mangeartede og rikt velsignede arbeide blev forstyrret og avbrutt — aa hvor det alt sammen maatte være usedvanlig bitre oplevelser.

Det rent enestaaende ved denne krig og dens følger er imidlertid tilfældet med pastor Daniel Nelson. Men ogsaa derom har vore kirkeblade git detaljerte efterretninger, hvorfor her kun skal tilføies, at mens han nu hviler i sin grav, vil hans arbeide bli ved at bære frugt. „Martyrenes blod er kirkens sæd." Søndag den 7de februar, dagen før sin død, holdt han en præken som blev hans sidste. I den folkemasse som hadde trængt sig ind i bakgaarden for at søke skjul bak missionshusenes solide vægger, var der mange av Nelsons naboer som i 25 aar hadde bodd kun nogen faa skridt fra kirken, men aldrig gaat i kirken eller søkt undervisning i Guds ord. Dette mindte han dem om i sin præken og nævnte at saadan som forholdene var, kunde deres død indtræffe naarsomhelst, hvorpaa han indtrængende formante dem til omvendelse. Næste dag blev pastor Nelson skutt. Det gjorde et grippende indtryk paa hedningene, og deres forhold til missionærene har undergaat en merkbar forandring. Nu begyndte de at tale om hvad Nelson hadde sagt ved krigens utbrudd, da de spurte ham hvorfor han ikke reiste til Kikungshan eller Hankow, at det kunde han da ikke gjøre naar de maatte bli tilbake. De talte meget om hans uventede og tragiske død og uttalte sin tak for det eksempel han hadde git dem og det arbeide han hadde utført i deres midte. De har ogsaa begyndt at tale om at sætte ham et mindesmerke. Vi haaber og ber at det væsentlige mindesmerke maa bli en almindelig og helhjertet overgang „fra mørke til lys og fra Satans magt til Gud". Imidlertid staar vort samfund i dyp taknemmelighetsgjæld til pastor Daniel Nelson. Velsignet være hans minde!

Madagaskar. — Hvad politiske forhold angaar, har det sidste aar været stille og rolig. Ingen nævneværdige hindringer lægges iveien for arbeidet, og i mange tilfælder viser regjeringens embedsmænd sig venlige og forstaaelsesfulde naar det gjælder ansøkninger om autorisation av kirker og skoler; med hensyn til vort skolearbeide uttaler de i enkelte tilfælder endog sin glæde og ros.

Og likesaa lovende for arbeidet har stillingen i andre henseender været. Ogsaa paa Madagaskar staar dørene vidt aapne for vor mission. Vor tid synes mere end vanlig at være en besøkelsestid for vor hedningemission, og markene er modne til indhøstning. Samfundets missionærer kan ikke alene faa sætte i gang arbeide hvorsomhelst, men fra mange steder lyder nødropet: „Kom over og hjælp os!" Man vil ha besøk av missionærene for at faa veiledning, raad og hjælp av dem og faa bistationer aapnet og evangelister ansat i distriktenes mange landsbyer. Et av de glædeligste tegn er at de unge holder paa at vaakne til bevisthet om nødvendigheten og velsignelsen av skoleutdannelse, og missionærene anmodes om at aapne kindergarten og primærskole paa de mange steder. Her staar vi foran en storartet anledning. Kan man binde barn og ungdom inden fjorten- a sekstenaarsalderen, har man som regel vundet dem for godt. Men vort ansvar er tilsvarende stort.

I denne forbindelse bør det nævnes at normalskolen paa Manantantely har gjort en heldig begyndelse i sit arbeide. Av første klasse som fremstillet sig til embedseksamen, bestod en majoritet prøven med held, og det uten at ha frekventert nogen længere fremskreden skole end vor egen. Dette lover godt for fremtiden hvad lærere og primærskoler angaar. Og tilsvarende heldig har vor mission været med sine studenter sendt til den fælles lutherske preteskole ved Fianarantsoa og med arbeidet ved evangelistskolen i Ft. Dauphin. Bemerkes maa det dog at med det knappe antal arbeidere missionen har, er det umulig at drive skolearbeidet, likesaa litt som det evangelistiske arbeide saadan som det kunde og burde bli drevet. Derfor er det nu paa sin plads at si et ord om:

Mangelen paa arbeidere, som desværre blir større og større efter hvert. Som nævnt i ovenstaaende er pastor Daniel Nelson avgaat ved døden. Det samme er tilfældet med en anden av samfundets Kina-missionærer, nemlig Miss Agnes Kittelsby. Ogsaa dette var et smertelig tap, da hun var framifraa vel skikket for sin stilling som principal for American School, hvor hun har utført et rikt velsignet arbeide. En anden nidkjær og tro arbeider har missionen mistet, idet pastor G. M. Trygstad kom hjem nys før jul. Paa grund av sygdom vender han aldrig tilbake igjen. Og ifølge sidste efterretninger vil vistnok et par til for sygdoms skyld maatte forlate Kina for godt. Paa Madagaskar er tapet likesaa slemt. Siden sidste aarsmøte er nemlig pastor C. P. Rasmussen kommet hjem. Paa hjemvei er pastor A. Picard og søster Clara Fremming, og sygdom vil i alle tre tilfælder hindre tilbakereise. Pastor J. F. Ylvisaker maa i ethvert tilfælde forbli i længere tid i Syd-Afrika. Og endelig har Miss Anena Christensen og hr. Henri Donze resignert. Til Kina reiste ifjor høst kun en missionær, Miss Therese Sheldahl, og i disse dage reiser pastor O. L. Hofstad med familie og Miss Laura Olson fra Paris til Madagaskar. Tapet er let at beregne — desværre et stort tap av varmt interesserte arbeidere.

Naar saa hertil føies at antallet av missionærer allerede før disse tap var saa altfor knapt, er det hele ensbetydende med at stillingen er blit kritisk. I Kina har de aller fleste stationer kun to arbeidere, en præst og en kvindelig arbeider, enkelte har kun en mandlig missionær istedenfor mindst to prester og to kvindelige missionærer ved hver station, et høist nødvendig antal for at kunne ta vare paa arbeidet i de store og folkerike distrikter. Ti hvad kan en eller endog kun to missionærer utrette iblandt et sjæleantal paa fire a syv hundrede tusen? Det er ensbetydende med at vort samfund skulde ha kun en a to prester blandt et lignende sjæleantal. Paa Madagaskar var der ved sidste konferans fjorten ledige stillinger at besætte efter syke og ferierende missionærer, men kun syv missionærer at ansætte. Og hvad stillingen ellers angaar, er Madagaskar ikke heldigere stillet end Kina hvad antal av missionærer angaar.

Sidste aar maatte en missionær ta vare paa arbeidet i tre vidtstrakte missionsdistrikter, en anden i to, flere distrikter hadde ingen kvindelig arbeider, og stillingen er i ethvert tilfælde uforandret ogsaa for indeværende aar. Mens alle dører staar aapne og folkemassene gjerne kommer sammen for at høre Guds ord, saa er der en skrikende mangel paa arbeidere. Og som nævnt i bestyrelsens indberetning for 1925 er der ingen mangel paa „volunteers". Men bestyrelsen kan faa eller ingen utsende, og det som hindrer er:

Det sterkt reducerte budget. — Hedningemissionen har forsøkt at greie sig med de for 1925 og 1926 sterkt reducerte budgetter, men det vil slet ikke si at de var tilstrækkelige. Tvertimot. Som allerede nævnt i ovenstaaende er kun tre nye missionærer blit sendt ut siden aarsmøtet ifjor for at erstatte et tap av ca. ett dusin, og ingen til at avhjælpe mangelen ellers: ti dertil var lønningsbudgettet altfor knapt. Endvidere er stationsbudgettet blit forholdsvis mere reducert end lønningsbudgettet (fra 56,000.00 i 1924 til $51,000.00 i 1926 for Kina og fra $42,000.00 i 1924 til 29,000.00 i 1926 for Madagaskar). Men som følge herav er ogsaa arbeider blit reducert. Eksempelvis berettes det saaledes fra Kina at man har maattet nedlægge meget arbeide, og det føies til at dette er smertelig tungt. Hertil kommer saa at i de sterkt reducerte budgetter kunde der for 1925 og 1926 intet bli opført til at dække utgifter i tilfælder som ikke kan beregnes to a tre aar i forveien, som for eks. sygdom, tap ved røvernes herjinger osv. Naar saa intet „emergency fund" haves for saadanne tilfælder, av hvilke flere eller færre indtræffer hvert aar — for dette aars vedkommende et usedvanlig stort antal — da blir man nødt til at betale hospitalregninger eller hjemreiseutgifter fra andre dele av budgettet, og arbeidet lider saa meget mere.

Husnøden. — Til hvad derom er sagt i bestyrelsens indberetning til aarsmøtet ifjor, maa føies at stillingen er ikke blit bedre, men derimot værre. Og grunden hertil vil man vistnok let kunne forstaa; ti mens bestyrelsen paa grund av finansielle vanskeligheter ikke har kunnet fuldføre indsamlingen av det byggefond som samfundet i sin tid bevilget, saa har man ute paa missionsmarkene ikke alene ikke kunnet fuldføre det byggeprogram som samtidig blev opstillet, men krav paa nye bygninger er

kommet til. Hvad hus angaar er nemlig stillingen den samme derute som her hjemme. Efter hvert som arbeidet vokser og utvides eller de gamle bygninger blir ubrukelige, maa der bygges nye. Hertil kommer saa i det senere ødelæggelsen av missionens hus i Sinyang og paa andre steder, især i Chengyang og Sihsien. Denne mangel paa hus føid til mangel paa arbeidere og midler til at drive arbeidet, gjør stillingen kun saa meget vansteligere.

Schreuder-missionen. — Ifølge indberetninger, statistik og andre rapporter kan bestyrelsen indberette at utsigtene ogsaa for denne mission er særdeles gode. Ikke nok med at det brede lag av folket gjerne hører evangeliet, men endog gamle høvdinger med sine slegtninger og venner gaar til undervisning i Guds ord og blir døpt. Gudstjenester og lignende møter er i regelen vel besøkt. Og som i Kina og paa Madagaskar vokser ogsaa Schreuder-missionens menigheter en sund aandelig vekst i erkjendelse av Guds ords frelsende sandhet. Men ogsaa i det ydre er der fremgang, idet flere og flere ved daaben lægges til antallet av de frelste, og især de ældste menigheter organiseres til at ta del i arbeidet. Dette er meget glædelige forhold.

Men paa den anden side er stillingen tung og trykkende ogsaa for denne mission, og grundene er ganske de samme som for Kinas og Madagaskars vedkommende. Den vedvarende lave kurs paa norske penger har paaført Schreuder-missionen store finansielle tap. Antallet av arbeidere er ogsaa altfor knapt, idet pastorene Joh. Astrup og H. Otte hver har maattet ta vare paa to vidtstrakte stationsdistrikter. Imidlertid ankom ifjor sommer past. J. F. Ylvisaker til Zulu og har siden været de to nævnte missionærer til stor hjælp. Og ut paa høsten vendte gamle past. H. J. S. Astrup tilbake og optok arbeide igjen. Dette var naturligvis til stor opmuntring og glæde, ikke mindst for hans kjære menighet i Entumeni. Endvidere er frk. Caroline Astrup vendt tilbake for at fortsætte sit arbeide ved pikehjemmet og skolen paa Entumeni.

Schreuder-missionen har gjennemnevd lange og tunge trængselstider; men dens missionærer har under bøn og med haab om at stillingen vilde forandre sig til det bedre, taalmodig og trofast holdt ved i sit arbeide. Gud velsigne ogsaa denne mission og gi at deres haab ikke maa bli til skamme!

Resultater eller frugter

av vort arbeide paa samfundets marker i hedningeland. Nedenstaaende er statistiske beretninger for aarene 1921 til og med 1924 og gir, saa langt som tal kan gjøre det, oplysninger om hvad frugt arbeidet har baaret.

Antal døpte: Kina 2,088, Madagaskar 1,589, Schreuder-missionen 1,342. Tilsammen 5,019.

Antal kirkesøkende: Kina 34,087, Madagaskar 17,085, Schreuder-missionen 5,650. Tilsammen 56,822.

Antal søndagsskolebarn: Kina 9,128, Madagaskar 12,142. Tilsammen 21,270. Antal hverdagsskolebarn paa alle tre marker, 21,559.

Antal katekumener: Kina 9,620, Madagaskar 1,400, Schreuder-missionen 638. Tilsammen 11,668.

Antal syke paa hospitalene og klinikene, 83,813.

Antal døpte siden arbeidet begyndte: Kina 9,438, Madagaskar 6,758, Schreuder-missionen 7,458. Tilsammen 23,654.

Naar vi betænker at for det første er vort samfunds hedningemission, sammenlignet med ældre missioner, endnu væsentlig kun paa sit nybegynderstadium, og dernæst alt det som har hindret os i at drive et aggressivt arbeide, da maa vi si at resultatene er rike og herlige. Især er dette tilfældet naar vi betænker værdien av de enkelte sjæle. „De som saar med graat, skal høste med fryderop." Dette ord er, Gud ske lov, anvendelig ogsaa paa vort hedningemissionsarbeide.

Ferierende missionærer

I 1925 kom følgende missionærer hjem paa ferie: Past. S. Klhve med familie, Mr. Oliver og Mrs. Nellie Holman, M. D., med barn, Misses Carrie Olson, Ruth Gilbertson og Frida Nilsen, alle fra Kina, samt past. Gunerius Torvik fra Madagaskar. Sent ifjor høst ankom fra Kina past. G. M. Trygstad med familie, og Miss Olive Hodnefield og pastor C. P. Rasmussen med familie fra Madagaskar.

Samme aar vendte prof. O. R. Wold med familie, pastor og Mrs. O. Hellestad, pastor Bert Nelson og Miss Therese Peterson tilbake til Kina, samt pastorene K. F. Braaten og David Lovaas, hver med familie, og søster Mette Hagen til Madagaskar. Mr. C. H. Chen, som i tre og et halvt aar har frekventert samfundets skoler her i landet, vendte sidste vinter tilbake til Kina.

Sommeren 1926 ventes følgende missionærer hjem: Past. E. Borg-Breen med familie, Mrs Oline Netland, Miss Ida Groseth og søster Lillian Groh fra Kina. Pastorene K. Monson, O. P. Stavaas og A. Picard, hver med familie, samt Miss Celia Thompson og Clara Fremming fra Madagaskar.

Nye missionærer

Under henvisning til side 301 i aarsberetningen for 1925 bemerkes at past. Andrew Burgess ikke er blit sendt ut som missionær, men at han er reist paa privat besøk til samfundets missionsmarker.

Til Kina avreiser til høsten past. Herman W. Bly samt Miss Aagoth Fosmark. Mr. Karl R. Lundeberg, M. D., tar paa vei til Madagaskar; ti efter mangeaarig forsøk har det endelig lykkes bestyrelsen at finde en lægemissionær for denne del av samfundets missionsmark, og vi er glad og takker Gud.

•

En del av hvad der i ovenstaaende er sagt, for eks. det om husnøden, mangel paa arbeidere og det reducerte budget, kan gi indtryk av et ensidig klagemaal. Imidlertid er det ikke bestyrelsens mening at ville klage, men at fremstille de forhold under hvilke samfundets hedningemission arbeider netop saadan som de i virkeligheten er. Bestyrelsen er ogsaa opmerksom paa at utsigtene er ikke bare mørke, men ogsaa lyse, ja at endog mørket er gjennemtrængt av lysstraaler, idet Gud ikke mindst kan bruke trængsler, nød og motganger til at fremme sin riksfak. Derfor takker vi ham som sier: **„Jeg vet de tanker jeg tænker angaaende eder, sier Herren, fredstanker og ikke til ulykke, at gi eder fremtid og haab.“**

B. Arbeidet hjemme

Ved J. R. Birkelund

Først hjertens tak til Gud fordi vi atter har kunne slutte et regnskapsaar med et betydelig overskudd! Dernæst tak til alle de prester, menigheter, foreninger og enkeltpersoner som har bistaat gjerningen med forbøn og gaver!

Det bevilgede budget har dog særlig i de senere aar langt fra været tilstrækkelig til at holde arbeidet gaaende i sin fulde utstrækning, for ikke at tale om utvidelse.

Det allerede reducerte budget for 1925 blev efter bestemt anmodning fra Board of Trustees yderlige formindsket med over $40,000. For indeværende aar fandt bestyrelsen at der trængtes et arbeidsbudget paa $365,000. Det endelige resultat blev et arbeidsbudget paa $301,000, altsaa en formindskelse paa $64,000.

Vi nævner dette for at vise hvor vanskelig stillingen har været og fremdeles er; ti naar det av bestyrelsen efter grundig overveielse opstillede budget kun var tilstrækkelig til nogenlunde at holde det paabegyndte arbeide gaaende, er det selvsagt at en formindskelse av over 17½% nødvendiggjør indskrænkning.

Naar samfundet imidlertid har fundet det nødvendig at formindske sit totalbudget, maa hedningemissionen under det nuværende system ta sin andel av reduktionen sammen med samfundets andre gjøremaal.

I mars d. a. rapporterte kassererens kontor at der til hedningemissionen var indkommet ca. $22,000 over budgettet. Naar dette beløp nu imidlertid er blit reducert til $12,441.60, skyldes det de stadig stigende „pro rated“ utgifter. For hedningemissionens vedkommende beløp disse sig til $36,804.64.

Bestyrelsen indstiller et arbeidsbudget for 1927 paa $349,288.40. Hertil føies „pro rated amounts“ $37,936.42, i alt $387,224.82. For 1928, $331,473.06, og „pro rated amounts“ $37,936.42. Tilsammen $369,409.48. Samfundets budgetkomite (Board of Trustees) indstiller imidlertid at budgettet for 1927 blir det samme som den sum der indsamledes i 1925, altsaa for hedningemissionens ved-

kommende $366,675.87 (ca. $25,000 mindre end det indstillede budget) og for aaret 1928 den sum som indkommer i 1927.

Gang paa gang har bestyrelsen indstillet en forandring i det nuværende finanssystem for hedningemissionens vedkommende, og i 1922 foreslog „Committee on Efficiency and Economy" i sin indstilling at „hedningemissionsavdelingen ikke bibeholdes paa det almindelige budget".

Bestyrelsen vil igjen fremsætte sit syn paa denne vigtige sak i følgende enstemmige beslutning:

"In view of the fact that the conviction is quite general among the people of our Church, the members of the Board of Foreign Missions and our missionaries on the field that a more spontaneous and voluntary giving would promote the cause of Missions in general and Foreign Missions in particular,—be is resolved that it is the sense of the Board of Foreign Missions that we favor the policy that the Foreign Missions department of the Norwegian Lutheran Church of America be released from the present finance system and allotment plan."

I denne forbindelse skal nævnes en resolution (under dato 2den december 1925) antat av bestyrelsen:

"Whereas, members of our Church seem to think that the present finance system hinders voluntary giving;

Whereas the present reduced budget is not adequate for carrying on the work already undertaken;

Whereas many have indicated their desire to give smaller or larger amounts to the Foreign Mission Work in general or any of its branches;

The Board of Foreign Mission, therefore, wishes to declare as its opinion that there is no rule which prevents it from receiving and using gifts definitely specified by the donor to be applied outside the budget for Foreign Mission work in general or any of its branches, which have already been sanctioned by the Church.

It should, of course, be understood that this must not in any way hinder individual members or congregations from paying their allotments to the regular budget of the Church."

Schreuder-missionen. — Aarsmøtet i 1925 besluttet at avgjørelsen angaaende fremtidig ordning av denne mission utsættes til fællesmøtet i 1926. Som meddelt i „Lutheraneren" nr. 2, 13de januar 1926, hvortil henvises, har Schreuder-missionens landsmøte i Norge, avholdt i Oslo i oktober f. a., enstemmig besluttet at be vort samfund om at overta denne missions styre og drift. Schreuder-missionen har i snart en menneskealder faat regelmæssig finansiel støtte fra Amerika — før sammenslutningen fra den Norske Synode og siden 1917 fra det forenede samfund. Det har især i de senere aar vist sig vanskelig for komiteen i Norge at samle sin nødvendige andel til denne missions drift, og vort samfund har ydet betydelig mere end halvdelen av totalbeløpet som missionen har faat. Missionens eksistens er alvorlig truet. Der har været ført forhandlinger mellem Schreuder-missionens styre i Norge og Det Norske Missionsselskap; men begge er enige om at den bedste løsning vil være at vort samfund overtar missionen.

To av de tre missionærer (Johs. Astrup og H. Otte) som nu arbeider paa missionsmarken, er utdannet ved vore skoler her hjemme og utsendt i 1897 fra Amerika. Dette blev begyndelsen til regelmæssig understøttelse og hjælp fra Amerika. Prof. dr. Laur. Larsen arbeidet og talte for denne mission mere end nogen anden mand her hjemme. Han gav selv to av sine døtre til denne gjerning. Den ene av dem hviler i Afrikas jord, og den anden maatte reise hjem med nedbrutt helbred. Missionen vandt mange venner her hjemme. Dens begyndelse i 1844 var jo den første selvstændige norske hedningemission. At missionen senere blev splittet i to dele, da biskop Schreuder fandt sig nødsaget til i 1873 at trække sig tilbake og danne egen mission, maa selvfølgelig beklages, uten derved at uttale nogensomhelst dom i selve saken.

Det ligger 53 aar tilbake i tiden, og meget er forandret siden da. Begge missioner er blit rikt velsignet: et samlet antal av henved 18,000 sjæle takker Gud for frelsen i Kristus Jesus. At der idag er en stor lutherskkirke paa Madagaskar (98,000 medlemmer), skyldes, næst Gud, biskop Schreuders utrættelige pionerarbeide.

Men nu ber landsmøtet for Schreuder-missionen i Norge vort samfund om at overta missionen, idet der samtidig loves at medlemmer og venner av missionen

i Norge vil fortsætte at støtte den.

Missionærene paa marken ber om det samme, og de kristne menigheter, de indfødte prester og andre missionsarbeidere banker paa vort samfunds dør og ber om at vi vil anta os dem.

Der foreligger altsaa et bestemt tilbud og en indstændig bøn. Saken angaaende Entumeni missionsstation, hvorom der har været strid mellem de to missionselskaper, er nu ordnet paa en tilfredsstillende maate, og den vil bli overdrat vort samfund sammen med den øvrige del av missionen.

Denne sak har i flere aar været grundig overveid og behandlet av bestyrelsen og forelagt samfundet. Der er meget som kunde tale for en sammenslutning av Det Norske Missionselskap og Schreuder-missionen; men forholdene er for tiden slike at dette ikke lar sig gjøre. Vi har dog grund til at haabe at fremtiden vil bringe disse to missioner, som begge er utgaat av den norske kirkes kjød, nærmere hinanden, og at den dag ikke vil være altfor fjern da der ogsaa fra Syd-Afrika kan meldes at den lutherske kirke staar samlet i arbeidet for Guds rikes vekst og fremgang, ikke blot blandt zulufolket, men ogsaa blandt de andre, med dette folk beslegtede bantustammer nordover, saa at biskop Nils Astrups plan: „Zulumissionens maal, Afrikas hjerte", maa kunne bli virkeliggjort.

Bestyrelsen indstiller derfor:

1. At samfundet overtar styret for Schreuder-missionen og ansvaret for dens drift.

2. At missionens navn blir „American Lutheran Mission in South Africa (Schreuder Mission)."

3. At løftet av missionens venner i Norge om fremdeles at støtte missionen, mottages med tak.

4. At det overlates bestyrelsen at træffe de nødvendige forføininger med hensyn til overtagelsen.

5. At denne træer i kraft 1ste januar 1927 eller saa snart derefter som omstændighetene tillater.

6. At samfundets „Regler for hednnigemissionen" skal ogsaa være gjældende for denne mission.

7. At der bevilges et totalbeløp av $25,000 for 1927 og det samme for 1928.

Under dette punkt ønsker bestyrelsen at gjøre opmerksom paa paragraf 26 i Regler for hedningemissionen: „Alle missionsbidrag bør sendes til samfundets kasserer og være gjenstand for bestyrelsens bevilgning for at opnaa jevn fordeling av missionsmidlene."

8. At det samme lønningsregulativ fastsættes som nu gjælder for Madagaskar.

(Det skal her bemerkes at dette har hittil været gjældende for de to missionærer som har faat hele sin løn fra vort samfund.)

Forandring av reglene. — Par. 1. Tilføielse: I 1926 besluttes at samfundet overtar styret for Schreuder-missionen.

Par. 3. Tilføielse (1926): Da samfundet nu holder ordinært møte andethvert aar, saa besluttes: I 1926 vælges to medlemmer for en termin av 6 aar, og ett medlem for en termin av 2 aar. Samtidig forandres tiden for de tre nuværende medlemmer hvis embedstermin utløper i 1929 saaledes: For ett medlems vedkommende utløper terminen i 1928, for de to andre forlænges den til 1930. I 1928 og paa hvert ordinært samfundsmøte derefter, vælges to medlemmer for en termin av 6 aar.

Par. 6. I første linje strykes „paa tre aar".

Par. 19. De tre første linjer forandre til: For hver arbeidsperiode av 7 aar tilstaaes et aars ferie for missionsarbeiderne i Kina og Syd-Afrika og et og et halvt aars ferie for missionsarbeiderne paa Madagaskar.

Par. 20. Da missionærene i Kina baade før og efter sammenslutningen av de tre samfund har faat sin løn utbetalt efter en fast vekselkurs — $1.00=taels 1.60=kin. $2.30, og dette har foraarsaket de store utgifter for „exchange", saa indstiller bestyrelsen at vort samfund i likhet med de fleste andre amerikanske samfund og missionselskaper, beregner lønnen i amerikanske dollars uanset vekselkursen og overfører et nogenlunde tilsvarende beløp fra „exchange" til „løn". Det betyr ikke nogen ny forhøielse av missionærenes gjennemsnitlige løn og altsaa heller ikke nogen forhøielse av budgettet, men kun en forandring i posteringen. Bestyrelsen ber om fuldmagt

til at utarbeide og utregne denne forandring i overensstemmelse med ovenstaaende.

„Tilsynsmændene og kasserrerne i Kina og paa Madagaskar faar hver et ekstra tillæg av $100.00 pr. aar. Av dette tillæg utredes alle kontorholdsutgifter." Dette punkt foreslaaes forandret til: „Tilsynsmændene og kassererne i Kina og paa Madagaskar faar hver et ekstra tillæg av $100.00 pr. aar. Tilsynsmanden og kassereren i Syd-Afrika faar hver $50.00. Nødvendige kontorholdsutgifter utredes av missionen."

Anmerkning saalydende: „Det skal være uttrykkelig forstaat at ingen bestemmelse i denne paragraf skal formindske den totalløn som nogen nuværende missionsarbeider ved tidligere samfundsbeslutning oppebærer", strykes. Ved sammenslutningen i 1917 var der en missionær av Hauges Synode som hadde et ekstra tillæg. For at holde ham skadesløs, blev denne anmerkning tilføid.

Hvis forannævnte ompostering antages, bør følgende forandring foretages i paragraf 17. „Under ferier lønnes missionsarbeiderne efter det for Madagaskar gjældende regulativ." Ordet „Madagaskar" forandres til „Kina". Det synes selvsagt at missionærene fra samfundets samtlige missionsmarker bør ha den samme løn den tid de er hjemme paa ferie.

Reglene for hedningemissionen er oversat til engelsk. Oversættelsen er godkjendt av bestyrelsen, men har endnu ikke været forelagt samfundet. Da der nu foreslaaes nogen tillæg og forandringer, henstilles det at samfundet autoriserer de antagne regler i den engelske oversættelse som blir godkjendt av bestyrelsen.

Valg av bestyrelsesmedlemmer. — Ifølge reglene skal der iaar foretages valg paa tre bestyrelsesmedlemmer. De medlemmer hvis termin utløper, er pastorene J. J. Lee, G. Smedal og J. D. Runsvold. Her henvises til et andet punkt i bestyrelsens indstilling: Forandring av reglene.

Missionsmøter. — Kun seks missionærer (to mænd og fire kvinder) har været hjemme paa regulær ferie. Som følge herav har antallet av møter med deltagelse av missionærer ikke været saa stort som i tidligere aar, især da flere av missionærene anvender sin ferietid til fortsat studium. Missionsemissærene har anvendt hele sin tid og kraft til fremme av missionen og samfundets andre gjøremaal.

Den anden almindelige missionskonferans holdtes i Albert Lea sidste november, likesaa er større missionsmøte i Grand Forks, N. Dak. I alt har der gjennem fieldsekretariatet været skaffet hjælp til ca. 300 større og mindre møter. Der har været lagt vegt paa at faa besøke saadanne menigheter hvor der har været litet kjendskap til missionen og som følge derav ogsaa liten interesse for den.

Pastor M. Norstad, Red Wing, har antat bestyrelsens kald til missionsemissær og vil D. v. begynde sin virksomhet i slutningen av mai d. a.

Underhold av indfødte arbeidere, studenter og barn. — Kvindeforeninger, ungdomsforeninger, søndagsskoler og et stort antal enkeltpersoner har paatat sig at underholde indfødte missionsarbeidere, studenter og barn, likesom ogsaa nogen av de utsendte missionærer er direkte underholdt av menigheter.

Paa Madagaskar underholdes 119 indfødte arbeidere og 46 studenter eller barn.

I Kina 352 indfødte arbeidere og 112 studenter eller barn.

I alt et samlet antal av 629.

For dette ønsker bestyrelsen at uttale sin hjertelige tak.

Repræsentant til Madagaskar. — Følgende beslutning fattet paa bestyrelsesmøte den 20de mai d. a. forelægges aarsmøtet:

"Whereas, serious difficulties have existed for a number of years on our Mission field on Madagascar, which seem now to have reached an acute stage, and

Whereas the Board has found it impossible to settle this matter by correspondence,

Be it resolved, that Dr. M. J. Stolee be sent to Madagascar as a special representative of the Norwegian Lutheran Church of America with mandate from the Church to act on its behalf as he may deem necessary and expedient after a thoro investigation."

*

Gud gi aarsmøtet visdom og naade til at fatte saadanne beslutninger som vil fremme hedningemissionens arbeide baade ute og hjemme!

III. COMMITTEE REPORTS AND RESOLUTIONS

In editing this part of the Annual Report the secretary, has, wherever possible, incorporated into the printed resolutions the changes adopted by the meeting. The sub-joined copy from the convention shows what the changes are and where they have been made.

Foreign Missions

Committee No. 4, composed of the following members: Rev. J. J. Ekse, Rev. K. A. Bodin, Rev. C. J. Naglestad, Rev. O. F. Braaten, Rev. M. A. Christensen, Rev. Chr. Hoversten, Del. Hans Hextell, Del. Anton Dahle, and Rev. J. C. K. Preus, met Thursday noon and organized by electing Rev. Preus secretary and Rev. Christensen chairman.

The committee begs to submit the following report:

SECTION 1.

a. "Give thanks unto the Lord for He is good and His mercy endureth forever." In spite of our many shortcomings and half-hearted efforts the Lord has thruout the past year again abundantly blessed the labors of our Church in the foreign mission field. For this we lift up our hearts and voices in praise and thanksgiving to the Lord of the Harvest.

b. We humbly and gratefully acknowledge that but for His fatherly protection our missionaries and native congregations in the war-stricken territory of China could not have survived.

c. The Church body also expresses its appreciation of the generous support accorded this branch of our work by congregations and individuals. May the Lord richly bless every cheerful giver.

d. The attention of the convention is called to the passing away of Miss Agnes Kittelsby and the violent death of our pioneer missionary, Daniel Nelson. May God be the stay and comfort of the bereaved families.

It is suggested that the president of the church body arrange for a brief memorial service in honor of these, at some time during this convention.

e. The convention expresses its deep sympathy with congregations and missionaries where the latter have been driven from their field of labor. Likewise for those who because of broken down health have been compelled to lay down their work. It is our hope and prayer that they may be able at an early date to resume their labors in their respective fields under more favorable conditions.

f. The convention exhorts the congregations and individuals of our Church to more earnest and constant prayer both for the physical safety of our missionaries and the spiritual growth and development in all our foreign fields.

SECTION 2

a. The Church notes with concern the ever pressing need of more laborers in the foreign field and the consequent lost opportunities for a widening of our frontier.

While the Board of Foreign Missions continues to grapple with this perplexing problem we can only urge our people to pray that the Lord, who has put it into the hearts of many of our young people to offer themselves for foreign service, may also conquer the hearts of many others so that they may be willing to render unto the Lord a fuller share of that which is His and which is needed to extend His Kingdom.

SEC. 3. THE SCHREUDER MISSION

The problem of the Schreuder Mission in South Africa has long been pressing for a final solution. Now, as if in direct answer to the prayers of the mis-

sionaries and native Christians, as well as many mission friends at home, the society in Norway offers our church full possession and control of this mission.

a. The Norwegian Lutheran Church of America expresses its sincere appreciation of this generous offer and accepts it in the same spirit in which it is tendered.

b. The convention approves the recommendation of the Board of Foreign Missions, as proposed in the printed report, page 113-114:

1. At samfundet overtar styret for Schreuder-missionen og ansvaret for dens drift.

2. At missionens navn blir "American Lutheran Mission in South Africa (Schreuder Mission)."

3. At løftet av missionens venner i Norge om fremdeles at støtte missionen, mottages med tak.

4. At det overlates bestyrelsen at træffe de nødvendige forføininger med hensyn til overtagelsen.

5. At denne trær i kraft 1ste januar 1927 eller saa snart derefter som omstændighetene tillater.

6. At samfundets "Regler for hedningemissionen" skal ogsaa være gjældende for denne mission.

7. At der bevilges et totalbeløp av $25,000 for 1927 og det samme for 1928. (Dette betyr en forøkelse av budgettet for 1927 paa $15,345 og det samme beløp for 1928.)

This appropriation to be prorated in accordance with other parts of the budget.

Under dette punkt ønsker bestyrelsen at gjøre opmerksom paa paragraf 28 i Regler for hedningemissionen: "Alle missionsbidrag bør sendes til samfundets kasserer og være gjentand for bestyrelsens bevilgning for at opnaa jevn fordeling av missionsmidlene."

8. At det samme lønningsregulativ fastsættes som nu gjælder for Madagaskar. (Det skal her bemerkes at dette har hittil været gjældende for de to missionærer som har faat hele sin løn fra vort samfund.)

c. The convention recommends that the Board of Foreign Missions call Rev. Joh. Ylvisaker as permanent missionary to South Africa.

SEC. 4. CHANGE OF RULES

The Church approves the changes in the rules governing our Foreign Mission work as proposed by the Board of Foreign Missions, (Pages 114-115, printed report):

"Forandring av reglene:

Par. 1. Tilføielse: I 1926 besluttedes at samfundet overtar styret for Schreuder-missionen.

Par. 3. Tilføielse (1926): Da samfundet nu holder ordinært møte andethvert aar, saa besluttes: I 1926 vælges to medlemmer for en termin av 6 aar, og et medlem for en termin av 2 aar. Samtidig forandres tiden for de tre nuværende medlemmer hvis embedstermin utløper i 1929 saaledes: For ett medlems vedkommende utløper terminen i 1928, for de to andre forlænges den til 1930. I 1928 og paa hvert ordinært samfundsmøte derefter, vælges to medlemmer for en termin av 6 aar.

Par. 6. I første linje strykes "paa tre aar."

Par. 19. De tre første linjer forandres til: For hver arbeidsperiode av 7 aar tilstaaes et aars ferie for missionsarbeiderne i Kina og Sydafrika og et og et halvt aars ferie for missionsarbeiderne paa Madagaskar.

Par. 20. Da missionærene i Kina baade før og efter sammenslutningen av de tre samfund har faat sin løn utbetalt efter en fast vekselskurs — $1.00 — taels 1.60 — kin. $2.30, og dette har foraarsaket store utgifter for "exchange", saa indstiller bestyrelsen at vort samfund i likhet med de fleste andre amerikanske samfund og missionsselskaper, beregner lønnen i amerikanske dollars

uanset vekselkursen og overfører et nogenlunde tilsvarende beløp fra "exchange" til "løn". Det betyr ikke nogen ny forhøielse av missionærenes gjennemsnitlige løn og altsaa heller ikke nogen forhøielse av budgettet, men kun en forandring i posteringen. Bestyrelsen ber om fuldmagt til at utarbeide og utregne denne forandring i overensstemmelse med ovenstaaende.

"Tilsynsmændene og kassererne i Kina og paa Madagaskar faar hver et ekstra tillæg av $100.00 pr. aar. Av dette tillæg utredes alle kontorholdsutgifter." Dette punkt foreslaaes forandret til: "Tilsynsmændene og kassererne i Kina og paa Madagaskar faar hver et ekstra tillæg av $100.00 pr. aar. Tilsynsmanden og kassereren i Sy-Afrika faar hver $50.00. Nødvendige kontorholdsutgifter utredes av missionen."

Anmerkning saalydende: "Det skal være uttrykkelig forstaat at ingen bestemmelse i denne paragraf skal formindske den totalløn som nogen nuværende missionsarbeider ved tidligere samfundsbeslutning oppebærer"(strykes. Ved sammenslutningen i 1917 var der en missionær av Hauges Synode som hadde et ekstra tillæg. For at holde ham skadesløs, blev denne anmerkning tilføid.

Hvis forannævnte ompostering antages, bør følgende forandring foretages i paragraf 17. "Under ferier lønnes missionsarbeiderne efter det for Madagaskar gjældende regulativ." Ordet "Madagaskar" forandres til "Kina". Det synes selvsagt at missionærene fra samfundets samtlige missionsmarker bør ha den samme løn den tid de er hjemme paa ferie.

Reglene for hedningemissionen er oversat til engelsk. Oversættelsen er godkjendt av bestyrelsen, men har endnu ikke været forelagt samfundet. Da der nu foreslaaes nogen tillæg og forandringer, henstilles det at samfundet autoriserer de antagne regler i den engelske oversættelse som blir godkjendt av bestyrelsen."

SEC. 5. SPECIAL CAMPAIGN

The convention further approves the resolution of the Board of Foreign Missions, adopted on December 2, 1925, as follows (Pages 112-113):

"I denne forbindelse skal nævnes en resolution antat av bestyrelsen:

"Whereas, members of our Church seem to think that the present finance system hinders voluntary giving;

"Whereas the present reduced budget is not adequate for carrying on the work already undertaken;

Whereas many have indicated their desire to give smaller or larger amounts to the Foreign Mission work in general or any of its branches;

The Board of Foreign Missions, therefore, wishes to declare as its opinion that there is no rule which prevents it from receiving and using gifts definitely specified by the donor to be applied outside the budget for Foreign Mission work in general or any of its branches which hav already been sanctioned by the Church.

It should, of course, be understood that this must not in any way hinder individual members or congregations from paying their allotments to the regular budget of the Church."

SECTION 6

a. The Church encourages the laudable practice of Ladies' Societies, Luther Leagues, Sunday Schools and many individuals, of supporting native workers, students and children.

A special expression of appreciation is due the organizations and individuals which have so generously undertaken work of this nature.

b. The convention also encourages the plan of holding special meetings in various parts of the Church in the interest of foreign missions.

Respectfully submitted.

REV. M. A. CHRISTENSEN, Chairman.

REV. J. C. K. PREUS, Secretary.

II. REPORTS

Annual Report of the Department of Charities for the Year 1925

To the Norwegian Lutheran Church of America:
Grace and Peace.

"Be ye merciful as your Father also is merciful."

Our Heavenly Father certainly pays us a wonderful and comforting compliment in these words. In other words, He says, "Be like God," and that in such an unnatural matter as that of being merciful. It is not natural for us to be merciful. It is something acquired by those in whom the Christ-life dwells. It is the Christ-life in action, and the Christ-life is always the same. There is no variableness nor shadow of turning in that. Whether it is found in the

physical Christ or in our hearts, it is the same life. It wishes the same works for the same and accomplishes the same wherever it is.

His delight was and is to glorify the name of God on this earth and to finish the work He had ordered done.

It is with regret we must report that 1925 was a year of trials and searchings of hearts, but these conditions have been fruitful of much prayers, reliance on God, and consecration to God and His work.

We asked the Church for a budget of $26,507.00 more than the Church granted us. This made it very difficult. The different institutions and activities had not asked for any more than they needed, and when the budget was so greatly reduced it wrought hardships to all concerned.

Under these conditions we feel so much the more grateful to God and His people that it has been possible to bring the year to a close without any great retrenchment of the work. But when we say this we want to emphasize the fact that our institutions are not being kept in repairs as they should be, and that is very poor economy.

We also wish to call the attention of the Church to the vast fields that are open to us and urge us on to greater activity and usefulness in the vineyard of our Lord. Truly the fields are white and the laborers can not be hired because of lack of funds. May we ask all members of our beloved Church to be instant in prayer to God that the Church may have what it needs in order to do His and our business. "Be ye merciful as your Father also is merciful."

HOMES FOR THE AGED

During the year the 9 homes have cared for 399 inmates, which is 9 more than in 1924. Of these 399, 176 have been sick from time to time, and 22 died. On January 1st, there were 339 inmates at the homes, and on December 31st there were 336 inmates at the homes, or 3 less than at the beginning of the year.

Skaalen Home for the Aged

Mrs. B. J. Larson has resigned as matron, and Mrs. Ida Sather has been called to this position.

Glenwood Home for the Aged

The superintendent, Rev. H. J. Stormoe, has been sick for some time, but has been able, by the assistance of Mrs. Stormoe, to take care of the home and the inmates.

For further and detailed information about the Homes for the Aged we refer to the tabulations and the reports submitted by the superintendents.

Homme Home for the Aged, Wittenberg, Wisconsin

At present we have 82 old people in the two buildings, the new Home for the Aged and the original Old Home.

It has been the intention of the Church to build an addition to the New Home and vacate the old building, but there was no money to build with.

Last summer the State Board of Control demanded rather extensive improvements in he old Home. The Board of Directors of the Homme Home for the Aged decided to make the improvements satisfactory to the Board of Control.

Accordingly, the work was done. The building has been, so to speak, rebuilt from attic to basement. A new roof, new porches, almost every room replastered, and the electric wires laid in conduits. The whole building has been decorated and painted inside, and as soon as weather permits the outside will be painted. The plumbing system has been rearranged and very much improved.

As a whole, we can safely say that the old landmark is now in very good shape, and just as sanitary and cozy as the New Home.

It has of course been a hardship for the old folks during this period, as we had to move them from one room to another, but they have taken the trouble in good grace, and when they now are settled in their renewed rooms, they rejoice like children and are thankful to God and men.

How could we spend six or seven thousand dollars and not run into debt for it? God has wonderfully blessed the Homme Old Home and opened hearts

of its friends so that we received small and large sums from near and far without any soliciting. Especially did the old people themselves help considerably by their liberal donations. Thank you, and may God bless all of them.

—R. P. WASBOTTEN, manager.

Bethany Home for the Aged, Bawlf, Alta., Can.

Bawlf is three times as far northwest of Minneapolis as Chicago is southeast of Minneapolis, but what Chicago lacks in distance, it makes up in size.

Bethany has not increased its capacity for inmates, but it has increased its capacity for raising vegetables and stock. Bethany began with the four lots on which it is located. Two lots more were purchased for $125.00. Bawlf donated an adjoining tract of 4½ acres at the time the home was located there. Later another adjoining tract of 11 acres was purchased from the railroad company for $300.00, so that our farm now consists of about 18 acres of very good land, on which we raise great quantities of very good vegetables and pasture our cows. When we get our contemplated root cellar, we shall be in position to take better care of our vegetables.

One of our greatest problems is the matter of heat. We have two furnaces, and yet some of the side rooms must be heated with stoves. This is not only expensive, but also unsatisfactory and dangerous, being that Bethany is a frame building.

During 1925 this Home cared for 14 inmates; 2 were admitted during the year, and 1 died. Three inmates were sick during the year.

I want to express our gratitude to all those who have remembered us with donations of any kind and made it possible for the home to shelter so many old people.

—N. R. T. Braa, superintendent.

The Bethesda Homes, Beresford, South Dakota

We are delighted with the motor bus which was purchased last year from the purpose of conveying the children to and from church and Sunday School and giving the children rides on Sunday afternoons. Its capacity is 30 children and 18 adults. It was paid for by the Ole Kloth bequest and other small donations.

The superintendent's residence is a great improvement. It is a bungalow and a full basement, six rooms on the first floor and two on the second. It is roofed with asbestos shingles, and finished in stucco. It is heated with hot water. There are two cisterns with automatic waterlift. It costs $7,500.00. It is paid for by various donations.

We are looking forward to the time when the capacity of the Bethesda Home for the Aged may be enlarged. We have real estate to the amount of $20,000.00 for the building fund. This is a good start, and we are looking eagerly for $20,000.00 more. Our home is filled to capacity all the time, and a long list of applicants are on the waiting list.

The Annual Fall Festival September 13th was a great encouragement. The attendance and collection were the largest in our history, for which we are thankful.

Last year, the Bethesda Children's Home cared for 65 children, and the Bethesda Home for the Aged cared for 40 old people.

We wish to thank all those who have so kindly remembered us with donations, prayers, and kind words.

Sincerely,

—J. O. JOHNSON, superintendent.

Josephine Home for the Aged, Stanwood, Washington

On October 6th, 1924, Mrs. Johnson and I took charge of Josephine in the capacity of superintendent and matron. There were 12 men and 10 women at the home, total 22. The health condition has been very good. Rev. George O. Lane, our pastor, conducted services at Josephine every Friday evening, and he is very diligent in the private pastoral work at the Home. May God bless him and his work. Besides the regular morning and evening devotion, we also

have prayer meetings every Wednesday evening. Besides Mrs. Johnson and me, we have a cook and a woman Mondays and Fridays to do the laundry work and clean the rooms and corridors. We also call in extra help when there is serious sickness in the Home.

Josephine has 11 acres of very good land, which gives us pasture and hay for our 4 cows and provides vegetables, fruit and berries for the house in great abundance. We also raise some pigs, which we butcher for the home. Our chickens and bees supply us with eggs and honey.

During 1925 Josephine took care of 27 old people.

Six inmates were sick more or less. Of these one died.

It is indeed a blessing to have such homes where old people may spend a quiet and carefree evening of their lives. It is therefore a pity that Josephine is so small. So many are anxious to come in. Something should be done soon to make the proposed addition a reality. It is proposed to increase the capacity of Josephine with 24 more rooms, a chapel, and an apartment for the superintendent and his family.

May our church people realize their positions of stewards. God has intrusted them with great means. May they be persuaded to use some of these means for a larger Josephine.

Stanwood, Wash., March 26, 1926.

—E. O. JOHNSON, superintendent.

Skaalen Home for the Aged, Stoughton, Wis.

The Skaalen Home for the Aged has entered upon its second quarter of a century of service, as it opened its doors for inmates January 25, 1900.

In these 25 years 250 old people have here found a home where they can spend their last years.

Seven members of our family died last year, and eight new ones have been received.

Seventeen have been sick for longer or shorter periods during the year, but such are the days in an institution of this kind.

One thing I wish to mention that so often makes our hearts sore, and that is to see how many children have forgotten their old and feeble parents, yea, worse than that, try to get the best of them.

A man from one of our large cities asked us to care for an old and homeless and to some extent helpless man. After some investigation the writer made a trip to see what could be done for him. The writer had informed the man of his coming. It was a cold and raw October day. The man was sitting outside with overcoat and mittens on. When I came up to him, and even before I had spoken to him, he lifted up his hands and exclaimed: "Oh, my Savior is coming, because I know you are the man that He has sent to give me a home." He had had a nice home in this city, and he had one son now married and living in another city.

The old man, 82 years old, suffered a stroke of paralysis. He sent for his son, who offered to take care of his father providing the father made his will in favor of his son. A paper was presented to the old man for his signature. This paper turned out to be a deed by which the man deeded his property to his son. After about three months' time in his son's home, the old man was returned to his home city without a home and without any means for support.

The old man is now a happy member of our family, and he praises the good Lord for all His goodness, and not least that He has given him a good home.

O, if we only had more means to work with, so that we could help the many old of our people who are knocking at our doors.

Our Church has decided that this Home also should be enlarged so as to enable us to take care of many more, and we are looking for good friends with a big heart and means to enable us to carry out this much needed improvement.

Your co-worker in Christ,

—B. J. LARSEN.

The Home for the Aged at Coeur d'Alene, Idaho

You who are reading this need not spend much time in trying to spell or pronounce the name of our town. Just give it a French twist and let it go at that. But don't forget the place, for two reasons, mainly: It is a splendid little city of about ten thousand people, and—what is more to you—here is one of your Church's institutions.

What are you interested in, at the Coeur d'Alene Homes? As a Christian, you are most concerned about the spiritual life among the aged. You will readily see that among forty or fifty old persons, some are God-fearing, and some are indifferent. No one moves away from the "old Adam" by moving into an Old People's Home. Yet, it is encouraging to know that God's Word has saving power even among aged wanderers. We have had a number of instances where bodily help has prepared the way for spiritual help, when, actually men "who came to scoff remained to pray."

The old folks at the Home also minister to one another by devotional reading and by reading for pastime. Several publishers, both of the religious and the secular press, send their papers to the institution, and thereby do our aged a kind service.

If you had been here in 1925, you would have noticed a growing interest in this place among the people of the nearby circuits. This may be due to easier "times" in general, or to more publicity, or to actual service rendered by the Home. Whatever is the cause, we rejoice in it. The "reduced budget" is a constant worry, of course, because it means that some aged and lonely one must go to the county farm, but thanks to a number of legacies, and many gifts from far and near, we have been able to care for many who have no means. There are always some repairs and improvements needed every year at a place like this. Last year we got connected up with an excellent water system; this year the laundry equipment is on our program. And if you will visit us we will show you the beginnings of a real park for the old folks. It is on a little slope south of the main buildings, where some of the native pines have been thinned out, and about thirty "leaf trees," some shrubbery and flower-beds have been planted. Most of this work has been done by the old men of the Home. In a year or two, we will invite you to a picnic lunch with us in the "park" when we have our annual summer festival.

—H. J. STOLEE, superintendent.

CHILDREN'S HOMES

On January 1st, 1925, there were 627 children at the 7 homes. On December 31st, 1925, we had 570 children, or 57 less than at the beginning of the year. Forty children were sick during the year. The year was significant in this respect that we had no deaths at any of the homes, for which we are duly thankful.

Martin Luther Home

Stoughton, Wis.

The superintendent, Rev. N. A. Stubkjær, has been busy soliciting the building fund and superintending the erection of the new Home, the main building of which is about completed and paid for, but the central heating plant with laundry on the second floor is not begun yet owing to lack of funds. It will cost about $40,000.00 to build this and equip it and furnish the home with everything that is needed before the children can be returned.

We are thankful to all those who have contributed to the building fund and hope that the balance still needed may be speedily obtained so that the home may be in condition to take care of the children before winter comes. The building fund collection was interfered with by the College Endowment Fund collection. Now that that is out of the way, we hope that the work for the Martin Luther building fund may go on until completed. In the meantime, most of the children are taken care of at the Beloit and Homme Homes.

Homme Children's Home

The superintendent and matron, Rev. and Mrs. A. J. Wang, were granted a six months' vacation, which they have spent mostly at Madison, Wis. While they have been away on their vacation, Mr. and Mrs. O. B. Hagen have served very efficiently as superintendent and matron.

Beloit Children's Home

Mr. and Mrs. T. T. Thompson have resigned as superintendent and matron of the Home. Rev. T. Thompson, Fairview, S. Dak., has accepted the call to the position of superintendent. The change will take place about May 1st. Mr. and Mrs. Thompson have served as superintendent and matron for 11 years. We wish to express our gratitude to them for hard and faithful work in their respective positions.

Wild Rice Children's Home

A number of the cows at Wild Rice were found to be afflicted with tuberculosis. They were immediately disposed of and replaced by healthy cows, which are temporarily stabled in the garage. It appears that the barn is unsafe and should be replaced with a new barn.

For further and detailed information about the Children's Homes we refer to the tabulation and the reports of the superintendents of the homes.

The Lutheran Receiving Home

4832-40 West Byron Street, Chicago, Ill.

It is the first time that this Home appears in our Annual Report. It belongs to the Evangelical Lutheran Home Finding Society of Illinois. Before the merger in 1917, this Home was working in affiliation with the former Norwegian Synod.

Arrangements were recently made with the Home to affiliate with our Church and to list it with the rest of our institutions. Mr. Peter Johnson is the president of the society. Mrs. Ida Bremner is superintendent of the Home, and Deaconess Caroline Williams is the juvenile court attendant and superintendent of the Home Finding Department.

During 1925, the Home cared for 89 children, of which 2 were placed out for adoption, 3 were placed out permanently but not for adoption, 14 were placed out for boarding, 19 returned to parents or guardians, 7 were turned over to other agencies, and 44 remained at the Home, 29 of which were placed in farm homes for the summer.

Four children were full orphans, 33 half orphans, 18 with both parents living, 20 with separated parents, 12 with divorced parents, and 2 illegitimate.

Homme Children's Home

It has been a very good year at the Homme Children's Home. We have had very little sickness, and only one small accident, which resulted in a bone fracture, which, however, was properly set and healed.

There are 16 persons engaged at the Home in the office, the household, the farm, the school, and the printing office.

Most of the time, we have had about 90 children whom we have housed, fed, clothed, and schooled in the common school branches and religion, domestic economy, and fancy work for the girls and farming and printing for the boys.

Besides this large household, we have a 366 acre farm of which 200 acres are under cultivation. We have a herd of 70 cattle, 10 horses and up to half a hundred pigs. The farm must be improved and the crop attended to. The wood must be cut, the ice harvested, the coal and paper must be hauled. "For Gammel og Ung" has 10,000 subscribers. The older boys work with these things while the older girls and the women attend to the housework. We have 9 months' common school for the younger children, high school for the more intelligent of the older children, and 6 months' catechetical instruction during 2 years for the confirmation class.

Under the editorship of Dr. Duefjeld "For Gammel og Ung" has increased its subscription list to 10,000. New maple floors have been laid in five rooms.

A cement court has been erected between the boys' play room, the kitchen, and the school rooms, an improvement that we have wanted for 14 years. Six new toilets have been installed, 3 new bathtubs in the girls' bath rooms, and 2 in the boys' bath rooms. Our laundry has been equipped with a new wash machine and a dry tumbler. All these improvements have been made possible during the year and, due to the kindness of our friends, the funds have been provided so that they are all practically paid for.

Respectfully,

—J. A. WANG, superintendent.

The Parkland Children's Home

Everett, Washington

It has been a busy year at Parkland. A number of much needed repairs and improvements have been made, which facilitate the work and make it more convenient for the workers.

The roof on the main building has caused us a great deal of trouble and vexation. Therefore, this roof has been improved with a very good coat of roof dressing, so we hope to keep dry at least for some time.

The wood shed has also been supplied with a new shingle roof. A telephone extension has been installed in the dining room. This saves a great many steps.

We are going into poultry more extensively. A new modern poultry house has been erected to accommodate 500 chickens. We purchased 250 hens which furnish the home with eggs and some to spare. A septic tank has been installed.

The sleeping quarters for the boys have been changed so as to save the ward matron time and work.

The nursery has also been changed so as to add to the convenience of the little ones and the nurse girls who have charge of them.

The new bread mixer is a great improvement. It also serves as a cake mixer, churn, and potato masher.

Parkland cared for 124 children last year, of which 12 were full orphans, 72 half orphans, 11 had both parents living together, 14 had separated parents, 14 divorced parents, and 1 was illegitimate.

We had a wonderful record of no sick child and no deaths.

We also wish to express our gratitude to our friends who made it possible for us to make the above improvements and to take care of so many children, and we hope by the grace of God to merit their sympathy and support in the future.

—T. T. ENGER, superintendent.

Martin Luther Children's Home

Stoughton, Wisconsin

The Martin Luther Children's Home was destroyed by fire April 5, 1925. Appealed to the general meeting of our Church for a decision to determine the future of the Home. It was decided that the Home is to be rebuilt, and thus continue the work started in 1889 by the Norwegian Synod, and taken over by the Norwegian Lutheran Church of America in 1917. According to the above resolution, a gathering of funds was begun in and about Stoughton, and appeals were sent to our pastors in Illinois, Wisconsin, southeastern Minnesota, and eastern Iowa, the territory assigned to the Home for solicitation.

Some pastors and congregations responded very readily, some had financial matters to take care of, but promised to come in later. At the present writing, we have funds enough to finish the main building, but need about $40,000.00 more to build the central meeting plant and laundry and to supply both with furnace and laundry equipment, and also to buy furniture for the new administration and dormitory building. For these reasons we must continue our canvass for funds, and appeal to friends of destitute and homeless children to come to our assistance.

Having so many children's homes within the Church, we suggest that one home, and preferably this one, be dedicated wholly to charity work. That is to receive destitute, homeless, and friendless children only, and if applications come from people who wish to have one or more admitted, but also wish to

pay for the maintenance, in part or fully, that such children be referred to some other institution affiliated with our Church.

It has been found in time past that children's homes as well as old people's homes, doing exclusive charity work, have been blessed and become a blessing in taking care of and making provisions for the spiritual, mental, and physical welfare of homeless, defenseless, and helpless members of the human family, without reference to nationality or creed.

—N. A. STUBKJÆR, superintendent.

THE RESCUE HOMES

Our Rescue Homes for girls are located in Minneapolis, Sioux Falls, and Fargo.

During the year the Lutheran Girls' Home in Minneapolis has cared for 179 adults, 168 children, and 18 convalescents. Total, 367.

The Lutheran House of Mercy, Sioux Falls, S. D., has cared for 54 adults and 41 children. Total, 95.

The Lutheran Rescue Home, Fargo, N. D., has cared for 29 adults and 43 children. Total, 72.

Together the three homes have cared for 262 adults, 252 children and 18 convalescents. Grand total, 532.

For detailed information about the work of the Rescue Homes we refer to the tabulation on another page.

These homes are doing a very fine work. Take a look at the picture of the Master in John 8:1-11. Can you think of a more attractive picture of your Savior than that? We are told to let the same mind be in us that was in Him.

These Rescue Homes are trying to do their work for the girls with the same mind that was also in Christ Jesus, and they are doing this work largely by means collected locally. What they receive from the budget of the Church does not amount to very much.

We hope therefore that our pastors and people will receive their field workers kindly and contribute liberally to this blessed work.

Follow Up Work with Unmarried Mothers
Central Office

Plans have been made with forty-eight unmarried mothers thruout the year for the boarding of their children, for the establishing of paternity, for the finding of employment, and for the follow up work which has been done for them by the workers from the central office in the solving of their problems. These girls have been met many times during the year, advised, urged, and assisted in anything that might help them to establish themselves in better positions or in any educational training that might be for their betterment. They have also been advised, admonished, and guided whenever they would accept guidance in seeking right recreational activities. Every effort has been made in getting these young women to affiliate with some church. Pastors have been sought and written to in order that their assistance might be gained in getting these girls to take some part in church activities.

Wherever and whenever any girl has needed the attention of a physician or a dentist and especially in cases where there have been no funds, every effort has been put forth in securing of doctor's services in order that the girls might be relieved of their ailments without having to wait for sufficient funds which they would have to earn themselves were it not for the assistance of the central office. In practically every case the doctors have kindly given their services.

Special Cases—Central Office

One unmarried mother brought to Iowa by worker from central office and several days spent in making future plans conducive toward the betterment of both mother and child.

Aid was given by the central office thru the request of the state in the placing of a fourteen-year old girl in a very splendid home. This girl had become a delinquent thru the influences of an evil father.

One child, handicapped by a club-foot, given special medical attention followed by an operation thru the efforts of the central office.

Relief work of several months' duration given families in cases where mothers have become insane.

Assistance given several neglected children in cases where the parents were delinquent.

Extensive work has been carried on by the central office in placing and following up girls and boys who are orphans or half orphans in placing them in homes and in schools and carefully guiding each individual case.

Follow up work has been carried on by the central office in cases of young married women who have needed assistance of one kind or another in the establishing of their homes.

Considerable time and energy has been spent by workers from the central office in the carrying on of the Home Finding work in North Dakota, Wisconsin, Iowa, as well as Minnesota.

A number of miscellaneous cases have been cared for, but space does not permit taking up individual cases or going into detail concerning them.

WORKERS' CONFERENCE

The workers of the Department of Charity held their annual meeting in Minneapolis, March 9-11.

The following resolutions were adopted:

Establishment of a Social Work Department at One of Our Colleges

Realizing the importance of specially trained workers in the Department of Chartiies, we respectfully petition the Board of Education of our Church to take under advisement the establishment of a social work department at one of our colleges.

Establishment of a Paper for Charities

In view of the fact that the budget has been reduced to such an extent that the work cannot be done as it should be, and in view of the fact that we must seek a way of presenting the ministry of mercy to our church people more adequately than we have done, be it resolved that we respectfully petition the Board of Charities to publish a paper devoted exclusively to the cause of our work, and that the executive secretary of the Board of Charities be editor-in-chief of this paper.

On or Off the Budget

Being that it has come to our attention that a change in the budget system of our Church is contemplated, we wish to state that in our opinion the budget system is the best system for our Church, congregations and cause, but in the event that other departments now being budgeted for, are eliminated from the budget, then we recommended that the Department of Charities be also eliminated from the budget system.

Subsidiary Corporations

Being that most of the institutions of Charities, within our Church, are not incorporated, and being that this frequently proves to be a disadvantage, be it resolved that we respectfully petition the Board of Charities to take the necessary steps to enable the institutions to incorporate as subsidiary corporations of the Norwegian Lutheran Church of America.

Prison Mission

When our Church was organized, in 1917, it was stipulated that the activities of the three merged bodies should be continued. Before 1917 Rev. N. Lunde had been doing considerable work among the inmates of jails, prisons, asylums for insane, and feeble minded. In 1924 Pastor Lunde resigned as superintendent of the Homme Home for the Aged and expected to retire because of failing health. But his health improved to such an extent that he consented to continue the same work that he had been doing in the former United Church.

During 1925 Pastor Lunde has visited 25 prisons, reformatories, asylums for insane, and feeble minded, poor farms, etc., in Minnesota, Wisconsin, and North Dakota. He does not only preach to the inmates, but he sits down and ministers to them personally, which is of greater importance to them. He has ministered in this way to many hundred unfortunates and distributed thousands of books, papers, and tracts. He spends several days at each institution, and gets in touch personally with all the inmates that he can, and he keeps up the contact with them by means of correspondence. Pastor Lunde reports that inmates often become converted and blessed.

So far, Pastor Lunde has not received any regular salary. The expenses of this work have been paid for by voluntary contributions from people who have become interested in the work thru Rev. Mr. Lunde's articles in the papers. We have, however, decided to place also this work on the regular budget for 1927 in the sum of $900.00.

The people ministered to by Rev. Mr. Lunde are not only segregated from the rest of the human family by their natural handicaps, but also by massive stone walls. And our Savior says what ye have done unto them, ye have done it unto me. "I was in prison and ye came unto me." Let us remember in our prayers both Pastor Lunde and our work that he is doing.

Juvenile Court Work

This is a very important part of our work, and should be developed as fast as possible. A constant stream of children are passing thru the juvenile courts, and many of them are of Lutheran parentage. The Catholics, the Reformed, and the Jews are usually represented at these courts and take care of their children, counsel with the courts regarding their disposition and provide for their care.

So far, we have representatives only at eight such courts, namely at Brooklyn, Chicago, Denver, Duluth, Los Angeles, Minneapolis, St. Paul, San Francisco, and Seattle. It goes without saying that these courts handle a great many Lutheran children and that we are glad to report that these children are being taken care of by our representatives, and the best possible dispositions made of them either in Lutheran institutions or in good Lutheran homes.

This is a work in which the different Lutheran bodies should and could cooperate. It seems ridiculous that each Lutheran body should have its representative at these courts. If they did so, it would only tend to bewilder the courts and cause endless confusion and embarrassments. We are therefore trying to arrange for inter-synodical cooperation in this work. We have succeeded in making such arrangements with the Minnesota Conference of the Augustana Synod to the extent that they have their attendant at the court in Minneapolis and we have our attendant at the court in St. Paul, and they represent both bodies. In fact, they represent practically all Lutheran bodies. In Chicago our court attendant represents all Lutherans with the exception of the Missouri Synod, which is represented by their own court attendant. We are trying to effect such cooperation whenever it is possible. For detailed information about this work we refer to the tabulations on another page of this report.

HOME SCHOOL FOR GIRLS

Sauk Center, Minn.
(State Reform School for Girls)

Rev. J. A. Johnson, Osakis, Minn., was invited by the state to take up religious work among the Lutheran girls at the above school.

Pastor Johnson took the matter up with the Board of Charities, which encouraged him to accept the invitation and promised to remunerate him some for this work. Pastor Johnson lives at Osakis, fourteen miles from Sauk Center, and serves four congregations.

Pastor Johnson began the work last October by conducting services for the girls in the institution. He has instructed two Bible classes and a confirmation class, and on April 18 he confirmed 31 girls and baptized 8 and held communion

services for them. He has baptized 11 babies for the girls.

During the summer bi-weekly services will be held at the institution, and in the fall a Bible class and a confirmation class will be organized. The girls seem very anxious to learn and improve themselves. The superintendent and other functionaries of the institution do everything possible to facilitate the work.

It is indeed encouraging that the state opens the doors of its institutions and invites us to minister spiritually to its inmates and, "He is able also to save them to the uttermost that come unto God by Him, seeing He ever liveth and maketh intercession for them."

CITY, SLUM, AND INSTITUTIONAL MISSION

Twenty-five men and women have labored in fifteen cities from Brooklyn to Los Angeles. The tabulation report gives the particulars. It is contained on one page, yet it represents a tremendous work for thousands of persons who have been blessed by this service, and who could not be reached by the Word of God in any other way. Let us rejoice and be glad that we can be a blessing to so many unfortunates in the manner prescribed by our Savior. "Go out quickly into the streets and lanes of the city and the highways and hedges and bring hither the poor, the maimed, the halt, and the blind that my house may be filled."

The states open the doors of their institutions and invite us to come in and minister to the inmates. By accepting these invitations, we are doing the bidding of our Lord. The states feed, house, clothe, and care for the inmates in every other respect and ask us to care for them spiritually. How can we refuse such opportunities?

The following is a list of missionaries and their locations:

NORWEGIAN LUTHERAN INNER MISSION

Brooklyn, N. Y.

Bethesda Mission

The year at Bethesda has been normal. During the fall and winter the mission is taxed to capacity, but when spring comes the work eases up. It depends largely on the condition of the labor situation.

149 services were held during 1925 with an average attendance of 100. During the winter season the attendance often reached 200. Being that this is a floating population, it is evident that a great many young men come under the influence of God's Word during the year at Bethesda. Very few of these men ever attend church. On an average of about 30,000 men spend more or less time at the Mission every year. The capacity of our sleeping quarters is 35 beds, for which we charge 30 cents per night from those who are in position to pay for themselves. Of course, many cannot pay and have to be taken care of for both beds and meals while some pay later when they earn anything.

We see so much of the shady side of life at Bethesda. The effects of vice appear in its most flagrant forms. We have to deal with men who have sunk so low that there seems no hope for them. Drink and dissipation have so ruined them that all prospects for improvement seem impossible. It often happens that some of these men die in the ambulance on the way to the hospital. These are extreme cases, however. We come in contact with a great many men who are not so far gone, but that something can be done for them both for time and eternity. So many fine young men come to Bethesda. They are alone in a strange land whose language they do not understand, and it is hard for them in many respects. Bethesda helps such men to a great extent. We find work for them and help them in many ways. There are a great many such young men all over the world who are grateful to Bethesda for the help they experienced there at one time or another. We rejoice over the many apparent fruits of this work even if we cannot record as great a number of conversions as we would like to see.

The total expenses of this work last year was $6,500.00, of which only $664.00 was contributed from the budget of our Church. The balance, or $5,835.00, is received from the receipts of the work and contributions from members of the Blue Cross Society and others.

Family Welfare Work

In our family welfare work we aim to come in contact with all Norse families in Greater New York and environs that may need our help. If they are unchurched, we try of course to get them in touch with church and Sunday school. If they are destitute, we try to help them in some way or other. Very often we find people in troubles for which they are not themselves to blame, such as sickness, accident, and loss of jobs with resultant idleness and poverty. Here is such an instance. A very good man, in his best years was subject to an accident where he worked. He has been unable to work for over a year and will in all probability never be able to work. In order to collect anything in the form of support, he had to sue the company. What savings he had are all gone. There are four children who have a good home with their parents. It would be inhuman, not to say un-Christian, to separate the children from their parents, if only temporarily.

This is only one instance of many. Such are the conditions in large cities. There are widows with a number of children living in the most abject poverty; and worse still, there are so many mothers with children whom the husband and father has deserted. But the drunkard's wife and children are worst off. Nobody has any sympathy for them; but it is hard on the drunkard's wife and children, and the calls for help are innumerable.

There are of course many agencies doing the same kind of work; but ex-

perience has taught us that our people need our help. We do not duplicate any work or get in the way of any other agency; but we do cooperate with other agencies. Sometimes they help us and sometimes we help them.

The Day Nursery

At the Day Nursery we try to help mothers so that they can go to work. There is a nominal charge from all who can pay; but those who cannot pay are taken care of just the same. But most of them pay something. It helps out on the expenses and keeps the mothers better humored. The limited capacity of our Day Nursery is distressing. We are hoping that the proposed new Day Nursery and Tiding Over Home soon will be erected.

We also help the mothers with clothing, food, and other things as much as we can. It is hard for them in these days of high prices. The high house rent compels many of them to live in quarters and communities where they should not live with their flock of children. In 1925 we gave out $1,743.00 for this cause, 2,500 pieces of clothing and 1,500 tracts and books.

The Fresh Air Station

We were very fortunate in purchasing a 40 acre farm near Spring Valley, N. J., in 1925, for this work for poor mothers and children. Other activities are also planned in connection with this farm. It was largely due to the kindness of the following friends that it was possible to procure this fine farm: A. N. Rygg, Cappelen Smith, Gerhard Dahl, C. E. Larsen, C. A. Hansen, Iver Iversen, and others. It is a fine property, and we are very thankful to the friends who made it possible for us to call it ours. We were a little late in getting started last spring, so we cared for only 121 children and 6 mothers; but we are making preparations to care for a great many next summer.

Home Finding

We have not been able to do as much in this branch as we would like to have done. It seems difficult to find suitable temporary homes for children. We use the children's homes for older children that must be cared for temporarily, but the children's homes do not, as a rule, admit infants under three years of age, or other children for a short time. There seems to be very few Norwegian families who will take children temporarily either for pay or free. We hope to be in position to care for such children in our proposed tiding over home in connection with the new Day Nursery.

Court Work

We have organized a "Joint Council" for Lutheran Welfare Work to take care of the court work. The following four Lutheran bodies are thus working together: Brooklyn Lutheran Inner Mission, Lutheran Inner Mission, Manhattan District, the Missouri Synod's Inner Missions of New York, and our Mission.

Change of Name

We have changed the name of our organization to "The Norwegian Lutheran Welfare Association, Inc." and we call our work "The Norwegian Lutheran Welfare Service." The work is of course of the same nature as it has been.

Chicago Hospital Mission

In my report it appears that 75 patients have communed. This is a smaller number than used to commune in former years. The reason is that there were a great many more earnest Christians at Oak Forest in those days who asked for and loved the Lord's Supper. Christ was their life and death their gain. They are gone and others have taken their places, but not as guests at the Lord's table. But the Spirit of God thru His Word finds the way into their hearts and they are won for God and commune with Him.

Another reason why there are fewer communicants is the fact that there are so much fewer patients at Oak Forest, and this condition is due to prohibi-

tion. The wets tell us that the condition is worse than before the 18th amendment was adopted, but those of us who work at such institutions as Oak Forest know that it is not true.

While we have occasion to rejoice over many who become converted and die happy; yet, the sad fact remains that they have been the occasion for a great deal of sorrow while alive. They have ruined their health, squandered their means, been burdens to others, and died in poverty and misery.

Our work is loved and appreciated by our church people in Chicago. Many women's societies visit Oak Forest and treat the inmates from the contents of their baskets. Especially at Christmas. Last Christmas we received $65.00, mostly from Chicago people. I want to mention especially Miss Sophie Hadeler of Our Savior's Church as one of our greatest benefactors.

I sometimes call the attention of the inmates to the fact that it is the Church and her people who befriend them now, while the friends that they had before never come near them.

—CARL DØVING.

Hospital Pastorate at Rochester

The work of the Norwegian Lutheran Church of America in the hospital field at Rochester, Minnesota, entered upon its fourth year in 1925. The writer, who was at that time pastor of the church at Rochester, was in 1922 called by the Board of Charities to devote his entire time to the hospital ministry. The need of this change had become so urgent that it could no longer be ignored, and the work that has since been done has more than vindicated the decision of the Board. The statistical records reveal a steady increase from year to year, till, in 1925, the writer visited 10 hospitals 1,049 times. He made 8,876 pastoral calls, and reached a total with all duplications eliminated of 2,642 patients.

It is a moderate estimate that from 90 to 95 per cent of these patients were Lutherans if not by membership, at least by preference, and in all probability as many more, and perhaps twice as many more Lutherans made use of the Mayo Clinic and affiliated institutions during the year. Many, even among those who entered the hospitals, were not reached, and the church has no facilities, such as a hospice or a convalescent hospital would afford, of getting in touch with its people before and after their hospital stay.

Christian service in a field such as this challenges the conscience and wins the support of the Church. It is warmly approved by the staff of the clinic and the authorities of the different hospitals, and a system of records has been devised that to a high degree simplifies and makes prompt and effective the work of the pastor.

The physician realizes the need of cheer and comfort for the sick, that their sufferings may be ameliorated and their recovery speeded. Surely, then, the Church in which is the mind of Christ, must desire that His compassion may visit those who suffer, and that the light of His Gospel may be cast upon the path of trial. For even death may not darken that light, but in that dread hour it shines the most gloriously, and is revealed as the dawning light of eternal life.

Minnesota State Sanatorium for Tuberculosis

Walker, Minn.

This, no doubt, is the first report received by the Church from the missionary stationed at the Minnesota State Sanatorium for Tuberculosis.

Regular work at the above institution was taken up about eight years ago. Previous to that time the sanatorium had been visited "off and on" by pastors of our Church Body. The Church should know something about the work done at this state institution, the only one of its kind in the state. But, as I have been allotted but a limited space, the report must necessarily be brief.

The sanatorium has at the present time about 275 patients, one-fourth being Scandinavians. The number varies somewhat according to the seasons. Most of the patients are young people, few are past 50 years. There are 25-30 chil-

dren ranging from 8-15 years. They come in all stages of the plague, hoping to get a new lease on life and—we are pleased to report, many are greatly benefited.

What is the Church doing for these unfortunates? Briefly told, the Church is bringing them the Word of God, revealing not only sin but also grace; to cheer, to comfort not only at public worship, but also at the sick bed. Booklets on Christian topics, devotional books, and copies of our church papers are distributed as far as they go. At Sunday School our "Children's Friend" is welcome. Not long ago a patient, formerly a soldier, was baptized—another confirmed—both having received instruction in the Catechism.

This work of the Church is appreciated. The missionary has often been thanked by patients and asked to "come again." He has also received letters of gratitude for services rendered to sick relations.

May the blessings of God rest upon this branch of our church work, and if this report will be conducive to more fervent prayer for the sick and dying at our charitable institutions and spur on to greater charitable activities, it will not have been written in vain.

Respectfully,

—H. MAGELSSEN.

Colorado Springs Tubercular Mission

Colorado Springs is the well known Mecca for many who are suffering with tuberculosis. Most of those whom I serve come from parts of the Dakotas, Minnesota, Iowa, and Wisconsin. They are thus far from their relatives and naturally afflicted with a greater or less degree of homesickness. The nature of the disease too, presents a special problem. So many are filled with a false spirit of optimism and will not admit that they are seriously sick.

They need ministering to of various kinds. Most of them are ill at ease, dissatisfied with, they hardly know what. In most cases they welcome the visits of the minister of the Gospel. In many cases they have had no connection with the Church before and eye the minister with more or less suspicion. What is needed in such cases is to disarm hostility by a genuine concern for their welfare. The milk of human kindness must not be forgotten by the pastor ministering to the sick. Then when they begin to open up and ask questions about salvation and express a desire for the Sacrament of the Lord's Supper, one feels that weeks and probably months of visiting have not been in vain.

A young man in the last stages of the disease, whose wife and child were in Michigan, asked me to read his letters to him and write answers. He had been confirmed in the Ohio Synod. His last letter to his wife and father I wrote for him twenty-four hours before he died. The letters I receive show that the home folks appreciate such ministry.

The Lutherans, chasing the cure, who come within the scope of my ministry number about a hundred, largely Norwegians. Chasing is the word used to describe the activity or rather lack of activity of those who are resting flat on their backs in the hope of effecting a cure. There are many non-Lutherans too, of course, who need the ministry of the pastor.

—REV. I. A. LAVIK.

San Francisco City Mission

Rev. R. U. Evjenth reports the following from his work in the hospital and prisons in San Francisco.

A young man, very sick and uncommunicative, would not even tell me his name. I tried to point out the Lamb of God to him. He asked for a Bible, which I gave him. Next time I saw him he was happy, frank, and communicative: "Thank you for the Bible. It has brought me peace with God." Shortly afterwards he died, happy and contented.

Poor Mr. P..... came to the hospital hungry, ragged, dirty, and sick, but worst of all, unsaved, but the kind, loving God touched his heart. He began to mend, and when he was discharged from the hospital, he thanked me for the many visits: "I have found salvation in Christ and will meet you with Him."

A..... had been a patient in the tuberculosis sanatorium for sime time. He was a vile and blasphemous man to such an extent that it was very unpleasant to visit him; but finally he had to give in to the work of God. One day he said: "Write to my mother that Jesus found me at last and that I will meet her in heaven."

Have made 347 visits to hospitals, ministered to 3,933 patients, and distributed 3,957 tracts, papers, and books. Found work for 203 persons. Had 29 cases in the superior and police courts, and 14 cases in the juvenile court. The Book Mission has been very kind in supplying me with its books.

Welfare Work

A young girl from Nebraska was stranded in San Francisco without means, expecting her sister who did not come. She came to me for help until she could find a job. Was glad to help her. Have been able to help 1,168 persons during 1925.

The Prison

It was in the city hospital, I was looking for Scandinavian patients. An old man smiled up at me from a bed: "Don't you know me? I was in the state prison for ten years. I am one of those who sang for you when you conducted services there. I am so glad to meet you again. I expect to die soon and then I expect to meet my Savior, who redeemed me." He died victoriously. Blessed are the dead who die in the Lord. Have made 23 visits to the state prison and ministered to 408 prisoners.

—R. U. EVJENTH.

Dunseith Tuberculosis Mission

Have made 140 hospital visits and preached 130 sermons and distributed 725 papers and tracts and 460 books, and conducted 93 funerals.

When I conduct services in the wards and porches it is for all present irrespective of nationality or creed. I am here to serve our own people especially, but am doing what I can for everybody. All the patients present are enjoying the benefit of the service. There are former patients of the "San." residing in different places who appreciate what our Church did for them while they were here.

It did not look very encouraging here three years ago, and in some respects the work is still pretty much up hill, but the Spirit of the Lord is a power unto salvation. We have three patients here now confessing Christ and expecting soon to meet Him in the heavenly home.

A number of patients improve so that they can return to their homes and a few are discharged as sound. Some people do not believe that religion has anything to do with it, but "Godliness is profitable for all things, having promise for the life that now is and for that which is to come." Oh, that we had firmer faith in the Lord. We should behold wonderful things performed among us in our homes and churches.

—I. B. A. DAHLE.

The Day Nurseries

Our Day Nursery at 547 45th St., Brooklyn, N. Y., has cared for 59 children and our Day Nursery at 1808 North Fairfield Ave., Chicago, has cared for 208 children, making a total of 267 children cared for during the daytime. There may be two or more for the same family, but it seems reasonable that these homes have not only taken care of these 267 children, fed them, clothed them to some extent, and taught them the way of salvation thru hymns and stories, but they have kept over 200 mothers from becoming public charges, helped them to retain their self-respect and influenced them to better lives for time and eternity. Read the tabulated report.

Norwegian Lutheran Day Nursery
Brooklyn, N. Y.

Next time we hope to be able to report that we have got a new and larger house. We pray that God will make it possible to build before the summer

is over. The house we are in now is much too small, so we cannot have nearly as many children as we ought to. But our Day Nursery is a very pleasant, homelike place. The children like it, they are happy all day long.

Our children are from 15 months to 7 years old. We can have only a couple of the small ones, most of them are from 2 to 6 years old. We consider it a great privilege to have these little ones under our care. We take care that they get the food they need. Many of them are thin and pale when they come to us. They come from poor homes and have been poorly fed. It is a joy to see them eat and thrive.

But we remember also that they have souls, created for God's Kingdom and redeemed by the blood of God's Son. We try to lead them to love and trust and obey Jesus. And it seems easy for the Lord to win these little hearts. A little girl who had been with us for some time died recently. To the very last she asked her mother to sing "The Nursery Song," "Jesus loves me, this I know." The child was only six years old, but she knew Jesus, loved Him and trusted in Him. Tho we grieved at the death of this child, we rejoiced in the assurance that she had gone home to Jesus.

We need a much larger Day Nursery. Our place is crowded when we have 18. The trouble is that it costs so much to build in this city, especially a house of this kind. But we know that our Day Nursery has many friends and we feel sure that they will build a house for these poor little ones in a very near future.

—FRIDA WEIDEMANN, matron.

The Home Finding Work

The Home Finding work is growing year by year. We are glad to report that more and more people are becoming interested in taking children into their homes either for temporary care or for permanent raising or adoption. We are also glad to report that the states are taking cognizance of this work to the extent of making laws for it and supervising it.

The whole field of child welfare is being directed and supervised by the states, which makes for more efficient work and better protection both for the children and for those who take them into their homes.

Times were when almost anybody could come to town and take a child home—like buying a pair of shoes, only that they might be more particular in the selection of the shoes than the child. Fortunately, that time is passed. Now they must send in an application. References are demanded. Their home must be inspected. Extreme care must be exercised in the matter of selecting the right child for the home. The child must be placed and the home must be visited until the adoption is completed.

In order to be able to handle the work properly, the Board of Charities has had to increase its staff of workers accordingly.

We find the states very reasonable and enjoy their cooperation and the protection they afford to the child, the foster parents and the child placing agency. We hope that all the states will soon provide proper laws and machinery governing the child welfare work.

We are always pleased to come in contact with people who wish to take or place children, and suggest that they speak to their pastors, who will be glad to help them get in contact with us or write direct to the Board of Charities, 425 4th St. So., Minneapolis, Minn.

Will you kindly study the tabulated report of this work on another page?

State Attitude

Just to show how fair and considerate the state is, we quote the following extract from a letter written by the state to the court where a Catholic family had peitioned for the adoption of a Lutheran child whose Lutheran mother had placed with them:

"Investigation of the home of your petitioners shows that the home is an excellent one and that the petitioners are in a position to give adequate physical

care of said child. Investigation further shows, however, that the mother of said child is a member of the Lutheran Church and that your petitioners are regular attendants of the Catholic Church.

It is the strong conviction of the State Board of Control that children of Protestant faith shall be placed in Protestant homes and children of Catholic faith in Catholic homes. For this reason the Board of Control is constrained to recommend to your Honorable Court the disapproval of this petition."

Catholic Attitude

It may also be interesting to know that the Catholic Central Bureau of Charities in Minneapolis called our attention to a 16 year old Lutheran girl in their care who had volunteered to join the Catholic Church, but that they did not want to instruct her in their religion without giving us an opportunity to counsel with her about it. This is one of several such instances.

Needy Pastors' and Widows' Fund

It seems that a great many people confuse this fund with the general Pension Fund, therefore we will state the difference again.

"The Needy Pastors' and Widows' Fund is for pastors and widows or children of pastors who retired or died before the Pension Fund was established and thus were deprived from membership in the Pension Fund." Widows whose husbands were alive and in active service before the Pension Fund was established are not eligible to support from the Needy Pastors' and Widows' Fund.

The Pension Fund was founded in 1909 in the former United Church and in 1914 in the former Norwegian Synod, and was merged in 1917. Pastors in good standing become members of this fund by paying a membership fee of $200.00 and $20.00 annually.

During 1925, 44 widows, 4 pastors, and the children of one pastor received support from this fund.

The usual amount granted each benefactor is $200.00 per year, but in the event of serious sickness, the Board has authority to increase the amount.

The following widows of pastors have passed away during 1925:

Mrs. Ingeborg Rasmussen, Sioux City, Iowa.
Mrs. J. Waage, Decorah, Iowa.
Mrs. Kaia Waldeland, St. Ansgar, Iowa.
Mrs. Mathilde Øfstedahl, Minneapolis, Minn.

Necrology

Since the last meeting of the association, one of our dear sisters has died, namely, Anna M. Forlie, who came to this institution January 9, 1907, was consecrated May 2, 1912, and was superintendent of the Bethesda Lutheran Hospital, Crookston, Minnesota, from 1912 to her death. She died at the hospital in Minot, N. Dak., the 20th of August, 1925.

Sister Anna gave herself in full-hearted service until the Master called her home. Blessed be her memory.

The Present Temporary Deaconess Home

Two three-story brick buildings containing six apartments each are occupied by the sisters and nurses and other assistants. One of these buildings was purchased for the sum of $25,500.00. The previous owners have a claim of $5,000.00 against this property. The other building was purchased for the sum of $27,500.00. Both buildings are in the same block as the hospital.

Summer Cottage at Long Lake, Ill.

The institution owns a small cottage at Long Lake, Ill. This little cottage near the Lutheran Bible School, serves as a week-end rest for the sisters. Total cost about $1,200.00.

The Lutheran Deaconess Day Nursery and Kindergarten

1802 North Fairfield Ave.

The Deaconess Day Nursery and Kindergarten is like an oasis in a desert for many mothers who must earn a living for themselves and their children.

The mothers bring their children to the Day Nursery in the morning as they go to work, and when the day's work is done, they come for them and take them to their homes.

The sisters are in charge of these children during the day, and instruct them in singing, prayer, and stories from the Bible. These children unusually excel in Bible knowledge.

The building was greatly improved and enlarged in 1924, so the children have a fine play ground, equipped with modern play ground facilities. The Ladies' Auxiliary Board, assisted by many friends of the cause, are raising funds for maintenance and improvements.

A Deaconess Home Needed

The Deaconess Home and Hospital was established in the year 1897, but it has never fully answered to its beautiful name. Our Sisters have never had a real home, they have been housed in rented quarters and in the hospital; at the present time in the two brick buildings mentioned above near the hospital. Under these conditions it is self-evident there can be no real home life with the atmosphere of a cozy home. ....

Our Sisters have a strenuous work with many vexations of spirit and need the privacy of a real home life, which is impossible under the present conditions. Our housing condition may explain partly why it is so difficult to secure candidates for the sisterhood.

Has not the time come when we should make an earnest effort to build a modern well equipped home for our faithful deaconesses?

Dr. E. E. Henderson, one of our senior doctors, has seen the need of a Deaconess Home and has made an extraordinary liberal offer of $25,000.00 towards a real Deaconess Home.

The Board of Trustees of the Lutheran Deaconess Home and Hospital petitions the Church for approval to erect a separate Deaconess Home for the Sisters as soon as the necessary funds has been secured for that purpose.

New Sisters

Experience teaches us that it is very difficult to secure new sisters. Does this mean that we must revise the plan of our mother houses to correspond more with American ideals, so that we may secure the service of Christian young women who do not wish to be consecrated for the sisterhood?

A School of Nursing

In order to meet this emergency in our hospital due to lack of Sisters, our local Board has voted to establish a school of nursing in our institution. It being self evident that the hospital can be better served by a corps of nurses who have had a uniform course of training, instead of being trained at a great variety of institutions. This new venture will of course change the whole policy of our institution and must therefore receive the sanction of our Church.

The oBard of Trustees of the Lutheran Deaconess Home and Hospital petitions the Church to sanction the establishment of a school of nursing at the Deaconess Hospital.

Mother Superior

Our mother superior has rendered our institution an inestimable service during these 20 years—a service that has taxed her strength and ingenuity, and she deserves a long vacation. The Board has, therefore, granted her a year's leave of absence, so that her long desired visit to the foreign mission fields in China and other countries may be realized. It is to be hoped that the Board wil find some way of adding some necessary funds so that her trip can be most enjoyable and profitable.

The Sisterhood Organized as a Congregation

It has been felt a long time that it would be beneficial for the Sisters as well as for the many others who are working in our institution to constitute a congregation, and after having secured the sanction of the Church Council of our Synod, the congregation will be organized the 12th of May, 1926.

The Hospital

The year 1925 marks the completion of the new addition to the hospital, which doubles its capacity. The new addition is a substantial fireproof structure, 120 feet by 44 feet, and consists of six stories and a full English basement. Four of the floors will be used for patients exclusively.

The Pathological Department is located on the top floor, comprising four rooms.

The fifth floor contains four operating rooms and several dressing suites. The four operating rooms are equipped with the Operati Multibeam lighting system, an arrangement which, by the reflection on a number of mirrors, throws a powerful light on the operating table. A large insert of glass, combined with a skylight, transmit an abundance of light. These operating rooms are rated among the best in Chicago.

The third floor is occupied by the Obstetrical Department, including two up-to-date delivery rooms and the nursery rooms, airy and light, furnished with all modern equipment.

The basement contains the X-Ray Department, with all its scientific equipment. The entire department is under the direction of a graduate physician, who is provided with a nurse assistant. The physician in charge personally supervises all work done and makes all diagnosis.

The four floors occupied by patients are provided with wards and private rooms, beautifully furnished. The rooms are large and airy and the walls are decorated in French gray and tan.

Our institution is singularly favored by having a staff of efficient doctors who are conscientiously guarding the high standard of the hospital.

Yet when due credit has been given to all who have built and maintained our beloved institution, it should be recognized that under God, we owe a debt of gratitude to our consecrated sisterhood as the main builders, under the very able leadership of Sister Superior Ingeborg Sponland, whose noble life work has been crystallized into our institution.

Farewell Reception for Rector and Mrs. Oefsteda!

A beautiful farewell reception was given the pastor and his estimable wife at 8:00 p. m. October 19, 1925.

Addresses were given by several of the local pastors, the mother superior, and other Sisters. Dr. Oscar Torrison spoke in behalf of the Board. Both were presented with tokens of love and esteem.

THE HOME

The Sisterhood

We are glad to report that all the Sisters are well and in active service. From our Sisters on the mission field, Sister Bergitte, in China, and Sister Olette and Anna, in Africa, we have only the best of news. God has richly blessed them in their labor, and they send us all their best regards.

Sister Mathilde, who last year was reported ill, is with us again, and has resumed her old position as directress of nursing and principal of the School of Nursing.

Life at the Motherhouse, under the able and sympathetic supervision of Head Sister Lina, has been most happy, and from it, the spirit of service has radiated thruout the institution.

May it continue to merit the favor of God and men.

Moving the laboratory to the old pavilion gave more space to our G. U. Department, increasing both the bed capacity and treatment room space of this service.

Two doctors have been added to the hospital staff during the year. Dr. Henry Gissel has succeeded the late Dr. R. E. Coughlin as attending physician. Dr. Rollin Hills became assistant to Dr. Gissel, and Dr. J. J. Kirschenmann second assistant to Dr. Ferris.

Parkland Children's Home

On the nomination of the local board, the Board of Charities has elected Mr. C. N. Wold, 2502 Summit Ave., Everett, Wash., to fill the vacancy caused by the resignation of Mr. Ed. Rollefson, whose term expires in 1929.

RECOMMENDATIONS

Change of Rules

In the rules for Children's Homes, paragraph IV (b), page 347, of the 1924 Report, reads, "The superintendent shall be called by the local board of directors subject to the approval of the Board of Charities."

Our experience is that this rule practically precludes the Board of Charities from having any voice in the matter of calling superintendents.

We therefore recommend that the paragraph be changed to read as the same paragraph in the rules for the Old People's Homes, as follows:

"The superintendent shall be called jointly by the local board of directors and the Board of Charities."

A School of Nursing at the Lutheran Deaconess Hospital

Being that our Deaconess Home does not have sufficient Sisters to provide the necessary nursing force at the Lutheran Deaconess Hospital, the Board of Charities recommends that the hospital be authorized to establish a School of Nursing in the hospital.

We recommend, however, that every effort be made to retain deaconesses as heads of the different departments of the hospital.

Being that we are handicapped because of a lack of trained workers in almost every activity in the Department of Charities, we recommend that persistent and aggressive efforts be made by the Lutheran Deaconess Home to interest and enlist young women in the deaconess cause not only for service in the hospital, but also for other fields of service.

We recommend that the Lutheran Deaconess Home together with our executive secretary take under serious advisement the matter adjusting the rules and practice of the sisterhood with the view of making this service attractive to American Christian young women.

Being that there are 10 Lutheran Deaconess Homes in America, we recommend that our Deaconess Home try to cooperate with other similar institutions in aggressive publicity work even to the extent of jointly keeping one deaconess east of Chicago and one west of Chicago as field workers in order to create interest in the cause both amnog young women and the rest of the Lutheran Church people.

We recommend that the Church sanction the petition of the Board of Trustees of the Lutheran Deaconess Home and Hospital to erect a separate Deaconess Home for the Deaconesses when the building fund for that purpose has been secured.

III. COMMITTEE REPORTS AND RESOLUTIONS

In editing this part of the Annual Report the secretary has, wherever possible, incorporated into the printed resolutions the changes adopted by the meeting. The sub-joined copy from the convention journal shows what the changes are and where they have been made.

II. COMMITTEE NO. 5.

Committee No. 5, Charities, consisting of Rev. K. O. Raftshol, A. H. Amundson, J. N. Midtlien, H. A. Stub, T. T. Boe, and delegates O. K. Mork, H. Skulstad, Nels O. Hove and P. P. Sether, met Thursday, June 3rd, and organized by electing Rev. K. O. Raftshol chairman and Rev. H. A. Stub secretary. The committee begs to submit the following resolutions:

Sec. 1. Thanks to God.

The Norwegian Lutheran Church of America expresses its sincere thanks to almighty God, the God of grace, mercy and consolation who is the Author and Giver of all good things, for the many blessings He has poured out upon His church in the past year and the privilege He has given it of helping the poor, the needy, the unfortunate and the lonely, and blessing the labors of those who on behalf of the Church have been doing this work.

Sec. 2. The Charity Work of the Church.

The Church deeply appreciates the splendid spirit of sacrifice and zeal for service which in the past year has permeated the management and the workers in our various institutions of mercy. May the Lord in His mercy reward them by a consciousness of work well done and a joyful looking forward to a con-

tinuation of this blessed work. The Church also wishes to extend to all its members and friends its thanks for their prayers and contributions which have made this work possible.

Sec. 3. The Church's Homes for the Aged and Children.

a. The Church is grateful for the opportunity offered in the past year of ministering to 399 aged and 818 children in its nine homes for the aged and seven children's homes. We rejoice at the uniformly cheerful reports from these various homes—the absence of anything depressing or unfavorable—one of the children's homes reporting no case of sickness or death among 124 children—a truly wonderful record.

b. Our gratitude is expressed to Mr. and Mrs. T. T. Thompson for their many years of faithful service as superintendent and matron of the Beloit Children's Home.

Sec. 4. Home Finding Department.

The Church commends the splendid work carried on by the Home Finding Department. It hopes and prays for continued growth and that it be given all possible encouragement as it recognizes that the proper place for a growing child is in a Christian home. It rejoices to note the frank, considerate attitude on the part of the state and its authorities in this necessary work.

Sec. 5. Inner Mission Work.

The Church realizes that the work of mercy is an expression of Christian love which it prays the Lord to increase in the hearts of its members. We wish to call the attention of our people to the high standard of work done through our city missions, slum missions, hospital missions, prison missions, rescue missions, day nurseries, kindergartens, homes for girls and institutional missions, through which activities our Church is so nobly reaching out with help and comfort to those who are in need.

Sec. 6. Deaconess Homes and Hospitals.

a. The Church expresses its appreciation of the work done by these institutions and commends them to our people. It would urge young women who are qualified, to enter this form of service.

b. The Church rejoices at the news of the completion of the new addition to the Lutheran Deaconess Hospital in Chicago, and asks God's blessing upon the activity of this necessary institution.

c. We are thankful to Mother Superior for her unselfish service in our Deaconess Home and Hospital these 20 years. We deem it fair that she is given a year's vacation from her duties and we wish her Godspeed upon her contemplated journey in our mission fields in foreign lands and a safe return home.

d. It is with regret we note the resignation of Rev. A. Oefstedal, rector of the Deaconess Home and Hospital. We feel grateful to him for the years of untiring service in the work for the Deaconess Home and Hospital.

e. We rejoice over the splendid work of the Deaconess Home and Hospital, and urge that as soon as possible a Home be erected for the deaconesses. We apprecaite the gift of $25,000 promised by Dr. E. E. Henderson toward such a Home.

Sec. 7. Needy Pastors and Widows' Fund.

The Church should be very tender and considerate in caring for those who have served her so faithfully when in their prime. It wishes to call particular attention to this exceedingly worthy cause and wishes to lay near to the heart of the congregations an appeal to give this cause their most generous support.

Sec. 8. We commend the splendid work of the Norwegian Lutheran Day Nursery at Brooklyn, New York, and urge our people to remember this work in their prayers as well as with pecuniary aid so that they may continue the good work and increase their much needed space.

Sec. 9. Prison Work.

We concur with the action of the Board of Charities in engaging Rev. N. Lunde to carry on Prison Mission Work and commend the work already done.

Sec. 10. We commend the splendid work done at Sauk Center for unfor-

tunate girls, by Rev. J. A. Johnson, of Osakis, Minnesota, and recommend that said work be continued.

Sec. 11. We commend the splendid work done in the city, slum and institutional work at the various places and approve of the consolidation of work with the Home Mission Department whenever feasible and workable.

Sec. 12. We commend the faithful services of the various hospital pastors and ask God's grace upon them in their difficult field of endeavor.

Sec. 13. We appreciate the opening of gates to do spiritual work at the various state institutions and feel that when they ask us to come in we should make use of the added opportunity for service.

Sec. 14. The Church commends the careful and detailed records kept at the various institutions of mercy, as these records present in a graphic way a view of the great work of this branch of our Church activities.

Sec. 15. Recommendations.

(1) The Church recommends that the Board of Education take under advisement the possibility of the establishment of a Social Work Department at one of our colleges.

(2) The Church refers to the Board of Charities the advisability of establishing a new paper devoted exclusively to the cause of our charity work.

(3) The Church refers to its Board of Trustees the question of the incorporation of our Institutions of Charity as subsidiary corporations of the Norwegian Lutheran Church of America, asking the Board to give its opinion at the next meeting of the Church.

(4) It appears from the reports of the managers of the Old People's Homes that all of them are in need of more room. In many cases applicants are unable to obtain admission. The Church would rejoice to be able to accommodate all these applicants and appeals to its membership to remember these institutions that this may be made possible.

(5) The Church recommends continued solicitation of funds for the Martin Luther Home that the building soon may be completed and ready to receive again its many little charges.

(6) We recommend that ways and means be found to erect a barn at the Wild Rice Children's Home at once in order to meet the emergency that has arisen there.

(7) The Church asks the Board of Charities to consider the advisability of designating certain Homes for the Aged and Children's Homes to receive applicants without funds.

(8) Juvenile Courts.

The importance of the Church's work in the Juvenile Courts of the country cannot be too highly stressed. As there are so many cities which now have established these courts, it is impossible for the Church to have workers in all these places, necessary as it is. The Church, therefore, expresses its willingness to cooperate wherever possible, with such church bodies as share our faith and practice.

(9) The City Missions.

The Church recommends to its membership to remember the various city missionaries in their difficult duties in the courts, jails, hospitals, highways and byways of our large cities, and calls attention to what an aid they may be to keep our boys and girls, moving into the cities, in touch with our Church.

Sec. 16. The Church concurs in the following recommendations by its Board of Charities, to wit:

Change of Rules

In the rules for Children's Homes, paragraph IV (b), page 347, of the 1924 Report, reads, "The superintendent shall be called by the local board of directors subject to the approval of the Board of Charities."

Our experience is that this rule practically precludes the Board of Charities from having any voice in the matter of calling superintendents.

We therefore recommend that the paragraph be changed to read as the same paragraph in the rules for the Old People's Homes, as follows:

"The superintendent shall be called jointly by the local board of directors and the Board of Charities."

A School of Nursing at the Lutheran Deaconess Hospital

Being that our Deaconess Home does not have sufficient Sisters to provide the necessary nursing force at the Lutheran Deaconess Hospital, the Board of Charities recommends that the hospital be authorized to establish a School of Nursing in the hospital.

We recommend, however, that every effort be made to retain deaconesses as heads of the different departments of the hospital.

Being that we are handicapped because of a lack of trained workers in almost every activity in the Department of Charities, we recommend that persistent and aggressive efforts be made by the Lutheran Deaconess Home to interest and enlist young women in the deaconess cause not only for service in the hospital, but also for other fields of service.

We recommend that the Lutheran Deaconess Home together with our executive secretary take under serious advisement the matter adjusting the rules and practice of the sisterhood with the view of making this service attractive to American Christian young women.

Being that there are 10 Lutheran Deaconess Homes in America, we recommend that our Deaconess Home try to cooperate with other similar institutions in aggressive publicity work even to the extent of jointly keeping one deaconess east of Chicago and one west of Chicago as field workers in order to create interest in the cause both among young women and the rest of the Lutheran Church people.

We recommend that the Church sanction the petition of the Board of Trustees of the Lutheran Deaconess Home and Hospital to erect a separate Deaconess Home for the Deasonesses when the building fund for that purpose has been secured.

Respectfully submitted,

K. O. RAFTSHOL, chairman,
H. A. STUB, secretary.

NEW BUSINESS

The following letter from Dr. E. E. Henderson of Chicago was read:

June 4, 1926.

Mr. Peter Johnson,
Minneapolis, Minn.
Dear Mr. Johnson:

Regarding our telephone conversation the other day, I stated that I would make a gift of $25,000.00 to the hospital for the purpose of building a nurses and sisters' home. his pledge will be good for one year. In other words, if they do not start operations for building a home at the end of the year from this date, then I would consider myself exempt from the pledge. We have often talked about a home of this kind and it is my idea if the hospital would dispose of the two flat buildings on Oakley and not consider buying the Bethesda Home at the price they are asking, but instead put up a modern building running to about six or seven floors at the west end of the yard, we would have something that we would be satisfied with, and not have a lot of old buildings where the up-keep would be enormous.

I hope and trust that you can have your Board see the need and the benefit this would be to our plant here in Chicago.

Very truly yours,
E. E. HENDERSON.

EEH:IJ

In order to make this extraordinary offer of Dr. E. E. Henderson available to our Deaconess Home, Judge A. Grindeland submitted the following resolutions:

Resolved:

1. That the offer of Dr. E. E. Henderson of Chicago be and the same is hereby accepted.

2. That the Board of Trustees of the Lutheran Deaconess Home and Hospital, Chicago, be and are hereby authorized to build a home for the deaconesses and nurses, provided, however, that no contract be let to build before the funds required are available and approved by the Board of Trustees of the Norwegian Lutheran Church of America.

3. That the Board of Trustees of the Lutheran Deaconess Home and Hospital be and are hereby authorized to sell the two flat buildings on Oakley Boulevard, known as:

1. Lot thirty (30) and south six (6) feet of lot twenty-nine (29) in the subdivision of the north part of block three (3) in Sufferin's Subdivision of the southwest quarter of section six (6), township thirty-nine (39) north, range fourteen (14), east of the third principal meridian, in Cook County, Illinois, otherwise known as 1133 N. Oakley Boulevard.

2. Lot twenty-nine (29) in the subdivision of the north part of block three (3) in Sufferin's Subdivision of section six (6), township thirty-nine (39) north, range fourteen (14), east of the third principal meridian, in Cook County, Illinois, otherwise known as 1137 N. Oakley Boulevard.

4. That the proceeds from such sale shall go to said building fund.

5. That in case of sale of said property afore described, the president and secretary of the Lutheran Deaconess Home and Hospital, be and they are hereby authorized and directed to sign, acknowledge, deeds of conveyance transferring all title, interest in and to said property to the purchaser.

The above resolutions submitted by Judge A. Grindeland were adopted.

A LETTER OF THANKS TO DR. HENDERSON

It was moved, seconded and carried that the secretary of the Norwegian Lutheran Church of America be requested to send Dr. Henderson a letter of thanks for his generous offer.

II. Reports

To the Third Regular Biennial Meeting of the Norwegian Lutheran Church of America:

"And He is the head of the body, the church: who is the beginning, the first born from the dead; that in all things He might have the preeminence."—Col. 1:18.

As the Board of Trustees, the Budget Committee and the Budget Bureau respectfully submit this report it is in recognition of the truth that "except the Lord build the house, they labor in vain that build it." Ps. 127:1, and "that in all things He hight have the preeminence."

It is with gratitude to God for His manifold temporal and spiritual blessings, for His guidance and support the board looks back on the fiscal year of 1925.

GENERAL FINANCIAL CONDITIONS

While many institutions have suffered losses, owing to the depressing aftereffects of the war, the credit of our Church has not been impaired.

It is true that many problems have emerged in the endeavor to obtain the best possible results from the endowment funds of the Church. Some institutions have not received full returns from their funds. This is due to readjustments of loans of a longer standing; but careful rearrangements are being made so as to restore all investments to a normal yield of interest.

CONTRIBUTIONS

I. Endowment Funds

Additional amounts for endowment funds received through the year by direct gifts and legacies are as follows:

Education	$5,166.44
Home Missions	11,429,83
Foreign Missions	12,615.83
Charities	13,325.00
Miscellaneous	34,811.34
Total	$77,348.44

II. General Work of the Church

Including the supplementary report and contributions for the budget indebtedness, the receipts for the general work of the Church exceed that of any previous year and are as follows:

For the Budget	$1,109,377.08
For the Budget Indebtedness	346,809.03
Total	$1,456,186.11

It is, however, to be regretted that the budget accounts had to be closed with a deficit of $59,832.81, the expenditures exceeding receipts in amounts as follows:

For Education	$45,305.50
For Home Missions	10,303.71
For Charities	4,178.60
Total	$59,832.81

It is very gratifying that the receipts for Foreign Missions exceeded disbursements in an amount of $12,943.15, which amount has been placed at the disposal of the Foreign Mission Board.

THE BUDGET

The budgeting boards of our Church have submitted the following budgets for adoption:

Education	$308,097.29	
Elementary Christian Education	7,500.00	$315,597.29
Home Missions		342,154.03
Foreign Missions		387,224.82
Charities		214,882.01
Total		$1,259,858.15

In view of former deficits and a deficit of $59,832.81 for the year 1925, the Budget Committee resolved to recommend to the Church that the appropriations for the various activities of the Church for 1927 be the same as the amount contributed for the different activities, respectively, during the year 1925, and that the budgets for the various activities for 1928 be the amount received in 1927 for each activity, respectively.

The amounts recommended to be voted by the Church for 1927, according to this resolution, will be as follows:

Education	$270,217.38
Home Missions	260,781.16
Foreign Missions	367,177.42
Charities	211,201.12
Total	$1,109,377.08

In this connection we quote the following resolution: (See Annual Report 1925, page 391, paragraph 5-d)

> "Be it further resolved that each board is at liberty to use the total amount of contributions received even though they exceed the amount voted by the Church, according to a previous resolution by the Church."

It is further recommended that the Church authorize and direct the various boards to adjust the work in keeping with the voted amount, and to appropriate to the different institutions and activities in such amounts as to keep the appropriations within the amount granted to each board.

Realizing that this minimum budget will not be adequate to carry on the work according to present order of operation, it is also recommended that the Board of Education, the Board of Home Missions and the Board of Charities (Foreign Mission Board having been thus authorized previously) together with the Finance Committee be authorized and directed to employ the necessary field emissaries for the purpose of stimulating interest for the various activities of the Church and for raising the necessary funds, and that all boards cooperate with the Finance Committee in raising the voted amounts for each board and as much more as possible.

SOUTH DAKOTA SCHOOL INDEBTEDNESS

According to the Annual Report of 1925, page 394, division 8-4, the following resolution was adopted:

"With regard to the school indebtedness in South Dakota, amounting to $90,565.87, the Church resolves that this matter be referred to the Board of Trustees and the Board of Education in conjunction with Augustana College of Sioux Falls and Canton Lutheran Normal School to devise ways and means for its liquidation."

"Therefore be it resolved: That the Board of Education and the Board of Trustees together with the institutions as stipulated in the above resolution be and hereby are instructed and directed to institute the necessary campaign for this purpose as soon as in their judgment it is practicable."

Pursuant to this resolution, a committee representing the Board of Trustees and the Board of Education met with the Board of Trustees of the Augustana College Association of South Dakota to consider the liquidation of the indebtedness of Augustana College and the transfer of the property of the Augustana College Association as directed by the Church, and arrived at the following agreement:

"First: That The Norwegian Lutheran Church of America transfer as soon as the legal formalities can be observed, to the Augustana College Association the property now occupying and used by Canton Normal School at Canton, South Dakota, and the Augustana College or Normal School of Sioux Falls, South Dakota, by proper deeds of conveyance with proper reservations of said property or the proceeds thereof be used only for school purposes, conformable with the principles of the educational work of the Norwegian Lutheran Church of America.

"Second: That the indebtedness incurred in connection with the Augustana College and Normal School aggregated with interest thereon substantially $90,000.00 to be disposed of as follows:

A—$45,000.00 thereof to be assumed by the school district assigned to the Augustana College Association, which amount is to be raised as follows: $5,000.00 to be added to the budget apportionment of said Church to said District each year and that such $5,000.00 so raised, together with any surplus that may be raised by said district over the said budget apportionment of said church to said district each year, be paid to the Norwegian Lutheran Church of America until the said sum of $45,000.00 has been liquidated.

B—That the balance of said indebtedness of substantially $90,000 be absorbed by the Norwegian Lutheran Church of America."

DEFICIT OF SCHOOLS OWNED AND OPERATED BY THE CHURCH

Madison Normal	$2,079.73
Luther College	10,000.00

The deficit at Luther College is due to the fact that a much smaller amount of interest on the endowment funds for said college was realized than the amount estimated in the budget for last year.

CANTON NORMAL SCHOOL

There is also an item of indebtedness for furniture and fixtures at Canton Normal School in the amount of $19,359.14, which the Board of Trustees had found to be a legitimate indebtedness of the Church, and refers this matter to the Church.

SUMMARY OF DEFICITS TO BE ACTED ON BY THE CHURCH

Madison Normal	$2,079.73
Luther College	10,000.00
Canton Normal	19,359.14
Augustana College	45,000.00

These items should be taken up by the Church for consideration and proper resolutions adotped as to whether these amounts are to be raised independently or added either to the budget or to the former deficits.

CONVEYANCE OF CANTON AND SIOUX FALLS PROPERTIES

Proper deeds of conveyance have been executed in the name of the Church and delivered to Augustana College Association, conveying all the College property in Sioux Falls and in Canton to the Augustana College Association as directed by the Church in a former resolution, subject to proper reservations for the use of this property.

Transfer of Endowment Funds

As it is necessary for the college to hold its own endowment funds as required for proper accreditation, the Board of Trustees recommends that the Church transfer the endowment funds of the Augustana College and Normal School and the Canton Normal School to the Augustana College Association. The Augustana College Association should in turn, in conformity to the general rules of the Church, appoint the Board of Trustees of the Church to act as its agent both in the matter of being custodians of all the securities as well as the placing of all its investments.

BUDGET DEFICITS

The total budget indebtedness as of April, 1926, not including what has been borrowed for the budget for 1926, is $433,244.19.

The Budget Committee recommends that the work of raising this indebtedness be continued in all congregations that have as yet been unable to participate in this work. These congregations should be requested to take hold of this at once and not leave the burden on such congregations as have already raised their share of the deficit. Some congregations have begun this work and should be allowed to finish and the church should extend the time necessary for the completion of this work.

The Budget Committee also recommends that an amount of $50,000.00 be included each year in the voted budget, and allocated to the four budgeting boards as follows:

Education	$26,167.47
Home Missions	10,263.80
Foreign Missions	4,468.16
Charities	9,100.57
Total	$50,000.00

AUDITS OF CHURCH ACCOUNTS

The accounts of the Treasurer's office of the Church, as well as that of the Augsburg Publishing House, were left in the hands of Chas. H. Preston Company, Certified Public Accountants, and this audit has been very thorough in every respect. It is the intention of the Board to continue this auditing, as the Board finds that, with the great amount of funds handled by the various Boards and officials of the Church, a very thorough audit should be made every year.

ERIK WALDELAND'S DEATH

The Church suffered a great loss in the death of its trusted and efficient treasurer, Mr. Erik Waldeland; and the Board on September 9, 1925, passed the following resolution:

> "It is with profound sorrow that the Board of Trustees learns of the sudden and unexpected death that came 'as a thief in the night' to our friend and co-laborer, Erik Waldeland, the Treasurer of our Church. His day of labor, direct in the service of the Church, was long: 35 years before and eight years after the Union in 1917.
>
> "In recognition of his untiring efforts and faithfulness in the performance of the manifold duties devolving upon him as Treasurer of the Church, the Board wishes to express its sincere gratitude. In the many committees and the various boards of which he by virtue of his office was a member, he will be greatly missed. His keen

discrimination, clear vision, and his general ability obtained through his many years of experience in the affairs of the work of our Church, seem impossible to be substituted. Sincere, deliberate, and firm in his convictions, he would take a stand in the determination of the many difficult and often perplexing problems to be solved, always with one aim in view: the best interest of the Church and for the extension of the Kingdom of God. His absence will be keenly felt by all his associates. His departure while in the midst of the performance of his duties came as a shock to all. In his death the Church has lost one of its most efficient executives."

ELECTION OF TREASURER AND ADJUSTMENT OF TREASURER'S DUTIES

The matter of the election of the treasurer to fill the vacancy of Erik Waldeland, deceased, was then carefully considered, and it was thought advisable to divide the duties of Treasurer and the Auditor and Comptroller, in such a way that the duties of the Treasurer should be as prescribed in the Articles of Incorporation, being as follows: "The Treasurer shall receive and disburse the funds of the corporation under the direction of the Board of Trustees. He shall keep true accounts of all funds received and disbursed and make full report to the Church for each fiscal year. He shall also make full report to the Board of Trustees at the end of each fiscal year and at such other times as the Board may direct. He shall give such bond for the faithful performance of his duties as the Board may direct. The fiscal year shall be from the thirtieth of April to the first of May the following year." (Fiscal year later changed to calendar year.)

It was then decided that the duties of the Auditor and Comptroller should be to look over all the securities of the Church, such as mortgage loans, bonds, etc., and see to it that all money loaned out is in accordance with the prescribed rule laid down by the Loan and Investment Committee of the Board of Trustees. He shall also have charge of the auditing of the Church, with such assistance as he may need, in order to properly take care of this work. Rev. H. O. Shurson was thereupon elected Treasurer, to fill the vacancy of Erik Waldeland, deceased, until the next annual meeting of the Church. Jos. O. Estrem, as Comptroller and Auditor, was then requested to take on the additional duties as prescribed above.

It will be noted by the above that the duties of the General Field Secretary and Treasurer were combined, thus avoiding complications and duplication of office work. This also being an item of saving on the part of the Church.

SALARY OF THE GENERAL PRESIDENT

The Board of Trustees recommends that the salary of the General President be $4,000.00 and free house.

PRESIDENT'S RESIDENCE

The Board of Trustees recommends that proper resolutions be adopted authorizing said Board to build or purchase a suitable residence for the President.

Report of the Finance Committee to the Norwegian Lutheran Church of America

"That they do good, that they be rich in good works, that they be ready to distribute, willing to communicate." 1 Tim. 6:18.

Actuated by the same mind which was also in Christ Jesus, our Church heeded the invitation of Christ to go and work in His vineyard by assuming the corresponding obligations. The Church trusted that the Lord who gave us the work to do, would give grace to contribute in such proportions as to meet the voted amount, in order that we "might do good, be rich in good works, ready to distribute, willing to communicate."

Thousands of young people were invited to our Christian institutions of learning, hundreds of men were called to minister to the spiritual wants of our people on our home mission fields, more than a hundred men and women were sent out as the refrain came to us:

"From many an ancient river, from many a palmy plain,
They call us to deliver their land from error's chain."

Hundreds of those called "the least of these my brethren" were invited to stay at our charitable institutions. It was only by faith our Church launched out in the hope of some accomplishment for His Kingdom and with one thought in mind:

"To spread His light from age to age
Shall be our chief endeavor."

It is with gratitude to God for His wonderful love to us we look back upon the year 1925.

General Survey

The Church voted a budget in the amount of $1,123,890.74 for the fiscal year, January 1st to December 31st, 1925. A meeting of the general president of the Church, the district presidents, the district financial secretaries, the field superintendents and the finance committee was held and apportioned the voted budget plus a margin of 15% to the districts. The districts responded by contributing as shown in the tabulations given on page 391 as Exhibit I and II.

899 congregations contributed an aggregate amount of $45,551.76 in excess of their apportionment. 300 more than last year.

371 congregations contributed the exact amount apportioned. 96 more than last year.

1,193 congregations contributed in part, but fell short an aggregate amount of $252,675.72. 293 less than last year.

438 congregations did not contribute to Education. 99 less than last year.

308 congregations did not contribute to Home Missions. 70 less than last year.

296 congregations did not contribute to Foreign Missions. 82 less than last year.

400 congregations did not contribute to Charities. 103 less than last year.

238 congregations did not contribute to any of the activities as represented by the budget. 52 less than last year.

It has been the endeavor of the Finance Committee to direct the work in such a way as to encourage and assist congregations that have not contributed, or contributed only a part of their allotted amounts, to join the ranks of the many congregations that from year to year have untiringly, and in ever-increasing amounts, made it possible to carry on the work which the Lord called our Church to do.

The untiring efforts of pastors in constantly keeping the general work of our Church before their people is commendable.

The General President of our Church and our district presidents have de-

voted much time to the raising of the budget, and the Church owes them deep gratitude also for this part of their strenuous work.

The district and circuit secretaries, serving as such without salaries, deserve much credit for the improvement shown by the congregations in the general participation in contributing to the Lord's work.

Our field emissaries have also been untiring in their efforts. It is not only the direct results in dollars and cents that is the fruit of their labor. A more far-reaching effect of their work is the laying of a spiritual foundation for Christian stewardship, and in placing the work of our Church in the right light and correcting many erroneous ideas harbored in the hearts of some of our people based on misunderstanding or lack of knowledge. Our people want information. Pastors are exerting every effort to bring to their people information that may create more love for the work of the extension of the Kingdom of God. Many congregations and pastors ask for assistance and it would be unfortunate not to be able to meet this want. There is a large number of applications for speakers for occasions that have been arranged in the interest of the general work of our Church, as well as requests to have some one come to help do personal work in the interest of this cause. There is also a large number of vacant congregations that need help. The field emissaries are always overloaded with work.

With the best support of the presidents, the leadership of the district and circuit secretaries, active committees on finance in each circuit and congregation, with an adequate number of field emissaries employed either by the Church direct, the boards or the general committee on finance and the earnest prayers of His people, the Lord will continue increasingly to bless the work.

Each circuit and congregation should be urged to see to it that a committee on finance is elected. With such committees functioning under the direction of the district and circuit secretaries and assisted by an adequate number of field emissaries, every member of our Church will be reached and brought to see the blessing of giving to the Lord's cause.

Women's Missionary Federation

From year to year it becomes more and more evident that the Lord has found a large field of service for this organization. It may take time for some of us to become reconciled to a new idea.

The work of the Ladies' Aid societies of our congregations is something that has been recognized from the early days of our Church. The idea of federating these societies is of more recent years, and it is well that a matter of such importance be given due consideration.

We must, however, by this time be justified in thinking that also this method of organization is a true development in our work and to which the old axiom can be applied: "In unity there is strength."

It has also been very evident that as new duties have devolved upon the organization, God has given grace to assume them.

In the endeavor of the Church to "make an every-member canvass," first for the salvation of their own souls and that they may become interested in the salvation of others, there is a great mission to perform among the women as well as the men.

The Women's Missionary Federation is a great factor in disseminating information about the work of the Church, promoting loyalty and reaching the individual.

The slogan of the Federation has been "Voluntary Service." The general president, the president of each district and circuit, as well as all their officers and working committees, constitute a wonderful band of willing workers. In their unassuming, quiet way they have gone about the tasks set before them. The committee on finance has with much interest noted the prevailing spirit of sacrifice, the ever increasing interest in the various activities of the Church, and the desire expressed in so many different ways of arranging this work so as to render the best possible support to the cause of the Church as a whole.

For the reason that many contributions received are not specified so as to be credited to the Federation, it is not possible to give a correct estimate of what has been received through the efforts of the Federation. It is, therefore, to be noted that the amount of $118,387.44, of which amount $105,905.19 has been received for the budget, as shown in the report of the treasurer of the Federation, does not represent all that should legitimately be placed to the credit of the Federation.

To thank the Federation for what it is doing for the Church seems quite inadequate but it is with sincere gratitude to God we express our appreciation of their work. The Ladies' Aid societies, not directly connected with the Federation, have also this year contributed in their usual liberal manner and must be remembered in our expressions of gratitude.

In view of the development of the work of the Federation and the many possibilities for greater service, the Committee on Finance recommends that a full time field worker be employed and an adequate amount budgeted so as to cover her salary.

YOUNG PEOPLE'S LUTHER LEAGUE

There is a double reason why we are this year for the first time listing the financial report of the Young People's Luther League in the Annual Report of the Church. In the first place we believe this active organization should be accorded this recognition because of the work it has been able to accomplish among the younger generation of the Church. Largely thru the efforts of the Y. P. L. L., the young people are being brought to realize the importance of supporting the program of the Church. And this includes the financial program, as the following resolution adopted at the annual meeting of the National Board shows:

RESOLVED:

"That in addition to the support of the League's own work, our young people should cooperate heartily with their home congregations in the raising of the budget for the support of Home and Foreign Missions, Charities, and Christian Education. Amounts sent in for the budget by local leagues will be credited to the budget account of the local congregations, and also credited in the accounts of the Young People's Luther League.

"That our young people should cooperate heartily also with the various campaigns thruout the Church for endowment funds for our higher church schools. Amounts contributed by local leagues toward such endowment funds, if officially reported to the office of the executive secretary, will be credited in the accounts of the Young People's Luther League.

"SLOGAN: 'Every leaguer a regular contributor to the Lord's work."

But in the second place, we feel that the Y. P. L. L. should be given special recognition because of the splendid way in which it is rallying the young people to the task of actually contributing liberally to this program. When we remember that the League is less than ten years old, it is encouraging, to say the least, that this organization is able in one year to report a contribution to its 1925 project of $17,675.18 (this has since grown to about $20,000.00), and besides this support to the budget of the Church from the League (only last half of year listed), of $7,280.73, together with $4,281.86 from the Lutheran Students' Union—a total of $11,562.59 direct contribution to the budget of the Church. The total contributions of the League since the National Convention at Minneapolis totals more than $25,000.00, most of which will accrue to the Church. Certainly we have good reasons for welcoming the Y. P. L. L. as a strong factor in the future program of the Church. And we should rejoice that the younger generation is now seemingly ready to do large things for the Church.

The financial statement follows the report of the general treasurer of the Church.

BUDGET DEFICIT

The budget deficit on April 30th this year amounted to $433,244.19. In this matter the following resolution was adopted by the Church last year:

"Be it further resolved: That in case of an obtaining deficit at the close of the year, each district be requested to see to it that the remainder of the amount apportioned be raised by the respective districts."

In view of this resolution, each district should at their respective meetings this year take some action in this matter.

The apportionments were made two years ago. Additional deficits have been added since. For this reason the Committee concurs in the recommendation of the Board of Trustees, that an amount of $50,000 for the budget deficit be included in the voted budgets for 1927 and 1928, and that the raising of the budget deficit be continued where the work has not been completed.

A tabulation showing what has been contributed by congregations is herewith submitted.

REPORT OF PUBLICITY BUREAU

The radio station at St. Olaf College has gained for itself an excellent reputation. The programs given have been of a high grade and of such character as to be a credit to St. Olaf College and to the Church. Appeals have been made by the Publicity Bureau from time to time in the public press for contributions toward the support of the station. The responses have not been as general as the Bureau had anticipated. The Bureau entertains the hope that the convention when it votes the budget for 1927, will grant the measure of aid recommended by the budget committee.

So far as its contemplated plan of operations is concerned the Bureau takes the liberty to call attention to the outline that appeared in its report to the convention in 1925.

In its efforts to carry out the plan thus defined the Bureau has furnished articles to our Norwegian secular press as also to a large number of such local weekly papers as would seem nearest to our people. An expression of thanks to the many papers that have willingly printed our contributions will be in order.

The members of the Bureau are responsible for duties in offices that require the full measure of their working capacity. As a consequence their service in the cause of publicity must perforce be considered more or less incidental to their official activities. The Bureau is therefore aware that this branch of the work has not reached that degree of efficiency which the interests of the church require. It has furthermore become increasingly convinced that the wise course in the premises is to employ a competent man to give all or at least a large part of his time to the special work of publicity.

At its convention in 1925 the Church passed the following resolution:

Be it resolved:

a) That the Church heartily endorses the working plan of the Publicity Bureau as outlined in their report, commends the broadness and vision of the plan, and urges that the Bureau exercises every effort, with the time and means at disposal, to let the good work go on. The Church desires and hopes that the time will not be long before it can place the right man on full-time salary at the head of the Publicity Bureau. (Annual Report 1925, page 397.)

In conformity to, and in pursuance of, the spirit of this resolution the Bureau recommends to the convention that the convention authorize the Publicity Bureau to employ a publicity man either for part time or for full time service, which recommendation is also in harmony with the action of the Budget Committee in providing for the salary of such a man in the budget.

II. COMMITTEE REPORT AND RESOLUTIONS

In editing this part of the Annual Report the secretary has, wherever possible, incorporated into the printed resolutions the changes adopted by the meeting. The sub-joined copy from the convention journal shows what the changes are and where they have been made.

Committee No. 6 consisting of the following members: A. J. Bergsaker, T. S. Stockdal, L. J. Floren, Joh. Gronskou, A. H. Dahl, J. N. Jacobson, Paul G. Henricks, John L. Waold and R. R. Syrdal met at the Augsburg Publishing House May 26, 1926, and organized by electing Rev. Stockdal chairman, Mr. Wald vice-chairman, Rev. Syrdal secretary and Rev. Granskou secretary in Norwegian.

Your committee, having examined the reports presented by the various boards as carefully as possible with the time and means at its disposal, begs leave to report as follows:

A. The Survey

Sec. 1.The Norwegian Lutheran Church of America in convention assembled expresses her deepfelt and sincere gratitude to God that He has opened the minds and the hearts of her constituent members to the need of the Church, to the extent that a greater amount of money has come into her coffers during the last fiscal year than in any other year of her existence, contributions having been received as follows:

For the Budget	$1,109,377.08
For the Budget Indebtedness	346,809.03
	$1,456,186.11

Sec. 2. Rejoicing in the above mentioned result, the Church will not forget to express her thanks to the individual members who in love to the Lord of the Church and His works so generously have given of their means for her support.

Nor will she forget the different agencies that, like handmaids of the Lord, have placed themselves at her service. Calling to mind in particular the individual congregations and pastors, Ladies' Aids and Young People's Societies, Women's Missionary Federation, Luther League, District Presidents, Financial Secretaries, the various boards and committees as well as the officers of the church.

Sec. 3. She notes also with gratitude that she has been remembered by direct gifts and legacies for endowment funds to the extent of $77,348.44. It is exceedingly fitting that man return to the Lord both while he is living and upon his death, part at least of what the Lord has entrusted to him, wherefor the Church would commend such manner of giving, and gratefully receive such gifts entrusted to her stewardship.

Sec. 4. However, it is not with joy analloyed that the Church scans the pages of her financial record of the last fiscal year, inasmuch as she closed her accounts with a deficit of $59,832.81, due in part to the fact that 1431 of her congregations contributed only a part of their fair share, and 238 congregations contributed nothing at all.

Sec. 5 a. It is very gratifying to note that 899 congregations contributed an aggregate amount of $45,551.76 in excess of their apportionments, 300 more than last year, that 371 congregations contributed the exact amount apportioned, 96 more than last year. All these congregations have merited the special thanks of the church for the fine work done. We are also very glad to learn that the number of congregations which contributed, but not the full amount, has been reduced to 293.

b. See new draft.

Sec. 6. See new draft.

Sec. 7. See new draft.

B. The Budget

Sec. 1. In order that ample time be given for careful consideration of the budget, the Church decides that the voting of the budget become the order of the day on the second day of the convention.

Sec. 2. Whereas the various boards, the Budget Bureau and the Finance Committee have carefully prepared the budget for the years 1927 and 1928, and after Committee No. 6 has spent several days scrutinizing carefully every item, we find that the minimum amount of $300,597.29 for the year 1927 and $288,-403.00 for the year 1928 is needed for Education. $316,286.03 each year for Home Mission, $360,000.00 each year for Foreign Mission and $211,201.12 each year for Charities is needed with which the work ordered by the Church can properly be conducted, but

Whereas the Board of Trustees urges that the greatest care should be exercised in the voting of the budget in order to safeguard the credit of the Church, and

Whereas the approximate sum of $1,110,000.00 was received for the year of 1925, therefore

Sec. 3. Be it resolved, that the Church vote a minimum budget of $1,145,-084.44 annually for the biennium of 1927 and 1928 to be allocated as follows:

Education	$300,597.29
Home Mission	316,286.03
Foreign Mission	317,000.00
Charities	211,201.12

Sec. 4. Be it further resolved that the Board of Trustees and the Finance Committee be and hereby are authorized and directed to add a margin of 15 per cent when allocating the budget. Said amount not to be considered a part of the voted budget as guaranteed by the Church.

Sec. 5. Be it further resolved that 50 per cent of any sum in excess of the following amounts in each department, to-wit:

Education 1927, $300,597.29,
Education 1928, $288,403.00,
Foreign Mission $360,000.00 each year,
Home Mission $316,286.03 each year,
Charities $211,201.12 each year,

may be retained by the respective departments and used as agreed by the Boards of the Respective departments and the Finance Committee, and the other 50 per cent be set aside as a reserve fund after the budget deficits have been liquidated.

Sec. 6. Realizing that this is a minimum budget and will not be adequate to carry on the work as ordered and planned, and realizing the necessity of stimulating interest for the various activities of the Church and for the raising of the necessary funds,

Be it resolved, that the Board of Education, the Board of Home Missions, the Board of Foreign Missions and the Board of Charities be authorized and directed to employ the necessary field emissaries, and that the above boards and the Finance Committee consider the request of the Women's Missionary Federation for a woman field worker. (Recommitted to No. 6 for corrections.)

C. Institutions

Sec. 1. Augustana College (transferred to Department II).

Adopted subject to the approval of South Dakota District and Augustana College Association.

Sec. 2. City, Slum and Hospital Mission, Deleted.

Sec. 3. President.

1) The Church concurs in the recommendation of the Board of Trustees in regard to the salary of the president, and hereby grants him a salary of $4,000.00 per year and free house.

2) The Church hereby authorizes the Board of Trustees to build or purchase a suitable residence for the president, as soon as the necessary funds have been raised.

Sec. 4. Treasurer.

Be it resolved, that the treasurer in his report for the Annual Report add the following:

"Before the amount each congregation has contributed is placed the sum of the fair share and also the number of confirmed members of such congregation, the name and address of those congregations who have contributed nothing to the various activities of the Church, also to be added." (Adapted with the Mr. Anderson addition in regard to "fair share").

Sec. 5. Budget Indebtedness.

In order that the remainder of the budget indebtedness of $433,244.19 may be raised as soon as possible, be it decided that the Board of Trustees and the Finance Committee see to it that the drive for the indebtedness already begun be completed by February or March, 1927, and that the same plan of apportionment and fair share on the districts and congregations be followed.

The respective districts consider this matter and report to this convention.

Sec. 6. Audit.

Inasmuch as the Board of Trustees have found it advisable to submit the accounts of the Treasurer's office of the Church as well as that of the Augsburg Publishing House to a certified public accountant for the purpose of audit,

Be it resolved, that we approve the action taken by the Board of Trustees in regard to said audit and that we recommend that this policy of an annual audit be adhered to also in the future.

Sec. 7. Adjustment of Treasurer's Duties, Etc.

Inasmuch as the Board of Trustees have found it expedient to combine the duties of Treasurer and General Field and Financial Secretary, and to assign additional duties to the Comptroller and Auditor of the Church,

Be it resolved, that we concur in the action taken by the Board of Trustees, and that as heretofore it be left in the hands of said Board of Trustees to adjust this work in such a way as to effect the greatest possible economy and efficiency.

Sec. 8. Resolution.

Whereas, the success of our budget and the avoidance of a deficit depends to a great extent upon the thoroughness with which the financial campaign is organized,

Be it resolved, that each circuit and congregation be urged to see to it that a committee of finance be elected.

COMMITTEE NO. 6

Report B

Report B From Committee No. 6

A. New drafts for paragraphs re-referred to the committee by the convention to take place of the original drafts 5 b-6.

1. Contributing Congregations

But the church notes with concern that 438 congregations did not contribute to Education; 308 congregations did not contribute to Home Missions; 296 congregations did not contribute to Foreign Missions; 400 congregations did not contribute to Charities; 238 congregations did not contribute to any of the activities as represented by the budget.

Realizing the close interdependence and intimate relationship to each other of our various church activities, the church desires to sound a word of warning as to the inevitable danger to the general welfare of the church as a whole in placing the importance of one activity above the others, and would therefore most earnestly encourage the support of all activities in the light of their relative importance to the church.

And while we realize that there may be extenuating circumstances, the

church nevertheless feels in duty bound most earnestly to remind the delinquent congregations of the duties of Christian stewardship and call their attention to the fact that in proportion as they fail, they add additional burdens on their sister congregations and hinder the work of the church.

Be it further resolved, that the church urge upon the district presidents, financial secretaries and circuit chairmen to go to these delinquent congregations to stimulate interest for all the activities of the church and help them to raise their apportionments.

2. Authorization to make appropriations.

The Board of Education, the Board of Home Missions, the Board of Foreign Missions and the Board of Charities are hereby authorized and directed to appropriate the amount voted to each board to the activities and institutions of each of said boards, this to include the prorated amounts allotted to each board, as stated by the budget committee.

3. Authorization to employ field secretaries

Realizing that this is a minimum budget and will not be adequate to carry on the work as ordered and planned, and realizing the necessity of stimulating more interest for the various activities of the church, especially in places where little or nothing has been contributed in former years,

Be it therefore resolved, that the Board of Education, the Board of Home Missions, and the Board of Charities be granted the same privilege as the Board of Foreign Mission, namely, to employ the necessary field emissaries,

Be it further resolved, that all boards work in conjunction with the Finance Committee in arranging and carrying out the above plan.

4. Call of Committee No. 6

Inasmuch as the Church has not arranged for the call of the Finance Committee (number six), and

since the careful consideration of all items to be budgettet for and expended are to be reviewed by this committee and proper resolutions proposed,

Be it resolved, that this committee be officially notified of the duties by the secretary of the Board of Trustees at least 60 days prior to its assembling and to be convened at least one week prior to the national convention to organize itself and enter upon its duties, and

Be it further resolved, that all boards and church business related to its finance be placed before this committee in detailed reports at the opening of its sessions.

2) Consideration of Report

Friday Afternoon, June 4

Committee No. 6. A new draft of paragraph recommitted A 5 b, 6 and 7 anent the 50 per cent distribution of excess contributions.

1. Substitution for original A, 5 b, 6 and 7 adopted as submitted by the committee.
2. Authorization to make appropriation adopted as presented by the committee.
3. Authorization to employ field secretaries. Adopted.
4. A new motion for call of Committee No. 6. Adopted.

During the consideration of this motion it was decided that the text should be changed so as to read: Call of Committee No. 6, in place of the committee's original draft, which calls it the Finance Committee.

ADDENDA TO DEPARTMENT VI

The Budget as Submitted by the Various Boards to the Budget Bureau, the Budget Committee and Committee Number Six

In its report to the Annual Meeting, Committee Number Six proposed changes of the four totals in the submitted budget. Any and all changes in the totals effect the prorated amounts.

Without considering the individual items the Church took action on the totals for each of the four budgeting departments, and the prorated amounts as effected by those changes. Where the budgeted amounts were changed, the boards concerned are "authorized and directed" to make the necessary adjustments in the items contained in that budget. See Dept. VI, Report B, Sec. 2, Page 406. Corresponding adjustments must be made in the prorated amounts.

On page 210 are given the resolutions which necessitate changes in the budgets.

N. J. LOHRE, Secretary.

II. REPORT

a) Board of Publication

To the Third General Convention of the Norwegian Lutheran Church of America:

The year ending December 31, 1925, was financially a successful year for Augsburg Publishing House. All departments operated at a profit, except the department of our Church papers. In this department "Lutheraneren," "Children's Friend" and "Little Folks" operated at a combined net profit of $6,888.32, while "Lutheran Church Herald," "Our Young People," "Barnevennen" and "Teologisk Tidsskrift" operated at a combined net loss of $11,531.14, making a total net loss for the department of $4,642.82. But after the loss on these publications has been absorbed and a reasonable reduction for depreciation of buildings and inventories has been made, the combined net profit for all departments amounts to $34,241.89.

Compared month by month with the preceding year, the volume of business transacted both in the book department and in the manufacturing departments shows a substantial increase for every month. All operations, accounts and records have this year been audited and certified to by Chas. H. Preston & Co., Certified Public Accountants.

The following new books were issued:

1. The Hungerers. By Erland Richter.
2. Lodsen og hans hustru. Edited by Prof. Nils Flaten.

19. Lutheran Almanac 1926. Edited by Rev. John Peterson.
20. Last Speech. By William Jennings Bryan.
21. Sidste tale. Av William Jennings Bryan.

All Church Papers with the exception of "Barnevennen" and "Teologisk Tidsskrift" gained in circulation during the year. The circulation on December 31 was as follows: "Lutheraneren," 20,800; "Lutheran Church Herald," 14,200; "Children's Friend," 42,400; "Our Young People," 21,500; "Little Folks," 17,800; "Barnevennen," 7,000; "Teologisk Tidsskrift," 600.

In the vacancy of editor for "Lutheraneren," the Board elected Rev. L. A. Vignes to serve until the next Annual Convention.

At a regular meeting of the Board of Publication, held on February 17, 1926, the following resolution was adopted:

Resolved, that in our report to the synodical convention this Board requests that no matter involving the Augsburg Publishing House financially be passed by the Church convention before it has been referred to the Board of Publication, and then by the Board of Publication presented to the convention, either directly or thru one of the regular convention committees.

A recommendation by Committee No. 7, adopted by the annual meeting, regarding the publication of a jubilee edition of "Luther's Catechism" in cooperation with other Lutheran church bodies, will be taken care of under supervision of the Board of Elementary Christian Education. This Board will undoubtedly report progress to this convention.

III. COMMITTEE REPORT AND RESOLUTIONS

In editing this part of the Annual Report the secretary has, wherever possible, incorporated into the printed resolutions the changes adopted by the meeting. The sub-joined copy from the convention journal shows what the changes are and where they have been made.

Committee No. 7 (Publications) consisting of Pastors C. C. A. Jensen, P. Skartvedt, O. K. Okland, H. R. Romness, A. J. Evenson, A. E. Lien, C. Davick, Prof. O. A. Tingelstad, Del. I. M. Kalnes met Thursday afternoon and organized by electing Rev. C. C. A. Jensen president and Rev. H. R. Romness secretary.

The resolutions adopted by this committee are as follows:

1. The Norwegian Lutheran Church of America notes with satisfaction that the various departments of Augsburg Publishing House—with one exception—were able to operate at a steadily increasing profit during the year 1925.

2. While, according to the report of the Board of Publication, the department of church papers operated at a considerable loss, yet the church appreciated the fact that efforts were made to bring also this department up to a paying basis, and it commends the Publishing House and the editors for the success with which they carried out their campaign for subscriptions to Lutheraneren and the Lutheran Church Herald. We would urge that this good work be continued not merely for the sake of the financial gain that it will bring, but also, and especially, for the value it will have to those who become readers of these papers.

3. The Church adopts the resolution of Dr. J. A. O. Stub, passed at a meeting of the English District held April 7th, 1926. The resolution reads as follows:

Whereas, the Lutheran Church Herald is coming to hold, more and more, a large place in the life of our congregations, and

Whereas, the rapidly increasing number of our English language congregations need more articles in our church paper suitable to the changing conditions, and also regular, paid correspondents from our various centers,

Be it resolved, that this convention expresses to the Board of Publication of our church, its appreciation because of the enlarged size of Lutheran Church Herald, and, that we further express to Editor Lee our gratitude for giving our people a real English church paper, and

4. The church recognizes the great value and importance of Bible Commentaries by our own Lutheran writers, and in order that the splendid production of Dr. Johs. Ylvisaker on the Four Gospels may become more widely read in our church, we would request that the Board of Publication publish the English translation of this work, by Rev. H. O. Smeby, as soon as possible.

5. The convention expresses its hearty approval of the decision of the Board of Publication to have a Jubilee Edition of "Luther's Catechism" published in cooperation with other Lutheran Church bodies.

6. The church records its appreciation of the publication of a History of the Norwegian People in America, by Dr. O. M. Norlie, under the auspices of the Norse-American Centennial Committee, and recommends that this record of the achievements of our people be placed in public and school libraries wherever possible.

C. C. A. JENSEN, chairman,
H. R. ROMNESS, secretary.

In the report for 1925, page 414, Evangelist E. L. Scotvold, Minneapolis, was reported as a member, subject to approval by the Church, as no provision is made in the rules for membership of lay-evangelists. This was, however, not done at the 1925 convention, and should be acted on this year.

The term expires this year for the following members of the Board of Pensions, viz.: Prof. L. W. Boe, Rev. D. T. Borgen, and Rev. P. C. Birkelo.

Pension Roll Omitted

In compliance with suggestions from a committee, appointed in accordance with a resolution in 1923, the pension roll is omitted in the annual report, but may be seen at the offices of the Board.

Annuity or Pension

The amount of $62,592.73 was paid during the year 1925 to 106 men, 108 widows, and 2 sets of orphans at the rate of 320 dollars to each full time pensioner. This was made possible by the contribution of 26 thousand dollars to the annuity account by congregations, ladies' aid societies, and individuals. The amount on hand to 215 pensioners in 1926 is $50,862.18. It will therefore require an additional 20 thousand dollars to the annuity account for 1926 to pay them the same amount as in 1925. We hope the pastors will announce an offering, and that the ladies' aid societies will give a contribution to this worthy and needy cause.

The Board has requested the Church to make appropriations of 30 thousand dollars for 1927 and for 1928, in its general budget to the Annuity Account. If this is granted the congregations can receive credit for what they contribute to the Pension Fund in like manner as they receive credit for the other contributions to the general budget.

Revision of Rules

The following change in section 31 of the rules is recommended for adoption:

That the following words: "In case a member who has reached the age of 65 years wishes to continue his service in a smaller field within the Church"—be stricken, and the following words substituted: "In case a pensioner wishes to resume service in the Church."

The following two amendments to the rules are recommended for adoption:

"A member whose membership has been cancelled may have one year in which he may be reinstated."

"Members who are eligible to draw pension, but do not do so, shall not be required to pay the annual dues."

After much study and deliberation on the pension fund problems the board has decided to recommend reorganization of the fund and does herewith submit the following statements and recommendations which have been approved by Mr. Herman Ekern, attorney general of Wisconsin, who is a member of our Church, and by several other experts.

At the time of the union, in 1917, the Norwegian Lutheran Church of America started a pension fund for its ministers, professors, missionaries, and teachers, invited them to join the fund by paying a certain entrance fee and annual dues and promised them a maximum annuity or pension of 500 dollars in case of old age, or total disability, and an equal amount to widows and orphans of members of the fund.

Our Church has thereby recognized its duty to provide the necessities of life for its old servants, when they must retire from active service and their salary ceases, and to look after their widows and orphans.

The Church did, however, not realize what obligations it undertook when it started the fund on the present endowment plan. For an endowment pension plan means that a permanent fund must be collected, sufficiently large to produce interest enough to pay the annuities to an increasing number of pensioners. The fund started in 1917 with 80 pensioners taken over from the three uniting bodies. It has now 215 and, according to the actuary's projections of the present membership, the pension roll will continue to increase during the next 22 years until in 1948 there will be 600 pensioners, and if new members are taken in, there will be still more, for each new member will some day become a pensioner, or die and leave a widow as beneficiary.

To pay 600 pensioners even the 320 dollars annuity which they have been wont to receive would require revenue to the amount of 192 thousand dollars, and, since only the interest can be used, would require the collection of an endowment or permanent fund of between three and four million dollars, or about seven times as large a fund as we have.

It should be evident that the collection of such a fund is almost prohibitive. But even if this could be done, it would not be advisable to do it, as there is another plan that is better in this that it does not require more than from one-third to one-half the capital needed to obtain the same result, e. g.: to pay a pensioner who is 65 years old 320 dollars on the endowment plan, using only the interest, requires 6,400 dollars, while one-half this amount is sufficient if both principal and interest can be used.

There is nothing new in this experience of our pension fund that its endowment does not keep pace with its accruing liabilities. Hundreds of churches and civic organiations have had the same experience with their endowment pension plans. By this time most of them, therefore, have abandoned this plan and have adopted so-called reserve plans, where not only the interest but also the principal is used for paying the pension when it comes due. Most of these plans are contributory plans which means that their members and their congregation or other salary-paying organizations pay a certain percentage of their salaries, commonly a total of 10 per cent. This percentagge, paid during a period of 35 years, will make it possible to accumulate reserves sufficient to pay the members an old age annuity of about half their

salaries, and will also provide annuities for the men who break down before they reach old age, and for widows of men who die before old age.

The Board of Pensions has consulted actuaries and other experts, and they all agree that reserve features should be incorporated into our pension fund whereby in the first place new members and the younger membership of the present fund may be assured certain and more adequate annuities, and in the second place more revenue may be secured for the benefit of those left in the old plan.

To take care of those who have already retired and become pensioners and those who will retire before sufficient reserves will have been accumulated, the Church should make appropriations in its general budget for the annuities to them. These appropriations will be needed for a considerable number of years until the new reserve plan takes full effect.

The Board, therefore, recommends to the Church that

1) New members be provided for on the reserve plan by the payment by themselves of 2 1-2 per cent and by their congregations or salary-paying departments of the Church of 7½ per cent of their salaries.

2) Present members who have sufficient future service years left to accumulate reserves on the new plan to provide old age annuities of at least 500 dollars, be transferred to the reserve plan and provided for by the payment of 2½ per cent by themselves and 7½ per cent by their congregations or salary-paying departments of the Church and upon such transfer pay into the reserve and be given credit for the two hundred dollars which they have paid to the old fund and which the rules permit to be withdrawn from the endowment fund.

3(As the certain income in the present fund (the interest on the endowment fund, two-fifths of the net proceeds of the publishing business of the Church, and the 20 dollars annual dues from the active members of the fund) is inadequate to pay even the 320 dollars annuities to the present number of pensioners, the Board recommends that, in addition to this income, annuities to members who cannot be transferred to the reserve plan be provided for by the payments of 7½ of their salaries by their congregations of salary-paying departments of the Church.

4) Until in this way sufficient reserves will have been accumulated to pay the 320 dollars annuity to those who are left on the old plan, annual appropriations be made in the general budget of the Church to meet the deficit.

5) Whenever the accumulations warrant such action, all 320 dollars annuities, then being paid, should be increased accordingly.

6) Further contributions be solicited for the reserve fund instead of the endowment fund.

III. COMMITTEE REPORTS AND RESOLUTIONS

In editing this part of the Annual Report the secretary has, wherever possible, incorporated into the printed resolutions the changes adopted by the meeting. The sub-joined copy from the convention journal shows what the changes are and where they have been made.

The committee consisting of the following members, Delegate Pastor Th. A. Gunnarson, Rev. A. Bredesen, Rev. H. Rosenquist, Delegate Henry Daae, Rev. S. J. Lindseth, Delegate H. S. Dahlen, Delegate T. T. Henryson, Rev. T. E. Sweger and Rev. Stephen Dale, organized by electing Rev. H. Rosenqvist chairman, Rev. T. E. Sweger secretary.

1. We return thanks to almighty God for the blessing that the Pension Fund has proven to be to the aged laborers of the Church, the widows and orphan children of pastors, for the liberal contributions and the interest manifested throughout the Church this year for this good cause.

2. Deleted (see Syrdal's motion below).

3. a. The following change is made in the constitution: The words "in case a member who has reached the age of 65 years wishes to continue his service in a smaller field within the Church he shall not be deprived of his pension" stricken. The following words are substituted: "In case a pensioner wishes to resume service in the church, he shall not be deprived of his pension."

b. The following two amendments to the rules are adopted:

1. "A member whose membership has been cancelled may have one year in which he may be reinstated."

2. "Members who are eligible to draw pension but do not do so shall not be required to pay annual dues."

4. The Church appreciates the publicity work conducted by the Board of Pensions to awaken the conscience of our people to a fuller realization of the importance of the pension cause, and encourages the board to continue this educational work in the hope that the day may not be distant when such measures can be taken that will insure more adequate and certain pensions to our disabled and retired church servants and their widows.

5. As in our present endowment pension plan, the interest only can be used for pensions, and it therefore would require a very large permanent fund to meet the ever increasing pension benefits, while in the so-called reserve pension plans, adopted by most pension paying organizations, both principal and interest can be used,

Be it resolved, that the Board of Pensions be directed to work out and present to the next general convention a reserve pension plan.

6. a. As the money in the Annuity account to be disbursed in 1926 for pensions is $50,862.18, and the 215 pensioners are likely to be increased during the year, and as this would mean only 230 dollars to each pensioner, the convention entreats the pastors and congregations to take an offering to the Annuity account and also asks the Ladies' Aid Societies for a contribution—to meet the deficit for the year 1926.

b. In view of the fact that congregations will more readily support this cause when proper credit is given in the budget,

Be it resolved, that a sum be placed on the general budget for 1927 and likewise 1928 for the Annuity account, sufficient to insure our pensioners $500 a year as the pension rules provide and that Thanksgiving day, or neighboring Sundays be set aside by congregations for offerings to the Annuity Fund. (Referred to Committee No. 6.)

H. ROSENQVIST, chairman,
T. E. SWEGER, secretary.

As substitute, Pastor J. H. Meyer moved that the committee be given authority to take final action in the matter. Seconded.

Pastor Johs. Granskou moved that action in this matter be postponed until next convention. Seconded.

The vote on this action stood as follows: Affirmative 213, negative 194.

The president declared the motion of ratifying the Board of Pension's actions adopted.

The following protest against this action was submitted:

"The undersigned hereby protest against the motion passed by the Norwegian Lutheran Church of America, June 8, 1926, approving the action of the Board of Pensions in granting the right of membership in the Pension Fund of the church conditioned upon approval of the convention to Enoch Scotvold. The grounds for the protest are: That the action of the Pension Board and subsequent approval of the convention in this matter are: a) that it is illegal; b) that it is in violation of the letter and spirit of the rules of the Pension Fund; c) that it is unfair to many others who might be worthy of pension.

"(Signed) O. J. H. Preus, Halvard Lie, D. G. Ristad."

Sec. 3. a) Adopted.

b) 1 & 2. Adopted.

Sec. 4. Adopted.

On Wednesday afternoon the committee presented the following recommendation:

The following motion was submitted by Committee No. 6:

"Whereas the convention does not deem it advisable to add to the budget already voted,

"Be it resolved, that the annual dues be raised to $25.00.

Pastor Nummedahl's substitute motion carried.

In this connection Pastor Nummedahl submitted the following resolution

It was further resolved that an appeal be made to the congregations that they support the pension so that the full amount specified in the plan can be paid for them each year. President Aasgarad stated that he would place the appeal before the congregations.

Annual Report for 1920, page 267.

II. REPORT

The Board of Elementary Christian Education held ten regular meetings during the last year, and several special committee meetings to promote the cause of Christian education in our Church. All Board members have also pleaded the cause at Sunday School rallies and teachers' training institutes.

A committee of the Board has had a conference with representatives from six other Lutheran bodies, namely, the Augustana Synod, The Iowa Synod, The United Danish Church, the Lutheran Free Church, and the United Lutheran Church to consider the fundamental principles in Christian education.

A committee elected by our Board, Rev. J. N. Anderson and Prof. C. A. Mellby, has also had two conferences with representatives from the above mentioned Lutheran synods regarding the publishing of a uniform edition of Luther's Catechism by 1929, and a committee on translation has been elected, namely: Rev. J. Sheatsley, Prof. C. A. Mellby, Rev. G. A. Fahlund, and Dr. Mattes.

The Board has also had several conferences with representatives from the Augustana Synod and the United Danish Church regarding publishing a uniform series of books for the Week Day Religious School, and it has been decided to publish a series of nine books. Inasmuch as our Church and the Augustana Synod already have Graded System books based on the Catechism, it has decided to base the new Graded Lesson books mainly on the Bible History. Four of the books will be published by our Board, four by the Augustana Board, and one by the Danish Board.

With the appropriation received last year, the Board, in cooperation with the district boards, has carried on extensive teachers' training work in all the districts of our Church. Short courses of two and three days' sessions for institute instructors were conducted in Minneapolis, Canada, Spokane, and Seattle, Washington, and at San Francisco and Los Angeles, California. About 130 instructors were present at these short courses to receive special instruction for institute work. Lectures were given on Pedagogy, Child Psychology, Organization and Methods, the Catechism, and Teachers' Training.

These instructors then went out and conducted 60 circuit institutes of one and two days' sessions, and over 2,000 pastors and teachers were in attendance.

It is very encouraging to note the increasing interest of pastors and teachers in raising the standard and efficiency of Christian education in our congregations. They are therefore very anxious to have the work organized in every circuit in our Church, so that at least one good institute can be held each year in all the circuits. The Board has heretofore employed part time field workers to conduct institutes and help organize the work in the circuits. Members of district boards have urged our Board to employ one full-time worker who can organize the work more consistently and effectively than several part-time workers. This our Board can do even with its present small appropriation, provided that the circuit boards can do more to sponsor and finance the work in their own circuits.

Only eight congregations have asked for help from the Aid Fund. These congregations received $245.00 to help conduct 181 days of Vacation School for 245 children. Each child received from four to six weeks of instruction at a cost of only one dollar each from the Aid Fund.

We are glad to report that our endowment fund for Christian education was increased by $2,000.00 last year, making a total fund of $21,115.00. Those who are interested in real mission work can find no better investment than to help increase this endowment fund for Christian education.

Our expenses for the last year were as follows: Board expenses, $458.55; field work, $4,907.68; and the Aid Fund, $245.00; total, $5,611.23.

During the last year the Board published the first quarter of "A Manual of Bible Teachings," and the first two quarters of "An Elementary Introduction to the Bible." By September 1st we expect to have ready two more quarterlies of each of these books. The Board has previously published "Lessons of the Life of Christ," "Elementary Christian Psychology," "Adult Class Manual," and three pamphlets, "Plan of Organization," "Week Day Church School," and "Teachers' Training."

Our three English School Sunday papers have had a large increase in circulation. Our **Young People** has a circulation of 22,000 copies, **Children's Friend** 43,000 copies, and **Little Folks** 18,300 copies. **Barnevennen** has been reduced to 6,500 copies. Our papers are ably edited, and we urge all our Sunday Schools to use our own papers rather than Reformed papers. Our Board has received numerous requests for a weekly paper for teachers. The Board therefore recommends to the annual meeting that a weekly four-page teachers' paper be published under the auspices of this Board.

The Week-Day School of Religion is becoming very popular in large sections of our country. In Minnesota more than 100 communities are today conducting Week-Day Schools of Religion. In many of our congregations the Week-Day School is supplanting the Vacation School. Where the Week-Day School can be organized and carried on more successfully than the Vacation School, congregations should by all means make use of the opportunity. The cost of maintaining the Week-Day School should, however, be carefully considered before a congregation adopts this plan of religious education.

It is very encouraging to note that many congregations are awakening to realize the need of better and more modern rooms and equipment for religious education, and are gladly making large appropriations for needed improvements. All congregations that build new churches or make changes and additions should give more consideration to modern facilities for religious instruction than has been the case heretofore.

In order to help our teachers become more efficient in their work, and in order to train future teachers, our Board respectfully urges pastors who have Sunday Schools in their charges to organize teachers' training classes. If the pastor has no person qualified to take charge of such a class, he should teach it himself, and delegate less important duties to other workers in the congregation.

While we recognize and emphasize the various means of promoting Christian education, we must not neglect or discard the most important of them all, namely, the home training. It is a deplorable fact that parents are more and more turning over the Christian nurture and training of their children, like the secular instruction, to outside agencies. All agencies for Christian education are intended as handmaids of the home, and none of them are intended as substitutes for the home.

III. COMMITTEE REPORTS AND THEIR CONSIDERATION

In editing this part of the Annual Report the secretary has, wherever possible, incorporated into the printed resolutions the changes adopted by the meeting. The sub-joined copy from the convention journal shows what the changes are and where they have been made.

Members of this committee were elected as follows: Pastors T. C. Thorson, E. M. Stensrud, A. A. Holbeck, George O. Loftness, H. J. Langaunet, H. W. Estrem and S. J. Fretheim, and Delegates Mons Fosmark and A. O. Lunder. Said committee was organized by electing Rev. T. C. Thorson chairman and Rev. S. J. Fretheim secretary. The following report is respectfully submitted:

Sec. 1. The Norwegian Lutheran Church of America thanks the Good Shepherd, our Lord and Savior Jesus Christ, for the opportunity given during the past year to feed His lambs. We pray the Lord to pardon our many sins and to stir us to greater enthusiasm in teaching unto the children all things whatsoever He has commanded.

Sec. 2. a. We commend the efforts of the Board of Elementary Christian Education in securing the co-operation of other Lutheran Synods in providing suitable books and papers for the use of the Sunday and week-day church school.

b. We note with pleasure the growth of our Sunday school papers and concur in the recommendation of the Board of Elementary Christian Education that the Church publish a weekly Sunday school paper for teachers under the auspices of said board.

c. We urge the Sunday and week-day church schools, as far as possible, to make use of the books and papers published by our own Church, and in order that such general use may be facilitated, we urge that the Board continue its study of school conditions as they obtain in city, town and country communities of our Church so that the books and papers published, for all departments of our Elementary Christian school system, may not only be theoretically good, but genuinely practical under existing conditions.

d. The Church also sounds a strong note of warning against the dangerous and disloyal practice of using non-Lutheran books and papers in the instruction of the children. Let sound Lutheran faith and practice be inculcated from very childhood.

Sec. 3. a. We anticipate with pleasure the publishing of the uniform text edition of Luther's Catechism which our Board of Elementary Christian Education, working together with similar boards of several other Lutheran synods, promised by the year 1929.

b) In regard to the proposed series of Graded Lessons based on the Bible History for use of the week-day church school, the Board of Elementary Christian Education is urged to avoid, as far as possible, all unnecessary duplications. Inasmuch therefore as the Primary grades of our present graded lessons are based on the Bible History, the Board is urged to use its influence not to duplicate these books, but to include them in the new series of graded lessons, to be used by the co-operating Lutheran Synods in the week-day church school.

c) In Sunday and week-day schools conducted by congregations of our church alone, we strongly urge the continued use of the graded lessons based on the catechism.

d) In all is work of publishing school books together with other Lutheran Synods, our Board of Elementary Christian Education is urged to facilitate, as far as possible, the future publication of ONE UNIFORM SERIES of graded lessons by all co-operating Lutheran Synods to be based jointly on the Catechism and Bible History.

e) In view of the fundamental importance of Elementary Christian Education, the program committees of general and district conventions are urged to give this subject a hearing during the early part of the convention.

Sec. 4. a. The Church rejoices because of the constantly increasing interest manifested in Elementary Christian Education thruout our Church. It is urged upon every circuit and congregation to comply with the plans of organization adopted by our Church in 1921 to elect Boards of Elementary Christian Education in every circuit and congregation and that these boards co-operate actively with the official board to promote the greatest possible efficiency in this very important branch of the work of the Church.

b. In view of the vital importance of this work and in order more effectively and as soon as possible to carry into effect the plan of organization adopted by the Church, and especially since funds are available for this purpose without added appropriations, the Church recommends that the Board of Elementary Christian Education employ a full time field man for this purpose.

Sec. 5. a. It is encouraging to note that the Aid Fund which is used to help needy congregations to conduct Elementary Christian schools, and which fund now aggregates a total of $21,115.00, has been augmented this year in the sum of $2,000.00. We call to the attention of our people the opportunity here open to render special and lasting service to the Church by remembering this fund with gifts.

b. The local congregations are urged to consider the possibility of establishing memorial or some other form of endowments for Elementary Christian Education in their midst. Some such forms of endowment are already in use in some congregations in our Church. We refer all interested to plans already published by Augsburg Publishing House.

c. The Church asks the Board of Elementary Christian Education to provide, as soon as possible, suitable Teachers' Record Books or Cards and also Report Cards, in the English language for use in the week-day or vacation schools.

Sec. 6. The Church heartily recommends the week-day church school as the most promising solution of the problem of Elementary Christian Education and urges our people to establish and make use of such schools wherever possible.

b. In districts where such schools are, as yet, not in operation the Church intructs all district boards of Elementary Christian Education to open negotiations with the state school authorities with a view to get time off from the public school for the Christian instruction. And further, that, wherever conditions obtain making it necessary to enact special laws to facilitate time off from the public school for Christian instruction, steps be taken with a view that such laws may be enacted.

Sec. 7. Our public schools have, as a rule, suitable buildings and are otherwise well equipped to do effective work. Our Church people are urged to take this matter into careful consideration and give careful attention to the providing of suitable buildings and equipment for the Sunday and week-day schools. Congregations about to build new church are especially asked to give special consideration to these things.

Sec. 8. While we urge our people to improve and make use of the various agencies engaged in giving Christian instruction outside of the home, we again stress the great importance of imparting Christian fundamentals in the home. If it be true that "the hand that rocks the cradle is the hand that rules the world" then it is evident that the importance of early and constant Christian training in the home can hardly be overestimated.

Respectfully submitted,

T. C. THORSON, Chairman,
S. J. FRETHEIM, Secretary.

b) REPORTS FROM AUXILIARIES

THE YOUNG PEOPLE'S LUTHER LEAGUE

President's Report

The past year in the work of the Young People's Luther League has been marked by steady progress and some notable achievements, as the following reports of our Executive Secretary and Treasurer will show.

Much quiet but fine Christian work has been done in the local leagues thruout the Church. Largely attended and spiritually dynamic conventions have been held in Circuits and Districts. Perhaps the outstanding feature of the year was the Third Triennial General Convention held in Minneapolis, Minnesota, June 6 to 10, 1925, simultaneously with the Norse-American Centennial.

This convention brought together from leagues in the United States and Canada nearly two thousand registered pastors, delegates, and visitors, by far the largest number present at any convention. The convention theme urged the young people of our Church to go "Forward with Christ." In harmony with the spirit of the convention, the Board of Directors, at a meeting in October last, adopted an aggressive program for 1926, which is fully set forth in the report of the Executive Secretary.

The passing of the milestone, marking the one hundredth anniversary of Norwegian immigration to America, offers opportunity for certain reflections by the young people of our Church.

Being for the most part descendants of the sturdy Norse pioneers, we have abundant reason to take pride in the accomplishments of our fathers. And as we face the future, we realize that we come to our task with a rich heritage from the past and with a record of achievement on the part of our fathers which should generate in us a mighty urge to carry on.

It is expected of young people that they be forward looking. Not content to enjoy selfishly what our fathers have brought us, we should rather accept our heritages as an obligation compelling us to give to our fellowmen the largest service of which we are capable. It is highly fitting that we should give to the older generation which is soon to pass from the scene of action the firm assurance that we will continue the work they have nobly begun and carry forward the unfinished task.

In our forward march we proceed not without clear guidance. We go forward with Christ. He, who is the Light of the world, the Way, the Truth, and the Life, is our Captain. He leads; we follow.

There are some people so modern and advanced today that they believe that the idea of a redeeming Christ and a regenerative program has been outgrown. For some of them Christ is but a helpful memory, a stimulating ideal, a mere teacher of ethics. With them to be a Christian is to live as Jesus lived. Salvation is by character. The essence of their Christianity is to do good to fellowmen. Their gospel is a purely social gospel.

Redemption from sin by the substitutionary offering of Christ, regeneration of the heart by the supernatural work of the Holy Spirit, the love of God as the motive power for the love of our fellowmen—such propositions are by them relegated to the scrapheap of discarded superstitions. They say the old method is too slow, and furthermore it is not necessary. They say man is naturally good. Surround him with an environment that will call out the best there is in him, and that is all that he needs to realize his destiny.

It is clear that we are face to face here with a view of Christ and His program radically conflicting with that revealed to us in God's inspired Word. If there is any one truth above others that a right study of the sacred Scripture yields, it is this, that man needs to be saved by the supernatural acts of a triune God.

Humanity needs not only a reformer, but a redeemer; not only a model, but a motor. The world needs, and needs desperately a divine Savior, a redeeming, a regenerating, a life-giving Christ. Give Christ and His saving program to the world, and you will give hope for time and for eternity to a doubting and a dying humanity. You will establish the only true groundwork for the solution of social

problems; you will lay the only foundation that can be laid for enduring peace among men.

Here opens before the Lutheran Church of America and her consecrated youth an avenue to Christian service such as few bodies of Christians have ever faced. Standing squarely upon the doctrines of an inspired Bible, the deity of Christ, the vicarious atonement, the supernatural regeneration of the human heart by the Holy Spirit, and the obligation to preach Christ as the only Savior to all men everywhere, the Lutheran Church of the coming days will find itself in the midst of opportunities for working with God limited only by her obedience and consecration.

To such a task the young people of our Church are summoned. Let them lift up their eyes and get something of Christ's vision of the world's desperate need; let them look into their Bibles and read the message of the Gospel, the effective and only message of hope for a troubled world; let them by God's help open their hearts and receive Christ wholeheartedly into their own lives; and then with prayer for the guidance and the power of the Holy Spirit, in God's name move forward to victory over self and over the world, and thru education, missions, and charity bring Christ's message of salvation, love, hope, and peace to an agonizing humanity.

God grant that there may be a mighty response from the hearts of the young people of our beloved Church. —MARTIN HEGLAND, President.

EXECUTIVE SECRETARY'S REPORT

In many respects the year just past has been one of the most encouraging in the history of the Young People's Luther League. It takes time for an organization like your to become recognized, and it has taken time to make the program of the Y. P. L. L. accepted as a part of the working program of the Church. It seems that now, however, the Church has learned to appreciate the significance of an organized effort to enlist the younger generation in the work of the Church. And it seems, too, that the Church is accepting this effort as one of the great spiritual forces working for the spiritual building of the temple of the Church.

Our Minneapolis National Convention, which was in session during the Centennial celebration, was a demonstration of the strength of this movement, and showed in a most realistic way the interest our young people thruout the Church are taking in this organization. Nineteen hundred and seventy-one delegates and visitors registered for this great convention, and each session of the convention brought out an average attendance of three thousand. This is undoubtedly one of the largest conventions, if not the largest, ever held by Lutheran young people in this country. Incidentally the remarkable attendance brought with it the attention of the World Convention Bureau at Washington, D. C., and our meetings are now listed and advertised by this world bureau. That the interest has not diminished since then, is attested by the fact that practicaly all the 1926 District and Circuit Conventions are reporting the greatest delegate attendance in their history. It is being further demonstrated in the general pre-convention interest that is being shown for our next International Convention at Seattle, Wash., which is scheduled to meet in July, 1927.

The Young People's Luther League is getting down to work. It has undertaken an ambitious program of work. And it is increasing its contributions to the work of the Church from year to year. The last half of the year 1925, the League has thus been able to report a contribution, according to the treasurer's report appended herewith, of $29,922.13. This includes the amount deposited by delegates at the convention offering last year. And it includes also the total contribution of $4,281.86 reported by the Lutheran Students Union. We hope to set aside at least $12,000.00 of this amount as a permanent Scholarship Fund. The balance, after the year's expense account of the Y. P. L. L. has been covered, will be credited to the various funds of the Church.

Besides the items included in this report, the individual societies of the Y. P. L. L. have contributed large sums for local church purposes, and besides,

they have in many cases given large donations to various institutions and departments of our Church, without asking or expecting credit for these amounts from us.

Especially in the recent successful Endowment Appeals have our young people been generous contributors, as the records of the various Endowment offices will show.

As to our 1926 program of work we shall only register here the bare outline as decided upon at our annual National Board Meeting.

Project for 1926

"WHEREAS, the need of extending the work of the Y. P. L. L. has long been felt by the Board of Directors, and

"WHEREAS, two National Conventions of our young people have by specific resolutions requested the Board to earnestly consider whether it would not be advisable to extend our activities and employ additional workers.

"BE IT RESOLVED—1. That the special financial project of the Young People's Luther League for 1926 be $15,000.00 for an expanded league program to include

"a) The full time service of an executive secretary to direct the work in general.

"b) The full time service of an office secretary.

"c) The part time service of an editor of program helps.

"d) The full time service of a Lutheran student secretary to work primarily among Lutheran student youth in higher state institutions of learning.

"e) Support of the WCAL radio broadcasting station at St. Olaf College, Northfield, Minnesota, to the extent of $1,000.00.

"f) A free information bureau conducted by the executive secretary for the benefit of local, circuit, and district leagues.

"g) Other expenses necessary to the successful and aggressive conduct of the league work.

"2. That each local league make a contribution to this expanded program. In this way, only, can the success of the program be assured.

"3. That in addition to the support of the League's own work, our young people should cooperate heartily with their home congregations in the raising of the budget for the support of Home and Foreign Missions, Charities, and Christian Education. Amounts sent in for the budget by local leagues will be credited to the budget account of the local congregations, and also credited in the accounts of the Young People's Luther League.

"4. That our young people should cooperate heartily also with the various campaigns thruout the Church for endowment funds for our higher church schools. Amounts contributed by local leagues toward such endowment funds, if officially reported to the office of the executive secretary, will be credited in the accounts of the Young People's Luther League."

SLOGAN: "Every leaguer a regular contributor to the Lord's work."

It is a great forward-looking program, including as it does: 1. The aggressive promotion of the definite young people's work; 2. A student work that shall extend to all state institutions where we have young people in attendance; 3. Support of the radio broadcasting station at St. Olaf College; 4. And, finally, vigorous support of the work of the Church both in its budget campaigns as also in its endowment campaigns. What an opportunity for service! What a ringing challenge to the loyal support of the younger generation of the Church! God grant that they may respond nobly and enthusiastically.

There is something cold and impersonal about the bare statement of such a program as the one we have outlined above. But for those who have imagina-

tion, vision and courage,—and we believe our young people are in a preeminent degree endowed with such characteristics as these, —there is an appeal in such a forward-looking task which clothes it with an element of romance. The appealing thing about so much of the work of the Church of Jesus Christ is that there are so many and untried tasks ever begging for consideration, so many new fields to explore, so many souls to be won, so many temptations to overcome, so many difficulties to face, so many hardships to endure, so many sacrifices to be made. And the element of sacrifice makes a real appeal to the young people,—make no mistake about that! Tho our times are surcharged to a degree with the spirit of selfishness and greed, still there has perhaps never been a time when the sacrificial element in the religion of Christ has had a more powerful appeal. And what a power our young people could be, if with the sacrificial spirit of fervent devotion they would attempt the conquest of these new fields now open to us:—the field of the student world, and the radio field which has gained such a tremendous prominence of late."

It is plain that the Church has as its disposal in the Young People's Luther League a great missionary force which may be of vital significance in its great soul-winning program of work. It is the Church which expects the most from its young people which will show the greatest results on that Great Day when the Master comes to do the harvesting. Let us fervently pray the Lord to make us faithful in our task of enlisting the hearty, unselfish, consecrated cooperation of the generation now entering its majority, that we may welcome our Lord with joy and gladness on that Day when He comes again, —each of us "bringing our sheaves with us" (Ps. 126:6).

N. M. YLVISAKER, executive secretary.

THE CHORAL UNION

Being convinced that our age is running into a great multiplicity of organiations and resulting conventions, the Choral Union and Young People's League took up the question of a closer relation whereby the purposes of both might be carried out and yet the number of district and circuit meetings be diminished.

To that end both organizations agreed to an amalgamation of district and circuit organizations in such a way that only one series of meetings shall be held in the nature of joint convention of Young People's and Choral Union forces.. Conventions in districts and circuits are to be advertised as joint conventions. A definite time shall be set aside for the discussion of problems dealing specifically with the questions of music and singing. A music committee shall be elected at each such convention and this committee then automatically becomes the Choral Union representation for that district or circuit. The director chosen to have charge of the musical programs of the convention becomes a number of the Board of Directors of the National Choral Union.

The following persons make up the Board of Directors of the Choral Union:
Dr. F. M. Christiansen, Northfield, Minn., Director.
Dr. P. M. Glasoe, Northfield, Minn., President.
Rev. J. O. Dreng, Elbow Lake, Minn., Executive Secretary.
Professor Oscar Lyders, Forest City, Iowa, Rec. Secretary.
O. H. Boyd, Roland, Iowa, Treasurer.
Eastern District: Rev. Roy Harrisville, Oconomowoc, Wis.
Northern Minnesota District: Rev. M. Casper Johnshoy, Starbuck, Minn.
Southern Minnesota District: O. I. Hertsgaard, Minneapolis, Minn.
Iowa District: Prof. Carlo A. Sperati, Decorah, Iowa.
South Dakota District: Prof. Carl Youngdahl, Sioux Falls, South Dakota.
North Dakota District: Mrs. David Stove, Grand Forks, North Dakota.
Rocky Mountain District: Rev. Gerhard Peterson, Moscow, Idaho.
Northern Pacific District: Benjamin Edwards, 1243 High St., Eugene, Oregon.
Southern Pacific District: Karl Ingebretson, Patterson, California.
Canada District: Francis Sutton, Outlook, Sask., Canada.

A general convention for the Choral Union has been called for June 8 and 9, 1926. A varied program of interest and benefit to choirs has been arranged. Two concerts will be rendered: June 8, in the evening, St. Olaf Choir, and June 9 general concert by the Choral Union. As a special number of interest may be mentioned the Centennial Cantata, especially written by Dr. Christiansen for the Centennial observations of the summer of 1925. The beautiful words of this composition were written by Rev. B. J. Rothnem of Dell Rapids, South Dakota.

WOMEN'S MISSIONARY FEDERATION

President's Report

As the women of the church again assemble to consider the work which has been given them to do, several thoughts stand out.

It is a great privilege, but also a glorious responsibility, to explain this work to all the women at home so that they too may understand our activities and realize what service we have pledged in their names.

Every woman present must realize that her part in this task depends on her personal dedication to Jesus Christ. He alone can give us strength to show in deeds, the measure of our faith.

And to Him we must turn for the humility which will enable us to do our task in the spirit of the Saviour.

The work in our districts has noticeably increased. The district presidents have conducted workers' conferences, visited circuits and presented the work of the Federation wherever possible.

The amount of work done by the district officers is to be commended.

They are all voluntary workers and give a form of service which cannot be purchased for money.

Through the past year many meetings have been held in the various circuits of the Federation. In all instances the attendance and interest have increased.

Effort has been made to follow the Forward Program. This means increased information about the work of the church and greater united effort in contribution to this work.

During the past year, the president of the Federation has had the opportunity of visiting various groups of our women.

There is a challenge to greater effort in the contemplation of all this woman-power. A willing force stands ready to be used because these women are "minded to work" in God's Kingdom.

At the convention of 1925 the Federation adopted a budget of $113,-242.00 for 1926.

For the year of 1925 the Federation contributes the sum of $110,800.55. In addition to this the societies have given $7,586.06 directly to the Pension Fund of our church, making a total of $118,386.61. In view of this, the Federation may expect to raise the required sum for the year of 1926.

Foreign Missions

Death has visited our field in China and taken two of our workers, Miss Agnes Kittelsby and Rev. Daniel Nelson.

Miss Kittelsby was principal of the American school at Kikungshan, Honan.

We mourn her loss, but her life and teachings will multiply themselves through the children who had the good fortune to come under her influence. And through them she will continue her work for Christ.

Rev. Daniel Nelson was our senior missionary in China. His work was abruptly ended by a foreign bullet. He, too, had a long and honorable

service for the Lord and the work he has done will continue to live after him.

All hearts should unite in prayer for our missionaries in China. The suffering and anguish which they have endured cannot be realized on the home field. But we can ask God to protect them in His mercy and to end this war so that both actual and spiritual peace may descend upon China.

The work in Madagascar and Zulu is also progressing, and there, too, our prayers may encompass our missionaries.

Home Missions

Our particular work for Home Missions has been the support of the Bethany Indian Mission. Work has progressed in our school and the fruits of this work are directly manifested by the Indian girls and boys who are attending our various church schools, with credit to themselves and Bethany.

This year we welcome into the Federation the first society of Indian women. May their association with their white sisters within the Federation strengthen their will and faith for Christian living.

The Federation has decided to pay the salary of one Home Missionary for 1926. He will represent us on the field. May his efforts help to extend the work of the Kingdom.

Charities

The convention of 1925 adopted the Home Finding Department and the Lutheran Girls' Home at Minneapolis as the special work of the Federation for charities.

No department within our church is more deserving of interest and gifts than that of charities. The measure of its accomplishments cannot be made public because of the very nature of the work. But it protects the weak, lifts the fallen, cares for the sick and old—and reaches out to those of whose needs we could not otherwise learn. The societies have been most generous in their gifts to the Children's and Old People's Home—but these many gifts must not take the place of actual contributions to the work of charities.

Education

The Federation has promised a definite sum to the department of Christian education.

Someone has said that "Education is a debt due from the present generation to future generations." This is doubly true of Christian education. The societies are asked to remember this department.

The Mission Boxes

The mission boxes, divided equally between home and foreign missions, were the first means used for collecting individual gifts.

The old slogan, "A mission box in every home," should be made a reality this coming year. And this can be accomplished if every secretary for mission boxes and every society realizes that this affords individual opportunity for furthering this glorious work.

Thank Offering

The thank offering is also a means for individual giving, and it is stimulating to find the societies endeavoring to have their members participate

in this definite contribution to Christian education. The sum obtained indicates the growth of interest and the time is not far distant when we may hope for a thank offering gift from every society within the church.

Self-Denial

Personal giving cannot be stressed too much in the life of every Christian woman.

No method of giving reaches as deeply as that of self-denial.

To do without, so that others may receive, develops our love and interest. Each woman of every society is urged to look into her own heart, and thereby consider the measure of her own willingness. The incentive is great, as self-denial goes to charities.

Life Membership and In Memoriam

This department is also growing.

Societies are memorializing their departed members with increasing frequency.

In some societies definite action is taken for all time, by resolving that each member who is removed by death shall be honored through an "In Memoriam" certificate.

Within our societies are many members who, after long and willing service, are forced by old age to refrain from active work.

The societies can in some measure show their appreciation of the work of these women by presenting Life Memberships to them while they are still with us.

Missionary Cradle Roll

All societies are again urged to enroll their little children on the Missionary Cradle Roll of the Federation.

By contributing one dollar a year, your child takes its place in the active forces of the church.

This convention should take measures to further this department.

Ten Cents Per Capita

This money is in no sense either a dues or a fee. It is credited to and uesd by the Foreign Mission. It has been disbursed by the House Committee for the Rest Homes. The majority of the societies have responded. The House Committee and the Social Committee, which care for our missionaries while home on furlough, have used this money in carrying on their work.

The Committee for Literature

The work of this committee comes to the knowledge of the women of our church with greater frequency than that of any other department.

Gratifying appreciation has come to it from various sources, and the demand for literature has exceeded the supply.

This committee is ever anxious to meet the demands upon it, but a combination of circumstances has made it necessary to ask for an offering to this department.

Plans to supply the needs of this work should be adopted by this convention.

The Committee for Christian Nurture

The work prepared by this committee has been given prominence at the meetings of the various units of the Federation.

Through the coming year new outlines will be presented to assist this important work. All societies are urged to include the Christian Nurture material on their programs.

No organization can stand still. It must either grow, or dwindle. In accordance with this law of growth, more opportunities for service in the church, present themselves each year.

The work of the Federation in all its phases, has, until this year, been done by voluntary workers without any remuneration.

The greatest difficulty has been the ordering, care, and distribution of free literature.

When we remember that thousands of pamphlets and tracts have to be written, prepared and sent out, it is remarkable that the work has been so satisfactorily accomplished. In spite of every effort, complaints have come in about unfilled orders and unanswered letters. Therefore, the literature committee recommended that a part-time office worker be employed.

As a result, the Executive Board engaged Miss Jane Thorpe as office worker.

The need of a whole-time office worker is hereby presented to this convention for consideration.

Subscription to Church Papers

As a definite step in Christian service, subscription blanks for our church papers have been prepared and the Federation is taking upon itself the work of enlarging the circulation of our church papers.

This convention should impress on its delegates the need and place of the church paper in every home. The rates offered will also enable the societies to add to their regular gifts to the church.

The subscription blanks may be obtained from Miss Jane Thorpe, 425 South Fourth St., Minneapolis, Minn.

At this point it seems proper to bring to the women of this convention a request for material for the Federation columns of our church papers.

The space has been given us gratis. The editors do the work without remuneration, and they deserve thanks and assistance for this work. The pages should contain items of interest from the various fields. As everyone knows, the editors cannot obtain such material unless some one sends it to them.

Patron and Protegee Plan

In accordance with a resolution passed by the Executive Board a Patron and Protegee Plan is presented for consideration. This means the adoption by societies or individuals of financial obligation for certain missionaries, workers or students on the foreign fields.

Many societies are already doing this. The Federation would like a record of those who are contributing. It also wishes to adopt plans by which many others may be induced to participate.

Pension Fund

In the past many societies have responded to the requests for contribu-

tions to the Pension Fund. A few societies have resolved to make yearly contributions.

Every member of this convention owes a debt to the noble men and women who served our congregations as faithfully as did the old pastors and their wives.

In almost every instance the full measure of service has been given with inadequate returns. They could not safeguard their own futures, but we can do it for them, if every society will resolve to send at least ten dollars per year to the Pension Fund of our church.

Records and Files

Requests have been sent from the office to all presidents and secretaries of women's societies for correct records of officers and memberships.

It has necessitated a great deal of effort to meet the requests, yet many have responded. District and circuit officers report, however, lack of response on the part of some societies.

Any communication which will further the work of the Federation should receive a prompt reply.

A correct membership list is absolutely necessary, and if every society will report the officers whenever elections occur a correct file can be made and kept at the central office at 425 South Fourth St., Minneapolis.

Before closing thanks should be given to the many committees, to the officers and secretaries of the various departments of the Federation and also to the women in the many groups for the whole-hearted co-operation and willingness which has always been forthcoming.

This year has also proven to me and my family what a blessed comfort it is to have sorrow and death lightened by love and sympathy.

The Federation has given to my husband that part of God's Acre in which he shall sleep till the day of resurrection comes. And it seems appropriate that he who had such understanding and sympathy for the place of women in the church here on earth, should receive from them his last resting place.

For this memorial gift and for all the love and kindness shown us I know of no better return than to endeavor to translate our lives into such Christian expression as he taught us through the Word of God. May all the women of the church be moved by that Word.

MRS. I. D. YLVISAKER.

STATISTICS

Section 12 of the District Constitution adopted in 1917 stipulates that the duties of the district secretaries shall, among other things, be: "Tabulate the statistics of the district and report to the district convention;" "Secure parochial reports from the pastors of the districts."

In 1922 this section was changed by the following resolution: "That the General Secretary be the statistician of the church and that he collect and compile the statistics of the church." (English report 1922, page 141:37).

Beginning with 1923 the General Secretary published the first statistics for which he assumed the responsibility. In these statistics the congregations are grouped under counties. Adopting the political unit, in the place of the circuit unit, we have a permanent statistical unit. Circuit organizations are constantly changing but counties remain the same. The 1923 report contains 219 pages of statistical material.

In 1921 the church decided that the complete statistics shall be printed only once every three years. (Annual report, page 117:42). Consequently in 1924 the annual report appeared without complete statistics. In 1924 and 1925 the statistical information was given in three divisions:

1) List of congregations in each district arranged under county and county groups to conform as far as possible to circuit location.

2. Statistical summary of all material contained in parochial reports arranged in groups to correspond with material in division 1.

3) Statistical summary for each district arranged under state and state groups compiled from material in division 2.

The 1924 annual report contained 122 pages of statistical material. The 1925 annual report contained 110 pages of statistical material.

Complete statistics are published in the annual report this year. Attention is called to the summary of the parochial reports given on the last page of the statistical material supplied for each congregation.

To the classification of congregations given in the 1925 report, page 91, we have added the following classification giving information as to size and location:

Congregations having less than 100 souls:
Congregations having 101-250 souls.
Congregations having 251-500 souls.
Congregations having 501-1,000 souls.
Congregations having over 1,000 souls.
Rural congregations.
Town and Village congregations.
Urban congregations.

From this classification we shall know how many congregations we have in the larger cities, in the towns and in the country as well as the exact proportion of larger and smaller congregations.

The statistician would urge every pastor and member of our church to study the statistics very carefully and on the basis of them and with the aid of the classification, draw his own conclusion in regard to various vital questions such as: The increase or decrease of members in certain communities; how many and where are our Sunday Schools and week-day schools; the language question both in the services as well as Sunday school and week-day schools; what is the proportion between the men and women members of our church (We hear so much about the church becoming a woman's institution. Do our statistics indicate a tendency in this direction?); what is the relation between the urban and country constituency of our church, etc. All these facts are clearly set forth in our statistics. On the basis of them graphs can be constructed and surveys made.

Respectfully submitted,

N. J. LOHRE,
General Secretary and Statistician.

Biographies

Russell Ellsworth Anderson, son of John Anderson, and wife, Mina, was born in La Crosse, Wisconsin, Jan. 18th, 1896, and was baptized by Rev. A. K. Sagen. He received his instruction for confirmation in Our Savior's Lutheran Church of La Crosse and was confirmed in that congregation by Rev. H. G. Magelssen.

After completing his common school and high school education in the schools of La Crosse, he accepted a position in 1915 with the C. B. & Q. Railroad, where he continued until he enlisted with the army during the World War. He was discharged from the army in the spring of 1919. After the war he again accepted a position with the C. B. & Q. Railroad in La Crosse and took a year of college work at the La Crosse Normal School, 1919-20. Being conscious of a call to serve the Lord in His vineyard, he decided, in consultation with his pastor and his mother, to enter Luther College in the fall of 1920 to prepare for the ministry. He received his A. B. degree from Luther College in 1923, and entered Luther Seminary in the fall of the same year, graduating with the class of 1926.

He has accepted a call from Kankakee, Illinois, and now presents himself for ordination.

On this his day of ordination to the holy ministry, he feels his unworthiness for such a calling, and thanks all those who have by prayer, encouragement, and interest assisted him during the years of preparation. He feels the loss of his father who died during the war, and desires to thank his mother who by her spirit of self sacrifice and trust in God has encouraged him in this work. He remembers with gratitude the influence of a Christian home and is grateful to his Sunday school teachers, his pastor, and all others who have imparted to him the Bread of Life. He wishes to thank his home congregation and all his friends and relatives who by their gifts have helped him while at college and at the seminary. But most of all, he wishes to thank God for all the blessings that He has showered upon him and upon those who are near and dear to him, and thanks God for the blessed fellowship of Jesus Christ who has given him grace to accept the forgiveness of his many sins.

As he enters this work, he earnestly requests the prayers of God's children, that God may bless the work to the saving of souls for His kingdom and to the glory of His name.

Olaf G. Birkeland, son of Gunder and Margit Birkeland, was born on the farm near McIntosh, Minnesota, on the 25th of September, 1894. He was baptized the same year by Reverend J. O. Saeter in the St. Luke's Congregation and, at the age of fourteen, confirmed in the same congregation by Reverend L. J. Njus.

His early education he received in the public schools at McIntosh, Minnesota, graduating from the high school in the spring of 1912. In the fall of the same year he entered the North Dakota Agricultural College at Fargo, North Dakota, but becoming more and more conscious that it was the Lord's will that he prepare himself for the holy office of the ministry, he discontinued his studies at this institution and the following fall enrolled at Park Region Luther College, from which institution he received in the spring of 1916 the degree of Bachelor of Arts. It was his intention to begin the study of theology in the fall of the same year, but for financial reasons, he found it necessary to temporarily abandon this plan and take up teaching. He was elected superintendent of the public schools at Cyrus, Minnesota, and served in this capacity until April 1, 1918, when he entered the United States Army, serving both in this country and in France. Upon his discharge from the Army, May 20, 1919, he made plans to enter the Seminary, but was again drawn into teaching. On account of the great shortage of teachers immediately following the War, he was prevailed upon and accepted the principalship of the high school at McIntosh, and the following year the superintendency again of the schools at Cyrus, which position he held until 1923, when he resigned to take up the study of theology. He enrolled at Luther Theological Seminary in the fall of the same year, and graduated with the class of 1926.

He has accepted a call from the English Lutheran Congregation of Roseau, Our Savior's, Pine Grove and Riverside Congregations, Roseau County, Minnesota, and now humbly presents himself for ordination to the holy ministry.

On this his day of ordination he remembers with deep gratitude all those who have stood near him with help and guidance. He remembers with gratitude to God, his dear parents who have now gone to their reward. The Christian home and training which they gave him and the prayers which in his behalf were brought before the Throne of Grace were means whereby at an early age he was led to think seriously of entering the ministry. He also at this time wishes to express his gratitude to his brothers and sisters, his instructors and others who have helped him during the years of preparation. But above all he thanks and praises his Heavenly Father who has called him to be His servant, and graciously guided, protected and strengthened him.

He deeply feels his own unworthiness for this high calling and asks for intercessory prayers of this congregation and other believers, that he, by the Grace of God, may always be a true and faithful servant of the Lord Jesus Christ.

I, Bersvend J. Blikstad was born of the parents, Johan and Mathilde Bersvendsen Blikstad on the 15th day of August, 1899, at Rena, Norway. I attended the public schools of that place, and graduated from Rena High School July 1st, 1915.

In the spring of 1916 I came to America, arriving at Fergus Falls, Minnesota, on the eighth day of May. After coming here I stayed out of actual school work for about one year, after which I entered the Lutheran Bible School at Grand Forks, North Dakota. Here I came to a deeper and more conscious knowledge of my relationship to my Savior. Still uncertain as to my call in life I left that institution, and entered Park Region Luther College at Fergus Falls, Minnesota, where I finished a two year commercial course. The call to become a worker in God's kingdom was still lingering in my mind, until I became convinced in heart as well as in the urgent need of young men for the ministry, which brought me back to Grand Forks to continue and complete my seminary course at that institution. After leaving that school I entered the Northwestern Lutheran Theological Seminary at Minneapolis, where I finished the standard theological course. At this time I realized that a young man entering the ministry of today needs not only a spiritual vision, but ought also to be as well prepared as possible. So having still an incomplete college education I entered Concordia College, Moorhead, Minnesota, where I received my Bachelor of Arts degree on the 31st of May, 1926. The faculty and the Board of Education of the Northwestern Lutheran Theological Seminary having informed themselves that I had earned the B. A. degree, on May 27th at the Holy Trinity Church, Minneapolis, conferred on me the degree Bachelor of Divinity.

During the two last years at College I have been serving the Glyndon and Spring Prairie Lutheran churches, and Downer Community church. All three congregations located immediately east of Moorhead, Minnesota.

The many experiences in the actual work have deepened the former desire and conviction to enter this sublime work. So I am convinced that it is not only my own humble will to enter this work, but the will of that One who guides all wills into their respective callings in life. And my sincere prayer is that His will may be done, and His name glorified through such an unworthy servant as I.

John E. Borgen was born near Renner, South Dakota, Dec. 21, 1897, of the parents John and Ingebor Anna Borgen. He was baptized 1898 in Nidaros congregation. He attended public school at Renner, South Dakota, until 1909, when he moved with his parents to Crooks, South Dakota, where he continued his grade school instruction. December, 1912, he was confirmed by Rev. N. N. Boe in the Vestre Nidaros congregation. In the fall of 1913 he entered the Lutheran Normal School at Sioux Falls, South Dakota, where he attended part time until 1918. The following year he entered Luther College and graduated from the college department in the year 1923. In the fall of the same year he was admitted to the Luther Theological Seminary, St. Paul, and graduated from that institution May 28, 1926.

Having received a call from the Grace Lutheran and the Richland Lutheran congregations, Clark County, South Dakota, he now presents himself for ordination by our church into the holy office of the ministry into which God has called him.

On this his ordination day he thanks God who has in His manifold ways strengthened, guarded and guided him thus far; and prays that God's love and grace may continue to be bestowed upon him more richly, that he may work more effectively as His servant.

He also remembers and wishes to thank his parents, brothers and sisters for all their services rendered him and their willingness to be God's instruments for the building up and strengthening of His servant. The candidate also thanks his many friends and teachers for the Christian influence and especially does he thank the Rt. Rev. N. N. Boe and Rev. H. Solum for their encouragement and prayers. He asks that all the faithful will remember him in their prayers, that he may by the grace of God, be a faithful and profitable servant of our Lord and Savior Jesus Christ.

Albert J. Bringle, son of Mr. and Mrs. Jacob A. Bringle, was born at Superior Township, Iowa, on April 10, 1898. As a babe he was privately baptized which in turn was later attested to in the church. During his entire childhood, youth, and early manhood he lived with his parents on their farm. He was confirmed at the age of fourteen by Rev. J. J. Akre. As a boy he attended the grade school near his home. He took up his high school work in Superior, Iowa. In the fall of the year 1918 he entered St. Olaf College, Northfield, Minnesota, and in June of 1922 he received the Bachelor of Arts degree from the above mentioned institution. While at college there were influences at work preparing his heart for the "high calling of God." By the time of graduation God had definitely brought him to the firm conviction that he should enter the holy ministry. This conviction led to matriculation at Luther Theological Seminary in the fall of 1922 and to graduation therefrom with the class of 1925. During his last year at the Seminary he received a call from Fall River, St. Paul and Otter Creek congregations in Eureka, Kansas, to act as their pastor and spiritual guide. Having accepted this call he now presents himself for the ordination and blessing of his church.

On this special day of grace he realizes that he has much to be thankful for in every way. To his teachers and instructors in high school and college he is indeed thankful but especially so to the faculty of Luther Theological Seminary who have labored so faithfully in pointing him to the "chief cornerstone" Jesus Christ. He remembers his home congregation, Union State Line, for the deep interest shown in him both while at college and at the seminary. He also remembers Rev. J. J. Akre for the confirmation instruction given him during his early youth. The many hours spent together with him bring blessed memories. Also Rev. S. A. Berge for his spiritual guidance given at the most critical time

in the candidate's life. He was used of God to direct him to St. Olaf College where he received a Christian education and he has also been an influence, both by the example of his life and by his words of encouragement, in bringing out more definitely the call of God. He would especially pay tribute on this special day of grace to his father and mother. Through their constant readiness to sacrifice; their deep interest in things spiritual; as well as by the example of their own lives they have left impressions which will never be forgotten. Among his closer relatives he would remember his two oldest brothers, Arthur and Maurice, for all the help they have given, together with his Uncle and Aunt, Mr. and Mrs. G. F. Kruse, and his Aunt, Miss Martha Bringle, for their financial help in times of need.

But it is to Almighty God, Father, Son, and Holy Ghost, that he would render his greatest thanks on this day. It is to Him that the applicant now looks for strength and guidance expressed in the words of the psalmist, "I will lift up mine eyes unto the hills from whence cometh my help." He realizes his own insufficiency, and also the responsible position to which he has been called, but he is thankful that he has the promise of the Lord which insures unto him God's richest grace which is sufficient unto us and through which God's strength is made perfect in weakness. Therefore, he would ask of the Church, and of his own congregation especially, as well as of his friends and relatives, that they remember him in their prayers before the mercy seat of God that the blessings of God might rest both upon himself and upon his ministry.

Lawrence E. Brynestad, the son of Mr. L. J. Brynestad and wife, Elsa, was born at Ellendale, Minnesota, April 7, 1898. As a child he was baptized into the Christian faith by the Rev. A. O. Melby, in Berlin Congregation of Ellendale. Due to the absence of the modern institutions for Christian education, he received his early knowledge of Christ, the Bible, and Christian conduct from his parents and pastor. At the age of fourteen he was confirmed in the faith of his baptism by the same Rev. Melby in his home congregation.

His secular education commenced in the public schools of Ellendale. Following the completion of his graded studies, he matriculated in the High School of Owatonna, Minnesota, in the fall of 1913. Following his graduation in the spring of 1917, he enrolled at St. Olaf College in the fall of the same year. During the war he served in the Student Army Training Corps, but fortunately he was able to proceed with his College course without an interruption, receiving his B. A. in the spring of 1921.

During the next two years he served as an instructor at Pleasant View Academy, Ottawa, Illinois. During this period the Call came to him to enter the Holy Ministry, and he gave heed thereto by registering at Luther Theological Seminary in the fall of 1923. Upon the completion of the prescribed course of this Institution, and having received a Call from the Congregation at Redfield, South Dakota, he presents himself for Ordination to the Holy Ministry, with the prayer that he may be a humble but active servant for his Lord and Master Jesus Christ.

In retrospect he is conscious of the fact that during the years of his youth, the influence of others has been a vital factor in determining the course of his life. Therefore, he desires at this time to express his heartfelt gratitude for the guidance, admonition, and many opportunities so graciously given to him. Especially is he thankful for the earnest entreaties, prayers, and assistance given to him by his beloved parents. Furthermore, for the diligent instruction, admonition, and encouragement given to him by his pastors, teachers, and friends. But above all is he grateful to his Almighty Father, who has held His protecting hand constantly over him and destined him to the High Calling which is in Christ Jesus.

Earl Fridolf Carlson was born in Clay County near Vermillion, South Dakota, on February 18, 1902, the second son of E. A. and Bertha Carlson. He was baptized on the 12th day of March by Rev. S. M. Stenby of the Evangelical Lutheran Church and was confirmed June 4th, 1916, by A. E. Distad of Emmanuel Lutheran Church of Beresford, South Dakota, in Union and Lincoln Counties. In 1919 he graduated from Beresford High School and the same year entered the University of South Dakota in the Engineering School. During his second year of study in this field the Lord and Master clearly showed him that the field of Engineering was not his calling, and that he should prepare himself for special service in the Master's vineyard. Accordingly he entered St. Olaf College, Northfield, Minnesota, in the fall of 1921 graduating with the class of 1923.

Being more surely guided he entered in the fall of that same year Luther Theological Seminary, graduating from there May 28, 1926.

On this his ordination day he acknowledges before all, his unworthiness and insufficiency for the high calling of the ministry. He wishes to take this opportunity to express his most sincere thanks to parents and friends for their encouragement. He wishes to thank especially his mother who has upheld him before the Throne of Grace in prayer. But above all does he render thanks to God for all the blessings and benefits that have been bestowed upon him and for the patient guidance of the Holy Spirit to the high calling of faith in Christ Jesus.

He feels unworthy of the task that is set before him and wishes to be remembered and upheld in the Lord's Service by his fellow Christians. On a call from the congregation at Leland, Illinois, he hereby respectfully applies to the church for ordination to the Holy Ministry.
Ordained June 6, 1926.

Hans Oscar Gunstenson, son of Ole Gunstenson and wife, Gunild, was born at Fisher, Polk County, Minnesota, December 20th, 1895. As a child he was baptized in Red Lake River Congregation, at Fisher, Minnesota. In the same church on November 20th, 1910, he was confirmed by Rev. R. W. Peterson.

His elementary education was received in the public grade school at Fisher. In the fall of 1913 he began his high school course but soon left school to begin work

with the Great Northern Railway Company. Not until the winter of 1917 did he unexpectedly resume his school work, first at Fisher, then at Concordia College. In February, 1918, he was conscripted for service in the army and served a period of seventeen months. Then he returned to Concordia where he graduated from the academy in 1920. On August 15th, 1922, he was united in marriage to Miss Alma Helgeson, also of Fisher, Minnesota. Since this time two children have been born to him: one girl, Marion Audrey, and one boy, Norman Oscar. After training in the college department of Concordia and at the University of North Dakota he was admitted, in the fall of 1923, to study at Luther Seminary. Spending three years at this institution he graduated with the class on May 28th, 1926.

As a boy his ideal was to become a minister of the Gospel, but as years passed this ideal became obliterated. It was in the fall of 1917 that God, by taking away his Christian father, suddenly brought him back to his baptismal covenant.

On March 2nd a call came to him from Wisconsin to serve Deronda, Little Falls and Dresser Junction congregations. This call he accepted because of the confidence that it was a call from God. So in order that he might enter upon this field of labor, he presents himself, this day, for ordination to the office of the holy ministry.

On this his ordination day he wants, first of all, to thank Almighty God for His goodness and mercy in bringing this day to pass and earnestly prays that he may never be disobedient to this heavenly calling. He wishes to express deep appreciation to his wife for her cooperation and willingness to sacrifice. Then he wishes to thank his mother who has brought him before God in her prayers and helped him in so many ways. He wishes to express his sincere thanks to Mr. and Mrs. L. J. Helgeson for their much help and many gifts. Brothers and sisters, relatives and friends he wishes to thank for their bounteous kindness toward him and his family. God bless them all.

Ordained June 6, 1926.

Berent J. Hatlem was born in Øn Sogn, Norway, March 31, 1892, of parents, John and Berthine Hatlem. He was baptized May 15, the same year, and was confirmed September 30, 1906. His father died when he was only two years old. Thus it was left for his untiring mother to care for him during the years of his youth. After working a few years in Bergen, he emigrated to America in 1911 and came to Morris, Illinois, where he worked for a few years on the farm.

The years 1913-14 he attended, during the winter months Pleasant View Luther College where his desire was kindled to serve the Lord in the office of the ministry. In the fall of 1914 he took up his work at Pleasant View Luther College and graduated from there in 1918. During a part of the years 1918-19 he served in the army with the heavy artillery, spending about six months in France.

In the fall of 1919 he entered St. Olaf College and was graduated on June 6, 1923, with B. A. degree. He completed the regular three-year course at Luther Theological Seminary on May 28 this year.

While being indebted to many pastors, teachers and friends for their support and help, he is especially grateful to his mother for a Christian home, whose unceasing prayers, willing sacrifices, and loving and faithful guidance and counsel have always followed him. But above all he is grateful to His Heavenly Father for His unspeakable love, for His countless and gracious blessings which have so richly and so undeservedly flowed down upon him.

He has received and accepted a call from First Lutheran, Immanuel, and Bethlehem congregations, Circle, Montana. He hereby respectfully and humbly seeks ordination.

On this his ordination day he realizes and confesses his insufficiency and unworthiness to enter such a high and holy office. His only hope and prayer today is that God in His love and mercy may bless him and his work. He trusts in God, knowing that He is faithful to forgive and mighty to bless. He asks his friends to unite with him in prayer to the Heavenly Father, that He, in His boundless grace may encourage and strengthen him in the faith of Jesus Christ his Lord and Redeemer.

Ordained June 6, 1926.

Verner Trygve Jordahl, the son of Daniel C. Jordahl and wife, Johanna (nee Ylvisaker), was born on October 26th, 1898, at Norway Lake, Kandiyohi County, Minnesota. Here he spent his early boyhood and received instruction in secular and religious schools. In 1913 he moved with his parents to Ridgeway, Iowa, where he entered the public school. The same year he was confirmed by his father in the Lincoln Lutheran Church.

In the fall of 1915 he was admitted to Luther College, Decorah, Iowa, graduating from the Preparatory Department in 1918, and from the College Department in 1922. That year he was accepted as a student of Luther Theological Seminary, St. Paul, Minnesota, and completed the theoretical course of that institution in the spring of 1925.

On September 10, 1925, he was married to Miss Norma Johnson of Ridgeway, Iowa.

He has accepted a call to Central Lutheran Church of Dallas, Texas.

As he now presents himself for ordination, he remembers with gratitude the instruction, loving guidance, and prayers of his father, mother, and step-mother, who by their Christian influence rather than by urging, helped him to realize that God wanted him to become a servant of the church. He is thankful to God for friends and associates who by their lives helped him in the hour of sin and temptation to seek refuge in the Savior Jesus Christ. He is grateful to the professors and teachers who by example and instruction in God's holy Word strengthened his convictions, and instilled in him a desire to enter the holy ministry.

Above all is he today grateful to the almighty and merciful God for all the benefits which He has so abundantly showered upon him. He realizes his weakness and shortcomings, and confesses himself to be wholly dependent on God's grace for strength and courage.

He earnestly requests that this congregation and all fellow-Christians offer prayers in his behalf that he remain faithful

to God's Word and to his Master Jesus Christ.

Einar Roger Larson, son of Robert and Emelia Larson, was born at Wausau, Wisconsin, May 24, 1893. He was baptized the same year in Immanuel Lutheran congregation by Rev. T. P. Norseth, and confirmed June 23, 1907, by Rev. G. C. Ulen.

Having completed the graded school course of study at Wausau, he entered Luther College Preparatory Department at Decorah, Iowa, in September, 1908, being graduated in June, 1911. The fall of that year he entered the college department and was graduated from Luther College May 24, 1915. He then entered upon a business career in Chicago, Illinois, where he remained until May, 1918, when he entered the United States Army, serving his country at home and abroad during the World War. Upon his discharge from the service in June, 1919, he again went into business in Chicago, Illinois, but was transferred to Philadelphia, Pennsylvania, in 1921, where he remained for two and one-half years. During his stay in Chicago and Philadelphia he was an active member of Our Savior's Lutheran and Trinity Lutheran congregations respectively.

However, the conviction was gradually deepening in him that it was the will of his Heavenly Father that he become a minister of the Gospel, and trusting in the grace of God, he enrolled as a student at Luther Theological Seminary in the fall of 1923, and he has been found fit by its faculty to accept the call which has been extended to him.

On this the day of his ordination he wishes first of all to thank the Triune God who so graciously has directed his course, and to Him alone, whose "strength is made perfect in weakness," does he look for guidance in the duties of his calling.

But he also holds in grateful remembrance his father and mother for a Christian home, for their many sacrifices, for their constant prayers for him. He is also grateful to his brothers and sister for their Christian encouragement and sacrifices. In September, 1924, he was betrothed to Miss Anna K. Berrum, and she, together with the other members of her family, has materially encouraged and enheartened him in his work. Likewise does he wish to thank his friends of Holmen, Halfway, and Lewis Valley congregations for their prayers and encouragement.

For the able and careful guidance and instruction in the Word of God, he thanks his Christian teachers of Luther College and Luther Seminary.

Having accepted a call from Mount Hope Lutheran congregation, West Allis, Wisconsin, he now presents himself for ordination. Realizing his own unworthiness and limitations he places his trust alone in Him who says "My grace is sufficient for thee," and he asks God to help him never to be "ashamed of the gospel of Christ." He rests his own hope of salvation on nothing else, and is therefore "determined not to know anything, save Jesus Christ, and him crucified." That he may ever be a faithful witness and servant of the Lord Jesus Christ he asks for the blessings of intercessory prayer of these congregations, and all friends and relatives.

Mikkel Mandsager is the son of Bertha and Lars Mandsager. Born on the farm near Thor, Iowa, May 10th, 1894. Baptized by Rev. Farseth. He did not have the privilege of attending any Sunday school, but had a home, wherein he was taught to fear God. Rev. G. A. Sovde confirmed him. At this age he had come to the knowledge and conviction of sin, and grace in Christ Jesus. But from this time on, he began to backslide and chose for the world rather than for Christ; however, under stress and condemnation of the law he continued to confess his sins to God from time to time.

Thus in 1913 he entered Waldorf College where he completed the elementary, commercial and academic courses. Here the higher ideals of life were set forth, which soon made a deep impression on him. In the fall of 1915 he definitely decided to begin reading his first new Bible and to live for Jesus Christ.

The call to the ministry began early in life; first thru his dear mother. Her death in January, 1917, led him to a more earnest and decided Christian life.

In May, 1917, his country called him to service in the United States Infantry at Camp Pike, where God graciously kept him in faith and in witness. Mustered out in January, 1918, he immediately began student life at St. Olaf College, where the scholastic challenge became greater and the Christian life more tested. Spiritually his experience was a fuller appreciation of Rom. 4:25 who was delivered up for our trespasses, and raised for our justification.

Outwardly his call to the ministry came from his parents, teachers, pastors and friends who encouraged him. Inwardly from Him who says, "I have called thee in righteousness." And in 2 Peter 1:10 we read, Give more diligence to make your calling and election sure: for if ye do these things ye shall never stumble. Therefore, in the fall of 1918 while hearing Miss. Dan. Nelson of China preach at Thor, Iowa, his heart was touched by the call from lost souls for salvation. Then he promised God to give his life to the ministry of Jesus Christ. Encouraged further by Christ's own words, "Lo, I am with you always," he received grace to enter Luther Theological Seminary in 1921. Founding his beginning there on Matt. 7:24—27 and graduating in 1924. Then he began mission work at the L. I. M. H., Minneapolis. While laboring here the wages of sin and the power of the Gospel was made more clear to him. Then in the fall of 1924 he entered the L. B. I. where he studied the Bible for one and one-half years. Never before did God's word make such claims upon his life, in convicting of sin and righteousness, ye shall be holy; for I Jehovah your God am holy. Lev. 18:2.

Receiving then a call from Graettinger and Lost Island congregations, he seeks ordination to the office of ministry of the N. L. C. A.

He now wishes to thank God first, for His forgiving grace in Christ Jesus, and in Jesus' name gives thanks to his dear people, his pastor, teachers, and friends, for their prayers and much kindness. He asks for the prayers of his congregations, assembled pastors and all Christian friends. I am poor and needy; make haste unto me, O God: Thou art my help and

my deliverer: O Jehovah make no tarrying. Psa. 70:5.

Gerhard William Mathre was born November 4, 1896, of the parents, William and Lena Mathre at Newark, Illinois. He was baptized in the North Lisbon Church by Rev. N. J. Lockrem and was brought up in the Christian faith both at home and in the summer parochial school. At the age of fifteen years he was confirmed in the same church by Rev. O. Shefveland. His secular education began in his local rural school and in 1913 he entered upon his academy work at Pleasant View Luther College from whence he graduated in 1917.

With the aim in view of further school he took up teaching for one year and the unsettled conditions during the war kept him out of school one more year. In the fall of 1919 he entered St. Olaf College, taking the course which should best prepare him for the Seminary as he had from early childhood the desire to serve the Lord Jesus in the active ministry of our church. This call came forth more strongly than ever during his course at St. Olaf and when he completed his college career in 1923 he applied for admission to the Seminary of our church. The Seminary course was completed May 28, 1926, and having received a call from First Lutheran Church, Pleasant Prairie, Grand View, and Short Creek congregations in and near Columbus, North Dakota, he presents himself for ordination to the holy ministry of our church. It is his humble prayer that he may serve his Master and his Church for the furtherance of God's kingdom among men.

As he looks back over his life he is conscious of the hand of God leading him towards this goal and it is with sincere and heartfelt gratitude to our Father in heaven that he also wishes to express his thanks to those who have been of help to him. Especially is he thankful to his dear mother for her counsel and admonitions and prayers, to both parents for their Christian training and example. On June 1, 1926, he was united in marriage with Esther G. Hagen.

Realizing his weaknesses and his unworthiness for this high calling he earnestly pleads for the intercessory prayers of his friends, and of the congregations that have called him to serve them, that he may serve Jesus wholly and that he may receive from God the courage and strength to be a true witness for Him.

Magnus Nodtvedt was born at Westby, Wisconsin, on the 21st of August, 1893. He is the son of Rev. and Mrs. C. M. Nodtvedt, Northfield, Minnesota. He was baptized in Westby and confirmed at Yellow River, Wisconsin. His father administered baptism and performed the rite of confirmation.

His elementary school training was completed at Gilman, Wisconsin. Then he entered the High School at Stanley, Wisconsin, where he remained two years. He was graduated from the High School in Northfield, Minnesota, in 1913. He then entered St. Olaf College, from which institution he was graduated in 1917.

There were many influences at work for the upbuilding of Christian life at St. Olaf, and these left their impress upon him. Powerful Christian personalities among the professors and instructors did much to point the way to Christian service. He wishes at this time to thank God for what was done for him by a consecrated professor and pastor, Rev. Nils Kleven, pastor of St. John's Lutheran Church of Northfield, Minnesota. His Spirit-filled messages nourished the inner call to serve the Lord. Thank God for such men!

After graduation he served as principal of the Graded and High School at Emmons, Minnesota, until he enlisted in the Regular Army of the United States. When he returned from the service he taught in the High School at Stillwater, Minnesota. He spent the following winter of 1919-20 in New York City where he received the M. A. from Columbia University. The next two years he served as Registrar and instructor, in the Canton Lutheran Normal, Canton, South Dakota, and as an instructor in the State University of Iowa, Iowa City, Iowa. On September 3, 1921, he was married to Selma M. Peterson of Northfield, Minnesota.

During all these years the Lord continued to remind him of his call to specific service in the Kingdom of God. By the grace of God he entered Luther Theological Seminary, St. Paul, in the fall of 1922 and was graduated May 29, 1925. Having been called to serve the Washington Lutheran Congregation, Duncombe, Iowa, he seeks ordination to the office of the ministry of the Norwegian Lutheran Church of America.

He wishes to thank God for the greatest of all gifts, a God-fearing father and mother. They have always loved and diligently used in the home the source of all life and salvation—the Holy Scriptures. They have literally made their home the home "of the open Bible." Then, too, he is thankful to his sisters and wife for encouragement and help. To pastors and instructors, relatives and friends he feels sincerely grateful. Most of all is he thankful to his God for life and salvation thru Christ Jesus. He feels the need of remaining grafted into the true vine to receive that power which alone sustains spiritual life. He asks the prayers of the members of this his congregation, the assembled pastors, relatives and Christian friends. "Now unto the King eternal, immortal, invisible, the only wise God, be honor and glory for ever and ever. Amen." I Tim. 1:17.

Oscar Ludvig Olsrud, son of Hans C. and Christina Olsrud, was born March 17, 1890, near Herman, Minnesota. He was baptized in the Kongsvinger church by Rev. O. Dahle. In 1901, the family moved to Kalispell, Montana, making their home on a farm. His mother died in 1907 and his father in 1920. Their love for righteousness has had a lasting influence upon him.

Fom childhood he has experienced the power of the word of God. He was confirmed in 1906 by Rev. A. M. Skindlov in Kalispell. At that time he experienced a deep sense of guilt and unworthiness before God. At the age of eighteen came the real time of decision, whether to follow the world or Christ. After several months of inner struggles, doubts and fears, during which his health suffered much, he was humbled before God and brot to the foot of the cross of Jesus Christ and there experienced the joy of salvation. It was thru Rev. K. J. Arne, then a theological

student, that he was led to see the true light of the Gospel.

In 1913 he was encouraged by his pastor, Rev. L. O. Onerheim, to enter the local High School as a first step in obtaining an education to fit him for better service for the Lord. He graduated with the class of 1916. The same year he entered St. Olaf College, Northfield, Minnesota. In September, 1917, he entered service in the World War where he spent eighteen months, partly overseas. The school year 1919-20 was spent at St. Olaf College. The following two years he taught rural schools, one in Stevens County, Minnesota, and the other in his home district north of Kalispell. In the fall of 1922 he entered Luther Theological Seminary, St. Paul, Minnesota, and graduated in 1925.

During these years, his Savior has helped him thru many spiritual struggles. While in his senior year at High School, a feeling of rebellion against God followed by profound spiritual unrest and doubts nearly wrecked his faith. At this time Y. M. C. A. Secretary, Lester Adams, proved a true Christian brother, and Christ won. Another period of spiritual unrest followed by the victory of faith during his first year at the Seminary helped to establish his spiritual life.

He is very thankful to God, realizing that all is of grace thru faith in Jesus Christ. He is also thankful to those servants of God who have encouraged and helped him: every one of his pastors, some of his professors and students in College and Seminary.

The inner call to enter the office of the ministry has come gradually while preparing himself for service. On this day of ordination he has the assurance that God has called him, and in spite of a feeling of unworthiness and unfitness, trusts in God to accomplish thru him that which He pleases.

Having received and accepted a call from the Committee on Home Missions on behalf of Hingham and Big Sandy Lutheran congregations and other places, to be pastor and spiritual guide of these churches, he presents himself today for ordination and asks for the prayers of all Christians that he may resist every temptation, be kept in the faith, and be a true and faithful servant of Christ.

Carl Opsahl was born of the parents, Mr. and Mrs. P. O. Opsahl, December 25, 1896, in Avoca, Minnesota. He was baptized January 7, 1897, by Rev. O. J. Hagen. When but five years old his father died and his mother moved to Rockford, Washington. He did not have the privilege of attending any Sunday School but his Christian mother taught and nurtured him in the fear and love of God. He was confirmed September 13, 1913, by Rev. O. H. Thormodsgaard.

Two years of his academic training was received at Rockford High School and this course was completed in 1915 at Spokane College. In 1917 he finished the Junior College work at Spokane College. In 1918 his country called him to service in the Machine Gun Officers Training School at Camp Hancock. After being mustered out, he completed his college training at St. Olaf College, receiving his B. A. in 1919. The following three years were spent as a teacher at Spokane College. Through Bible Conferences held by the Lutheran Bible Institute of St. Paul, Minnesota, the challenge to a life of Christian service brought him to spend a year of study at this Bible School.

Outwardly his call to the ministry often came from pastors, teachers and friends; inwardly the call came to him while studying the Word of God at the Lutheran Bible Institute. The Holy Spirit convicted him of "sin and of righteousness and of Judgment" (Jno. 16:8), and his heart was touched by the call from lost souls for salvation. He received grace to enter Luther Theological Seminary in the fall of 1923, graduating May 28, 1926, strengthened in faith and convinced that the Lord has called him into His holy ministry. With this firm conviction he has accepted a call to serve the congregations of Lewistown, Denton and Roy, Montana.

Today he humbly presents himself for ordination, remembering with sincere thanks his mother for her prayers and spiritual guidance and the great sacrifices she has made that he might complete his training for his chosen vocation. The candidate wishes also to thank his many friends and Christian teachers for their prayers and counsel, and he is especially grateful to Rev. A. B. Anderson for his helpful guidance and direction. But above all, he wishes to render thanks to the Triune God, Father, Son and Holy Spirit, Who has so richly blessed him with His grace and redeeming love. Fully aware of his unworthiness for this holy office and that of himself he can do nothing (Jno. 15:5), he relies solely upon the all-sufficient grace of God (II Cor. 12:9). But in view of his unworthiness and weakness, he also realizes that in Christ he "can do all things" (Phil. 4:13), and therefore asks for the prayers of his congregations, pastors and Christian friends that through his ministry souls may be saved and eternal glory brought to our Heavenly Father.

Ordained June 6, 1926.

Jordan Omer Paulsrud, son of Rev. and Mrs. G. O. Paulsrud, was born in Chicago, Illinois, May 18, 1900. On the 24th of June, following, he was baptized by his father in the Immanuel Church, Chicago, Illinois. His father accepting a call to Elim Congregation, Randall, Iowa, he moved with his parents to that place in 1901, and has since had his home there. On October 25th, 1914, he was confirmed in the Elim Church. The following winter he completed the eighth grade work in the public school of Randall.

In the fall of 1915 he was enrolled at the Jewell Lutheran College, Jewell, Iowa, and finished his academic work there in the spring of 1918. In the fall of that year he began his study at St. Olaf College, Northfield, Minnesota. From this institution he was graduated in 1922. In the fall of 1922 he was accepted as a student at the Luther Theological Seminary, St. Paul, Minnesota, which institution graduated him on May 29th,1925.

From childhood he has been surrounded by a spiritual atmosphere that should guide his life course. His home, church and school influences have been instruments in God's hands to give him the spiritual light and Christian assurance. It has been by the continued guidance of the Spirit throughout his life, that he was brought to see that his life should

be dedicated to a specific service in the Kingdom—and the service to which he felt the strongest call was the ministry.

Today he presents himself for ordination with a deep feeling of his unworthiness; but with the assurance, that God's grace is sufficient for him: for God's power is made perfect in weakness (2 Cor. 12:9). It is God who has prepared him for this by giving him a Christian home, by placing him in a community which surrounded him with wholesome influences, and by permitting him to attend Christian schools where the Spirit had an opportunity to teach and lead him in a special way. Those who have wielded the greatest influence over his life's destinies have been Christians. All these blessings, together with his personal Christian experiences in fellowship with God through faith in the Savior, have been granted unto him by God. Of these gracious gifts of God none has he merited, and least of all is he of himself, deserving of consecration into the holy ministry.

On this his day of ordination he wishes to express thanks to his parents, brothers and sisters for all they have been to him. Many and great sacrifices have been made by his parents that he might prepare for a life of service in the Lord's vineyard. Being unable to express his thanks in words it is his hope that his life may show, in a measure, his appreciation. He wishes also to thank his teachers who, by their conscientious and wise Christian instruction and admonition, have guided him throughout his school career. Especially, in this connection, does he wish to thank the Faculty of Luther Theological Seminary. Then, too, he remembers thankfully the Elim Congregation for the spiritual gifts received from God through it. May the God of grace and mercy richly recompense all who have shared in preparing him for the high and holy calling to which God this day sets him aside.

Since the Faculty of the Luther Theological Seminary found him fit to accept a call to the office of the holy ministry in the Norwegian Lutheran Church of America, he received and accepted a call extended by the Pleasant Valley Congregation, Westreville, South Dakota; he, therefore, presents himself today for ordination and asks for the prayer of the Church.

Martin Bernard Ranum, son of Andrew and Olava Ranum, was born at Starbuck, Minnesota, April 25, 1898. He was baptized and confirmed in the Inherred Church by Rev. Nils Forde.

After having completed the grade schools he enrolled at the Park Region College in the fall of 1914. He attended that institution for parts of four years. In 1918 he entered Luther College and graduated from that institution in the spring of 1923.

He had felt the call of the Holy Spirit to take up the work of the Lord. By daily hearing of the Word of God and association with Christian teachers, the conviction grew upon him that the Lord was calling him to serve as a minister of the gospel. He heeded the call and in the fall of 1923 he was accepted as a student at Luther Theological Seminary, St. Paul. Under the able guidance of his professors in the study of scripture, he has come into a more intimate relation with his Savior Jesus Christ.

May 28, 1926, he was graduated from the Luther Theological Seminary, and having received a call from Goodridge, Betania, Rosendahl, Eklund, St. Paul and Oak Park congregations, he now presents himself for ordination.

On this day of grace he wishes first of all to give thanks to the Father, Son and the Holy Spirit, Who has kept and preserved him even unto this day.

He would also thank his father and mother for a Christian home and for their prayers and sacrifices. He is grateful to his brother and sisters for their encouragement and material sacrifices. He remembers the Christian training under Rev. and Mrs. Nils Forde who now have gone to their eternal rest. He thanks Rev. G. O. Forde, the Inherred Congregation, his relatives and friends for their prayers and encouragement. For Christian admonition and instruction, he thanks the teachers of Luther College and Luther Seminary.

Conscious of his own unworthiness he prays for power and strength from on high and asks that prayers of relatives and friends may follow him in his work.

Opie S. Rindahl, son of Jens O. and Sophia Rindahl, was born at Fertile, Minnesota, September 30, 1897. He was baptized in the Evangelical Lutheran Church on October 24, by Rev. A. E. Lien. He received part of his grade school and religious education while residing at Rindal, where his preparation for confirmation was begun under Rev. A. E. Strøm. He was confirmed at Grand Forks, North Dakota, on June 16, 1912, by Rev. L. A. Haatvedt.

In the fall of 1912 he entered the public schools of Ada, Minnesota, from which high school he was graduated in June of 1917. He matriculated at Luther College, Decorah, Iowa, in September, and was graduated with the class of 1921. During the following year he taught at Jewell College, Jewell, Iowa.

He was accepted as a student at Luther Theological Seminary, St. Paul, in September, 1922. After completing the prescribed course of study in the theoretical department, he was found capable of accepting a call to the holy ministry. A call, as pastor and shepherd of souls, to Bethlehem Lutheran Congregation of St. Cloud, Minnesota was then accepted. He is not conscious of having employed any means divinely prohibited for securing the holy office.

On June 24th, 1925, he was married to Miss Clarice Ruth Knudson of Jewell, Iowa.

In gratitude he remembers the pastors who have guided his spiritual life. To friends ad relatives he is deeply indebted for their concern in his behalf. To professors and teachers at Luther College and at the Seminary, he now gives his sincere thanks for considerate encouragement to aspire to the office of a servant of the church. Father and mother have diligently surrounded him with Christian nurture; to them, his sister, and his wife he gratefully acknowledges their special concern for his welfare. Above all he expresses his humble thanks to his Heavenly Father Who has graciously called him to be a servant of the Lord Jesus Christ, and he prays that the Holy Spirit may ever be his guide to faithfully administer the Holy Sacraments, and to

preach the Word in its truth and purity.

On this day of his ordination he again confesses his own insufficiency and his inability to serve as a pastor and shepherd of souls, and seeks strength and counsel from our Father in Heaven.

He has read the constitution of the church and honestly proposes to be loyal thereto.

As he now presents himself as a candidate for the office of minister in the Norwegian Lutheran Church of America, and as pastor of this congregation, he earnestly desires the prayers of the congregation of saints for continued grace to remain faithful unto the end.

Ernest William Sihler, son of William Sihler and wife, Amelia, was born at Decorah, Iowa, February 22, 1900. He was baptized by Rev. B. Askevold. His early religious training was received from his parents. At the age of seven he entered the Parish School of his local congregation, which school he attended for five years. In May, 1914, he was confirmed by Rev. I. B. Torrison at Decorah, Iowa. Having completed the eighth grade he entered the Luther College Preparatory Department in the fall of 1913, and in the fall of 1917 he was registered in the Luther College Department from which he graduated June 6th, 1921. The two years following his graduation from college he spent as a teacher in the High School at Spring Grove, Minn. In the fall of 1923 he entered Luther Theological Seminary, St. Paul, Minn., and on May 28th, 1926, was graduated from that institution.

From childhood he has received Christian training being reared by Christian parents, and having attended Christian schools. When he during his college course came to see the futility of man's trying to work out his own origin and destiny by his own powers of reason and understood better the need which men have for the only way of salvation, he therein perceived a call from God that he enter the ministry.

Having received a call from the Newell and Plumb Draw congregations, Butte County, South Dakota, he presents himself for ordination. On this day of his ordination he feels his own unworthiness and weakness to enter into so great a work. Yet he has faith that God who says, "My grace is sufficient for thee, for my power is made perfect in weakness," will also preserve and guide him as His instrument.

He wishes to thank first of all the Triune God who has so directed him as to bring him to a saving faith and has called him to so great a profession. He wishes to thank his parents, sisters, pastor, teachers, and friends, who by their prayers, instruction, and sacrifices for him have enabled him to be properly trained as a worker in the Lord's Vineyard.

Realizing that it is only thru God's Grace that he can be of any value as a servant in God's Kingdom he asks that the prayers of the Church, his Congregations, his relatives and friends may always follow him.

Thomas Philip Solem, son of Rev. and Mrs. Henry M. Solem, was born near Presho, South Dakota, September 30, 1894. He was baptized by his father in October of the same year. Two years later he moved with his parents to Sioux Falls, South Dakota. From 1898-1910 he lived with his grandparents, Thomas and Andrea Solem, and his aunt and uncle, Johannah and Andrew Solem, near Elk Point, South Dakota. He was confirmed by Rev. P. J. Reinertsen in the fall of 1909, in the St. Paul Church at Elk Point. From 1910-1914 he attended high school at Garretson, South Dakota, where his parents were then residing. After graduation he taught for two years in the public schools of Union County, South Dakota. He entered the University of South Dakota in 1916. He saw military service in the World War with the 89th Division. In the fall of 1919 he returned to the University of South Dakota, and in February, 1922, completed the work for the B. A. degree. Immediately thereafter he was admitted into Luther Theological Seminary at St. Paul. He was united in marriage with Edna Findahl, July 25, 1922. After again teaching for two years in the public schools of Union and Clay counties, South Dakota, he resumed his studies at Luther Seminary in the fall of 1924. He was called as pastor by the Osage Evangelical Congregation of Osage, Iowa, March 6, 1926, and he now presents himself for ordination into the holy office of the ministry.

On this his day of ordination he recalls with gratitude the love and sacrifices of parents and relatives who have had him in care; he is grateful for the Christian discipline and instruction administered with patience and prayer by these as well as teachers and pastors. Above all he is grateful to his heavenly Father because He has graciously forgiven him his sins through Jesus Christ, has called him and thus far in mercy preserved him. Aware of his personal unworthiness and inability the candidate prays that God will make him sufficient in Christ, and he asks to be remembered in the prayers of the congregation, and of all Christians, to the end that he may be a faithful and profitable servant of our Lord and Savior Jesus Christ.

Morris Alvin Sorenson, son of Martin Sorenson and wife, Astri, was born on a farm near Clifton, Texas, December 12, 1895. He was baptized in Our Savior's Lutheran Church, Norse, Texas, by Rev. J. K. Rystad, and confirmed in 1910 in St. Olaf Lutheran Church, Cranfills Gap, Texas, by Rev. G. G. Odegaard.

He received his elementary education in the Bosque County Public Schools and in the fall of 1910 he entered Clifton Lutheran College, where he remained for two years. The next two years he spent on the farm with his parents. In the fall of 1914 he again entered Clifton Lutheran College and was graduated from the College Preparatory Course in May, 1916.

In the fall of the same year he was matriculated at Luther College, where he remained until April, 1918, when he enlisted in the United States Navy. Upon his discharge from the Navy, January, 1919, he immediately resumed his studies at Luther College, and received the degree of Bachelor of Arts in June, 1920. The next three years he taught in the Calmar Public Schools, Calmar, Iowa, the first year serving as Principal and the last two years as Superintendent.

On June 8, 1921, he was united in marriage to Bertha Megorden, of Waukon, Iowa, daughter of Halvor C. Megorden and wife, Randina. Two children have been born to them, Martin Halvor and Ruth Arleen, but the Lord in His infinite wisdom saw fit to remove the first to his heavenly home.

His first call to the Holy Ministry came, while yet a child, thru the teachings, prayers and admonitions of his parents. Later thru his pastors, Rev. Rystad and Rev. Odegaard, and his teachers at Clifton College and Luther College, he was gradually led to the feeling that God wanted him to work in His vineyard. All the time, however, he tried to overcome this feeling and when he finished College he was not yet ready to heed the call. But God continued to call and two years later he definitely decided to enter the Holy Ministry. In the fall of 1923 he entered Luther Theological Seminary and was graduated May 28, 1926.

Having received a call from the Hazen and Stanton Lutheran Congregations of Mercer County, North Dakota, he now presents himself for ordination to the Holy Ministry.

On this special day of grace, he wishes first of all to thank his Heavenly Father for the gift of Salvation thru His Son Jesus Christ, and for having so graciously guided him during his life. He is thankful that the Lord has called him into the office of the Ministry, altho he greatly feels his unworthiness. But his prayer is that he may ever hold fast to that word of God. "My grace is sufficient for thee: for my power is made perfect thru weakness."

He also wishes on this day to pay a tribute to his departed father, who so often spoke to him of Christ and His Atoning Sacrifice. He wishes to thank his mother, who never neglected to teach him the way of life, for her prayers and sacrifices which have helped so immeasurably to guide him on the way thus far. He is also grateful to his wife who has always been ready to help and encourage him in his work; and to his relatives for their help and interest. He would also express gratitude to his teachers and instructors, who have guided him on the way by word and example, and especially the faculty of Luther Theological Seminary.

Realizing the great responsibility of the work and his own unworthiness and shortcomings, he asks the prayers of friends and congregations, that he may carry on the work to the glory of God, and that he may always remain faithful to his Lord and Master Jesus Christ.

Edward Stenson was born the 30th of December, 1897, in Yellow Medicine County, Minnesota. His parents, Olai N. Stenson and Anna M. Stenson, were members of "Bergen" congregation. Here Edward was baptized January 16th, 1898, by Rev. H. O. Fjelstad, the family pastor.

In 1911 Mr. and Mrs. O. N. Stenson immigrated to Gary, Norman County, Minnesota. Here the whole family joined St. Pauli congregation where Edward was instructed and confirmed by Rev. H. A. Gaardsmoe, June the 9th, 1912.

Edward received his high school education at Gary, Minnesota. He received his college education at Concordia College, Moorhead, Minnesota, from which he graduated in 1922. The following year he entered Luther Theological Seminary from which he graduated May 29th, 1925.

First and foremost is he thankful to his God and Savior Jesus Christ for a Christian father and mother whose guiding and protecting hand, whose prayerful and tender care has been the most potent force in shaping his character. A true Christian home, where Christ has been King, has been the greatest impetus in constraining the son to serve his Lord and Master. His home has always been a God-fearing and prayerful home and its power and blessing have always been with him.

He is further thankful to his pastors, Gaardsmoe, Bratlie, Halvorson and Tanner for their warm and sincere spiritual guidance.

He is highly appreciative for the Christian education which he has received at Concordia College, as well as the unfailing and untiring efforts of the Professors of Luther Theological Seminary in the development of his spiritual life.

Edward has ever felt the influence of the sacrificing and atoning love of Jesus Christ. From childhood days has he been permitted to call Jesus Christ his own Lord and Master, tho not without fear and trembling. He has also felt the bitterness and gaul of sin but has by God's Grace thru Jesus Christ remained in the baptismal covenant with his God.

From childhood days has he felt the Call to serve his Lord the Savior. It has always been his hope and prayer to be a minister of the Gospel of Jesus Christ. This cause he prayerfully laid before God thru his Savior. He has been blessed with assurance that this shall be his life work. In all humility and unworthiness does he present himself as a servant to the "Church" of Jesus Christ.
Ordained in 1925.

Arthur Leonard Swenson, son of John F. and Jennie Swenson, was born December 27th, 1899, at Armour, South Dakota. He was baptized in the Norwegian Lutheran Church at that place by his father, Rev. J. F. Swenson. He completed the public school grades in 1914 and was confirmed that same year in Lyster Norwegian Lutheran Church, Nelson, Wisconsin. He attended the St. Olaf Academy at Northfield, Minnesota, two years.

Upon the removal of the St. Olaf Academy to Red Wing Seminary, he completed his academy course at that institution in 1918. The following fall he matriculated at St. Olaf College receiving the B. A. degree from that institution in 1922. The next year was devoted to school work at Canton Lutheran Normal, Canton, South Dakota. He completed the theoretical course at Luther Theological Seminary May 28, this year.

He remembers with gratefulness the wise counsel and encouragement of teachers and friends. Especially does he remember with deep gratitude his father and mother, for their Christian instruction and guidance, and for their prayers and sacrifices. It was under the loving guidance of these dear parents he first learned to know Jesus Christ as his personal Savior.

Above all he is grateful to his Heavenly Father, who has guided and sus-

tained him throughout these years. To Him he owes all praise and thanks for His great mercy and love.

He has accepted a call from the First Lutheran, Wabanica and Silver Creek Congregations, Baudette, Minnesota. He feels keenly his limitations for the responsible work of the ministry. However, he trusts implicitly in Christ's promises and believes that He will perfect his strength in the weakness of His servant. He asks for the prayers of all Christian friends, particularly the congregations to whom he is called, that he may be given grace from on High to fulfill the responsibility of his holy calling.

Reuben Clayton Teslow was born at Hayward, Minnesota, July 7, 1899. His parents, Hans A. Teslow and Rena, nee Ofstehage, Teslow live at Scandinavia, Wisconsin. He was baptized into the Holy Trinity by Rev. Tolo. Some years later the family moved to Crosby, North Dakota, where he began his elementary education in Rural and City schools. Here he received his early Christian training and inspiration to the Christian ministry by the sincere character and instruction of Rev. Olaf Ylvisaker, who made his home with the parents while at Crosby. He completed the seventh and eighth grades at Glenwood, Minnesota. The family moved to Thief River Falls, where he graduated from the High School in 1917.

His Christian training was received through private instruction, Sunday School and Parochial School. He was trained in a Christian home, and there taught to fear and love God above all things. Having attained the proper understanding and instruction, he was confirmed by Rev. I. T. Aastad.

He entered St. Olaf College in the fall of 1917, receiving his B. A. degree with the class of 1921. Although having felt the Call of God to enter the Holy Ministry while at College, he rejected it feeling himself unworthy for so noble a Calling. He taught two years at the West Central School of Agriculture, Morris, Minnesota. At this place he came to the full realization that he could not be happy, nor be at peace with God until he had entered that work to which the Spirit was calling him. He was accepted as a student at Luther Theological Seminary in the fall of 1923, and graduated May 28, 1926. Having received a Call to serve the Trinity Lutheran Congregation of South Chicago, Illinois, he now presents himself for the ordination and blessing of the Church.

On this his ordination day he is especially thankful to the Almighty God, the Father, Son, and Holy Spirit, who in His grace has called, guided, sanctified and preserved him in the true Christian faith. He wishes to thank his dear parents for the love, sacrifices, encouragement, prayers, and the many things that they have done for him in this time of preparation. He wishes to remember the pastors, teachers at College and Seminary, and the many friends who have helped him on the way to a firm faith and trust in God, and the realization of the great Calling. He recognizes and appreciates the Christian influence and counsel of Rev. and Mrs. H. B. Kildahl who opened their home to him during his Seminary years. His years spent with the St. Olaf Choir brought him to a higher appreciation of the beauty, glory, and the majesty of God, and the things Spiritual.

He fully realizes the utter unworthiness and insufficiency of himself, and places utmost trust in that the Lord, who has called him will supply all deficiency. He has experienced the power of prayer, and humbly requests that the Church, relatives and friends will unite with him in prayer to the Triune God, that God's blessing may rest upon him as a servant in the Vineyard.

Ordained June 6, 1926.

John Oliver Trontvet was born of the parents, Paul and Sarah Trontvet, January 1, 1901, in Lake Mills, Iowa. He was baptized by Rev. Brun. When eight years old he began his public school work in the country three miles from Thief River Falls, Minnesota. In 1911 he moved back to Lake Mills, Iowa, with his parents. There his father died from pneumonia February 16, 1913, leaving his mother with six children, John being the oldest. On October 3, 1915, he was confirmed by Rev. O. R. Sletten. This he considered one of the greatest days in his life. In the fall of 1916 he started High School at Lake Mills and finished in 1919 entering St. Olaf College in the fall of the same year, from whence he received his B. A. degree in the spring of 1923. Through the guidance of God and His Servants he entered Luther Theological Seminary in the fall of 1923, graduating May 28, 1926.

He now has accepted a call from the Board of Home Missions to be pastor and spiritual guide for the Spirit Lake, Idaho, and Newport, Washington congregations. And today he humbly presents himself for ordination.

While he is indebted to his professors, teachers, relatives, and friends, he is especially thankful to God for his kind father who so early in his life pointed him to Jesus and filled his heart with the Word of God, and to his loving mother for her great love and many sacrifices that she has made for him, and also to his sister and brothers. God alone can and will bless and reward them. He also remembers with sincere thanks his beloved Pastor O. R. Sletten and his wife, Mrs. Sletten, for the kindness they have shown him in so many different ways and especially for their prayers, and also the intercessions of many other friends who have lifted him up on the arms of prayer. He is also grateful to the influence he has received from the Lutheran Bible Institute of St. Paul, Minnesota, which has meant so much in his life. But above all he is grateful to the Triune God, Father, Son and Holy Spirit Who has so faithfully and graciously dealt with him, and for God's Holy and Precious Word which is such a source of comfort and strength to him and the only foundation of his Salvation. His prayer is that he may always be faithful to God's Word.

Although he feels unworthy of assuming the responsibility of the ministry, he trusts in God and His all-sufficient grace in Christ Jesus. Therefore, he asks all Christians to pray for him that he may be a true Shepherd over his flock; that he may do all things through Christ who strengtheneth him; that thus souls may be saved and that God may get glory and honor to Himself from his service.

Edgar O. Urness was born September 4th, 1900, near Lamberton, Minnesota, to the parents, Henry Lyder and Mathea Urness, and was baptized the same year. The following year his father was ordained to the holy ministry and in 1905 moved from Miller, Iowa, to Buchanan, Sask., Canada, having accepted the call for home mission service. There he received his early elementary education until the family moved farther north to Preeceville, Sask., where he completed the grades in 1913 and was confirmed by his father the same year. 1915 he enrolled at Concordia College, Moorhead, Minnesota, where he received both his high school and college education, graduating with the B. A. degree in 1922. Three months of this period, however, was spent at Northfield, Minnesota, where, in 1918, he enlisted in S. A. T. C. In the fall of 1922 he accepted a position as teacher and dean of Outlook College, Outlook, Sask.

The next summer, while enjoying a short vacation at home, he was convinced that the call of God to enter the ministry would have to be answered. The call to more active service in God's kingdom had often come to him, even in childhood, but particularly during the last two years in college. However, he realized that he was not as interested in God's Word nor His kingdom as should be expected and therefore tried to dismiss the thought of studying theology until through prayer and a deeper realization of the power of the Word of God, not only for himself but his fellowmen, he was convinced that God wanted him to prepare for the ministry. He enrolled at Luther Theological Seminary, St. Paul, Minnesota, in 1923, graduated from there in May this year, 1926, and has received and accepted a call to Immanuel, Dovre, Dahlton and Bethany congregations, Naicam, Sask., Canada.

From early childhood he was surrounded by the influence of a Christian home, and on this day of ordination he is especially thankful to his mother who, amidst the struggles and hardships of pioneer and mission-field life, was able to instill into the minds and hearts of her children the love and fear of God. Likewise he is indebted to his father, who through much sacrifice encouraged him in many ways and not least by sending him to one of our church schools to be trained under religious influences. He is also thankful to sisters and brothers, pastors and friends, teachers at Concordia College and particularly its former president Dr. Aasgaard as well as the professors at Luther Seminary. But above all he is thankful to the Triune God who has so wondrously guided him on his way.

It is with a deep sense of personal unworthiness that he assumes the responsibilities of the holy calling to which he today asks the church to ordain him, but he also places his trust and hope in his Lord and Savior who can perfect his strength in weakness for "Who is sufficient for these things?" He prays that God would grant him grace to become more conformed to the image of his Son, a worthy servant in His kingdom, and a faithful shepherd of souls. To this end he also requests the prayers of the church, relatives and friends.

Ordained June 6, 1926.

Wilhelm Henry Westby, son of Julius J. and Marie Lishaugen Westby, was born November 21, 1900, at Fairdale, Walsh County, North Dakota. He was baptized the same year in Silvesta Congregation by Rev. A. J. Krogstad and was confirmed there by Rev. J. B. Byberg at the age of fifteen. After attending the public schools at Fairdale he was graduated in 1918 from Park River (North Dakota) High School and matriculated at St. Olaf College in the fall of 1919, from which institution he received his Bachelor of Arts degree with the class of 1923. Having early found peace with God he was not unmindful of the heavenly calling but entered Luther Theological Seminary in the fall of 1923. Upon completing his work there he received his Candidate of Theology and his Bachelor of Theology degrees May 28, 1926. With a firm conviction that the Lord has called him he has accepted a call to serve the First Lutheran Church of Fargo as assistant-pastor and today humbly presents himself for ordination.

On this day of his ordination he owes his Christian father and mother, brothers and sisters, a deep debt of gratitude for their prayers, love and sacrifice. Likewise he desires to thank his teachers and Christian friends for their instruction and encouragement. But above all does he today thank Almighty God who in love and wisdom has preserved and guided His disobedient child until now, and in mercy has called him to be His servant. Because he realizes keenly his utter unworthiness and insufficiency for these things he implores all Christians everywhere to intercede for him that he may be a true and faithful soldier of Jesus Christ to the glory of God and the salvation of souls.

Marius Christesen Dixen, søn av Niels L. Kristesen og hustru, blev født den 28de januar 1895 i Grønnebek, Jels Sogn, Slesvig Holstein, og blev døpt og kinfirmert i Jels kirke. Da han endnu var barn blev hans forældre omvendt, hvorefter det blev deres hellige og bevisste opgave at lede barnene til en klar erkjendelse av synd og av nødvendigheten av frelse i Jesu blod. Eftersom han vokste op blev ogsaa synden en virkelighet for ham og kampen for en personlig tilegnelse av naaden i Kristus begyndte tidlig. I femten aars alderen kom han til at hvile i visshet om synders forladelse og han fik fred, hvorfor han takker Gud.

I 1910 reiste han med den danske lægprædikant Jens Dixen til Amerika, hvem han skylder meget av sin aandelige opdragelse, og hvem han altid vil komme til at staa i taknemmelighetsgjæld til. I Amerika fortsatte han sin utdannelse. Han frekventerte Brorson High School, Kenmore, N. Dak., to aar, Lutheran Bible School, Walpeton, N. Dak., tre aar, og Augsburg Seminar, Minneapolis, Minn., seks aar. Han takker Gud for det utbytte han fik paa disse skoler, som han ogsaa erindrer dem med dyp taknemmelighet og ber Gud velsigne alle hans lærere.

Efter endt skolegang har han i fire aar tjent som lærer ved og bestyrer for Willmar Lutheran Bible School. Den gjerning var han glad i. Allikevel kjendte han sig dragen til at gaa ind i mere direkte menighetsarbeide og følte sig tilskyndet til at ta imot kald fra Hauge ev. luth. menighet. Han tror skridtet er efter Guds vilje; derfor har han ogsaa den tillid at Gud vil velsigne.

I 1922 blev han egtevidd til Marie Skovholt, Dwight, N. Dak.

Han gaar da ind i prestegjerningen med glæde i hjertet. Men han føler allerede ansvarets byrde og ber om menighetens forbøn.

"Vi har ikke en ypperstepræst, som ikke kan ha medynk med vore skrøpeligheter, men en saadan som er blit prøvd i alt i lighet med os, dog uten synd. La os derfor træ frem med frimodighet for naadens trone, for at vi kan faa miskundhet og finde naade til hjælp i rette tid" (Hebr. 4, 15—16).

Henry Anton Johansen blev født den 20de mars 1882 i Tønsberg, Norge, av forældrene Henrik Johansen og hustru Anne Gurine nee Andersdatter.

Hans forældre saa det som sin livsopgave at vise barnet den rette vei, han blev derfor bragt op til at forstaa kristendommens sandheter saaledes som de var undervist i vore lutherske hjem i Norge.

Efter endt skoletid reiste han til sjøs og kom 17 aar gammel i forbindelse med den velkjendte sjømandsprest Folden i Pensacola, Florida, som øvet en sterk aandelig indflydelse paa ham.

Kommet hjem fra sjøen kom han i berøring med metodistene og blev av dem kaldt til at arbeide i landdistriktene. Han var ogsaa ansat som hjælper paa to steder i Norge. Efter et tidsrum av to aar tok han en tur til sjøs igjen. Dette var hans sidste sjøtur.

I 1908 kom han til Amerika og var i seks aar bestyrer for Bethelskibets sjømandsarbeide. Han blev derfra kaldt til menigheten i Bronx, metodistkirken, hvorfra han kom som bestyrer for det Skandinaviske sjømandshjem i Brooklyn, N. Y., hvilken stilling han har indehat i otte og et halvt aar.

Hr. Johansen er medlem av Zions norsk lutherske menighet i Brooklyn, N. Y., og har i det sidste studert den lutherske kirkes lære- og bekjendelsesskrifter, og er sig bevisst at de tolker Guds rene ord. Med den naade som Gud gir ham vil han forkynde dette rene Guds ord og forvalte sakramentene ifølge Jesu indstiftelse. Han er sig ikke bevisst at ha brukt noget av Guds ord forbudt middel til at komme ind i prestegjerningen.

Hr. Johansen er gift og har fire barn. De lever et godt og lykkelig liv og er alle interessert i vor kirkes vel.

Michael Luthro, søn av John J. og Martha Luthro, er født den 21de september 1894 nær Goldfield, Humboldt County, Iowa. Han blev døpt og konfirmert i Lake menighet, Goldfield, Iowa. Konfirmert i 14-aarsalderen ved pastor O. R. Sletten. Hans forældre søkte stadig ved bøn og undervisning til at faa veien til salighet klar for ham. Takket være Gud for saadanne forældre. Han frekventerte St. Olaf Akademi fra høsten 1914 til vaaren 1917. Den 16de september 1917 indgik han i egteskap med Josephine E. Johnson, og nu har Gud velsignet dette egteskap med tre barn. Den 19de september 1917 blev han kaldt til at tjene som soldat i U. S. Army. Han hadde da fra 14-aarsalderen av lat sig drage og lokke av verden indtil han kom langt bort i synden. Tre ganger fik den Helligaand ham til at fatte den beslutning at han skulde vende om, men til den gjerning agtet han sig selv kar nok, endskjønt han hadde hørt fra barndommen av at det var en Guds gjerning. Men Gud ske lov, det gik i stykker hver gang, og derved fik Herren aabenbart til ham hans fortapte tilstand. Og da han i sin elendighet i december 1917 ropte til Gud, frelste Herren ham for Jesu skyld. Og to maaneder derefter gav den Helligaand ham forvissning i hans hjerte om at hans skyld var betalt og hans synd tilgit. Da kom Herren og kaldte ham til at tjene i hans vingaard som sjælesørger, ikke paa en overordentlig maate, men med en, for en lydig, uimotstaaelig overbevisning om Guds vilje med ham. Han tjente som soldat indtil han den 13de februar 1919 fik "honorable discharge".

For at forberede sig for den gjerning Herren i naade hadde kaldt ham til gik han paa St. Olaf College fra høsten 1919 til vaaren 1923, da han med sin klasse fik "Bachelor of Arts" graden. Han fortsatte med Guds naade sin forberedelse den følgende høst ved Luther Teologiske Seminar indtil han den 28de mai 1926 fik "Candidate of Theology"-graden. Paa grund av at han er kaldt av Fertile menighet, Fertile, Iowa, og Hanlontown menighet, Hanlontown, Iowa, som prest, fremstiller han sig idag til ordination.

Naar han nu ser tilbake paa de svundne aar, fyldes hans hjerte med tak: først til sin herre og frelser som reddet ham ut av Satans herredømme og som har tildelt ham naade over naade indtil idag; og saa til hans kjære hustru og barn som har staat ham bi i disse aar og gjort hans hjem hyggelig og godt; og dernæst til hans kjære forældre og søskende som har lidt og stridt for ham saa at han skulde ha det godt baade til legeme og sjæl for tid og evighet. Saa ønsker han ogsaa at si tak til Lake menighet og alle kjendte og kjære, baade slegtninger og venner, som har været med og lettet hans byrde baade med gaver og forbøn. Herren som er rik paa miskundhet lønner eder alle i visdom.

Og nu da han staar ved dørtærskelen til sit livsarbeide og ser paa sin egen skrøpelighet og paa sjælesørgerens ansvarsfulde arbeide, ber han inderlig om forbøn av hans menigheter og de forsamlede kristne venner og den hele kristne kirke, saa at den evige konge, den uforgjængelige, usynlige, eneste Gud maa bli æret og priset i al evighet! Amen. 1 Tim. 1, 17.

Johan Melvin Moe er født den 18de oktober 1897 i Pope county, Minn., av forældrene Andreas Moe og Bertha (født Holseter). Han blev døpt av pastor Nils Førde den 1ste december 1897. Vaaren 1913 blev han ogsaa konfirmert av pastor Nils Førde. Høsten 1914 blev han optat som elev i den forberedende avdeling ved Park Region Luther College, Fergus Falls, Minn., hvorfra han graduerte vaaren 1918. Samme aar fortsatte han sine studier ved Luther College, Decorah, Iowa, hvor han graduerte i 1922. Høsten samme aar blev han optat som student ved Luther Theologiske Seminar, St. Paul, Minn. Efter fuldendt studium blev han, ved den fra 9de til 28de mai 1925 avholdte embedseksamen, fundet dygtig til at overta det hellige prækeembede. Han har nu antat kald fra Sherwood, Prosperity og Evanger menigheter i Renville County, N. Dak., og er sig ikke bevisst at ha brukt noget av Gud forbudt middel til at komme i embedet.

Han takker og priser idag sin Herre og Gud for al hans godhet og barmhjer-

tighet imot ham, alt av naade for Jesu skyld. Paa denne sin ordinationsdag mindes han med glæde og tak sine forældre og søskende og ikke mindst sin kjære hustru for kjærlighet, hjælp og forbøn. Han takker ogsaa de venner som har ydet ham bistand i raad og daad. Han ønsker at takke alle sine lærere ved Luther College og Luther Seminar for raad, undervisning og kristelig eksempel.

Naar han idag fremstiller sig til ordination, er det med dyp følelse av sin egen uværdighet til at overta det hellige prækeembede; man han sætter sit haab og sin tillid til Gud, som har bevaret ham og som saa naadig har kaldt ham til sin tjener. Han ber om denne menighets og alle kristnes forbøn, at Herren maa gi ham kraft og visdom til, som en tro Herrens tjener, at utføre den gjerning hvortil han er kaldt.

Ingolf Herman Marentius Rognlie er født den 26de mars 1896 i Ft. Ridgely og Dale prestegaard, Camp Township, Renville Co., Minn., av forældrene Parelius H. Rognlie og Marie, født Gullerud. Han blev døpt og konfirmert i Ft. Ridgely og Dale kirke. Fra sit ottende aar begyndte han paa publikskolen. I 1916 graduerte han fra Franklin høiskole. I januar 1919 begyndte han sit studium ved Luther College og graduerte den 6te juni 1922 med graden B. A. Samme høst blev han optat som student ved Luther Teologiske Seminar, St. Paul, Minn., hvor han ved den 6te juni 1925 avholdte avgangseksamen blev fundet dygtig til at overta det hellige prækeembede.

Naar han nu paa sin ordinationsdag ser tilbake paa fortiden, da ser han kun naade i alle Guds førelser med ham, og føler hvor ringe han er like overfor al den miskundhet og al den trofasthet Herren har gjort imot ham.

Han kommer med tak sine forældre i hu, som har gjort alt de formaadde for at gi ham en kristelig opdragelse, han takker Gud for hvad han gav ham i hans kjære gudfrygtige, bedende mor, som Gud i sin visdom tok hjem til sig den 31te januar dette aar.

Han frembærer sin tak til sine lærere ved Luther College og Luther Seminar for al den kjærlighet og velvilje de har vist imot ham, likesaa til sin fars menigheter og Ole Højmyr og søskende som har ydet ham ufortjent hjælp, raad og opmuntring. Med tak kommer han sine søskende i hu for al den opofrelse de har gjort, og som har ydet saa meget til hans utdannelse, og han ber at Herren vil rikelig velsigne alle hans velgjørere. Mest av alt takker han den naadige Gud, fra hvem al god og fuldkommen gave kommer.

Naar han nu fremstiller sig til ordination saa er det med dyp følelse av det store ansvar som derved lægges paa ham og av sin egen uværdighet.

I bøn og tillid til al naadens og barmhjertighetens Gud som har sagt: "Herren, din Gud, er den som vandrer med dig, han slipper dig ikke" (5 Mos. 31, 6), fremstiller han sig idag til ordination, idet han ber om denne menighets og medkristnes forbøn. Han har antat kald fra Zion norsk-dansk ev. lutherske menighet, Elgin, Ill., og erklærer at han ikke er sig bevisst at ha anvendt noget av Gud forbudt middel for at komme i det hellige embede.

Ernest B. Steen er født den 31te juli 1901 nær Clinton, Minn., av forældrene Olai Steen og hustru Caroline. Han blev døpt den 18de august i St. Pauli lutherske menighet av pastor Carl B. Ingebrigtson og konfirmert av pastor Engel Olson i juli 1916 i samme menighet.

Efter gjennemgaaelsen av den offentlige skole, frekventerte han høiskolen i Clinton, hvorfra han graduerte i juni 1919. Samme høst fortsatte han sin skolegang ved Luther College og graduerte derfra i juni 1923. Det var i de to sidste aar ved Luther College at han følte sig kaldt av Gud til at tjene ham i sin vingaard i det hellige presteembede. Han blev da optat som student ved Luther Teologiske Seminar og graduerte derfra den 28de mai 1926.

Med tak til Gud mindes han dem som med sin opmuntring, indflydelse og bønner har ledet ham til kundskap om og livssamfund med Jesus Kristus. Han ihukommer idag sine forældre som har gjort det mulig for ham at fortsætte sin skolegang og ogsaa for deres kristelige eksempel og undervisning. Han er ogsaa taknemmelig mot sine sjælesørgere, lærere ved Luther College og Luther Teologiske Seminar og den indflydelse og veiledning som de har git ham. Først og fremst takker han Gud som med sin store kjærlighet har ledet ham og bevart ham indtil denne dag, og som av naade har kaldt ham, trods hans uværdighet, til at tjene ham.

Naar han nu har antat kald til Mahnomen lutherske menighet, Mahnomen, Minn., og Trefoldighet menighet, Waubun, Minn., og ber om kirkens ordination, saa erkjender han sin egen uværdighet til at gaa ind i Herrens tjeneste, men "Jeg formaar alt i ham som gjør mig sterk". Derfor ber han om kirkens, slegtningers og venners forbøn at Gud vil gi ham kraft og visdom til at være en tro Kristi tjener.

Amund Tveit er født paa gaarden Tveit i Hardanger, Norge, den 15de mars 1891, av forældrene Ole og Marta Tveit. Paa grund av sygdom var han hjemmedøpt av sin onkel Gjermund Aalvik, den 16de april samme aar. Forældrene som søkte at gi sine barn en kristelig opdragelse, ved sit alvor i bøn og læsning saa vel som ved paamindelser, gjorde et dypt indtryk paa hans barndomsliv. Efter otte aars skolegang blev han i 1906 konfirmert av pastor R. Ottesen.

Som 19-aarsgut utvandret han til Amerika og bosatte sig i staten Washington. Der opholdt han sig til i 1920, med undtagelse av et aars tjeneste i det amerikanske postvæsen i Frankrike under verdenskrigen. Om høsten 1914 begyndte han at gaa paa den amerikanske folkeskole i Nahcotta, Wash. Efter to aar flyttet han til Aberdeen, hvor der var en større høiskole, og graduerte fra samme om vaaren 1920.

Under pastor Wolds indflydelse og ledelse blev han i Aberdeen omvendt til Gud, efter en længere tids indre kampe. Det som gjennem barneaarene føltes som længsler til at bli en Guds ords forkynder vaktes nu igjen som en røst der ikke vilde forstumme. Veien syntes stengt til prestegjerningen, men han lovte Herren at gaa saa langt som han vilde føre. Om høsten 1920 blev han optat som student ved St. Olaf College, hvor han gik to aar. Han reiste om høsten 1922 til Norge for at besøke sit folk der, og kom saa tilbake den næste vaar. Høsten 1923 fik han op-

tagelse ved Luther Seminar, og blev uteksaminert fra samme ved denne aarsklasse i mai 1926.

Det er med tak til Gud som trods hans uværdighet har kaldt ham til sin tjener, at han idag ber om ordination. Fremdeles ønsker han at si tak til sine lærere ved St. Olaf College og særlig lærerne ved Luther Seminar som har været midlet i Guds haand til at utdanne ham for hans kalds gjerning. Likesaa er han taknemmelig mot sine forældre som gav ham en kristelig opdragelse, og har baaret ham paa bønnens arme til denne dag. Likeledes mindes han med tak sine søskende og venner som ved bønner, tilskyndelser og anden understøttelse har været ham behjælpelig.

Den 15de mars antok han kald fra Donalda, Canada. Paa denne hans ordinationsdag er det hans inderlige ønske og begjæring at hans venner vil komme ham i hu i sine bønner, at han maatte faa være en tro Herrens tjener til sin sidste stund.

Ordained June 6.

Hans Andreas Rønhovde er født paa Dale i Bruvik, pr. Bergen, Norge, den 16de mars 1883 av forældrene Peder Rønhovde og hustru, født Engevik. I mai samme aar blev han døpt i Bruvik hovedkirke. Efter at ha gjennemgaat folkeskolen blev han om høsten 1897 konfirmert av sogneprest Lampe i Dale kapelkirke. Et par aar senere frekventerte han en fortsættelsesskole hjemme.

De første ungdomsaar svandt hen uten nogen bekymring for sjælens frelse. Han var dog klar over at han ikke var nogen kristen i dette ords rette betydning. I 1903 gik der en vækkelse over hans hjembygd. Da blev ogsaa han vakt og kom til liv i Gud. Han begyndte da at ta del i møtene hjemme med bøn og vidnesbyrd. Han blev ogsaa betrodd en klasse i søndagsskolen. Under dette arbeide vaaknet trangen efter mere bibelkundskap baade for sin egen del og for arbeidet i søndagsskolen. Da saa Bergens indremission i 1904—05 skulde avholde et bibelkursus, søkte og fik han optagelse ved samme.

Undervisningen her og medelevenes brorskap blev ham til stor nytte og velsignelse. Efter endt skoletid fik han kald til at reise som emissær — dog ikke stadig. Den 26de december 1907 indgik han i egteskap med Helene Emilie Hansen. De har fem barn: Aslaug, Peder, Helene, Hans og Ruth.

Høsten 1909 bosatte de sig i Bergen, hvor han var beskjæftiget ved et kontor. Efter leilighet deltok han i opbyggelsesarbeidet i Bergen og omegn. Vinteren 1912 blev han kaldt til religionslærer, organist og kirkesanger av Concordia menighet nær Glyndon, Minnesota. Efter alvorlig bøn til Gud og efter samraad med forældre, sin hustru og en del troende venner, antok han kaldet. Han utvandret til Amerika om vaaren samme aar. Vinteren 1913 fik han kald fra Turtle Mountain kreds av forhenværende Hauges Synode til at reise som kredsemissær. Han mottok kaldet og reiste i flere vintre for kredsen. I sommertiden holdt han saa religionsskole. Han følte ofte en indre trang efter at kunne faa tjene Herren i det hellige prækeembede som prest. Utsigtene var imidlertid meget smaa for ham til at kunne faa komme til Seminariet. Han talte da ofte til sin himmelske fader om dette og om han ogsaa vilde aapne vei og skaffe midler, hvis det saa var hans vilje. I 1918 mottok han kald fra French Creek og Tamarak menigheter ved Ettrick, Wis., til at være deres lærer, organist og kirkesanger. Her virket han da til han om høsten 1923 blev optat som student ved Luther Teologiske Seminar. Gud hadde hørt hans bøn og gjort det mulig for ham at faa komme der.

Den 28de mai i aar graduerte han fra vort seminars praktiske avdeling.

Paa denne sin ordinationsdag takker han da først og fremst Gud for hans store naade mot ham, at han vilde agte ham værdig til tjenesten, skjønt han saa vel kjender hans skrøpeligheter.

Han mindes ogsaa i taknemmelighet alle dem som ved forbøn, undervisning, midler eller paa anden maate har hjulpet ham i skoletiden.

Særlig ønsker han at faa uttrykke sin hjertelige tak til sin hustru for hendes trofaste hjælp og støtte og for de byrder hun saa villig har baaret. Han takker ogsaa sin mor for hendes daglige bønner.

Paa kald fra Bethania menighet, Jackson county, Minn., fremstiller han sig nu til ordination og ber om kirkens og menighetens forbøn, at gjerningen maa lykkes, Guds navn til ære og sjæle til frelse.

CLERICAL ROSTER

The Clerical Roster this year follows the same system as that followed last year. First is given the list of pastors that have died this year. Then a new list of new workers is given in two divisions, namely those ordained at the 1926 annual meeting and those ordained within the Norwegian Lutheran Church during the year 1925 and 1926.

After each pastor's name is given first the year of his birth, and then the year of his ordination. Within the parentheses information is given as to the position he holds within the church. For pastors serving congregations we give first the district, using an abbreviation which can be readily recognized; then the numbers of the congregations which he serves within that district.

Turning to the roster of congregations, which is the first page of the statistics, printed on pages 572 to 908 one can find which congregations each pastor serves or served.

After the number follows an abbreviation for the name of the circuit to which he belongs. For the meaning of these abbreviations see page 565.
